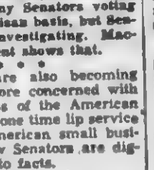
"SMALL BUSINESS"

By C. WILSON HARDER



Senate delay on House $7 billion tax boost bill, causes concern among bureaus and officials. Every day of delay is just another day the public will hear more about the squandering of American wealth.

* * *

House vote on record-setting tax boost was close; could have been voted down had a non-partisan attitude prevailed.

* * *

However, in the Senate trend is less and less to vote on issues on straight party lines.

C. W. Harder

* * *

Thereby hangs cause of anguish in certain quarters. Not only are many Senators voting on a non-partisan basis, but Senators are investigating. MacArthur incident shows that.

* * *

Senators are also becoming more and more concerned with the soundness of the American economy. At one time lip service was paid American small business but now Senators are digging deep into facts.

* * *

Sen. John Sparkman (Ala. D) as chairman of the Senate Small Business Committee, has launched searching investigations of bureaucratic moves that threaten business existence.

* * *

Nightmare of many bureaucrats is that before Senators act on new taxes they will probe.

* * *

If so, heads may roll. As Sen. Estes Kefauver demonstrated, it is dangerous to try and fool an aroused Senator.

* * *

Last week, this column reported that ECA release No. 2300 announced $7,700,000 gift to British to help develop her African colonies. The release reported that coal and manganese mines, and other projects would be developed with American money.

* * *

It is now learned how money was spent. Of the $7,700,000, $4,261,000 has been in tobacco given to the British African colonies and the balance less than $1½ million, in food.

* * *

Such disclosures could wreck plans to saddle American people with billions of additional taxes.

* * *

Some Senator is bound to ask why Americans should pay taxes to send millions of dollars of tobacco to British Africa.

* * *

The letters FTC are supposed to stand for the Federal Trade Commission. Many now say they stand for the Federal Tweedledeedee Commission.

* * *

So far, Commission has refused to use its power to combat monopoly price cutting to destroy competition.

* * *

But this does not mean that in a dire emergency the FTC is incapable of rising to the great heights of a mole hill.

* * *

In Weymouth, Mass. a Lincoln and Paul Mathews are co-partners in a shoe business. They called their little firm the Mathews Guild.

* * *

But no longer. FTC held that the term guild, instead of company, or some other term, might lead some people to think it was an association instead of a commercial enterprise.

* * *

Americans can take great comfort in the ferocious vigilance of the FTC.

* * *

Unhindered, monopolies may bankrupt 900,000 independent American businesses.

* * *

But Americans are assured if any small outfit threatens to undermine the American system by calling their small company a guild instead of a company, the FTC attacks at dawn.

June 30 Nuptials Read Uniting Miss Dearring, Mr. Buckerfield

Mr. and Mrs. Harry Willard Buckerfield
(J. Curtis Allen Photo)

Holy Family Church was the June 30 setting for the marriage of Miss Kathryn Amelia Dearring, daughter of Mrs. Thelma A. Dearring, 12 Wisconsin-av, and Mr. James M. Dearring, 1131½ Pennsylvania-av, to Mr. Harry Willard Buckerfield, son of Mr. and Mrs. William Buckerfield, 589 Bradley-st. Rev. G. F. Gressel read the ceremony.

The bride, given in marriage by her father, wore a gown of nylon tulle over white satin and carried a bouquet of white carnations centered by a white orchid.

Mrs. Cleil Mowery attended her sister as matron of honor. She wore a gown of aqua taffeta with which she carried talisman roses. Mrs. Vern Munk and Mrs. Harold Miller attended the bride as bridesmaids. They wore a yellow taffeta gown and a pink taffeta gown respectively with the opposite colored carnation bouquets.

Mr. William Buckerfield, brother of the groom, was best man and ushers were Mr. Cleil Mowery and Mr. Harold Miller.

For the reception held at the United Commercial Travelers Clubroom, Mrs. Dearring wore a blue silk and lace dress. The bridegroom's mother wore a navy blue crepe dress.

Hostesses were Mrs. Faye Lamb, Miss Evelyn Heyman and Miss Louise Wright.

For their wedding trip to Niagara Falls and the New England States, the bride changed to a dusty rose gabardine suit with which she wore white accessories including the white orchid from her corsage.

The young couple will make their home at 13 Wisconsin-av.

Doramy Fassig, Mr. Bain United In Marriage At Hilliards

Mr. and Mrs. Edward Lewis Bain

Before an altar decorated with white peonies and fern, softly illuminated by shell pink tapers, Miss Doramy Ruth Fassig became the bride of Mr. Edward Lewis Bain on June 2nd at 7:30 p. m. in the Hilliards Methodist church with Rev. Clyde Pinnell officiating.

The bride is the daughter of Mr. and Mrs. Arthur Fassig of Hilliards, and Mr. Bain is the son of Mr. and Mrs. W. L. Bain of Grove City, O.

Given in marriage by her father, the bride wore a white organdy gown over a shell pink taffeta slip. Tiny puffed sleeves and stand-up collar, full skirt widening into cathedral train were features of the dress made by the bride. Her veil of illusion was fastened by a jeweled crown. She carried a white prayer book with a white orchid and satin streamers.

Preceding the bride down the aisle, were Miss Shirley Bain, maid of honor, wearing a ballerina gown of shell pink organdie made like the bride's with a matching bonnet tied under her chin with a pink tulle bow and carrying a colonial bouquet of pink roses, edged with maline and satin streamers; Miss Emmalou Nunamaker, Miss Eileen Crager, Miss Jeanne Vagler and Miss Vivian Gallagher, bridesmaids, dressed in organdy ballerina length gowns, two in yellow and two in green and also carrying colonial bouquets of yellow tea roses with green and yellow satin streamers.

Mr. Clyde DeLong, brother-in-law of the groom was best man while Mr. Don Johnson, Mr. Don McKean, Mr. Edward Fassig and Mr. Clarence DeLong were ushers.

A half hour of nuptial music was offered by Mrs. Marlin Hurd, organist, Miss Nancy Murray and Mr. David Ferguson, soloists.

The candles were lighted by Messrs. John and Daniel Chenoweth.

The bride's home was the setting for the wedding reception following the ceremony. Mrs. Fassig received her guests in a dress of pale blue embroidered organdy with white accessories and a corsage of pink shattered carnations. The groom's mother wore pale pink organdy with white accessories and a corsage of white shattered carnations.

Mrs. Richard Halley and Mrs. Edward Fassig served as hostesses and Mrs. Ralph Chenoweth cut the wedding cake.

After the reception, the couple left for a trip to Niagara Falls. For traveling, the bride wore a sheer dress of pale pink with white accessories and wore the orchid from her bouquet.

Looking Ahead

with

J. W. Worrel

Confidence is a great quality. Never before has it been so necessary to have confidence in ourselves, in our country, in our friends, in our jobs, in our future. Lose confidence and life becomes complicated and hopeless. Yet when it comes to planning one's future, confidence alone is not enough. We must also have foresight. Foresight to provide against the emergencies of life, against old age and the time when we shall no longer be able to earn our keep. Confidence in the future comes much more easily when we know that future is provided for. And of course the one way to provide for it is by means of life assurance. Life assurance today offers guaranteed future protection and security to more than sixty-five million citizens of North America. Alberta Smith Wed May 26 To Joseph A. Baesmann, Jr.

Mr. and Mrs. Joseph A. Baesmann, Jr.

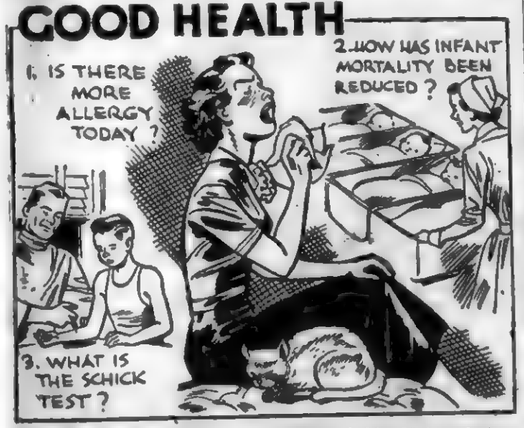
A wedding gown of soft white satin was worn by Miss Alberta Patricia Smith, for her wedding Saturday, May 26, to Mr. Joseph A. Baesmann, Jr., son of Mr. and Mrs. Joseph A. Baesmann, Sr., 144 Midland-av. The bride is the granddaughter of Mr. and Mrs. Harry J. Smith, 1138 W. Second-av. The 10 a. m. mass was performed in Saint Christopher's Church.

Rev. Albert E. Cullifton, pastor of the church, officiated at the open church double-ring ceremony.

Given in marriage by her grandfather the bride's gown was styled with a square neckline trimmed with seed pearls, long sleeves that came to points on her hands, and full skirt with cathedral train. Her crown of seed pearls held in place her finger-tip veil, and she carried white rose buds with a white pearl rosary, a gift from the bridegroom. She also wore one strand of white pearls also a gift from the groom.

Attending the bride was the bridegroom's sister, Mrs. Eugene Jaquay, gowned in orchid taffeta, Mrs. Richard Robinette of Pataskala and Miss Rita Belli were bridesmaids. Mrs. Robinette wore a gown of blue taffeta, and Miss Belli wore a gown of coral pink taffeta; all attendants carried pink rose buds. Gifts from the bride were three-strand white pearl chokers worn by her attendants.

Mr. George Baesmann served as best man for his brother, and the ushers were Mr. William Courtney and Mr. John McNulty.



For the occasion the bride's mother, Mrs. Helen Demory, wore a navy blue and white dress, the bride's grandmother, Mrs. Harry J. Smith, wore a navy blue dress of silk, both wore corsages of red rose buds. Mrs. Joseph A. Baesmann, Sr., mother of the groom, was attired in a dusty rose lace dress and navy accessories and wore a yellow rose corsage.

A reception that evening for 100 guests was held at Saint Francis School hall. The new Mrs. Baesmann was graduated from Sacred Heart Commercial School and at present is employed by the State Bureau of Motor Vehicles. The bridegroom is a graduate of Aquinas College and is employed by the Pennsylvania Railroad.

Following the wedding trip to Toledo the couple are making their home at 566 Wrexham-av.

GOOD HEALTH

Answer to Question No. 1:

1. Authorities say there is more allergy today than in the past probably because as man's environment has become more artificial he has been brought in more frequent contact with foreign or newly created materials. Modern medical knowledge enables your doctor to treat many allergies successfully.

Answer to Question No. 2:

2. The reduction of infant mortality is attributed to the increasing percentage of births in hospitals (although the improvement in the medical care provided in home births has been pronounced), improvement of prenatal care, health education, administration of new medicines, blood transfusions and improvement in training in obstetrics.

Answer to Question No. 3:

3. The Schick test is a method of injecting a very small amount of diphtheria toxin into the skin. Those who have antitoxin in their blood to fight the diphtheria toxin will have a negative test. On the other hand, those who do not have antitoxin or who have not developed it will have a positive Schick test. In the case of a positive Schick test, your doctor will recommend immunization in order to prevent diphtheria.

Society Events Took Place One Year Ago

Last year at this time Judy Jones was joining the staff of The Hilltop Record as society editor and among her first stories and news items were the following:

Miss Margaret Parks, daughter of Mr. and Mrs. Samuel Parks, Blue Creek, O., became the bride of Mr. Theodore Salsbury, 330 Evergreen Terrace . . . Martha Lou Mason was feted with a shower prior to her marriage to Richard B. Kreemer . . . Mr. and Mrs. Mose Williams were entertaining a guest from the Soldiers' and Sailors' Home . . . and Miss Rosemary Halderman, daughter of Mr. and Mrs. Charles V. Halderman, 618 S. Ogden-av, and Mr. Asa C. Marshall, Mt. Vernon, O., were married June 24.

The Tulita Circle of OES was sponsoring a picnic at Westgate Park . . . Mr. and Mrs. H. L. Zulaugh, 136 S. Roys-av, were touring Michigan . . . Judge and Mrs. Cecil Randall, 1989 W. Broad-st, were grandparents for the eighth time . . . and Linda Jane Fenner, daughter of Mrs. Dean H. Fenner, 476 Derrer-rd, celebrated her second birthday.

Another bride of last year was Miss Ester Carnahan who married Mr. Clyde McConnell, son of Mr. and Mrs. Harry McConnell, 629 Binns-blvd . . . Mrs. H. L. Cusic and son moved from Cheyenne, Wyo., to 750 S. Hague-av . . . The William E. Harts, 214 N. Hague-av, were vacationing in Hendersonville, N. C. . . . The James L. Estell family was vacationing in Florida . . . and the Galloway LASM sponsored a chicken supper.

A nuptial high mass united Miss Mary Fenner, daughter of Mr. and Mrs. Howard N. Fenner of Hilliards and Mr. Joseph Busman, Jr., of Kewanee, Ill. . . . and Mr. and Mrs. H. S. Chilcote, 130 Powhatan-av, celebrated their 25th wedding anniversary. A lot has happened since these events took place so congratulations to most of you, and good luck to all of you.

ALL-IN-ONE MEAL

Meals that are baked and delivered to the table all-in-one are a boon to the busy homemaker and luckily very popular with the family, too. Especially nice is this handsome Salmon Vegetable Pie with Cheese Biscuit Topping. The grated cheese in the biscuit topping adds just the right punch to make this tasty pie a huge success.

SALMON VEGETABLE PIE CHEESE BISCUITS

2 cups prepared biscuit mix
⅔ cup milk
1 cup grated American cheese

Combine cheese and biscuit mix and add milk and stir to make a soft dough. Turn out onto lightly floured board; knead 30 seconds. Roll or pat out to ½ to ¾-inch thickness. Cut with a floured biscuit cutter and place on top of salmon pie.

SALMON VEGETABLE PIE

2 tablespoons butter
¼ cup diced onions
5 tablespoons flour
1½ teaspoons salt
⅛ teaspoon pepper
1 teaspoon Worcestershire sauce
2¼ cups milk
2 cups cooked celery, diced
½ pound cooked, sliced mushrooms
1½ cups flaked, boned salmon
2 tablespoons minced parsley

Melt butter, add onions and cook over low heat until tender. Add flour, seasonings and Worcestershire sauce; blend. Gradually stir in milk and cook until thick and smooth, stirring constantly. Add celery, mushrooms, salmon and parsley, stirring to blend. Turn into a 1½-quart buttered casserole; top with cheese biscuits and bake in a hot oven, 450° F., 15 minutes, or until lightly browned. Serves 6.

Handyman Can Make Efficient Door File

BY EDNA MILES

SUCH labels as "scatter-brained" and "inefficient" have been tagged on women for generations. Housewives forget their appointments, lose their bills, foul up their bank accounts. Women, charge their husbands, simply have no mind for business.

A more accurate conclusion would be: women have no place for business. The average home is simply not set up for fingertip organization. The milk bill gets thrust in the kitchen door; the gas bill arrives in the mail, but the baby grabs it for play; receipts and important papers get stuck in with recipes or lingerie because there's just no other place for them.

Most women have neither the space nor the time for an elaborate filing system, but here's an idea for a simple-to-make, easy-to-use file that may be hung on the back of the kitchen door for easy availability.

This file, which is planned as a calendar system, is divided into 35 individual pockets—one for each day of the month plus four extra divisions for miscellaneous use.

USE MAILING DATE AS GUIDE

IT'S suggested that homemakers file their bills under the dates they should be mailed. Since most firms now use staggered bookkeeping systems, homemakers receive bills all month long. Sometimes, because there's no concrete reminder, the writing of checks in payment gets shoved aside. By slipping your bill into the due-date pocket, however, you will find it easy to remember to deal with it promptly.

Such a file is also an aid in keeping up with social appointments. Memos jotted down just after you've received a verbal or a telephone invitation may be placed in the proper slot. By checking papers tucked into the current day's file each morning, you will have a permanent memory-jotter.

If your husband is handy with tools, it will be an easy job for him to construct a calendar file for you. The materials he'll need are: a 42-by-28½-inch piece of pressed wood; 17½ inches of wood parting strip, one-half inch by three-quarters of an inch, to be ripped for eight vertical and six horizontal dividers; half-inch brads, numerals, priming paint and enamel, screws and curved washers for mounting.

With the calendar file pictured here, the busy homemaker can keep track of her bill-paying as well as of appointments, parties and other dates.

675 Prospective Blood Donors Contacted Each Month By Neighborhood Red Cross Workers

Shown above, on the left, is Mrs. H. R. Thompson, leader of a local Red Cross committee, as she instructs Mrs. Melvin Senerius, volunteer telephoner, in the art of seeking blood donations.

Each month a group of local women, working under the auspices of the Red Cross, contact approximately 675 people to ask for blood donations. The response they receive from their neighbors is neither spectacularly good, nor is it frightfully poor.

Mrs. Farris Hamilton, chairman of the Red Cross telephone committee, and Mrs. Robert Locke and Mrs. H. C. Walter, vice-chairmen, are satisfied that the committee is functioning properly and are pleased with the loyalty and conscientiousness of their co-workers.

The Hilltop and West Side women work under two leaders, Mrs. H. R. Thompson and Mrs. Carl Turner who is assisted by Jean Ferguson. Each worker is given 25 names each month taken by a selective service from the telephone directory. In addition to making their plea for blood donors, the telephoners have the answers to questions which might be asked; they are familiar with a booklet on blood; they know the uses of Red Cross blood, and if the party wishes to donate blood they give general instructions.

Working with Mrs. Thompson are Mrs. Earl Fenner, Mrs. Bernhardt Swisher, Mrs. Harvey Fenstermaker, Mrs. Hayward Hillyer, Mrs. C. M. Barbee, Mrs. Laurence Seibert, Mrs. J. D. Fiedderjohann, Mrs. W. B. Spence, Mrs. Roger Geist, Mrs. Carl Kinman, Mrs. Robert Stickler, Mrs. William Eddy and Mrs. William Hallensteine.

Telephoners under Mrs. Turner and Miss Ferguson are Mrs. Melvin Senerius, Mrs. Mark Cockrill, Mrs. Hugh T. Fletcher, Mrs. Gene Hays, Mrs. Arnold Johnson, Mrs. Earl Presser, Mrs. Ed Planck, Mrs. John Rohr, Mrs. Willis Toohey, Mrs. D. W. Meyers, Mrs. Elden Ardle, Macelle Crain and Mrs. Clarence Vance.

The committee, started in October of 1950, hopes to contact 142,000 people before its solvency. YOU will probably be one of those contacted. Remember these women are donating their time to aid your friends and relatives here and in foreign countries and be courteous and helpful in return. If you haven't given blood recently let them make arrangements for you to do so right away.

Bob Hope: There will soon be so many drive-ins in California that you'll be able to get married, have a honeymoon and get a divorce without getting out of your car.

Herb Shriner: The way air travel has speeded up, it'll soon take only two hours to go around the world. One hour for the flying and one hour to get to the airport. —Quoted by Earl Wilson.

Bible Comment:

Timeless Truths Are Embodied in Parables of Jesus

EVER since man first began to express himself, he has used stories to dramatize those facts observed in real life happenings.

In the Bible these stories are called parables. The truths that they have to declare do not depend upon being literal any more than the fables of Aesop who wrote much about animals but always with the faults and frailities of humans in mind.

Among the most famous parables is the one concerning the Prodigal Son. A large part of its greatness rests in the fact that it might have concerned any father or son. Even if Jesus himself had recounted an actual case of a father and son from his experience, it could have been no more credible than the parable.

A natural outgrowth of Oriental imagery and figures of speech, parables enabled Jesus to express living truths with fairy book simplicity. How much less effective his messages would have been if couched in philosophical oratory.

Of interest is the fact that the parables of Jesus always concerned people. Never did they relate the deeds of animals or imaginary creatures. As a result they were true to life glimpses of what can happen, and convincing examples of what does happen.

Even more important is the realization that what the parables relate might happen at any time and in any place. They are as true to life today as they were to the life of the day when Jesus uttered them.

For this reason, we, and our children, must live by the truths of the parables that our own lives may be models of virtue.

Briggsdale And Brown Road

By Mrs. Harry Downing

Rev. and Mrs. Edwin S. Jones and family, 1669 Harrisburg-pk, have returned home from a visit with Mrs. Jones' relatives in Pennsylvania.

Mr. and Mrs. Homer Thomas and daughter, 2428 Chambers-av, visited Windsor, Canada, Detroit and Niagara Falls among other interesting places while on their vacation recently.

The Bookmobile will be at the Briggsdale School July 24, Aug. 7 and 21 from 1 until 2 p. m. Children and adults are welcome to borrow books.

Ronald and Bob Temple, twin sons of Mr. and Mrs. Howard Temple, 1769 Harrisburg-pk, are home on furlough since completing their training at Great Lakes.

Mr. and Mrs. Ray Stevenson, Jr., and family, 900 Palmer-rd, spent Tuesday evening last week with Mr. and Mrs. Oakey Bapst and sons of 2446 Chambers-av.

Patti Sprague, Humphries-av, and Norma Maskwood, Ransberg-av, were guests of Mary Downing, Eakin-rd, last Friday night.

The Young Adult Group of Briggsdale Church held a weiner roast Tuesday evening at the home of Mr. and Mrs. Wilbur Gantz, Hoover-rd.

MAKE UP YOUR MIND

Cool off, Mister. Let's take it easy.

We've all gone through this, you know. Every man learns eventually that the choice of a husband's hat is a wife's privilege.

And eventually, she'll make up her mind.

Just as a friendly tip, though—watch out for that number you're trying on now. It isn't quite your type.

Frankly . . . well, look in the mirror yourself.

Indecision, in small matters like these, is harmless enough. In other ways, it can be a serious mistake. Take the choice of a church, for example. Some people put it off year after year. Plenty of time . . .

But the years slip by swiftly, and sooner or later these indecisive people find an emptyness in their lives; some element missing in their bid for happiness.

Make up your own mind about this matter the right way. Near by, there's a church waiting to welcome you as a member.

If you are honest with yourself, you'll see the need—so, make up your mind today that you will join a church this Sunday!

Ponder the path of thy feet, and let all thy ways be established. Prov. 4:26.

THESE FIRMS INVITE YOU TO ATTEND THE CHURCH OF YOUR CHOICE

Air-Cooled Board Speeds Ironing

BY REINA MILES

THE modern ironing board has come a long way since the days when grandmother stretched a plank across the backs of two kitchen chairs.

First it acquired legs, folding ones that allowed compact storage. Then someone discovered metal was less fire-hazardous than wood.

Now, a new discovery aids the home-maker on ironing day—a board of metal mesh.

Created upon the basic assumption that the time required to iron a garment dry depends upon how fast the moisture is eliminated, this board allows steam to escape through its ventilated surface. Thus evaporation is hastened.

This metal web, which is 61 per cent open space, according to makers, allows much faster drying than solid-type boards which tend to trap the steam. The effort of the home-maker goes into smoothing wrinkles from her laundry rather than into baking moisture from the board, they explain.

Warp, rust and burn-proof, the new ironing table is adjustable to six different heights.

Supporting the top, which is constructed of pierced sheet steel that has been stretched into a diamond pattern, are two pairs of rubber-footed, tubular steel legs which lock into place during use and release with one hand when folding-time comes.

This young woman admires the diamond-patterned metal web that forms the top of her ironing board. Steam escapes through the mesh; thus shortening ironing time.

Scales, Third Generation Printer and Owner of The Empire Press, Has Been West Sider for Half Century

Larry G. Scales, owner-operator of the Empire Press, 136 S. Glenwood-av, is a third generation printer and his son is following in his footsteps.

Scales' grandfather was a printer at the "Ohio State Journal" back in the days when printing was truly "a work of art" and all type had to be set by hand. Scale's father learned the trade and in 1905 founded the printing business in the old Empire Theater building on E. Gay St., which became the Keith building and is now occupied by a financial concern.

The third printer in the line went to work in his father's shop in 1910, while he attended high school and printing classes in the short-lived Columbus Trades School that was located at Long and Front-sts where the Central YMCA now stands.

When Scales, a St. Aloysius graduate, completed high school, he entered the shop on a full-time basis and there he has remained, outside of service in the division of printing in the Army Quartermaster Corps during World War I.

He is another veteran of West Side life. His early years were spent on Mitchell-av and his home was located where the city impounding and parking lot is situated. He now lives with his wife at 603 S. Eureka-av. The Scales have three children, two daughters and a son and one grandson.

Scales is the chairman of the West Side's selective service board 42. During World War II, he worked on board 13.

Most of Scale's spare time activities are directed toward American Legion work. He is a past commander of the Camp Chase Post 98 and has held various local, county and district offices in the Legion. For 12 consecutive years he has served as chairman of the Ohio State Junior Baseball Commission.

He is financial chairman of the southwest district of Boy Scouts, a member of the Kiwanis Club and has belonged to the West Side Board of Trade for 25 years.

NEW BOOKS AT HILLTOP LIBRARY

Summer — vacations — and relaxation! How better than with a good book?

Hilltop Branch Library offers fine summer reading in both fiction and non-fiction with brand new books.

"Cry Above the Winds" by J. B. Bartlett is real reading about old California. It is based on careful research into California history and makes warm, appealing story of old missions in early America.

For sheer, gay reading have fun with "The Form Divine" by Hildegards Dolson. Lucilla Webb, 37-year-old wife and mother takes a course in learning to walk and talk and look like a "New Woman" much to the dismay of her family.

Eleanor Hibbert (pseud. Jean Plaidy) writes about Catherine de' Medici, a ruthless queen who lived in the luxurious, intellectual, immoral courts of the 16th Century France. This book is for the reading public that may be bored with gaudy historical novels. She calls the book "Madame Serpent."

The U. S. Conservation Department warns us all about fires in the summertime. Vacationers are cautioned along the highways and in woods to be careful with cigarettes, matches and picnic fires. The folks in Maine are especially conscious of the danger of fire and a grand description of the terrible havoc caused by raging forest fires is described in the novel "October Fires" by Eleanor Mayo. She tells of the sturdy, independent folks of Frenchville, Me., and how they react to immediate danger in a terrible coastal fire.

"The Burned Bramble" by Manes Sperber deals with three men who are Communists and are struggling to keep the party's ideals alive, which they fail to do. The story, translated from the German by Constantine Fitzgibbon, takes place in Germany during the years 1932-37. It is a tremendous story of great depth.

Frank Yerby's "Floodtide" has been very popular at this library. Ross Pary, the man of the story, experiences love, hate and tragedy, but he learned what the dignity of man is and you meet the host of friends that shape his life.

For a change of pace read "The Loyalty of Free Men" by Alan Barth, which gives you some information about legislative hearings and FBI investigations, etc.

"The Riddle of MacArthur" by John Gunther takes us through Japan, Korea and the Far East.

"Delinquency Control" by L. J. Carr talks about our social problems today: how to find the child who needs help and to keep the normals normal.

Dr. Roy A. Burkhart's latest—"Secret of Life" is a small book packed with spiritual help. It tries to help us find ourselves and determine what we are not and how to gain peace of mind.

Monday, Wednesday, and Friday from 9 to 5:30 at the Hilltop Branch Library, W. Broad and Binns-blvd, is open to people of this community and would like to help make summer reading more pleasant for all.

Community Needs School Board Representation

In so far as we have been able to determine no one from either the Hilltop or West Side has indicated that he or she will be a candidate for the Columbus Board of Education in the election this fall.

For about 12 years the community has been represented by Robert M. Draper as a member. Previous to this time the community had a representative on the board for many years.

In view of the many school improvements needed in the territory west of the river it seems that certainly some qualified candidate should enter the race.

The job pays nothing. The only compensation would be the knowledge that one's efforts are being spent in behalf of the education of our boys and girls.

Certainly some interested civic group in the community should come forward at this time with a suitable candidate for the position.

Flowers of the Week

No bigger responsibility falls to anyone on the Hilltop each year than that of heading up the Hilltop Bean Dinner committee. To Bob Kneisley, genial manager of the Hilltop Branch of the Ohio National Bank, went that duty this year and he did a fine job. As recognition of his services the Record is asking that a nice Rosebud bouquet of the week be sent to Bob.

Lunches will be served in the late afternoon and all evening under the supervision of Mrs. Ann Heaton. Bingo games will continue through the evening, with John Laubmeister supervising. Mrs. Helen Mack is ticket chairman, with John Riepenhoff, Frank Shea, Hugh McNulty and Mrs. Patrick Martin as her committee. Mrs. K. L. Martindale is publicity chairman and Francis Snyder is chairman of the grounds.

An Oldsmobile Rocket 88 will be awarded on the grounds at 10:30 p. m. the night of the affair. The public is invited and in case of inclement weather the festival will be held the following night. Proceeds from the festival will be applied to the new building fund.

J. C. Penney Co. To Have Store At "The Point"

A long term lease for a new department store to be located in the Central Point Shopping Center now under construction at W. Mound-st and Central-av, has been signed by the J. C. Penney Co.

The store will be three floors and will be in the center portion of the development, which will house numerous new stores. The development is under construction by Don M. Casto and Don M. Casto, Jr.

The Penney store will have 100 foot frontage with a basement, first

Fete Opens Friday

Hoover's Meat Market Changes Ownership

The announcement of a change in management of Hoover's Meat Market, 1210 Jackson-pk, was made this week. Robert Hoover, Asheville, O., assumed the operation of the market from his father, Sherm.

Dailey Opens Campaign For Mayor

An organized campaign to nominate W. Herbert Dailey, 615 Belvidere-av, as Democratic candidate for mayor in the Aug. 14 primary was opened last week.

Sample ballots were being circulated by a recently-organized group called Municipal Voters League. Mrs. Pauline Stephenson, 126 N. Harris-av, is secretary-treasurer of the group.

Dailey is a deputy county treasurer and was a city councilman for 13 years.

He said he would not actively campaign as a write-in candidate in the primary, but would campaign for the mayoralty if he becomes the Democratic nominee.

Mrs. C. J. Kohn Taken By Death

Mrs. Mary Kohn, 78, widow of Clifford Kohn well known to Hilltop people when he operated the C. J. Kohn Funeral Home here several years ago, died in St. Francis Hospital last Thursday after a brief illness. She resided at the Broad-Lincoln Hotel.

Surviving are four brothers, Eben E. Columbus, David of Venedocia, O., John of Delphos and Everett Jones, Van Wert, O.; and a sister, Mrs. Margaret Alban of Detroit. Funeral services were held at 1 p. m. Monday at the Carroll Weir Funeral Home, 637 E. Broad-st. Burial was in Sunset Cemetery.

The Hilltop Record Will Make $500 Award To A Subscriber

A $500 cash award will go to some Hilltop Record subscriber at the Hilltop Bean Dinner next summer.

Announcement of the proposed award is being made this week by C. Carlton Hartley, publisher of The Hilltop Record, and results from the active interest shown in the award of the $0 silver dollars at the Bean Dinner last Wednesday evening by the Record.

Effective at once, each new or renewal subscriber living in Franklin County will be given an opportunity to become eligible for the award of the $500 in cash at the sixth annual Hilltop Bean Dinner next summer. Full details of the award will be given by each authorized Record subscriber solicitor.

In addition to the above large award to go to some Record subscriber next summer, other awards will be made from time to time throughout the year.

First of these will be at the Franklin County Fair at Hilliards on Aug. 17 at which time some subscriber will receive $50 in cash. Each such recipient will also become eligible for succeeding smaller awards during the year as well as the $500 award at the Hilltop Bean Dinner next summer.

Regular subscription rates of $1.50 per year will be maintained as long as possible. Should newsprint and labor continue to advance in price an increase in the subscription rate of the Record will become necessary. In the past year and one-half, two large increases in the price of newsprint as well as three advances in the printer's scale have added to production costs of the newspaper, but as yet no advance has been made in the price of the paper.

Civic Group Maps Campaign To Defeat Housing Project

The officers and members of committees of the Camp Chase Civic Association, Inc., met Tuesday night in a dinner meeting to iron out the final "growing pains" in an organization that has sprung from nothing to a seemingly strong community power in a period of less than two months. The organization now numbers well over 1,000 paid members.

The group met to weld the organization into a "closely knit acting body, which will be prepared to meet all contingencies," according to its officers. Coordinating action between the officers, trustees and committees was established and each was groomed for stiff action expected at the open rezoning meeting scheduled for Monday night, July 30, at Franklin Township Hall.

New committee heads' appointments were confirmed at the meeting and the date of the next meeting was announced. The next scheduled open meeting of the group, which was organized to and is actively opposing a large proposed low-cost housing unit to be located at the intersection of Sullivant-av and Derrer-rd, will be held in West High School's Auditorium at 8 p. m. Tuesday, July 24. Final plans will be discussed at the meeting to oppose the project and future plans for expansion and development of the group and community will be brought to the floor for the consideration of all interested home-owners and residents in the Westgate, Wiltshire, 11th Ward, Franklin Township and Prairie Township areas."

According to Harold Banker, president, the meeting will be a "come-as-you-are" affair with no formality expected in either dress or discussion.

Members appointed to committee chairmen's positions included: E. L. McSavaney, 144 S. Brinker-av, chairman of the action committee; Bill Weeks, 481 Demorest-av, chairman of the membership committee; and Art Harris, Crescent-dr, chairman of ways and means committee.

The 60 people on the Association's membership committee went into action on last Friday when they opened the group's membership drive. A goal has been set at 2,000 members in the area by the time of the meeting before the county zoning board.

The group has requested the rezoning of the 76 acre tract, projected site of the housing project, to single dwelling permits. Their argument contends that the project would succeed in seriously devaluating many of the new homes in the southwestern Hilltop area and would end any further growth in that direction. They have further set up long range plans for the community's development which includes building on the housing site, arranged growth, and enlarging amount of fire equipment protecting the area.

According to officers, letters from other neighboring areas are arriving with requests for aid and offers of assistance. Points made in these letters will be brought up at the open meeting on Tuesday.

In the tightening-up process in the organization, township residents are entering the organization, which began within the city. Among members from the township area are two trustees, and Floyd Campbell, Mary Demorest and George Gussler.

According to Banker, members of the action committee are contacting all leading groups and organizations drumming up support for their fight against the housing. He reported that results had been "excellent" and declared that the group had been greatly strengthened by the interest of civic organizations and companies.

Two final points cited by the planners for the meeting Tuesday are the presentation and adoption of by-laws and an organizational break-down of the group "to show how the Civic Association is actually run by more than 100 members," according to Vice President Bill Maurer. Maurer stated that the 60 people on the membership committee, 20 on the action committee and 15 on the ways and means committee plus the officers and trustees "are in reality the organization's control."

Final decisions on the rezoning battle will be made at the next meeting.

Firemen Bring Smallest Horse To Fish Fry

Tom Thumb and Rebel

Tom Thumb, featured as the world's smallest horse, will appear at the Firemen's Festival at New Rome on Friday and Saturday. He is owned by R. E. Leonard, Junction City, Kan., and will be shown at the state fair this summer.

The small horse is shown in the picture above as he walks under "Rebel," Leonard's pedigreed Great Dane. Rebel stands 36 inches high and weighs 148 pounds. Tom Thumb is 23 inches high, weighs 64 pounds and is seven-years-old.

He will appear on both days of the festival sponsored by the Prairie Township Fire Department. A "fish fry will be held in the Rome School's yard and a special carnival is being brought to the gathering.

An amateur hour will be held at 7 p. m. Friday and a band parade and concert will be held Saturday. A pet parade will hold the spotlight on Saturday afternoon.

Prizes will be awarded at the outing.

Fire Damages Hague-av Home Wednesday Morn

A fire at the home of Harry Jennings, 468 N. Hague-av, destroyed bedding and damaged a bedroom Wednesday morning. The fire call was answered by two city pumpers and one Franklin Township fire truck. Damage was unestimated. The Jennings were not home when the fire occurred.

Crowds Ignored Thundershowers To Attend Eighth Annual Bean Dinner

Contrary weather and sudden thundershowers on Tuesday and Wednesday last week failed to dampen the spirits or deter Hilltop residents from joining in the largest of the year's community-wide events, the annual Bean Dinner.

Early estimates by Hilltop Business Association officers placed attendance this year higher than that of the 1950 festival, which almost 25,000 people visited. During the height of activities on Wednesday night, the midway and tent areas were filled almost to overflowing.

Attendance at Tuesday evening's celebration was light, but all tents were open for those who dared to brave the steady drizzle. The band concert, scheduled for 8 p. m., and the opening festivities had to be postponed until Wednesday. Brave youths, however, ignored the storm. There were at least 20 youngsters who wanted the prizes at the top of the greased pole.

No one succeeded in reaching any of the major prizes on the pole until late Wednesday when Glenn Jordan, 3152 Wicklow-rd, went "all the way" on the pole and won the watch at the top and $15 in paper bags affixed at various points on the pole. The prizes were presented by Lou Klass of Hilltop Jewelers and Harold Fox of Fox's Food Market.

Youngsters from all parts of the Westgate area surrounded the lake Wednesday morning to watch city workmen plant four truckloads of fish. Some of the fish measured 30 inches in length.

No sooner had the fish hit the water than lines "popped" into the hands of the assembled "small fry." Many of those present when the lake was stocked remained throughout the day, angling for the big ones they knew were in there.

Not to be outdone, many more local anglers showed up for the Columbus Casting Club's contest held after the Bean Dinner opening ceremonies and the dedication of the lake.

INTRODUCTION — Mayor Rhodes, right, introduces Charles Harder, 2733 Sutton-av, to the crowd witnessing the dedication of Harder Lake at the Bean Dinner opening ceremonies. Harder is the president of the Columbus Casting Club. Rhodes said that the naming came in recognition of the retired railroader's efforts in teaching casting to children "from morning to night."

The Bean Dinner was officially opened at 4 p. m. Wednesday by HBA President Alva Nafzger and Mayor James A. Rhodes.

In a prepared speech the mayor dedicated the unnamed lake in Westgate Park to Charles W. Harder, 60, 2733 Sutton-av, who is president of the Columbus Casting Club.

The mayor said, "He (Harder) has spent most of his time since retirement teaching both boys and girls to cast. He is at Westgate Park every day from morning to night looking after the young people who are interested in casting . . . Because of his interest . . . we are dedicating this lake today in honor of Mr. Harder."

Harder is a retired railroader and is a member of the F&AM, Westgate Lodge 623; Prince of the Royal Secret 320; Noble of the Mystic Shrine, Aladdin Temple, and has been a resident here since 1883. The bill making the naming of Harder Lake official was passed by city council Monday night.

Mayor Rhodes opened the bean tent, eating the first plate of beans and a hot dog. The band concert followed and then came the watermelon eating and pie eating contests. The winning pie eater was Walter Renner.

In the later evening the $1,000 worth of prizes were awarded by the Hilltop Business Association members and individual merchants presented their awards. Not everyone went home loaded with prizes, but everyone seemed pleased and happy with the success of a celebration built around the traditional Bean Dinner.

The city furnished a special group of officers under the direction of Sgt. Joe Foster, to handle the heavy crowds and the serious congestion of cars in the area.

OPEN BEAN DINNER—City officials and officers of the Hilltop Business Association joined in opening ceremonies at the eighth annual Bean Dinner. Left to right, they are Art Beller, director of the department of public service; Charles Harder, president of the Columbus Casting Club; Ray Dietz, director of parks; Henry Koenig, president of the city council; Mayor James A. Rhodes; Alva Nafzger, president of the Hilltop Business Association; Jack Morris, secretary of the HBA, and Robert Kneisley, Bean

OPEN WIDE — Watching Mayor Rhodes shovel in the beans and hotdogs, opening the main tent at the Bean Dinner on Wednesday afternoon are Erm Graves, left, Curt Roberts and William Caithard. Mayor Rhodes is visibly delighting in the regal taste of the common bean. The crowds on the midway at the Bean Dinner quickly followed into the tent to consume huge quantities of beans, frankfurters and coffee. They were greeted with 500 pounds of beans, 250 pounds of wieners and 250 dozen wiener buns,

Beating Victim Held In Hospital For Observation

A West Side man who didn't report being beaten about the head for two days was taken to University Hospital Thursday night for emergency treatment, according to police.

Ross Davis, 41, 731 W. Chapel-st, was taken to the hospital after he complained to police that his head pained him. He said that an unknown assailant had struck him on the head with a club Tuesday night at Main and Front-sts.

He was X-rayed at Mt. Carmel Hospital and taken to University Hospital for observation.

A man bought a parrot and tried to teach it to talk. He repeated for several minutes the words, "Hello, hello." At the end of the lesson the parrot opened one eye and answered drowsily, "Line's busy."

Ralph Schmelzer, Restaurant Owner, Was Born On Hilltop

Ralph Schmelzer

Ralph C. Schmelzer, 3181 W. Broad-st, owner of Schmelzer's Restaurant, is a lifelong resident of the Hilltop; he was born on a farm located a short distance west of the city limits.

Schmelzer rather backed into the restaurant business. He looked for a business to enter, that Jack, his son, might take over at a later date. Finally, in 1935, an opportunity arose to purchase the old Matsonia Restaurant and Schmelzer became a restauranteer.

In 1938 the graying, heavy-set Hilltop businessman built the present building and expanded its area. In 1950 he added the new Broad-st front when he remodeled the restaurant. It now consists of a cocktail bar and lounge, dining room and an adjoining party room used by clubs and groups for private dinner meetings.

He confines his hobbies to flowers, gardening and playing poker. He has decorated the front of his W. Broad-st building with mums and uses his gardening inclinations on his farm.

He is a member of the National Restaurant Association, recently elected president of the Buckeye County Retail Liquor Dealers Association, a founding member of the Hilltop Kiwanis Club, the secretary of the West Side Tavern Owners Association, and a member of the Camp Chase Post 98, San Maria Council of the Knights of Columbus, Hilltop Business Association and the Camp Chase Civic Association, Inc.

The former deputy county auditor also owns the dairy store at 3277 W. Broad-st, operated by his son, Jack.

Capt. "Whistlin' Joe" Rogers, Jet Ace, Awarded Silver Star

Capt. Joseph W. Rogers, nicknamed "Whistlin' Joe", nephew of Mrs. Fred E. Botkin, 66 S. Terrace-av, was awarded the Silver Star on July 7 in special ceremonies held at the Greater Pittsburgh Airport where he is serving as assistant engineering officer of the 71st Fighter Interceptor Squadron.

"Whistlin' Joe", a veteran of 169 combat missions in Korea, received his nickname from lengths of pipe he had attached to the rocket mounts on his jet fighter. When on a low-level strafing or rocketing mission, the whistling pipes guaranteed a sensational reaction among the enemy ground troops.

The 27-year-old veteran of five years' service with the air force in the Far East, received the Silver Star for "conspicuous gallantry in action on Oct. 8, 1950, against the enemy during an extremely hazardous mission."

The citation read in part: "... Volunteering to aid British troops hemmed in by numerically superior enemy forces ... he led a formation of F-51 fighter aircraft to the target under a ragged 700-foot ceiling. Flying in and out of clouds, below the level of surrounding terrain and employing exceptional navigational and instrumental flying ability, he performed a series of 360-degree turns to make repeated attacks.

"Despite heavy anti-aircraft fire, he continued striking the enemy with such remarkable success that the encircled United Nations troops were able to withdraw intact ..."

Capt. Rogers also holds the Air Medal with 13 oak leaf clusters and the Distinguished Flying Cross with an oak leaf cluster.

He graduated from West High School in 1942 and entered a pre-medical course at Ohio State University before he enlisted in the air force. He served as an instructor from 1944 through 1945. In 1046 he was sent to the Far East and remained there for 52 months. He flew one of the first missions against the invading Koreans.

$900,000 Addition Begun On Combustion Building

A $900,000 addition to the Surface Combustion Corp. building, 400 Dublin-av, is scheduled for completion next fall, according to officers. The three-story addition will add 172,000 square feet of floor space for the warehousing of materials and products. The contractor for the job is the R. W. Setterlin & Sons Co.

Plenty of Headaches

The retail merchant who wants to be a law-abiding citizen has been suffering from a severe series of headaches in recent months. These are the result of various Office of Price Stabilization orders which have been next to impossible to follow. Even large stores and chains, which have all kinds of specialized talent in their employ, have found compliance difficult. Small stores are in the worst position of all, as they haven't the staffs to carry out orders which demand the compilation of endless forms and reports.

OPS, faced with a wave of protests from retailers, has changed some of its orders, and additional changes will be made. But the situation is one more example of the fact that when government dictates to business, confusion and waste are inevitable. The government administrators may be good men, trying hard to do the best possible job. In most cases, they just aren't familiar enough with the problems and internal workings of the businesses they control.

In some cases, OPS policies have been definitely unfair to retailing, in that they do not permit retailers to add to their selling prices increases in wholesale and operating costs. In such cases, retailers have no choice but to stop ordering the merchandise involved. Retail profits are just too small these days, despite high prices, to make any other course possible.

OPS has a great deal to learn. It is to be hoped it learns the lessons fast and applies them without delay—otherwise the national economy will be seriously weakened. If that happens, everyone—including the consumers OPS is supposed to protect—will be hurt.

"SMALL BUSINESS"

By C. WILSON HARDER

The march of events is proving that the most dangerous game men can engage in is altering basic truths and principles.

• • •

America was founded in the principle that by encouraging free enterprise, this nation would lead the world toward ever increasing improvement by setting an example. Today, the nation founders close to the brink of disaster because so many officials and bureaucrats see nothing wrong in allowing just a little Socialism; just a little monopoly.

C. W. Harder

• • •

It is akin to a home owner feeling a few termites can't do much harm. But there is a distinct clear division between truth and untruth.

• • •

A government, playing fast and loose with basic truths, sponsors moral decadence whereby everybody comes to feel a little truth twisting is OK.

• • •

The ruinous price wave launched by killing a part of the Fair Trade laws paints in sharp relief how even businessmen succumb to the decadence.

• • •

Max Hess Jr., head of Hess Bros. Department Store in Allentown, Pa., summed the matter up in a statement in which he said that manufacturers, who also face ruin with a continued price war, have brought it on themselves by selling fair-trade items to price discount houses and other "sharpies" through the backdoor, thus sabotaging responsible dealers.

• • •

Right now, as demanded by Rep Donald O'Toole (D. N.Y.) the Federal Trade Commission could minimize damage, but FTC apparently refuses to act for fear of political unpopularity.

• • •

This is similar to the situation that would result if America's military men refused to fight.

• • •

With a fanfare, Marshall Plan announced the end of gifts to Britain as of January 1, 1951.

• • •

But now, Marshall Plan announces British have been given another $7,700,000 to exploit African and Asian colonies. So not only are reserves needed by American business for expansion confiscated by taxes to help British business expand, but at the same time American taxpayers money is used to encourage further British exploitation of coolie labor.

• • •

While RFC battles Britain over gouging tin prices, Marshall Plan gives away almost a million dollars of tin plate to Portugal, a half million dollars worth to Jugoslavia.

• • •

This last points up another slant on the times. Americans are dying to fight communism. Taxes are boosted to fight communism. Tito's Jugoslavian government is communist despite supposed friction with Moscow.

• • •

So the Marshall Plan now takes American dollars to pour into Communist Jugoslavia.

• • •

Besides tinplate, ECA Bulletin 2294 announces gifts to communist Jugoslavia of $3,300,000 worth of steel needed at home, $1,450,000 worth of coke, $1 million in ocean transportation, plus pig iron, pulp and paper.

• • •

This all goes on while orators talk about a "fight to the death" with communism.

• • •

The death will be that of the American middle class being taxed and bled to death to promote world Socialization schemes.

VARIANCE

So wide is the disparity
Between the beauty which I see
And those brave lines, built word on word,
(Which when my heart and mind are stirred,
I place on paper, hoping so
To capture there the magic glow
Of beauty's fire) that I despair;
My words are here, while beauty's there.

Oh, words are such symbolic things,
With only those small colored wings
Which mood and feeling sometimes give:
By them they die, by them they live,
While beauty, wrapped in ancient glory,
Is quite unmindful of my story.
Perhaps she knows no word can say
How fine the night, how bright the day.
Perhaps she knows that words are weak
When heart and mind and spirit speak.
Perhaps she knows that ears and eyes
Are wiser than the tongue is wise.

Emory Norris, editor of THE GROVE CITY RECORD, started a novel in 1947, while visiting his wife's home in the ancient town of Foggia, Italy. The novel, which he intends to have published in book form, is now being published in THE GROVE CITY RECORD as a serial. It is entitled "The Outcast" and its locale is a mythical community in the Middle West. Mr. Norris studied short story and fiction under Thomas H. Uzzell of Stillwater, Oklahoma. Mr. Uzzell was formerly associated with COLLIER'S. Mr. Norris met Mrs. Norris while he was in Italy with the Air Force during World War Two. He told me many interesting things about Foggia, Italy, but since he is contemplating writing about the town himself, I won't attempt to decipher my shorthand notes. He has been writing for the past 25 years and has two books of poetry to his credit. He and Mrs. Norris are the parents of a five-year-old girl. This interesting and charming family lives in Grove City.

THE THINGS EXPECTED OF
YOUR DOCTOR
COST TIME - MONEY - ENERGY

When you deal with your Doctor it is not a matter of making a purchase of a service or merchandise. The average person expects much more from his physician than from almost any other individual with whom he deals.

Naturally, our physician is expected to be thoroughly educated and informed on all modern medical practice. He is expected to have every facility for diagnosis, with an office equipped to conveniently and efficiently meet any need or emergency.

Our Doctor is expected to arrange his social, business and domestic affairs so that he can be reached any minute, and to have modern motor facilities at his disposal in order to answer your call without delay.

He is expected, even by the free clinic patient, to be well-groomed, well-dressed and appear prosperous and professional.

The average Doctor spends most of his money, time, and energy trying to meet these expectations. He is usually studying, buying and working to better serve his patients.

Looking Ahead
with
J. W. Worrel

Spring, so the poets say, is the season when a young man's fancy lightly turns to thoughts of love. That may be. But Spring affects many other people in a very different way. To most home owners, for instance, Spring means house-cleaning-time — time to put one's personal affairs in order — to take stock of oneself.

This year, when giving yourself and your possessions the annual going-over, don't overlook your private papers, especially your life insurance. Circumstances may have changed since they were last reviewed; someone whom you named a beneficiary may have died; a policy purchased with a particular intention in mind may no longer be required for that reason, but for another; the insurance you considered adequate a year or more ago may now fall far short of meeting actual requirements as you see them today. Here is where I may be able to be of service to you. It is a part of my job to solve problems like these almost every day, and I will be very glad to discuss them with you, in strictest confidence. Call or write me if you have any questions on matters connected with Life Insurance.

Hilltop Casters Make Splash At Opening Of Harder Lake

Hilltop casters gave the newly named Harder Lake a merry whirl last Wednesday in Bean Dinner competition sponsored by the Columbus Casting Club. High scores for the day were turned in by W. T. Behnen, who took 96 out of a possible 100 points in casting, and Charles Harder, who received 94 out of a possible 100. Harder, president of the casting club, was honored during Bean Dinner ceremonies for his efforts in instructing and interesting youth in the sport, when Mayor James A. Rhodes named the Westgate Park lake for him.

Scores for the day's competition were:

Bowling Head Needs A Home

"Pete" Spilos, the new manager for the Hillcrest Bowling Alleys, now under construction on West Broad-st, is searching for a place to live.

When the bowling season opens this fall, Spilos will be in charge of a 24-lane bowling center that will feature one of the newest devices of the sport, the "telescore." The telescore, an innovation in bowling circles, projects game scores onto a large screen over the alleys so that the audience can not only watch the game rolled, but keep track of favorites' scores at the same time.

"Pete," the former manager of a 22-lane alley at Ft. Knox and consultant on bowling for the 2nd Army, is married and has two children, a daughter 12-years-of-age and a son, 10. He needs a home immediately.

The young manager also has supervised recreation alleys in Dayton.

While having a driving-lesson an American lawyer named Little knocked down a lamp-standard and a telegraph-pole. A Little learning is a dangerous thing.

Camp Chase Team Garners The Northwest Baseball Championship

CHAMPS—The Camp Chase Post 98-Beasley Grove Fords team, champions of the Northwest Legion Baseball League, are pictured above. They are, left to right, front row: Jim Hughes, right field; Dave Krebs, third base; Jim Cobb, right field. Second row: Ellis Easterly, second base; Herb Brown, left field; Jim Vincent, shortstop; and John Chesher, first base. Third row: Joe Hutchison, first base; Ken Garber, catcher; Bill Spratley, center field; Jim Smith, pitcher-outfielder; and Jim Kimball, pitcher-outfielder. Not present when the picture was taken: Jack Taylor, pitcher; Dick Hutchison, third base; and Allan Niederlitz, bat boy.

It all happened after The Hilltop Record hit the street last week. The last issue reported the Camp Chase-Beasley Grove Junior Legion baseball team had lost the final game of the season to Columbus Post and as a result would not go into the district play-offs.

Then it was discovered Columbus Post had not met the requirements on filing eligibility lists. Four Columbus Post players did not have birth certificates on file, violating a strict requirement of Legion baseball.

Due to this and numerous other pertinent factors, the Columbus Post games were thrown out of the records, making Camp Chase the winner of the North-West Legion League and giving them a place in the district play-offs against Southway Post-ABC Freighters and Southway Post-David Davies.

Last Sunday Camp Chase met Southway ABC at Southview No. 1 in the first game of the round-robin "lose-two-you're out" series.

After both sides were retired in order in the first two innings Easterly hit a sharp single to left with one out, Chesher lined a single down the third base line, sending Easterly to second, Vincent got on with a fielder's choice, forcing Easterly at third and Hughes tripled to right center, scoring Chesher and Vincent. Camp Chase led 2-0.

In the Southway half of the fourth inning Munster walked, Bentz flew out to right, Evans popped short and Wirtz singled to left center to score Munster.

Camp Chase led 2-1 and the score remained the same until the bottom of the eighth inning.

Southway pitcher George Treneff led off with a sharp single to left, Munster sacrificed Treneff to second, Bentz struck out and Treneff scored as Easterly fell down attempting to catch Evans' high pop-up.

With Southway the home team and coming up in the bottom of the ninth with the score tied, 2-2, Reepes struck out, Robeson made first on an infield error, Burton got to first on a "too-hot-to-handle" infield hit and the bases were loaded when Treneff got on by an error.

Muntz bunted in Robeson with the winning run to end the game.

The 1951 state encampment is now another entry in VFW history, but the selection of the Department of Ohio officers for the ensuing year indicates that the department will have business-like executives at the helm.

Judge Joseph Brueggman, Cincinnati, was elected commander of the Department of Ohio; Howard Cole, Lisbon, senior vice commander; Joe Rice, Cleveland, junior vice commander; William O'Bryan, Columbus, inspector; George L. Fetter, 112 N. Hague-av, adjutant-quartermaster.

SICK CALL: Paul Kauderer, at home, 709 Reinhard-av, convalescing from an operation.

Cleveland, Ohio, will be the scene of the 1952 state encampment.

Two Killed In Early Morn Car Collision

A Hilltop woman and a London, O., man were killed in a head-on collision in Route 40, near the Big Darby bridge on the national highway at about 1 a. m. Sunday.

Norma Marie Harper, 33, of 298 S. Hague-av, formerly of Zanesville, was killed when the car in which she was riding with Emil C. Snoke, 38, of 223 W. Spruce-st, collided with the car driven by Richard Miller, 27, of RFD 3, London. Miller was dead when removed to Mt. Carmel Hospital. Miss Harper died at about 3:15 a. m.

A passenger in Miller's car, Ruth Ellers, also of London, suffered back injuries and cuts on her face. Her condition has been described as good.

Snoke, when questioned said he did not recall the events leading up to the accident.

Ohio Bell To Expand Local Exchange

A building and expansion program amounting to $285,000 in the Randolph-Jordan exchange at 2615 W. Broad-st has been announced by the Ohio Bell Telephone Co. Announcement of the program was made by J. Phillip Gibbs, district commercial manager.

The program calls for the installation of $60,000 worth of new dial equipment in the present exchange building, construction of a $125,000 addition to the building, and the installation of $100,000 worth of additional equipment in the new structure.

The new buildings and equipment will provide facilities for an additional 2750 telephones in the area served by the exchange, Gibbs said. Capacity of present equipment is 18,200 telephones.

Construction of the addition will add approximately 6000 square feet to the present one-story and basement brick exchange building and increase its total area to 19,100 feet.

If present rate of growth continues, even the expanded facilities will be adequate for only four or five years, he added.

Record's Bean Dinner Prize Winners Announced

WINNERS — John Lampson, left, circulation manager of The Hilltop Record, hands Mrs. Mame Karcher, 500 S. Ogden-av, the 50 silver dollars awarded by the Record at the Bean Dinner. Mrs. Karcher had subscribed to the Record since its founding. She is recovering from a broken shoulder and arm incurred when she fell on her birthday. Winner of the case of beans, third from left, was Mrs. Dora Frownfelter, 68 N. Eureka-av, and the third place winner was Mrs. Nettie Duffy, 244 N. Oakley-av, who presented the prize, a pair of roller skates, to her niece, Jeanette Griffiths, 143 N. Harris-av. All three winners were long time subscribers to the Record.

Prod Poles To Prove Piscatorial Prowess

ARE THEY BITIN'?— When the city stocked Harder Lake in Westgate Park last week, the last fish had barely hit the water when no less than 15 lines, handled by "small fry" from 15-year-of-age to 3, followed them into the depths. Here, city workmen and Art Bellar, director of public service, and Charles Harder (right, center background), look on as the young Isaac Waltons try their hand.

Hilltop Drivers Continue Area's High Accident Toll

The Hilltop again, last week, continued its bad traffic record with a box score of 14 accidents, 11 cases of property damage and three persons injured. Among those injured were two juvenile pedestrians.

The total in each of the categories on the police weekly traffic accident analysis chart places the Hilltop area in seventh to fifth place in all area groupings among the 20 cruiser districts, topped only by the heavy business districts in the downtown section.

The police ask you to take it easy and watch yourself, as you watch the "other fellow."

Richard Emmons

Funeral services for Richard Emmons, 70, who died Wednesday morning at the residence of his daughter, Mrs. Floyd Hall, 160 S. Wayne-av, will be held Friday, 2 p. m., at the Noble L. Allen Funeral Home, 2456 W. Broad-st. Mr. Emmons who was employed at the Ohio Auto Parts Co. and was an active member of the Moose, died of a heart attack.

In addition to his daughter he is survived by a brother, Russell Emmons, of Dayton, three grandchildren and one great grandchild.

Friends may call at the funeral home prior to the service. Burial will be at Sunset Cemetery.

Wins Contests

Carol Ann Owen

Carol Ann Owen, 12, daughter of Mr. and Mrs. C. E. Owen, 75 S. Terrace-av, won three first places in consecutive oratory contests held by the WCTU.

Carol, an 8B student at West Junior High School, spoke in local and regional contests here and in Webster Springs, W. Va. She is a member of the Highland Avenue Friends Church.

"There's a fly at the bottom of my soul. What does it mean?"

"No idea; I'm a waitress, not a fortune-teller."

James Merritt To Address Kiwanians

James Merritt will be the speaker at the Hilltop Kiwanis meeting Thursday noon at Schmelzer's Restaurant. He will speak on the recent decisions of the supreme court regarding fair trade laws. He will be introduced by C. H. Campbell.

At the last meeting of the club Curtis Roberts showed colored slides taken on his recent trip to the Philmont Ranch Boy Scout camp.

A new program is being featured at Glenwood Recreation Center on Mondays and Tuesdays from 3:30 to 6:30 p. m. Gary Farabee will conduct nature study groups and instructions in fly and plug casting. Definite details can be obtained at the center.

Plans are being made for a talent show at the center as a preliminary to the city-wide "Present the Show."

Dancing will be featured during July 30 and a review of the season.

Championship winners of Wednesday's marble tourney will compete Aug. 1 at 3 p. m. at Glenwood. Boys and girls are invited to practice for this event.

Foul shooting tourney for boys and girls at Glenwood will be held Aug. 8, with the winners going to the city-wide event.

Features of Thursday evenings are the outdoor movies and Parent Council Advisory meeting, both at 7:30 p. m.

On Monday and Tuesday evenings tennis instructions will be given to adults at 6 p. m. Also for adults and teen-agers is the outdoor dancing held every Friday evening on the tennis court.

The little league baseball team has two wins and no losses to its favor in the league games. The Junior Knothole team has had all of its games rained out so far this season. The intermediate team has a one and one record in league play.

Hobbyists To Convene Here On Saturday

Rev. A. L. Roth, Hillcrest Baptist Church, will ask the benediction Saturday, July 21, at the closing of the formal meetings of the convention of the All States Hobby Club.

The All States Hobby Club is sponsoring the third National Hobby Show at the Neil House, July 20-22. Exhibitors from all over the United States and Canada will vie for the prizes offered by the club. Among the exhibitors will be Mrs. Paul Stilwell, 644 Wiltshire-rd, and Mrs. George Marx, 1226 Tedco-dr, who will exhibit some of their postcards. Mrs. Hobart Trabert, 2341 W. Broad-st, will exhibit tropical gold fish.

Judges will be Columbus people: Dan Fulmer, insurance man; Rosalie R. Maddox, musician, teacher, club woman; Mrs. Bruce C. Martin, collector of ceramic dachshunds.

The public is invited to view the exhibits: What America Collects. There is no admission charge.

Three Notes Return In Blended Harmony, Millers Discover

One of the highlights of the return of Dr. and Mrs. C. O. Miller from the national optometric convention in New Orleans was the National Military Park at Vicksburg, Miss.

This park consists of 1223 acres of the actual battlefield, has 1599 memorials, monuments and markers of various troop positions of both the North, under General Ulysses S. Grant, and the South, under General John C. Pemberton.

One of these is the Illinois memorial which is a large circular structure with a dome ceiling and large opening at the top. The names of 35,000 soldiers are inscribed in bronze on the smooth inside walls.

Dr. Miller, having been a member of the Hilltop male chorus for 20 years, soon noticed the reverberating echo which continued for five seconds.

He reports he gave three harmonizing notes and they all returned blended together as a trio.

The Low Down On High Ridgers

By One of Them

Glad to have a bride and groom move in on us again. JOE BAESMANN brought his bride into our midst. Congrats, and welcome to our neighborhood.

GERRY RENTACHLER'S parents are visiting over on Butler. They're from Allentown, Pa., and are enjoying their visit.

MARLENE WHALEN here on Wrexham traded in her seven-inch TV set for a 17-inch screen. She claims she paid no more than a few dollars for her trade-in. Sounds like an advertisement, but she says it's so.

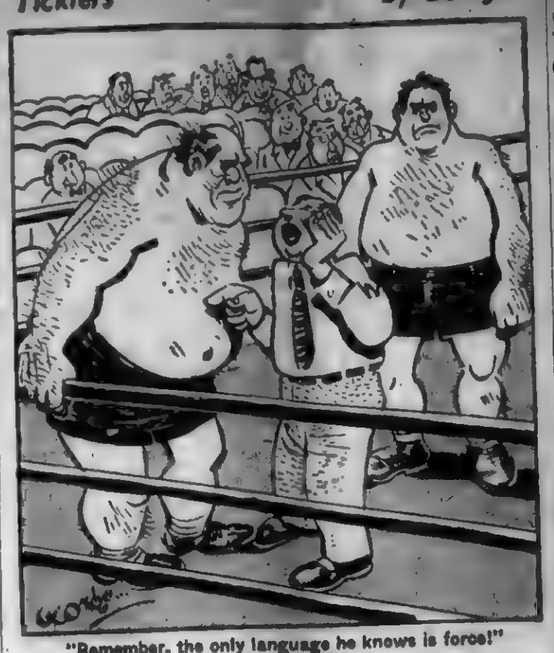
MAE SCHAEFER'S parents were here from Louisville. They returned each other's visits and it took days to recuperate after each settled down in their own homes.

There's still hope for SALLY LINCOLN. She is learning to crochet, and it's taking her twice as long as it did when she learned to knit. Sally says "to crochet makes her nervous," but she is still bent on learning.

To overcome her shyness, LUCILLE GARDNER on Mound-st said she became an air hostess. That was before she was married, of course. Now we never hear her husband say much. She does all the talking for their family.

That poor fellow HARRY has nothing but bad luck. Last year HARRY TOLLIVER on Belvidere broke his ankle; then in the deep snow in November he fell and broke his arm; and now just last Saturday he stepped on a nail that went right through his shoes.

Don't lose strength, HARRY—third time is charm. You'll have no more accidents from now on—I hope.



The next time her iron goes bad, DELLA WHITEHEAD claims she's going to do something desperate. We don't really think she will, but when a person's unit goes bad three times in one month, we can't blame her for what she does. She may merely throw it at her husband JIM and let it go at that.

Glad THOMAS COYLE has recovered considerably. He fell from a ladder and was taken to Mt. Carmel Hospital to repair his head injuries. Hope to see you on the street, TOM.

Women's Pin Money Clinic Set On Aug. 1

Hilltop women will again be well represented in the committees planning the second annual Pin Money and Small Business Clinic to be held at the Deshler-Wallick Hotel ballroom on Wednesday, Aug. 1.

Sponsored by seven women's service clubs of Columbus, including Altrusa, Business and Professional Women, Pilot, Quota, Women's Association of Commerce, Zonta and the Women's Group of the Columbus Advertising Club, the clinic is designed to show beginners how to successfully make and sell kitchen products, needlework and handcrafts so they may set up small shops and service businesses.

Experts will be on hand at the clinic to discuss "Picking a Money-maker," "Producing a Home Product" and "Promoting Your Product or Business."

There will be three sessions, 9 a. m. to 12:30 p. m., 2 to 4 p. m., and 8 to 10 p. m. No admission will be charged. Complete information can be secured at all public libraries.

Among those working on the event are Mrs. Gladys Lamb, 181 S. Sylvan-av; Margie Ruddock, 170 S. Sylvan-av; Mrs. Dorothy Alexander, 622 Binns-blvd; Mrs. Yvette Swentzel, 2743 Elliott-av.

Urge Farmers To Protect All Stored Grain

The department of agriculture this week urged farmers to act now to prevent damage to grain stored after harvest this fall. Department officials urged preventive measures because every bushel of grain produced this year "will be needed in the nation's defense effort."

"Insect damage after harvest, and while the grain is in storage, ruins an estimated five to 10 percent of our annual production of food and feed grains," Secretary Brannan said. "This means that 300 to 600 million bushels of grain—the equivalent of nearly a month's supply of feed grains for livestock and over a month's supply of domestic cereal foods—are lost to insects every year.

"Farmers, grain elevator operators and warehousemen can act now to prevent much of this loss by taking these steps: (1) Destroy the breeding grounds of these insect pests by cleaning grain storage space thoroughly; (2) after cleaning bins spray them with residual insecticide; and (3) procure as soon as possible the supplies of liquid grain fumigants expected to be required this year to kill insects which may be in the grain when it goes into the bins."

Department entomologists stressed that this latter step is extremely important at this time since a severe shortage of these chemicals is possible at the season of peak use this fall. By buying now to meet at least a large part of anticipated needs this fall, those who plan to store grain would assure themselves of supplies, assist in clearing out manufacturers' storage tanks, and thus open the way for possible further production.

Users of grain fumigants are urged, however, not to buy in excess of requirements since the chemicals used in the fumigants are essential to a number of defense uses.

HOLTON PARK NEWS

A new council was set up at Holton for the season at hand, including the following: Mrs. Thompson, Mrs. Pat Martindale, Mrs. Brothers, Mrs. Murnane, Mrs. Henry, Mrs. Schriefer, Mrs. McCoy, Mrs. Tracey, Mrs. Pack, Mrs. Jo Sanford, Mr. and Mrs. Dixon and Mr. and Mrs. Erlenbach.

The playground will close at 5 p. m. Thursday, July 19, and we on the staff wish to take this opportunity to invite all those who would attend the park on that evening to come to the river bank of Central High School instead and watch the Lantern Festival, at which your playground, Holton, will have a goodly number represented.

Strikes Pole, Snaps Cable, Current Off

A young Hilltop salesman, Robert L. Dye, 25, 87 N. Westmoor-av, turned the electric current off in a wide section of the North Side early July 11, when his car smashed into a power pole at the intersection of E. Hudson-st and Hiawatha-av and snapped a cable.

Dye, a salesman, told police that he was driving west on Hudson-st, when another car drove out of Hiawatha-av, directly in front of his car. Dye's car was forced into the pole.

He was taken to University Hospital, where he was treated for cuts on the nose, shin, forehead and knee. Police reported that his car was nearly demolished.

The power shortage lasted nearly an hour in an area bounded by Route 161, Hudson-st, New York Central Railroad and Sunbury-rd. The failure affected the State Highway Patrol radio tower on Ackerman-rd.

Announcing Wedding Plans Of Donna Thomas To Donn Rice

Miss Donna Thomas

Mr. and Mrs. Herbert W. Thomas, 307 N. Warren-av, are announcing the engagement and approaching marriage of their daughter, Donna, to Mr. Donn B. Rice, son of Mr. and Mrs. Russell J. Rice, 87 S. Richardson-av.

Miss Thomas is a graduate of West High School, attended Capital University and is now associated with the Travelers Insurance Co.

Mr. Rice is also a graduate of West High School and was graduated in June from Ohio State University. He is now a chemical engineer for the B. F. Goodrich Co. in Akron, where the couple will make their home.

The wedding will take place Saturday, Aug. 4, at Hoge Memorial Presbyterian Church, with Rev. A. J. Wold officiating at the 7:30 p. m. service.

A "Play What You Like" party sponsored by the Women's Booster Club will be held at the Scioto Boat Club House, July 21, at 8 p. m. with door prizes and refreshments. Mrs. Maxine Dorsey and Mrs. Dorothy Echart are in charge.

The stomach is, of course, the real home of the swallow.

Toni Murray Selected By Buttons and Bows 4H

The Hilliards Buttons and Bows 4H Club met July 12 at the home of Jeanne Perry. President Doris Bohlen announced that Toni Murray would represent the club in the county safety talk contest. Miss Murray was also elected as candidate in the statewide contest to select a 4-H queen to reign at the Ohio State Fair.

A report was given by the safety and health program committee and the girls gave a report on their projects. Susanne Fliekenger and Toni Murray gave a demonstration on covering buttons and belt buckles and Doris Bohlen gave a demonstration on a method of putting in zippers.

The next meeting, to be held July 26 at the home of Suzanne Fliekenger, will feature a style show for the mothers. The girls will model their current projects.

Wolfendale - Mahan Nuptials To Be Read Evening of July 21

July 21 is fast approaching for Miss Patricia Wolfendale and Mr. Kenneth Mahan, who have chosen that Saturday for their wedding day. Miss Wolfendale, daughter of Mr. and Mrs. Thomas Wolfendale, 677 Chestershire-rd, and Mr. Mahan, son of Mrs. Ruth Mahan, 1771 Sullivant-av, will be united at 7:30 p. m. at Glenwood Methodist Church.

For the open church wedding the couple will be attended by Mrs. Fred Warden, matron of honor, Miss Sally Wolfendale, maid of honor, Mr. Fred Warden, best man, and ushers, Mr. Dick Wolfendale, Mr. Dick DeRubertis, Mr. Harold Emrich and Mr. Jim Slager. Misses Nancy and Kathy Swoke will attend as flower girls.

The bride-to-be was feted last night with a miscellaneous shower at the home of Mrs. Fred Warden, 111 S. Richardson-av.

Miss Wolfendale is a graduate of West High School and is employed by the U. S. Fidelity and Guaranty Co. Mr. Mahan is also a graduate of West High School and attended Ohio State University prior to his present service with the U. S. Marine Corps.

Hartleys Give Party Feting To-Be-Marrieds

Mr. and Mrs. C. Carlton Hartley entertained Friday, July 13, in honor of Bride-elect Judy Jones and Prospective-bridegroom Bill Masters. Those present at the party held at the Hartley's home, 1370 Wilson-rd, were Mr. and Mrs. Lee A. Washburn, Mr. and Mrs. Robert Trott, Mr. and Mrs. William Coon, Bob Maxwell, Jim Stewart, Iris Cathell, Marty Van Atta, Mr. and Mrs. Weldon Shively, Mr. and Mrs. Lee Koontz, Mr. and Mrs. Frank Prince, Mr. and Mrs. Ralph Wright, Mr. and Mrs. Jim Skinner, Joe Gossett, Carl Hartley, Louan Reeves and Melba Powell of Burbank, Calif.

Mr. and Mrs. Henry Jones, who were unable to attend, sent a telegram from Venedocia, O., where they were visiting relatives.

An open church ceremony will unite Miss Jones and Mr. Masters on Saturday, Aug. 11, at Glenwood Methodist Church. Rev. Joseph B. Shellhaas will read the ceremony at 2:30 p. m.

Ceremony Read In Minnesota Unites Couple

Miss Patricia Jorgensen, daughter of Mr. and Mrs. Albert E. Jorgensen of Tyler, Minn., and Mr. John E. Giles, son of Mrs. Arthur Tyler of Galloway, O., were united in marriage on July 1, at 2:30 p. m. at the Danebod Lutheran Church of Tyler, Minn. Rev. Enok Mortensen officiated the ceremony.

The bride, given in marriage by her father, wore a pale green frosted organdy, ballerina length dress over lace trimmed white nylon taffeta. She also wore green tinted shoes and a pink carnation waist corsage.

Mrs. John Call, Robbinsdale, Minn., sister of the bride, was maid of honor and wore a white organdy dress over pink linen with a pink rose corsage.

Mr. Al Jorgensen of Tyler, brother of the bride, was best man. The ushers were Mr. John Call of Robbinsdale, Minn., and Mr. Franklin Jorgensen of Tyler, Minn.

The mother of the bride wore a rose colored sheer print dress with corsage of lavender and white asters. The mother of the groom was unable to attend. A reception was given at the home of the bride after the wedding.

The bride and groom left on July 5 for their wedding trip to Galloway, where they spent the week-end with the groom's mother, Mrs. Arthur Tyler. A reception was also given there in their honor. They left on July 9 for their home in Clearwater, Fla.

The bride attended Mankato Normal and the University of Minnesota. She taught school in Tyler and Gibbon, and two years in the Panama Canal Zone. The groom was employed by the government in the Panama Canal Zone but is now in a business in Clearwater, Fla.

Old Lady (handing over dog to railway guard): "Before you give him his meals, I want you to say, 'Diddum Dinkie want 'oos dindums?" And if he yawns, he's not quite ready."

BRIDE OF JUNE 15 WORE LACE

The new Mr. and Mrs. Jack M. Abram

For her June 15 wedding to Mr. Jack M. Abram, Miss Constance Lee Taylor, daughter of Mrs. Ruth Cox, 215 S. Sylvan-av, and Mr. Carl Taylor, Newark, O., wore a gown of blush-ivory chantilly lace over satin, with irridescent sequins trimming the fitted bodice. The long lace sleeves terminated in points over her hands and her veil of imported silk illusion with a border of chantilly lace was held by a lace bonnet.

The bridegroom is the son of Mr. and Mrs. Howard H. Abram, 117 N. Chase-av. The evening ceremony was read at Glenwood Methodist Church by Rev. Joseph B. Shellhaas.

The bride, given in marriage by her father, was attended by her twin sister, Mrs. James V. Rose, matron of honor, who wore a gown of orchid marquisette fashioned with an off the shoulder neckline, fitted bodice and an extremely full skirt. Bridesmaids, Miss Shirley Thurell, Miss Vera Smith, Mrs. Jack Mayhew, and Mrs. Don Hurchison wore gowns styled like the honor attendant's in yellow and aqua. The flower girl, Madeleine Taylor, cousin of the bride, wore a miniature attendant's gown in orchid.

Mr. Ed Rowland was best man for Mr. Abram and ushers included Mr. Donald Skipper, Mr. James Bush, Mr. George Lohr, and Mr. Jack Milbery, cousin of the groom.

For the reception immediately following the ceremony at the church, the bride's mother received her guests in a dress of navy blue linen with a lace jacket. The bridegroom's mother wore a powder blue crepe dress with a lace jacket. Hostesses at the reception included Mrs. Herbert Brady, Mrs. Richard Falter, Mrs. Thomas Cannon and Mrs. Vancil Johnson.

For their honeymoon trip to Canada, Michigan and Indiana, the bride changed to navy blue silk shantung suit with which she wore white accessories. The young couple are living temporarily at 117 N. Chase-av.

Uplift Club Is Of Interest

Tuesday, July 17, was the meeting day for one of the most interesting of our local women's clubs. The Uplift Club started about 20 years ago by four graduates of West High School has survived the years to become an interesting organization.

The original members, Mrs. Rose Briggs Ferguson, Gertrude Haldy (deceased), Edith Pedrick, and Mrs. Florence Stevenson McVeigh (deceased), agreed to each ask a friend who they thought would uplift the group to join them in monthly meetings. In addition to discussions of current events and other serious business the group enjoys their social meetings.

The current members include Mrs. Esther Smart, Mrs. Gaynelle Noble Redmond, Mrs. Hazel Sherwood Ferguson, Mrs. Gladys Defenbaugh Rittenhouse, Mrs. Blanche Donald Oelgets, Mrs. Meta Moore Deems, Mrs. Ferguson, Miss Pedrick, and Mrs. F. C. Heney, a recent member at whose home the Tuesday meeting was held.

Local Garden Club Lists Committees

By Myron T. Seifert

Contributing much to the beauty and attractiveness of the Hilltop is the Highland Garden Club, whose work in promoting the culture and appreciation of flowers in this locale, looms large in the community's growth.

Heading the civic enterprise is Mrs. C. V. Williams, long a Hilltopper, now of 156 W. Shreyer-pl, whose installation to the top post in the organization, recently bespeaks the type of leadership that is so necessary in any garden club.

A native of Sunbury, O., and a resident of Columbus 40 years, most of which have been on the West Side and Hilltop, Mrs. Williams has been active in a legion of community projects.

Identified with the Glenwood Methodist Church, she has been treasurer of the former Ladies' Aid Society (which recently merged with Woman's Society for Christian Service) for 17 years, Choir Mother for the celebrated Glenwood Choir for more than a quarter of a century, she has contributed much of her time to the growth and development of this well known musical group.

Prominent in local Eastern Star activities, she is a charter member of the Robert Morris Chapter, serving as its secretary 15 years, and is Past Matron of this organization. Signally honored for her work in Robert Morris Chapter, she was made Grand Electa of the Grand Chapter of the Order of Eastern Star.

Canteen worker during War II at the Columbus Blood Bank, then at Spring and High-sts, she aided in a variety of ways the good work of this patriotic cause.

Appointments to the various Highland Garden Club committees for the ensuing year were announced by Mrs. Williams this week. The list embraces some of the best flower enthusiasts of this community. Committee names include:

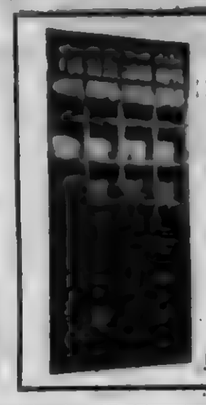
Guest minister at the Hilltop Church of Christ (Disciples) next Sunday will be Rev. Maurice Clark, chaplain of the Columbus State Hospital.



Rev. Clark came to his Columbus post last February from the Congregational Church in Monroe, Conn. He received his theological training at ale Divinity School and trained for the hospital chaplaincy in three different hospitals including Bellvue in New York City.

Along with his duties as chaplain of the Columbus State Hospital he is also director of the clinical training program now being carried on there. The purpose of this program is to acquaint ministers with the mental problems of a hospital and thus equip them to deal with the less complex problems they meet in their churches.

NICHES

A niche is a small enclosure with either solid marble or plate glass front in which you place cremated remains.
Regardless of where a cremation has been held niches may be purchased from us for permanent disposition of cremated remains from $30 up.
You are invited to inspect these niches in Sunset Columbarium at 6959 W. Broad St. at any time.

Art Work of God Is Both Inspiring And Near at Hand

Bible Comment:

IN his book, "The Arts," Hendrick Van Loon makes an impressive attack upon those who go to movies to "kill time." Describing time as man's most valuable possession, the eminent author-artist-critic suggests that leisure time be profitably invested in the creation or appreciation of art.

The most immediately accessible of all art is, of course, the beauty that God lavished upon the earth. Yet tdo often we think of art as exclusively those things created and exhibited by puny man.

There is a splendor about a sunset, a majesty about a purple mountain top, a serenity about the sight of a still lake at twilight that inexplicably brings man closer to a complete comprehension of the glory of God.

Who has not stood at the ocean's edge and watched the lacy waves crash upon the sand without experiencing a sense of awe, a feeling of having once belonged to its eternal enigma?

Summer's thrumming sounds are His music; the forest, His canvas; the taut cliffs, the imprint of His hand; and the words of man, His living literature.

It is indeed a tragedy that with so many proofs of His omnipotence about us, we do not spend more time spiritually feasting upon their beauty.

But with vacation time once more at hand, there is fresh opportunity to renew our first-hand acquaintanceship with the Creator's works, whether in far-off places or in our own friendly backyards.

You haven't forgotten the night they called—just about a week after you had moved into the new town and were lonesome for the other town in which you had lived for so long.

It wasn't that you didn't like this town. There were good stores, and streets with big elms, first-rate schools, and a clean beach nearby that the children would enjoy in the summer time.

But yet, you were "strangers." You didn't know a soul.

But one night you had these callers. Friendly people. The same kind of people you had left "back home." The same kind of people you had hoped you would meet here—and finally had.

"We'll be seeing you again," they said as they left, "Look for us in church next Sunday."

Thanks to them and their invitation, your family is a part of your new town now. For you found friendship in your neighborhood church. Your children found playmates in the young people's groups, and for you, there were fellowship and worship meetings that welcomed your arrival. After your first morning in church, it wasn't a strange town any more.

You'll find this true in any town in our America. For it's one of our traditions that church people are friendly people—sharing your faith and your beliefs, sharing your interest in making your town a better town for you and your children.

"We'll be seeing you again . . ."

Your church is waiting to say that to you . . .

A man that hath friends must show himself friendly.

Winners Of Lions Club Fourth Of July Contest Are Announced

Announcements of prize winners and prize donors at the Lions Club Fourth of July community-wide celebration, held at West High School, listed the following:

The winners of the $25 Savings Bond, first prize in the best decorated vehicle contest were James and Linda Ruoff, 191 S. Westgate-av. The bond was donated by the Shroyer Funeral Home. Allen Funeral Home, Bill Theimpt and Shank & Saunders.

The four runners-up in the contest each received five silver dollars donated by West Side Motors, the Ohio National Bank, First Federal Savings and Loan, and First National Cleaners.

The 10 silver dollars in the best dressed cowboy contest went to "Stinger" Wheeler. The prize was donated by Broadview Linoleum.

The best dressed cowgirl award went to Pamela Dickson. She received the 10 silver dollars donated by Trott's Super Market.

These events were followed by 15 contests and games for children up to 16 years of age. Winners were all given prizes.

The amateur show, emceed by WCOL's Ol' Doc Lemon, opened the evening's activities with the teen-aged section of the show. The winners were "Girls' Trio" with Onda McPherson, Donna Theisen, and Ann Cockfield taking the large trophy presented by Lions Club and $20 donated by Al Tonti and Hilltop Florists. The second prize, a small trophy and $15 was taken by Jack Galloway, violinist. The cash award was given by Westgate Plumbing and Fox Food Market. The third prize went to Ronnie Klein, singer. The prize was a small trophy and $10 donated by Spears Funeral Home and Kirwin's Restaurant.

Prizes in the juvenile section of the amateur show went to Susan Vince, first prize, $10 from Reeb's Confectionery, Buckeye Finance, and Westgate Roofing; Beverly Vance, second prize, $5 from Sullivan Insurance; Janet Harris, third prize, croquet set donated by Rausch Brothers Hardware.

In addition to these individual prizes, each contestant received an award. Accompanists for the show were Mrs. Edith White and Mrs. Loretta McCarrick.

The following merchants donated prizes for contests held in the afternoon and for the runners-up in the amateur show:

Gateway Realty, Hilltop-Westgate Realty, Story's Cleaners, Miss Muffet's Restaurant, Elephant Lumber, Vogelsang's Bakery, Westgate Electric, Hilltop Jewelers, J. Curtis Allen's Photo Studio, Del Monte Restaurant, Gregg's Super Market, Frances & Stensin Filling Station, Spang's Drugs, Weaver Furnace Co., Broadway Shoes, Schroeck's Sinclair Station, Ginger Althen Beauty Salon, Ray's Bike Shop and Dr. C. Hilltop Cub Scout Is Recommended For Meritorious Action Award

By Myron T. Seifert

John P. Sears, 10, of 381 S. Warren-av, member of Lion Cub Pack 86, was officially recommended this week by the local committee on Advancement of the Boy Scouts of America for the Meritorious Action Award.

More than a year ago, June 13, 1950, young Sears performed an heroic act at the Westgate United Brethren Evangelical Church, 61 S. Powell-av, upon a fellow Cub Scout of Den 2, Pack 86, Paul Dawson of 480 N. Hague-av.

During one of the spirited football contests, held regularly by the Cubs in the basement of the Westgate Church, Paul, carrying the ball and being duly tackled, had the misfortune, during the friendly encounter, to thrust his right arm through a glass door panel, shattering glass, some of which effected a severe cut above the elbow and on other parts of his hand and fingers, enveloping the arm in a mass of blood.

Sensing the gravity of the situation and skilled in the use of first aid, learned in scouting, one of Paul's playmates, John Sears, rushed to Paul's aid and by his quick thinking and prompt action prevented loss of blood, and perhaps life itself.

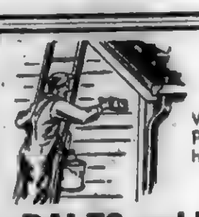
John applied digital pressure at the pressure point in the upper arm, stopping the flow of blood until arrival of Columbus Fire Department No. 3 Emergency Squad, with Lt. Edward M. Nothacker in charge, whereupon the injured boy was taken to Mt. Carmel Hospital.

The spurting blood was too much for some of the boys to witness; however cool-headed John was conditioned to the emergency and his clear thinking and immediate aid may have saved Paul's life.

Mrs. Charles Meddles, Den Mother, praised John for his heroic work.

Members of the local committee on advancement awards are L. W. Daniels, 187 Demorest-av, chairman; H. G. Deems, 23 S. Algonquin-av; Robert L. Schroer, 2987 Wicklow-rd; Myron T. Seifert, 46 S. Westgate-av.

The application for the Meritorious Action Award is contingent on the approval of the Boy Scouts of America Committee on Life Saving Awards, and has the wholehearted support of the local committee.



Little Boy: "Tell me a true story of one of your adventures."

Old Captain: "Right, I'll tell you of the time I was eaten by cannibals."

New Civic Association Has Big Opportunity

It is gratifying to know that there has been an unprecedented interest shown in the recently organized Camp Chase Civic Association. Few groups of this kind can boast so large a membership and such an enthusiasm that has been created in so short a time.

Immediate goal of the group of course is the blocking of the proposed low cost housing project just west of the city which would no doubt result in lowered property values for many homes in the Westgate area.

But an even greater value promises to come out of the organization as they lay the ground work for a strong civic association working in behalf of all that is good for the entire community and extending out into the townships even.

It is to be hoped that such a group will interest its members in a further constructive program, including such things as development of the Hilltop parks, playgrounds and recreational facilities, working for better streets and lighting, schools, churches, etc.

We would hope they can interest themselves in being vigilant with regard to planning in the territory outside the city limits, in keeping the county roads free from rubbish and beautified, in providing the townships with the best in fire protection, etc.

All in all, there is a big job ahead for such a worthwhile organization. They deserve the continued support of the community. We trust they will set their sights high and that many worthwhile accomplishments may thereby accrue to the community.

Sullivant-av Elevator Loss More Than $20,000

GRAIN LOST—Thousands of bushels of wheat litter the earth in the foreground of the picture, taken at the Eshleman grain elevator on Sullivant-av, near General Motors' plant, after a huge 25 by 40 foot section of the seven-inch, steel reinforced concrete wall released the precious grain Sunday night. The cause of the structural failure is as yet undetermined, but speculation has centered on a dust explosion as the cause. Engineering estimates on a repairing job run at more than $20,000. The towering elevator was finished only last month.

Zoning Case Hearing Set For Next Monday Night

"Let's Wreck The Gravy Train"
An Editorial

What lies ahead for the Hilltop in the way of future development and the maintenance of property values in this community may be decided when Case No. 143 comes up for a hearing before the Franklin County Planning Commission next Monday evening at the Franklin Township Hall, Sullivant and Demorest Aves.

A decision may be forthcoming at that time as to whether a low cost housing project will be constructed on the 76 acres at Sullivant and Demorest or if the same area will be rezoned for the construction of homes comparable to those in the adjoining Westgate and Broadlawn areas.

Request that will bring the case up for a hearing is backed by the newly organized Camp Chase Civic Association and represents the desires of practically every home owner and resident of the entire area, including the people of Franklin and Prairie Townships.

It was indeed a disappointment to the officials of the civic association to be informed on Tuesday that Westlake and Associates, owners of the option to purchase the 76 acres, had backed down on their statement made the previous evening to the effect that they too would request the planning commission to rezone the area to 1R6 and 1R8 for the erection of homes comparable to those of Westgate.

In a statement to the publisher of The Hilltop Record on Tuesday afternoon Mr. Westlake claimed they had changed their minds because they found that the hearing on the zoning change pertained only to the 76 acres on which his firm held an option and that he had believed it included other adjacent acreages.

I was present at the Monday evening meeting and recall that it was pointed out that because of the urgency of the matter the initial zoning would concern only the acreage in question but that plans were being developed for later such rezoning to include other adjacent properties.

One member of the firm admitted, and in his own words, that the construction of this low cost housing project was their opportunity to "get on the FHA Gravy Train". This in itself is a sad commentary on the national state of affairs that permits the continued operation of the "Gravy Trains". Action of such local groups in derailing such "Gravy Trains" is the thing that will keep America strong.

Officers of the Camp Chase Civic Association are sincere in their desires to see this matter settled amicably and with the net result that the Hilltop will have an opportunity to expand westward with the type of homes that have been built in recent years. It is their intention to see that no other action is allowed. They are representing the wishes of some eight or ten thousand family heads in the area involved.

This paper has long stood for community planning. We have often stated that Franklin County adopted a planning program 20 years too late. Now that we have the program it is sincerely hoped that the planning commission will see fit to abide by the wishes of the vast multitude of people involved. This is perhaps the most important decision the planning commission will have made to date. Certainly they have no alternative but to act favorably on it. Certainly the people of the Hilltop will be out en masse next Monday night to insist upon it being that way.

Community In Firm Stand Against Project

Some 700 residents of the Hilltop and adjoining community fired by a desire to see the Hilltop continue to grow westward with better class homes, attended the big meeting of the Camp Chase Civic Association at West High School auditorium Tuesday evening. They were urged to be present enmasse at the hearing of Case No. 143 before the Franklin County Planning Commission at Franklin Township Hall next Monday evening at 8 o'clock.

At that meeting the planning commission will hear a request that the 76 acres at the southwest corner of Demorest and Sullivant-avs be rezoned for 1R6 or 1R8 housing which would permit only the erection of homes comparable with those in the Westgate area.

Highlight of the Tuesday night meeting came after association officers had made numerous reports and urged attendance at the next Monday evening meeting. Then, Don Smith, attorney for the group, came from the audience to tell how on the previous night, in his office, representatives of the firm of Westlake and Associates had stated their intentions of asking the planning commission to rezone the area in question to 1R6 or 1R8 in keeping with the desire of the local association. Then on Tuesday these representatives called to say they had changed their minds and that "you won't have as easy a time before the board as you think."

"These gentlemen admitted they planned a low cost housing project and now they have failed to show us what they intend to do. But our organization is insisting on good housing," Smith said.

Smith claimed that plans for the proposed development as they now stand would result in buildings comparable to those of the Harmon Avenue project.

Harold Banker, president of the group stated his disappointment that the letter of approval was not forthcoming from the Westlake firm and termed the act "Trickery." "To me any man who will stoop to such tactics to clean up with a few invested dollars is un-American," he proclaimed.

Over 200 new members were received into the organization Tuesday evening, bringing the membership up to nearly 1200.

E. L. McSavney, chairman of the action committee, stressed the need of more members and additional workers. He stated the group had been invited to handle the civil defense program in the area.

Perd Fox, chairman of the ways and means committee, pointed to the need of additional residential construction in this area to fill the housing needs of GM and Westinghouse employees and that the organization had no ax to grind with any race, creed or color.

The treasurer's report given by Ted Todd, showed a balance of $800. William Weeks of the membership committee urged further solicitation of members by the present membership.

It was pointed out that a survey of real estate men showed that local property values have declined $100 already in the face of the low cost housing proposal. Dale Stump congratulated the group on the vigilant civic attitude shown.

Vice President William Maurer stated that a public address system, police protection and floodlights would be provided at the Monday night hearing.

Dies Tuesday As Auto And Train Collide

Frank E. Cole, 21-year-old truck driver, 287 Evergreen Terrace, was killed early Tuesday morning when his car was demolished by a crack passenger train at the Sullivant-av crossing near Georgesville-rd.

The accident occurred when Cole's 1936 sedan, going east on Sullivant-av, was struck at the crossing by the Ohio State Limited. The fast New York Central train pulled out of Columbus only minutes before the wreck.

The car was carried more than 1500 feet by the speeding train. Investigating officers said it was going 75 miles an hour when it hit the car. It was en route to Cincinnati.

The train was delayed two hours. It had to back up near the General Motors plant while part of the wreckage was cut away from the front of the engine with acetylene torches.

Cole, a World War II veteran, had moved here recently from Zanesville. He had been undergoing treatments at the Veterans Administration Hospital at Dayton and was to report back there for further treatment.

Reportedly, the father of two children had left home to see his mother, Mrs. Letha Cole, 121 Liberty-st. He was working as a truck driver.

He is survived by his wife, Mrs. Alice Cole; two sons, Frank, Jr., 8, and Kenneth, 6; father, Frank Cole, Sr., Albuquerque, N. M., and a brother, Lester.

Rural Electric Refund Sought

Residents of the county who are supplied electricity by the Columbus & Southern Ohio Electric Co., will have an opportunity to voice their objections to the fact that they did not receive a refund by the company, when a meeting is held in the Rea-Bow Hall, Whitehead and Whitethorne-avs, Thursday at 7:30 p. m.

Ways and means of securing the refund for county users of electricity will be discussed at the meeting.

Kiwanis Garden Winners Named

Three prize winners in the Hilltop Kiwanis Garden Contest were named Monday evening when the judging was done by Gus Amsbury, 202 N. Harris-av, foreman of the State School farm and Robert Elliott, foreman of the State Hospital farm. The gardens are located along Valleyview-dr. Harold Cunningham was in charge of the project, conducted by the club agricultural committee.

First prize of $10 went to Boyd C. Wolfe, 74 N. Harris-av, with 82 points. Second prize of $5 was awarded John Simmons, 744 S. Richardson-av, with 80½ points. Third prize of $2.50 was won by Leonard Rapp, 89 Clarendon-av, with 80 points. Honorable mention went to Mr. Garble with 79 points and George Shau, 339 S. Terrace-av, with 78 points.

The judges based their decision on 20 possible points each for yield, cleanliness, insect and disease control, efficient use of ground and quality of vegetables.

W. Broad-st Widening Job Postponed

Proposed street widening project on W. Broad-st, between Hague-av and Southampton-rd, was postponed Friday until next spring, when the State Highway Department threw out the lone bid of $117,969 from the James T. Shidecker Co., Sunbury, as too high.

The project called for widening the street from 50 to 62 feet. It had been scheduled for completion this summer. According to highway department spokesmen, new bids will be taken again this fall.

The lone bid submitted on the joint state, county, city job was $10,869 above the engineering estimate of $107,100.

$1500 Damage Wrought On New Cars At Wile's

The tops and hoods of 10 new Hudsons at the Wile Motor Co., 3192 W. Broad-st, were damaged on the night of June 17 to the tune of an estimated $1500.

L. T. King, manager of the firm, reported that the tops and hoods of the cars were dented and paint was scraped off in spots. He stated that he believed that the destruction was done by juveniles, since small foot and hand prints were found on the cars.

West Side Draft Call Set At 14

The August draft call for selective service men by board 42 will be 14 men, born prior to Feb. 1, 1932.

The draft call was revised last week when state draft director Chester W. Goble asked for an additional 1008 men from the entire state, bringing the total to 2724 inductees.

Announce 16-Hour Police Cruiser Duty On Hilltop

The addition of a one-man cruiser on 16-hour duty on Aug. 5 in the Hilltop area was announced Monday by Police Chief Frank L. Harrison.

Chief Harrison said the cruiser will be on daily 16-hour duty instead of the customary eight.

The announcement came as the police received 26 new vehicles, which will go into use as soon as they are painted. All new cruisers and ambulances will have white tops lettered in red.

Tickets for the game may be obtained from any member of the organization. They may be reserved by phone by calling Mrs. Boyd Marmon, chairman, RA. 4311; Mrs. E. C. Williams, RA. 5065; or Mrs. Ivor D. Engle, RA. 2494.

Aug. 10 Set As Last Day For Entries

Franklin County Fair officials warned farmers and prospective exhibitors that livestock entries close Wednesday, Aug. 8, and all other entries must be in before Friday, Aug. 10.

Entries and queries on entries have flooded the fair offices; however, there's always room for more. Anyone interested in showing their stock may contact Arch A. Alder, fair secretary, or Harold Hart, president, for the premium list. Also, merchants who wish space on the fairgrounds are requested to contact either man immediately.

Additions to fair plans include:

Round and square dancing every night of the fair, Aug. 14-18, sponsored by the Hilliards' American Legion Post.

Afternoon horse racing on Thursday, Aug. 16.

Night horse racing on Thursday, Friday and Saturday evenings.

Night horse show on Tuesday and Wednesday evenings.

Hilltop Day on Friday, Aug. 17.

Cornerstone Laid At Prairie Township School

CEREMONIES — Youngsters, their parents, school board members and construction firm representatives crowded around the cornerstone during brief ceremonies held at the new $500,000 Prairie Township Elementary School, Monday noon, on Norton-rd in New Rome. Completion date on the projected 20 classroom, two-story building, has been set for shortly after the first of the year.

The cornerstone of the new elementary school, located on Norton-rd in New Rome, was dropped into place in an informal ceremony held at the school Monday noon.

Plans call for the new building, financed by two bond issues, to be ready for occupancy shortly after the first of the year. It will contain 20 classrooms, a gymnasium-auditorium and kitchen. The building will provide space for approximately 700 pupils, now crowding the three existing elementary buildings at Alton, New Rome and Galloway.

The two-story, $500,000 structure will house students from the first through the eighth grade. Plans for a kindergarten had to be dropped, due to the rising costs of construction; however, expansion space has been provided for in the building.

To finance the school, the Prairie Township residents voted a $231,000 bond issue in 1948 and a second for $348,000 in 1950.

The light pink brick building, which will house the local students, was planned and designed by the John Quincy Adams architectural firm and the general contractor is Leo E. Ruisinger, Inc.

Until the new building is complete, the school board has contracted with the Brown Township School and St. Paul's Lutheran Church for rooms. Members hope to obtain more space in a new addition being built in the Methodist Church.

School Bids To Open Monday

Bids will be received Monday by the Columbus School Board on the projected Westgate School to be located on Wicklowe. The building, finished in light colored brick, will contain 12 classroom units, a multi-purpose auditorium, library, administration room, kitchen and storage rooms.

The plans call for the school to be ready for occupancy a year from this fall.

Hilltop Drivers Share Blame For Accident Ratio

It seems that Hilltop drivers' manners are improving, but not as fast as drivers in other parts of the city.

In spite of the fact that the total number of accidents on the Hilltop during the week of July 15-22 dropped from 14 for the prior week to 12 for this past one, in frequency and damage, this district ranked fourth in the city, according to the police weekly analysis of traffic accidents by cruiser districts.

There were 12 accidents on the Hilltop in the one-week time span and all 12 involved property damage. There were no pedestrian accidents.

Better Home Center Entering Philco Old Refrigerator Derby

Ed Witherspoon, owner of Better Home Center with stores at 2775 W. Broad-st, and 1288 W. Broad-st, announces that his stores are participating in the national "Philco Old Refrigerator Derby."

Two deluxe 10 cu. ft. two-door refrigerators are to be given to the two Columbus and Franklin County residents registering the oldest electric refrigerators now in use.

In addition to the two refrigerators Better Home Center is giving away a new $99.95 radio-phonograph combination to the owner of the oldest electric refrigerator registered at their store. The lucky owner may win both contests. Registration blanks are available at either Better Home Center stores. The contest rules follow:

1. Contest open to adults in this area, who are actual owners of the old refrigerators entered in contest.

2. All entries must be registered on the Philco "Old Refrigerator Derby" registration blanks, available at Better Home Center.

3. All old refrigerators entered will be checked to determine exact age. In the event of a tie, lowest manufacturers' serial number will decide the winners.

4. Any make electric refrigerator is eligible for entry, but it must be in service in your home . . . in operating condition.

5. Oldest refrigerators entered in this area will receive the Philco Model 1018 refrigerators as prizes. The oldest refrigerators entered at each Philco dealer's store will receive the radio-phonograph given by each store.

6. Your old refrigerator can only be entered once . . and only at one Philco dealer. Duplicate entries will be automatically withdrawn from the contest and disqualified.

7. Winners will be notified as soon after the close of the contest as possible. Decision of the judges is absolutely final. Contest closes Aug. 31, 1951.

8. Winners will NOT be required to turn in their old refrigerators.

John Burroughs Playground

The past few weeks have been busy ones on the grounds—handcraft and games, checkers and horseshoes, and practice for the minstrel show and the tournaments, which have begun.

Thursday evening, Aug. 2, at 7, the youngsters are going to present their minstrel show and all are invited to come in and enjoy it with them. There will be displays in the building of the hand work done during the summer by the boys and girls under the direction of Miss McAndrews.

If you would like to see what has been done, come early after dinner and spend the evening with us.

We are open every afternoon except Saturday from noon until about 8 p. m.

Some 50 made a trip to the zoo in a school bus last Thursday. Everyone had a good time there. The registration is large again this year, but there's always room for anyone who has not yet been down to see us. Mr. Brachler says it's getting to be a better place each year. This is his third summer at J.B.

ROMANCE

I will make you brooches and toys
for your delight
Of bird-song at morning and star-shine at night.
I will make a palace fit for you and me,
Of green days in forests and blue days at sea.

I will make my kitchen, and you shall keep your room,
Where white flows the river and bright blows the broom,
And you shall wash your linen and keep your body white
In rainfall at morning and dewfall at night.

And this shall be for music when no one else is near
The fine song for singing, the rare song to hear!
That only I remember, that only you admire,
Of the broad road that stretches and the roadside fire.

Home the shepherd and the sheep
Come at evening from the hill,
Through a silence kind and deep,
Full of shadows soft and still.
Still and soft and deep and kind
The gentle blessing of a prayer
Falls like evening on the mind.
Homeward from the hills of care,
Now my thoughts return like sheep.
I shall pray and pray until
Peace comes dropping down like sleep
And I am home, and I am still.

MacDonald Joins Sales Staff

SCROLL — Alex E. MacDonald holds the scroll authorizing him to practice law before the Korean Supreme Court. He was one of the Americans who helped draw the constitution of the South Korean Republic.

Alex E. MacDonald, 349 S. Chase-av, former chief of the accounting and auditing branch of the American Embassy in South Korea, has been named as a member of the sales staff of Wolfe's Electric, 2427 W. Broad-st.

MacDonald was one of the last State Department workers to leave Seoul, just before the Communist invasion took over the South Korean capital. He was aboard the last Northwest Airlines plane out of the now war-torn city. He had been called home for consultation and leave.

The Communist attack failed to surprise him. He said, "Those of us who were there knew as long as two years ago that the invasion was coming."

He had served as a legal adviser and was one of the Americans who helped draw up the constitution of the South Korean Republic. He was also one of the few Americans authorized to practice law before the supreme court of Korea.

The American mission in South Korea was making progress before the war, according to MacDonald, but he believes that the country will have to be united to achieve a true democratic government.

Weaver was born in Guernsey County in 1901. He attended public schools in Cambridge and Hebron. He graduated from Denison University in 1924.

He has been a reporter on the Cincinnati Post; editor of the Covington, Ky., Post from 1931 to 1936; editor of the Fort Worth, Tex., Press from 1936 to 1945 and became editor of the Citizen in 1945.

Heads Republican Picnic Planning

Olen E. Hilditch, 2692 W. Mound-st, was appointed general chairman of the 1951 Franklin County War Veterans Republican Club picnic, according to an announcement by Dewey E. Garner, president of the organization.

Hilditch, who served two years as a second lieutenant with the Ohio National Guard, is a veteran of 40 months service during World War II and served in five campaigns in the ETO with the Ninth Division.

The annual picnic will be held Tuesday, Aug. 7, at 1 p. m., in Oak Park on Sunbury-rd.

In a paper on boat racing, one boy wrote: "In the boat there are eight men and one to coax them."

N. Chase-av Picnic Is Set For Aug. 4

The North Chase Avenue Picnic will be held Saturday, Aug. 4, from 4 to 10 o'clock at Shelter House No. 2.

In 1936 five men conceived the idea for this annual affair: Harry D. Davis, Loren C. Gordon, Bob Davis, John Higgins and Jake Looker. This year's picnic will be the 16th in the series and is one of the events which residents claim make the Hilltop a really fine community in which to live.

Games for both young and old will be followed by a picnic basket dinner. The evening will be climaxed by bingo with prizes donated by local merchants.

As a special tribute to the men in service, a huge 36x50 inch card signed by all the neighbors present will be sent to each of the boys.

This year's officers are John K. Miller, president; Arthur E. Buchanan, vice-president; and Mrs. Vernon Chute, secretary.

Chairmen of the various committees include Harry Davis, announcements; Vernon Chute and Mrs. Ray McClain, prizes; Jim Kimball, sports; Otto Best, bingo; Mrs. W. D. Vale, refreshments; Mrs. Vernon Chute, children's games; and Jack Kight, transportation.

Bloodmobile To Visit Hilliards On Friday

A mobile unit of the Columbus Regional Blood Center of the Red Cross will visit from 12 to 6 p. m. Friday in Hilliards. The Bloodmobile will be open for donors at Hilliards High School during these hours.

New Manager

Charles S. Preston

Officers of Capital Freight Lines, Inc., 220 Fletcher-av, today announced the appointment of Charles S. Preston, 124 Powhatan-av, as manager of their Columbus terminal at 470 E. Starr-av.

A graduate of West High School, Preston has been in the motor freight transportation business for 11 years. He was with CCC Highway, Inc., before joining C. F. & L. Freight Lines in 1946. This year C. F. & L. merged with Capital Cartage to form Capital Freight Lines, Inc.

Capital maintains terminals in Cleveland, Columbus, Cincinnati, Coshocton and Cambridge in servicing seventeen points in Ohio through its intrastate truckload and LTL trucking facilities.

Preston is a member of the Columbus Transportation Club, the Columbus Junior Chamber of Commerce, the Hilltop Kiwanis Club and the University Lodge of the Masonic Order. He is married and has two daughters.

Church Radio Program To Feature Local Pastor

The pastor of the Westgate Methodist Church, Rev. Norman L. Schreiber, will be the speaker on "The Voice of The Church" radio program on Sunday. This program is aired by the local radio station WBNS every Sunday from 9:30 to 10 a. m. The music will be by staff musicians of the radio station. The topic of Mr. Schreiber's radio message will be "The Menace of Mediocrity."

Hire Five — Draft Three . . .

The Byrd Economy Committee recently disclosed the Defense Department added 25,196 more personnel to the Federal payroll in May. The figure represents 10,000 more than the draft quota for the month, but more than half the new employees yere civilian.

The Washington, D. C., Daily News in an editorial commented, "things have come to a curious stage when the military starts gobbling up manpower at the rate of hiring five and drafting three."

Republican Senator Eugene D. Millikin, of Colorado, proposed that Congress create an agency to maintain a constant check on how the Pentagon handles its workload, after Budget Bureau officials revealed the Defense Department had been handling that responsibility itself. Millikin felt such surveillance should be extended to all other Government agencies as well, in an effort to effect greater economy and efficiency in the expenditure of funds and utilization of man power.

The difference between the U. S. and Soviet Russia is that even the Communists have some rights in this country.

Can't Change Fish

Man can never control ocean conditions sufficiently to change seriously the sea's balance of life. This conclusion was advanced by scientists at a recent meeting of California's marine research committee, representing the division of fish and game, Scripps Institute of Oceanography, U. S. fish and wildlife service, California Academy of Sciences, and members of the sardine industry. The nine-man committee was created in 1947 by the legislature and was making its report to the public on information obtained from the coordinated study.

GOOD HEALTH

Answer to Question No. 1:

1. One way to increase the supply of nurses is to improve nursing education. Recently in Louisiana, Minnesota, and Michigan better schools were developed through combining the facilities of several. Student recruitment was greatly stimulated.

Answer to Question No. 2:

2. Malaria has been reduced almost to the vanishing point, but cannot be considered wiped out in the United States. To keep it under control is the object of the National Malaria Eradication Program, in which 13 states have participated. Most cases now are brought in from other countries as, for example, by demobilized service men.

Answer to Question No. 3:

3. Despite the current saying, "I need that like I need a hole in the head," there are actual cases where people have been given holes in the head by a medical technique known as "trephining," in order to remove tumors or to loosen adhesions. In ancient days the cavemen drilled holes in the heads of epileptics and sufferers from headaches in order to "let the devils out." From skeletons, it has been determined that these patients did not all die as a result of the operations, but from other causes.

Camp Chase Cops 10-9 Victory Over David Davies In Playoffs

The Camp Chase-Beasley Grove Junior Legion baseball team won over Southway-David Davies last Wednesday when, in the ninth inning, low built Dave Krebs drew a walk from Southway relief hurler Jim Pike with the bases loaded, to force in Herb Brown with the winning run.

The Southway team, with nine runs, scored more runs against Camp Chase than any team they have met so far this season.

Pitcher Jim Smith struck out ten of the Southway hitters.

Herb Brown and Jim Smith collected three singles each and Ken Garber hit a single and triple to lead the hitting attack for Camp Chase.

Sunday at Southview field—Southway-David Davies lost to Southway-ABC Freight-forwarders.

It was the second loss for Southway-David Davies which knocked them out of the round robin "lost two you're out" playoffs.

Camp Chase and Southway-ABC Freightforwarders are the two remaining teams in the playoffs. The winner will move in at Ohio State University for the Ohio State finals starting Aug. 6.

Fourteen teams from fourteen districts in Ohio will play in the finals at Ohio State, also under the "lost two you're out" system. The winner at Ohio State is recognized as state champion and moves into the national finals.

With Camp Chase having lost a 3-2 decision to Southway-ABC in the first game of the current play offs, they must now come back and beat the same team two games in a row to win the district championship and go to the state finals.

The church is the moral foundation of our community. Do you help support that foundation?

Glenwood Center nature club will meet at 4 p. m. on Monday and Thursdays. The boys and girls have begun their collection of butterflies and insects under the direction of Gary Farabee.

Glenwood Center Players held tryouts for their drama skits on Monday and Tuesday and will put on a preview Tuesday evening, July 31, at 7. Skits for the show will be taken from the works of Shakespeare. A sectional drama show at Sunshine Park on Thursday, Aug. 2, 2 p. m., will be held by the city recreation department.

Gary Farbee is instructing the youthful and adult fishermen in the arts of fly and plug casting every Monday and Tuesday at 5 p. m. Various techniques of fishing and methods of landing fish will be discussed and demonstrated.

Later plans are for the group to go fishing at the various places in the city that are stocked so that the fishermen may test and use their skills.

Wednesday, July 25, the center held its marble tourney in preparation for the city tourney, which is to be held during the week of Aug. 10. Norman Esterbrook, who won the spring championship, will defend his title.

Aug. 8, the center playground basketball foul shooting contest will be held with winners entering the city-wide tourney Aug. 16, at 6 p. m. at Sunshine Park. This tourney is open to both boys and girls.

Sectional Junior Olympics are being held every Friday. This Friday, the sectional will be at Tuttle Playground and Aug. 3 at Central High School. City-wide Junior Olympics will be held Aug. 10 at Ohio State Stadium.

Boys' baseball team and their dads will spend Sunday, Aug. 5 at Indian Village Camp. A "Lad vs Dad" softball game and an afternoon swim party in the camp's pool is being planned.

Glenwood Center Service Club, a group of volunteers who aid in playground programs and are planning on extending their services to the indoor season activities are very active at present. Charter members are Pat Collins, Carol Campbell and Barbara Diedrick. Boys and girls interested in joining this club should contact "Doc" Reisten at Glenwood Recreation Center.

Highland Playground News

By Pat Martindale

Highland Playground has had a very exciting week. Last Wednesday the Traveling Zoo payed a visit. Several girls spent Wednesday morning at the home of supervisor, Rosa Trigg, popping corn for the event. The zoo arrived on the grounds at 3:30 p. m. and by 5 approximately 200 children had seen and fed the monkeys, ducks, honey bears, raccoons and baboon.

Thursday evening 22 children from the playground took part in the Lantern Parade on the river bank at Central High School. In the Festival of Lights the children carried bucks bearing the letters of Highland, moons, stars and fence designs. Even though they were not prize winners they enjoyed themselves immensely.

The Low Down On High Ridgers

By One of Them

Think nothing of it folks — it could happen to any one on Friday the 13th. I just heard that on that date this month, CONNIE SEWELL ran the vacuum cleaner over her bare foot and nicked three toe nails. Her advice: "Always be shod when cleaning house."

BETTY CALDWELL on Belvidere was a beautiful bride Saturday when she married DUANE ABRAM. We hope they will return to be Hi-Ridgers.

The RED CALLIFS just returned from New Mexico. Remember the ARTHUR SCOTTS on Belvidere? Well, they were former neighbors, so the CALLIFS went down the past two weeks and stayed with them. It was a long trip, but who isn't tired after a vacation trip?

Glad to hear that THELMA CAMPBELL is feeling good enough to return to work. She had a four-months' leave after recovering from an operation and now she's back in full swing.

The RUMFIELDS were reluctant to leave Indian Lake, after bringing back enough fish to last a whole week, or shall we just say the catch was "seven fish", and let it go at that.

Speaking of fishing. The WATTS are the ones who'd rather fish than eat, I think. The entire two weeks up in Northern Michigan was spent with a fishing line in both hands. And to top it all off—the first day back, ole ELECTRIC WATT was out digging fishing worms in his back yard. Might be wrong, but he looked it, anyway.

Couldn't believe it, if I hadn't seen same with my own eyes. There was "POPS" BOB CAHILL walking down Safford-st on his grandson's stilts. He did quite well despite the protests and pleadings of his daughter that he'd break a limb if he didn't get off.

New bedroom furniture for the DICK SCRIBNERS. Now that their children are growing, the parents got a new room outfit, and the girls were tickled to death to get the other especially since the radio went with it.

Speaking of radios, my wife is blaring at me now with her voice turned on full blast. Wish it was a radio so I could turn her off. No such luck.

See you next week, folks!

Looking Ahead with J. W. Worrel

"I made a call on a friend of mine the other day and, to my surprise, I found him packing grips in preparation for a journey. "Going away, Bill?" I asked.

"Sure. Going away on a business trip."

"Be away long?"

"Couple of months."

I turned to his wife who was helping to pack. "How are you going to get along without him?" I asked.

"Don't worry. I'm not going to starve," she replied laughing. "I'm making sure that he leaves me enough to get along with until he gets back."

That's a simple little story of a man who is leaving home for two months. He arranges the family budget so that everything goes smoothly until he returns. Life insurance has a bigger problem than that. It must arrange the family budget for a journey from which there is no return. No one can tell when the call will come to take the journey. It may be many years. It may be tomorrow. But the Sun Life of Canada can arrange the budget for you at once, simply, economically and effectively. Call or write me and I will gladly talk things over with you . . . and no obligation incurred.

Janice Judy, Leo Phillips Wed June 17 At North Community

Mrs. Leo L. Phillips, Jr.

North Community Lutheran Church was the June 17th setting for the evening ceremony uniting Miss Janice Emily Judy, daughter of Mr. and Mrs. H. A. Judy, 84 S. Hague-av, and Mr. Leo L. Phillips, Jr., son of Mr. and Mrs. Leo L. Phillips, 617 S. Ogden-av. Rev. C. T. Langholz officiated.

Given in marriage by her father, the bride wore a gown of ivory satin fashioned with a molded bodice featuring an oval neckline trimmed with cut-out satin applique which were outlined in seed pearls and iridescent beads. Long satin gauntlets extended to the extremely cap sleeves and the full skirt extended into a wide circular train. She wore her mother's full-length, handmade, Belgian lace veil. Her arm bouquet of white calla lilies was centered with a white orchid.

Miss Jeanne Krevdo, maid of honor, wore an ankle length gown of shrimp-colored marquisette designed with a portrait neckline, cap sleeves and full flair skirt of which fitted plainly over the hips. She carried a cascade bouquet of green shattered carnations.

The bridesmaids, Miss Betty Dickendesher and Miss Nancy Howard, cousin of the bride from Indianapolis, Ind., wore gowns identical to the honor attendants in a mint green shade. They carried bouquets of yellow shattered carnations. The flower girl, Miss Alice Howard, cousin of the bride, wore a frock of yellow organdy and carried a bouquet of green shattered carnations.

Mr. Fred V. Mills, Jr., acted as best man for Mr. Phillips and ushers included Mr. Ernest L. Dahlen, Mr. William Hogue, Mr. William J. White and Mr. William R. Coyle.

For the reception held in Balcony Hall following the ceremony Mrs. Judy met her guests in a floor-length gown of crepe and lace in lime-green with matching accessories. The bridegroom's mother wore a floor-length gown in mauve chantilly type lace with lilac accessories.

Hostesses for the reception were Mrs. E. L. Dahlen, Jr., Mrs. D. J. Case, Mrs. David Brown, Mrs. Fred Mills, Jr., Mrs. W. D. McLaughlin and Mrs. Ralph Borland. Out-of-town guests included Miss Susan Johnson, New York City; Dr. and Mrs. William Becker and daughters, Toledo; Mrs. R. B. Klotz, great-aunt of the bride, Allentown, Pa.; E. A. Judy, the bride's grandfather, Ft. Meyers, Fla., and Mr. and Mrs. Robert King and Marjorie, Indianapolis, Ind.

For their honeymoon to New Orleans the bride changed to a pink and navy suit with which she wore a navy duster. The couple is now at home to their friends at 317 W. Sixth-av.

Nuptials Uniting Miss Fiscus, Mr. Dunham, Read July 20

Mrs. Harry V. Dunham
(J. Curtis Allen Portrait)

The Hilltop Church of Christ, Disciple, was the scene of the evening ceremony uniting Miss Dorothy A. Fiscus, daughter of Mr. and Mrs. Ray S. Fiscus, 243 N. Wayne-av, and Mr. Harry V. Dunham, son of Mr. and Mrs. Ben Dunham, 1457 N. Fourth-st, on Friday, July 20. Dr. Paul Keckley officiated at the nuptials.

The bride, escorted to the altar by her father, wore a gown of white embroidered organdy over yellow taffeta styled with a horseshoe neckline from which the long sleeves were draped. Her fingertip veil of nylon illusion was held in place with a heart shaped tiara edged in orange blossoms. The bride's colonial bouquet was of white roses and white asters.

The maid of honor, Miss Gladys Fiscus, sister of the bride, wore a gown of lavender marquisette over lavender taffeta with white accessories. She carried a colonial bouquet of yellow asters and burnt orange gladioli. The bridesmaid, Miss Virginia Dunham, sister of the bridegroom, wore a gown of yellow net over taffeta with white accessories and a colonial bouquet of lavender asters and gladioli.

Mr. Ben C. Dunham was best man and Mr. Louis Miller and Mr. Harry Shields seated the guests.

For the reception held at her residence immediately following the ceremony, Mrs. Fiscus wore a brown and white dress with white accessories and a corsage of red rosettes. The bridegroom's mother wore a dress of blue and white with white accessories and a corsage of red rosettes.

Hostesses were Miss Ruth Erwin and Miss Ruth Dunham.

For her honeymoon the bride chose a light blue strapless dress with a white net stoll and white accessories.

The young couple will reside at 19 S. High-st, Gahanna, O.

Florence-av Has New Neighbors

Newcomers to the Western edge of the Hilltop are the following folks who recently moved into homes on Florence-av: Mr. and Mrs. F. H. Schnell from Madison, Wis.; Mr. and Mrs. Richard T. Sherman from Port Washington, L.I., Mr. and Mrs. Joseph Masters of New York City, and Mr. and Mrs. Charles C. Winniestaffer of Obetz, O.

The Schnells, including a 14-year-girl and a four-year-old boy, are now living at 36 Florence-av. Mr. Schnell is associated with the H. L. Green Co.

Richard Sherman is a surveyor for Ebasco Construction Co., the firm putting up the new Westinghouse project. He and Mrs. Sherman have moved into 56 Florence-av.

Mr. and Mrs. Masters are now living at 131 Florence-av. Mr. Masters is affiliated with the Battelle Memorial Institute.

The new home of Mr. and Mrs. Winniestaffer is 56 Florence-av. Mr. Winniestaffer is associated with the Gulf Refining Co.

Lutheran Circle Meets For Potluck Luncheon

The Oesterlen Circle of the Hilltop Lutheran Church will meet Wednesday, Aug. 1, in the church lounge for a noon potluck luncheon.

Hostesses will be Mrs. Earl Douglas and Mrs. John Hollsteine.

Mr. and Mrs. Thomas Tilsley, former Hilltoppers, now of Cincinnati, were visitors last week-end at the home of Mrs. Tilsley's parents, Mr. and Mrs. Clarence E. Hulls, 166 Binns-blvd.

Afternoon Ceremony United Miss Egelhoff, Mr. Chevalier

Dr. T. E. Liefeld of Capital University officiated the June 9th ceremony which united Miss Waneta Jean Egelhoff, daughter of Mr. and Mrs. Fred Egelhoff, 121 Leland-av, and Mr. Gene Gilbert Chevalier, son of Mr. and Mrs. Willis Chevalier, 235 S. Sylvan-av. The afternoon ceremony was read at North Community Lutheran Church.

The bride, given in marriage by her father, wore an original gown of imported Swiss embroidered organdy with a semi-off-the-shoulder portrait neckline with short, softly shirred sleeves. The tight fitting bodice and the extremely bouffant skirt were enhanced by a diagonal effect of eyelet embroidery. A matching organdy cloche held her fingertip veil of imported English illusion and her bouquet of baby's breath, delphinium and English ivy was centered with a cluster of gardenias.

The maid of honor, Miss Shirley Ann Egelhoff, sister of the bride, and the bridesmaids, Miss Lydia Helmer, Miss Martha Helmer and Miss Marilyn Rose Miller, all wore identical gowns of white eyelet embroidery over a skirt of orchid taffeta. The self-shawl collar emphasized the slim lines of the fitted bodice as did the hooped skirts. The attendants carried bouquets of Boston daisies and baby's breath and wore clusters of the flowers in their hair.

Mr. Glenn Chevalier was best man and guests were seated by Mr. John Egelhoff, Mr. Robert Gibson, Mr. Richard Amspoker and Mr. Arthur Hoenie.

For her daughter's wedding Mrs. Egelhoff chose a street length dress of rose-mauve Irish linen and lace. Mrs. Chevalier wore a white background print with green and black flowers.

Hostesses for the reception which followed the ceremony at the church were Mrs. Jane Carter, Mrs. Winifred Steinberger and Miss Ruth Sunker.

For her going away outfit the new Mrs. Chevalier wore a dress of mist gray with white accessories and the gardenias from her bouquet.

The couple left immediately for their new home in Forest Hills, Pittsburgh, Pa., where Mr. Chevalier will be employed by the Westinghouse Corp.

Formal Home Ceremony United Gloria Whipple, Pfc. Parker

Mrs. Archie Eldeen Parker

Miss Gloria Jean Whipple, daughter of Mr. and Mrs. Everett C. Whipple, 65 S. Algonquin-av, and Pfc. Archie Eldeen Parker, son of Mr. and Mrs. Allie H. Parker of Moorehead, Ky., were united in marriage, Thursday, July 19, 8:30 p. m. with Dr. Paul J. Keckley officiating. The double ring ceremony was read at the home of the bride's aunt and uncle, Mr. and Mrs. George W. Kelly, 4500 Dublin-rd.

Lighted tapers in seven branch candleabra, with green foliage and urns of golden rapture roses with candlelight gladiolas, formed an altar in front of a large picture window, overlooking the Scioto River.

The bride, given in marriage by her father, wore a gown of candlelight satin, with a plunging neckline forming a semi-off the shoulder effect. The bodice, featuring the scalloped neckline and long sleeves extending into points over the hands, was complemented by a full skirt which cascaded into a cathedral train. The bride's fingertip veil of illusion fell from a tiara of seed pearls and she carried a semi-colonial bouquet of stephanotis, centered with a white orchid. She wore a single strand of pearls given her by her late grandmother.

Miss Joan Magan, maid of honor, and Miss Frances Eckelberry, bridesmaid, wore identical satin gowns in contrasting shades of pink. They wore halos of matching satin on their heads. The honor attendant carried a modified cascade bouquet of yellow rapture roses while Miss Eckelberry's bouquet was an arrangement of aqua tinted Esther Reed daisies.

Mr. John Elwood Parker was best man for his brother while Mr. Robert Cisco and Mr. Donald Whipple seated the guests.

At the reception held at the Kelly home immediately following the ceremony, the bride's mother wore a dove grey dinner dress to which was pinned her corsage of happiness roses. Mrs. Kelly chose a gown of rosebeige chiffon with a corsage of tinted aqua daisies. The bridegroom's mother was unable to attend.

Hostesses for the reception included Miss Jo Anne McFarland, Mrs. Roy Murdock, Mrs. Robert Wycuff and Mrs. Charles Demmler. Their corsages were white shattered carnations with illusion.

The bride is a graduate of West High School, Capital School of Beauty Culture and attended New York Modeling School.

Mr. Parker is a graduate of Morehead High School, Morehead, Ky., and is now with the 3rd Armored Division of the U.S. Army.

After a short wedding trip the couple will be at home at 65 S. Algonquin-av.

Silk Lace and Nylon Tulle Worn By Bride Dorothy Schwarz

Mrs. David L. Enright

A wedding gown of silk Chantilly lace and nylon tulle was worn by Miss Dorothy Anne Schwarz, daughter of Mr. and Mrs. R. S. Schwarz, 715 Wiltshire-rd, for her marriage to Mr. David L. Enright, son of Mr. and Mrs. Joseph Enright, 1229 S. Ohio-av.

The nuptials were solemnized July 14 in a double ring ceremony at St. Mary Magdalene Church. Rev. Raymond Bauschard officiated.

The bride's father escorted her to the altar. Her gown was styled with sheer bodice and lace sleeves. A peplum of lace fell over the very full double skirt and a halo of lace held the full length veil of silk illusion. Her bouquet was of carnations and stephonotis centered with a white orchid.

The maid of honor, Miss Sallie De Shetler, and bridesmaids, Miss Nancy Smyth, Miss Nancy Sheedy and Miss Rita Strapp, and junior bridesmaid, Miss Mary Helen Schwarz, were gowned alike in Madonna blue net styled with a formal bodice and a bouffant skirt. They carried bouquets of white glamelias.

The bridegroom was assisted by his best man, Mr. William Bain of Charleston, W. Va., and ushers, Mr. William Schwarz, Mr. Robert Hopkins, Mr. Leo Strapp and Mr. Ben Roberts.

The mother of the bride chose a dress of French blue lace with which she wore white accessories and a cymbidium orchid corsage. The bridegroom's mother wore a rose colored dress with matching accessories and an orchid corsage.

Immediately following the ceremony a breakfast was held at the Seneca Hotel for the bridal party and immediate families. Later the same day 200 guests were entertained at a reception held at the home of the bride. Hostesses were Mrs. Paul Schwartz, Miss Barbara Bower, Miss Dianne Bower and Miss Virginia Miller.

For their trip to the Summit Hotel the bride changed to a powder blue suit with which she wore navy accessories. Upon their return the couple will reside at 890 Lilley-av.

SOCIETY PLANNING TO HOLD BIBLICAL FEAST

The Women's Society of Christian Service of the Wheatland Avenue Church is sponsoring a "Feast of Seven Tables," Tuesday, July 31, on the lawn of the home of Mrs. Anna Brown, 342 S. Highland-av. Serving will begin at 5 p. m.

Garden Wedding July 1 United Joan Morris, Erwin Morrison

Mr. and Mrs. Erwin L. Morrison

A garden wedding held at the home of the bride's parents united Miss Joan Ellen Morris, daughter of Mr. and Mrs. French W. Morris, 963 Whitetherne-av, and Mr. Erwin L. Morrison, son of Mr. and Mrs. Henry F. Morrison, 168 W. Ninth-av, Sunday, July 1. The ceremony was read at 3 p. m. by Rev. C. D. Plum of West Broad Street Church of Christ.

The bride chose a light blue suit with which she wore white accessories for her wedding. Her corsage was an orchid. The bride's one attendant, Mrs. John Belcher, wore a pink suit with white accessories and a corsage of red roses.

Mr. John Belcher attended the bridegroom as best man.

Hostesses for the outdoor reception which followed the wedding at the bride's home were Mrs. Effie Daly, Mrs. Don Spurgeon, Mrs. Jack Miller and Mrs. Earl Schrigley. Music for the reception was furnished by the Echo Valley Boys. Guests included friends and relatives of the bride and groom.

For their honeymoon trip through Kentucky and West Virginia, the bride wore her wedding suit.

Bible Comment:

Jesus Was Rejected By Townspeople and His Own Brothers

JESUS was a hometown boy who made good in spite of His hometown.

Home was the natural and proper place for the Master to begin His ministry, but also the most difficult.

The minute Jesus announced His mission and ministry the town's affection and fondness for Him turned to prejudice and hatred. Never has the Master's saying, "A prophet is not without honor save in his own country," been more tragically fulfilled.

In John 7:1-5, we find that His own brothers, who were later to become zealous Christians and leaders of the church, did not believe in Him or His teachings.

Incredible as it may seem, the Master who was to light the way for the world was looked upon with such distavor that the townsmen sought to throw Him from the brow of a nearby hill and kill Him.

But Jesus sensed these dangers. "He knew what was in man." Yet His escapes from dangers later led Him to profess, "A man's foes shall be those of his own household."

That the number and fanaticism of His enemies did not even momentarily stay Him from His appointed mission shall forever be an inspiration to all who would go forth and do the work of God.

Even in the face of stones, vile abuse and violent threats, the gentle Son of God resolutely declared, "The spirit of the Lord is upon me, because He hath anointed me to preach the gospel to the poor; He hath sent me to heal the broken-hearted, to preach deliverance to the captives, and recovery of sight to the blind, to set at liberty them that are bruised, to preach the acceptable year of the Lord."

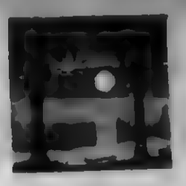
The retirement of Alice Offerman and Ola Trump, teachers at West Junior High School, was announced last week by School Board Superintendent N. G. Fawcett.



HOLTON PARK NEWS

Activity at Holton Park this week and next will mainly concern the Drama Festival to be held by sections: the west section showing at Sunshine Park, Aug 2, at 2 p. m. Everyone is invited.

Also included in this week's program is nature study and a nature scavenger hunt.

This week's crafts will include pot holder making and next week we wish to invite everyone interested in papier mache to come and participate.

Little League games continue to be held on Tuesday and for those who wish to follow these, a schedule is posted on Holton's bulletin board. Also don't forget the Holton group goes swimming at Bender's every Wednesday at 3, after meeting at the playground.

IN THE Looking Glass

You've seen her like this many times in front of the mirror in her room—but you didn't go in

You didn't dare let her know you were there. Watching her. Taking in the brave, young arch of her body, the tiny bridge of freckles that marched across her nose, the sparkling eyes, and the clean soap-and-water glisten of her face.

For she was "just pretending"—seeing herself as a fine young lady—as beautiful, of course, as the ones in her mother's magazines. Seeing her there, you thought, "She *will* be lovely—my daughter. But what of her faith? Have I failed her there?"

Let your church help you in this. It's true that your daughter is young. But not too young for her spiritual growth. And your church can share your responsibility in training your children to grow up into fine young people. You can do this by helping them get to Sunday School each Sunday.

Remember—you're doing everything to give them healthy bodies and a happy childhood.

Now let the Sunday School help you in giving them healthy minds and a happy faith. . . .

But Jesus called them unto Him and said, Suffer little children to come unto me, and forbid them not: for of such is the kingdom of God. LUKE 18:16.

Hilltop Hobbyists Take Honors At Convention

FIRST PRIZE — A postcard collection built by Carolyn Stillwell, 14, and exhibited by her mother, Mrs. Paul E. Stillwell, 644 Wiltshire-rd, at the annual show held at the Neil House Saturday evening, was top award winner at the convention. Carolyn's collection begins with the first postcards printed and follows their development to date. Carolyn, a 10B student at West High School, was attending a church conference at Wooster, O., when the award was made.

AWARD WINNER — Another of the top exhibits entered in competition with collections from hobbyists throughout the United States and Canada was Mrs. George Marx's group of "good luck" symbols printed on cards. Mrs. Marx lives at 1226 Tedco-dr.

Prairie Twp. Fish Fry Is Big Success

The fourth annual fish fry of the Prairie Township Fire Department held last week-end has been acclaimed a big success. Winning contestants were the Schaeffer Trio, accordion duet by Wanda Sherwood and Pete Allen; "Green Weed Boys", David Warner, Owen Irwin, and Robert Thompson; Lynn Williams, soloist; and Betty McGraw, tap dancer. Judges for the contest were Kenneth M. Romosier, Paul Holtzman and Miss Rachel Richards.

Saturday's festivities began with an elaborate parade headed by the Hilliard American Legion Band and Galloway Boy Scout Troop No. 20 followed by numerous eager contestants.

Prize winners were, live doll, first prize, Betty Ann McGraw; surrey with fringe on top, second prize, Virginia Whalen; pink doll, third prize, Patty Denman.

Pets, "Hopalong", first prize, Cheryl and Charlotte Seipel; duck, second prize, Linda Holt; dog catcher, third prize, Terry Pugh. Bicycles, "Firemen's Fish Fry," first prize, Judy Rings; "Red Bow Tie", second prize, James Giehl; Den 1, Cub Scouts, third prize, Dickie Elliott. Comic, "Spirit of '76", Linda Ray Percy, Soni Froggatt, and Betty Rousch. Judges for the parade were Mrs. Carleton Lavely, Miss Martha Rehder and Frank Shipley. A total of $24 was awarded in prizes.

Don Smith Takes Post Grad Course

Attorney Donald F. Smith with offices at 2977 W. Broad-st, has returned from New York where he took a two week post graduate course at the Practicing Law Institute.

"What's the matter?" asked the police captain, as the park policeman came in with a rather disgruntled look on his face.

"It's Mrs. Dinwiddie, who donated the birdbath, sir. She just called in to say that it wasn't to be used by sparrows."

Flowers of the Week

For his part in directing the fight against a proposed low cost housing project which would have choked the growth of the Hilltop, we are this week directing that the Rosebud Floral gift be sent to Harold Banker, 447 Demorest-av, president of the Camp Chase Civic Association.

It was Banker who took up the fight against the project when it was first announced that it was dangerously near.. He carried the fight to the people and with the help of numerous other public spirited citizens the Camp Chase Civic Association was formed.

Needless to say, a lot of roses should be passed out to individuals who have given so much of their time to the fight. It was a well organized effort and one that the community can certainly be proud of. It is hoped that this is merely the beginning of many worthwhile accomplishments that can be brought about through the demonstration of such enthusiastic unity in the community.

A Good Community Needs a Good Newspaper

Perhaps the most talked about local controversial issue of many years has been the fight to get the area at Sullivant and Demorest-avs zoned for better grade housing.

The Record is proud to have had the opportunity to call this matter to the attention of the people of the community and to have followed it up with accurate reporting of the various developments and conducted an editorial campaign in behalf of the better housing.

It has been a pleasure to have had the fine comments of so many people who have expressed their appreciation for the Record's handling of this matter. Numerous residents of the section have subscribed to the paper, saying, in effect, "In view of the fight the Record makes for the Hilltop community, we certainly should subscribe to the paper and support it in every way."

This point is well taken and it would appear that this matter has again called attention to the very definite need of a good community newspaper that will stand back of the people it serves. In the case of the Hilltop it is a certainty that no publication will go to bat for Hilltop matters more vigorously than will the Record. This has been the policy of the paper for 35 years and will continue to be.

And we say again, "To be a genuine 100% Hilltopper you should read The Hilltop Record."

Keep Your Eyes On The Record for RED TAG DAYS

Low Cost Housing Project Appears Doomed By Zoning Board Action

PICTURED HERE is a portion of the crowd which jammed the interior of Franklin Township Hall Monday night during the hearing for rezoning of the area. More than 300 jammed the building while throngs stood outside and listened via a public address system.

Unanimous Vote Approves Zoning Change For Area

There was every reason to believe that no low cost housing project will be approved for the area southwest of the Hilltop following the hearing Monday night on the matter of rezoning 76 acres there.

In a unanimous vote from the Franklin County Rural Zoning Commission held at the Franklin Township Hall, Sullivant and Demorest-aves, the commission voted in favor of rezoning the tract in question from light manufacturing to 1R6 and 1R8 residential which would provide for the erection of homes comparable to those of the Westgate area on 60 and 75 foot lots.

In the most enthusiastic meeting held in Franklin County in many years an estimated 3,000 people rallied around the township hall and heard the case by way of loud speakers. The meeting was

DETERMINATION of the Camp Chase Civic Organization to thwart any efforts to establish a low cost housing project locally is evidenced above as more people of the community join the organization and create a "war chest". At the left is Art Harris, Crescent-dr, former committeeman, with the group. Harold Banker, association leader, looks on as Jean Todd signs up two unidentified men and Edgar Clark, S. Roys-av, at extreme right.

Floyd Green Flays Tax Burden; Announces Candidacy For Mayor

"I have never believed in the right of city officials to reach into the pockets of the taxpayers and take money for operation of the city wihout the consent of the people by way of the ballot box."

This is the statement of Floyd F. Green, 3046 Crescent-dr, former mayor of Columbus, who this week announced that he will be a write-in candidate for the mayoralty nomination in the primaries on Aug. 14.

Hilltopper Floyd Green claims he is in the campaign to win a place on the ballot and after the primaries promises an all-out campaign to acquaint the people of the city with reasons why he should be given an opportunity to become the city's chief executive again.

Green has long contended that during his administration he operated the city through the years of 1940, '41, '42 and '43 on the money made available to him through regular taxes. "I inherited a deficit of

Floyd F. Green

a million dollars from the Gessaman administration but paid all the city bills during that time on the income available to the city. We asked for more money by way of the ballot box but it was rejected by the people.

"On the other hand the present administration has had plenty of money on which to operate. There was the $5 garbage tax which was later ruled illegal. But who ever

Award Contracts For Westgate Grade School

Contracts were awarded Tuesday night by the Columbus Board of Education for the construction of Westgate Elementary School, after the board saw drawings and plans of what the school would look like when completed.

General contract for the construction of the new Hilltop grade school was awarded to the Aug Construction Co., 209 S. Third-st, at a bid of $221,992.

The plumbing and heating contract for the school went to Grif M. Lewis, 3102 Ellis-pl, at $62,944, and Frank A. Davis & Son, 1972 Lockbourne-rd, secured the electrical contract with a bid of $22,598.

Plan Athletic Booster Group At Hilliards

Organization of the Hilliards High School Boosters, Inc., is being planned for a meeting next Tuesday, Aug. 7, at 8 p. m., at the high school auditorium.

C. Carlton Hartley, publisher of The Hilltop Record, was elected temporary chairman of an organization committee when several persons interested in an improved school athletic program met on July 24. Other members of the committee are Dr. Richard I. Brashear, 4400 Dublin-rd; Lawrence Rymer, attorney, 88 E. Broad-st; C. H. O'Brien, representing the Norwich Twp. Board of Education; Lowell Van Schoik, Hilliards farmer; Charles Flickinger, Hilliards, associate of Producers Livestock Assn.

Initial plans of the new organization call for the raising of $12,500 to be used by the board of education for the purchase of lights for the football field and the erection of permanent stands to seat 1200 persons before the opening of the football season this fall.

All persons interested in the athletic program at the school are in-

New Water Mains Being Installed In Rea-Bow Add.

Rea-Bow addition these days is gradually undergoing changes and adding improvements to that community. This past week contractors began the laying of water mains in the addition and thereby complete one phase of an improvement program in affording fire protection to the residents.

Association Leader Voices Appreciation

To the Publisher
Of The Hilltop Record
Dear Mr. Hartley:

May I through the columns of your paper express my thanks and appreciation for the wonderful and sincere manner in which you and the residents of this community rallied and supported the Camp Chase Civic Association.

We have received scores of calls expressing wonder and good will at what the people of this community have accomplished in such short time. This support merits the best efforts which I and the other officers of this organization can put forth in the future. May we assure you, with the help and the spirit of this community behind us, we will assume and discharge any duties assigned to the very best of our ability. With the help and a lot of planning by the members of this association we can accomplish many wonderful things. I hope that the Camp Chase Civic Association can maintain and live up to the high standards and will never let the people of this community be disappointed in such an organization.

To My Fellow Officers and Committeemen:

May I express my heartfelt thanks and appreciation for the wonderful and efficient manner in which you have discharged all the duties assumed by you. To you all honor is due. You have given hours of your time and talent in building this organization. I am sure the residents of this community join with me in expressing our appreciation for your time and efforts.

Sincerely,
Harold Banker

West High Grid Campaign To Get Underway Aug. 20

In just 18 more days, the annual fever will begin to work in this and other sections of the city as the high school grid squads begin working out for the annual fall agenda. West High School is no exception to the rule and on Aug. 20 West High grid mentor Mack Pemberton will look over a field of approximately 50 would-be grid hopefuls who will form the team for this forthcoming season.

This week "Mack" ruefully pointed out that there would be but six lettermen returning to the Cowboy fold this fall, around which to build a team for the fall grid wars. The six returnees are Charlie Hunter, halfback; Jerry Johnson, quarterback; Jerry Trabue, end; Ron Grant, half back; Phoeney Chapman, lineman and offensive back; and Eddie Gleibs at center.

Although those six represent the nucleus for this year's team, Pemberton also pointed out that there are about 10 men from the varsity squad of last year returning who were not lettermen last season. In addition there are about 30 reservists coming up to strengthen the Cowboy grid hopes.

On Aug. 20 the Cowboy coach will also greet between 50 and 60 sophomores who will be coming out for the first time.

Hilltop Area Shows High Accident Mark

The weekly analysis of traffic accidents by the Columbus Department of Public Safety this week reveals that the Hilltop area is a strong contender this past week for the dubious honor of having the highest accident rate.

During the past week there were a total of 14 traffic accidents in the area. Ten resulted in property damages and total of three persons were injured one of which was juvenile pedestrian and one fatality was recorded.

The fatal accident was the one in which a West High School student was killed in a head-on collision last Saturday at W. Broad-st and Schultz-av. Total traffic deaths to date now number 15.

Hilltop Man Is Severely Hurt

Although complete details were not available, it was learned today that Charles D. Lee, 47, of 304 N. Ogden-av, father of four children, was seriously injured in a train accident last Thursday night near Gibsonburg. He is at present confined to Memorial Hospital at Fremont, O.

Members of the family who could be reached said today that Lee's left leg had been cut off below the knee and his right foot crushed in the mishap. An operation necessitated amputation of the left leg above the knee and efforts are being made to save his right foot.

Lee had been an employe of the Pennsylvania railroad for the past six or seven years and as far as could be ascertained this was the first time he had been involved in an accident. He has lived at the N Ogden-av address for a number of years with his wife, Garnet, and four children: Raynor, 23, Dianne, 14, Gary, 10, and Phil, age nine. Mrs. Lee is currently at the Fremont hospital with her husband.

West High School Athlete Is Killed In W. Broad-st Head-On Crash

Shown above is the car driven by Larry Morgan, 231 Whitethorne-av, which figured in a two-car collision early Saturday morning and claimed the life of his brother, James, who was a passenger in the car.

The car driven by Lester E. Franks, 274 Maple-dr, New Rome, is shown above following the early morning fatal crash on W. Broad-st hill. Franks escaped with minor injuries. (Record Photo)

Death rode the West Broad-st hill early last Saturday morning and claimed the life of James Morgan, 16, of 231 Whitethorne-av in a two car collision just west of Shultz-av. Slippery, wet streets were blamed for the cause of the accident which brought the car driven by Larry Morgan, 18, brother of the dead youth and that driven by Lester E. Franks, 47, 274 Maple-dr, New Rome into a head-on collision.

Police said that the Morgan car being driven eastward went out of control on the wet street caused by early morning rains and skidded into the westbound traffic lane. In the resulting impact of cars the younger boy was thrown from the car and is presumed to have been crushed between them. He suffered a fractured skull, broken jaw and internal injuries and was pronounced dead on arrival at Mt. Carmel hospital where he was rushed for emergency treatment.

Funeral services for the promising West High School athlete were held at 11 a. m. Tuesday in the Church of God, 116 S. Wayne-av Burial was made in Sunset Cemetery under direction of Jerry Spears Funeral Home.

James is survived by his parents, Mr. and Mrs. Lawrence Morgan; two other brothers, Donald of Pataskala and Jack at home, and a sister, Shirley, at home.

Larry, brother of the dead youth and Franks, driver of the other car both escaped the fatal crash with only minor injuries.

Youth Injured By Runaway Tractor

A Galloway youth received a dislocated knee and a hip injury, July 25, when he was pinned to a wall by a tractor.

Ray Diles, 16, was treated at Mt. Carmel Hospital for injuries sustained when he cranked a tractor while it was in gear. The tractor began rolling and he was pinned to the side of a barn on the Frank L. Wilcox farm, 1200 Alton-rd.

Wife to husband: "Well, I'll meet you half way. I'll admit I'm wrong if you'll agree I'm right."

Historic Tavern Was Once Located On Site Of W. Broad School

FOUR MILE HOUSE—A copy of the only known picture of the old "Four Mile House" is shown above. The house, formerly supposed to have been located at Chase-av and W. Broad-st, was located at Hague-av and W. Broad-st, according to Harry Slyh. He states that the West Broad Street Elementary School stands on the old tavern's site.

FASHIONABLE—Harry E. Slyh (left), 127 Highland-av, now 75, is shown above in fashionable dress of the 1890's, as he posed on a footbridge near W. Broad-st and the "Four Mile House". The picture of Slyh was taken shortly before he was married. He was 21 years of age when the picture was taken. Note the sharp pointed toes on the high-button shoes.

The much mooted location of the old "Four Mile House", one of the earliest buildings located on the National Road, has apparently been settled by an old photograph, and the statement of a man who lived for four years in the structure, and whose mother was born in the building.

According to earlier stories used by The Hilltop Record, remembrances of local residents of building and development, the tavern site was on W. Broad-st, between Roys and Powell-avs, on the corner of Chase-av. Harry E. Slyh, 127 Highland-av, disputes the location; he says the building stood where West Broad Street Elementary School now stands, at the intersection of W. Broad-st and Hague-av.

Slyh, 75, remembers that his mother told him of her birth in the vine-covered, original log-house section of the building in 1823. Supposedly the tavern was erected shortly after Ohio became a state in 1803.

The house was located just four miles from the west end of the Scioto River bridge and was named for its distance from the bridge.

It stood near the grounds occupied by Camp Chase during the Civil War. Camp Chase proper consisted of a 160-acre plot, enclosed by a six-foot board fence that extended from Hague-av to Binns-blvd.

The "Four Mile House" became the most popular place in the vicinity, since the camp food was none too good and the tavern was renowned for its culinary specialties. The food was so good, in fact, that, according to one local resident, the officers in charge of the camp ordered all the soldiers to stay away from the place. It seems that the army food, by comparison, was so poor that the Union soldiers spent all their small salaries too quickly for their own good.

Guards were stationed about the house for a few days to keep the men away, but this plan didn't prove successful. It seems that on New Year's night, the weather became so cold that the guards took turn-about in going into the tavern for hot coffee and sandwiches—which was exactly what they were ordered to keep others from doing. The order was soon rescinded.

The late Mrs. D. B. Ong, 2900 Crescent-dr, recalled that one of the most exciting periods of the war in the area was while she and her family were living in the tavern. The news reached the house that Morgan's Raiders, who were in Ohio at the time, would ride to Camp Chase to release the more than 8,000 Confederate prisoners held in the stockade.

The rumor of the raid, however, turned out to be nothing more than that. Morgan's men were turned back in the southern part of the state and things settled down to routine.

Mrs. Ong, whose parents, Mr. and Mrs. Timothy C. Bigelow, lived in the house until 1892, recalled that it was the stopping place for all traveling shows of the time. The circus went by way of the National Road at the time and drivers always rode ahead to warn farmers to get their loads out of reach of the elephants.

Harry Slyh and his wife moved into the "Four Mile House" only a few years after the Bigelows left. He and his wife, Lottie, were married in 1898 and set up housekeeping in the historic tavern about a year later. They lived there four years. The couple celebrated their 53rd wedding anniversary June 28.

Mr. and Mrs. Slyh are the parents of three children, seven grandchildren and two great-grandchildren.

Lad-Dad day camp at Indian Village Camp is a feature of Aug. 8. Boys and their dads will leave Glenwood at 9 a. m. and spend the day at camp. A feature attraction of the day is a lad vs. dad softball game.

Glenwood will hold center tourneys in preparation for the city tourneys. Center baseball foul shooting tourney will be held Aug. 8, (Wednesday) and the marble tourney Wednesday Aug. 1.

During the week of Aug. 13-17 city wide tourneys in various athletics are to be held. City foul shooting tourney will be held on Aug. 10 at Sunbrae Park. Other tourneys will be announced later. Entries are now open for the tennis tourney to be held this week. Registrations can be made at any city playground.

Final sectional for the Junior Olympics will be held Friday, Aug. 3 at Central High School. The sectional meet is a warm-up meet for the city-wide Junior Olympics to be held at Ohio State University Stadium Saturday, Aug. 11.

Glenwood's Little League baseball team is moving closer to the league championship, with four of the league games played and no defeats the team is virtually assured of a victory. The "Little Fellows" have two games remaining on their schedule.

A small group of children from Glenwood attended the special showing of "Alice in Wonderland" Monday morning.

Four Truckloads Of Fish Planted In Lake

AND IN HE GOES—A finney friend, a new denizen of the not too deep waters of Harder Lake, is shown as he left the net of his captors. The lake was stocked with four truckloads of fish on July 11. The lad in the picture had his fishing line all set for completion of the stocking.

The Low Down On High Ridgers

By One of Them

Did you know:

That LARRY NOLAND fell off his motorcycle? And although he landed on his head he suffered no injuries, and we're glad of that.

That RUTH PITTS got under the hose Saturday with her children? She said she couldn't think of a better thing to do on such a scorching day.

That MRS. RENTSCHLER picked up what she thought was canned mince meat at the grocery? But lo and behold! when she got to the counter to pay for it, the label said "dog food". Watch it, GERRY! Maybe your bark was louder than you think.

That the sunshine state of Florida had a Hi Ridge visitor? DOLORES WINDERS just returned from a five weeks stay with her aunt. DOLORES is considering accepting a position down there this next winter.

That before getting on the bus DON PIPING hurried so fast he forgot his lunch box? So MARLENE took it down to him at noon, and here DON had gone home to eat. Can't win, MARLENE.

That MRS. CAP KNOWLES just reached the prime of life Tuesday? She became 70 years old. She has lived with her grandson, JIMMIE KNOWLES, on Wrexham, for the past year and a half.

That one of our neighbors became minus a wedding ring when she caught it on some metal weatherstripping in dusting her window? GARNET SMYTHE had to have it cut off,—not her finger, the ring.

That no one can overcome problems and troubles like BILL COPELAND the past two months? He always has a smile no matter what happens. He says, "So what? It could be worse." Just last week, for instance, his baby got burned with hot tea, and the week before, the tot got stung by a bee.

So long folks!

The landlady ushered her new tenant up four flights of stairs and threw open a door. "Well," she said, "what do you think of it as a whole?"

I suppose it's all right as holes go, but I want a bedroom."

in the afternoon and evening of Aug. 8. W. E. Poly is general chairman. Games and amusements for all ages have been planned and the Christian Mothers will serve a home-cooked meal from 5 to 7:30 p. m., consisting of ham and all the trimmings. A special beef dinner will be prepared for the children. There will be soft-drinks, ice cream and cake, candy and popcorn stands and a snack bar open to all. Bingo will be played throughout the evening.

A new Oldsmobile will be awarded at 10:30 p. m. on the grounds. The public is invited and in case of rain the festival will be held the following night.

Refusal To Eat Brings Death To Mabel Flesher

Funeral services for Mabel Flesher, 43, an inmate of Columbus State Hospital, who succumbed at that institution, were held at 1:30 p. m. Saturday from the O. R. Woodyard Funeral Home.

A refusal to eat or drink contributed to the death of Miss Flesher, according to hospital authorities who said that death was due to broncho-pneumonia. The woman was admitted to the hospital following the death of her mother, Mrs. Emma Flesher, 73, of 2261 Harrisburg-pk, earlier in the week, as a result of a fall from a second story window. After her mother fell Miss Flesher is said to have leaped from the same window upon her mother's body and beat her head with a rock.

Miss Flesher had been mentally ill for several years but had not been placed in an institution because her mother was caring for her, according to friends of the family.

St. Aloysius Festival Now Traditional

By "Pat" Martindale

St. Aloysius Summer Festival has become a tradition on the Hilltop. Every August for the past 33 years committees for the festival, which is held on the school grounds at W. Broad-st and Midland-av, make plans to give the public an afternoon and evening of fun and entertainment, and at the same time raise funds for the various needs at the church and school.

Many things have been accomplished since the first St. Aloysius Festival, started by Father Schwarz back in 1918 to raise funds for the church at the corner of W. Broad-st and Midland-av. The church was built in 1928 and at that time a bell tower was erected with dreams of some day having a set of carillons that could be heard over the Hilltop. From funds obtained by summer festivals that dream was realized in 1947, seven years after the death of Father Schwarz. The chimes were a memorial to members of the parish who served in the armed forces.

Many other accomplishments have been realized besides chimes through the years. The church was redecorated inside four years ago, the school yard was black-top paved nine years ago, and a new floor was placed in the church one year ago.

Now another big project is under construction at 28 Clarendon-av, the new rectory, a 16-room brick and stone structure, which will include living quarters for the pastor, Father Maloney, and his assistants, housekeeper's suite and conference rooms and offices.

This year's festival will be held

All Is Not Well

Economic Intelligence, a publication of the Chamber of Commerce of the United States, observes that all is not well in the land of socialized medicine. Britain was recently the scene of a national conference of doctors, health officers and others, which was held to examine the problems which have come into being since the National Health Service was started two and a half years ago. It appears that complaints from both doctors and patients are numerous and are growing in bitterness. The doctors say that many patients waste their time with trivial complaints—the patients say that they are not getting as much consideration as formerly from their doctors.

This should surprise no one. In Britain the health service is "free"—that is, it is paid for through taxation. People figure they may as well take advantage of something that is coming to them. So they flock to the doctor's offices for imagined ailments no less than real ones.

The result, of course, is that the doctor must attempt to deal with a great many more patients than he can efficiently handle. Through no fault of his own, time which should be given to the really sick goes in large part to hypochondriacs, malingerers, and people who need no attention. And there's nothing anyone can do about it—the bureaucrats, not the medical men, are the bosses of the program, and they make the policies and call the tune.

As a consequence, the "free medicine" scheme has caused a serious decline in the standards of medical care in Britain—standards which once were very high. This is practically the same scheme which is being urged on the United States, in the Administration's compulsory government medical insurance proposal. The sorry example of Britain should be enough to stop it cold here.

Poisons Dangerous To Children

The skull and crossbones on the iodine bottle has become a familiar symbol of danger in many homes, but there are many other poison killers in most homes. Some of them are commonly thought to be harmless.

Recently the National Safety Council made a list of common household substances which have claimed a large number of lives. These are considered especially dangerous when there are children in the house, because most of them do not repel children by their taste or odor.

These dangerous substances include:

Kerosene—one of the commonest causes of poison deaths in children.

Sleeping tablets—sometimes thought by children to to a type of candy; taken in quantity, they can cause death.

Rat, bug and fungus poisons—usually contain dangerous poisons which will make children seriously ill, and may be fatal.

Caustic cleaners—ammonia, lye, washing soda and trisodium phosphate cause serious burns to membranes of throat and mouth, can kill.

Paint thinners and removers—most of them harmful if swallowed.

Antiseptics and disinfectants—always dangerous.

Laxatives and cough syrups—not always harmful, but they should be kept out of reach of children.

Alcohols—either beverage or rubbing compounds extremely dangerous for children.

Extracts and flavoring—strong alcohol solutions make many of these dangerous; some are basically poisonous in concentrated form.

Best safety measure is to make sure that substances of this kind are stored where children cannot possibly reach them.

Letters To The Editor

This newspaper invites letters from its readers on subjects of timely interest. All letters, however, must be not more than 400 words in length and all must be signed by the writer. The writer's name will be omitted if requested.

Are we living in America? Is this the land of the free and the home of the brave? We used to be able to say that America means opportunity. Then people were free to do things that added to their material welfare and happiness. So long as what they did was not an infringement upon their neighbors' rights, they could do as they pleased.

Is it that way today? Does America mean what it did 25 years ago? How much liberty do we really have?

Time was when the farmer could plant as many acres of corn, sow as many acres of wheat, raise as many hogs and cattle, without some bureaucrat telling him what he could or could not do, and then sell at the market-price based on supply and demand. Then the farmer could exercise initiative. Not so today.

What is true of the farmer is also true of all business and all activities of life. Bureaucrats in Washington, so thick that they are in each other's way, with nothing to do but loaf in overstuffed office chairs, trying to think of some crackpot scheme to further rob the people of their liberties and dictate how the people shall live.

If not in their office, they are sporting around in fine limousines with more than 7,000 chauffeurs to drive them around.

But this is not all. To see that their directives are enforced and carried out, the bureaucrats in Washington have sub-sub-sub bureaucrats scattered all over the country who are mere puppets of their "Papa" bureaucrats in Washington.

The cost of all of this bureaucratic set-up, including fat salaries, limousines and chauffeurs, together with sundry useless items, comes out of the taxpayers' money.

The complicated records that business men have to make out are nothing but tommy-rot, or as one writer put it, dry-rot. But why not drop the tommy and dry and call it plain rotten.

Yes, there is "something rotten in Denmark" as Shakespeare said in one of his dramas, and it is so rotten that the stench is offensive to the nostrils.

Conditions will continue this way and get worse as we go along, until the people exercise their inalienable right and vote men into office who think first of America and the people's welfare instead of appeasing the enemy of your country. Voter, awaken.

J. A. Downey

Many years I've traveled this rugged road,
With a firm and steady stride;
Never failing to carry my allotted load,
Or tried to thumb a ride.

I've passed the house, by the side of the road,
Where lives the friend of man:
I give to others, the kindness he showed
To all, whene'er I can.

To those I've met along the way,
I've given a nod and a smile:
Helped carry their load, without any pay,
And cheered them up the while.

I scan each face, as the folks pass by,
And think of their troubles and care;
To lighten their load, I wonder if I
Have shirked my rightful share.

But I'm growing old, my hair has turned gray,
My step has begun to falter;
I'm nearing the end of the trail, they say,
And my fate I cannot alter.

I'm nearing the place of my last abode;
Not many more miles, at best;
And I'm looking for a place, by the side of the road,
Where I can sit down and rest.

Where I can rest and think of friends,
Who shared my joys and tears;
Whose neighborly acts, and kindness extends,
Throughout these many years.

But I must keep plodding on my way,
Towards my journey's end;
Which may be far and yet it may
Be just around the bend.

And when at last, my weary feet
Shall plod this earth no more,
I hope that I again can greet
Old friends on yonder shore.

W. F. Bayles
Mayor of Powell, Ohio

To the Editor:

Declaring his belief in the need for the continuation of a two-party system of government at all levels from municipal to national, Frank D. Klotts, 53, of 289 E. 13th-av, has announced candidacy on a write-in basis for mayor of Columbus at the forthcoming election. Klotts is an independent Democrat.

A former railroad man and more recently associated with the Federal Resettlement Administration and the Veterans Administration, Klotts sought public office once before as candidate for the state legislature in 1938. He is a native of Columbus and a veteran of World War I.

Although he has taken an active interest in Democratic party affairs for many years Klotts says: "I am not backed by, and owe no allegiance to any political organization nor any party chiefs; the principles for which I stand would doubtless be deemed out of line by regular party politicians."

"I believe it is time for America to snap out of the spending spree we have been on for years, before over-burdensome taxation wrecks our economy and our pocketbooks," declared Klotts, "and the place to begin is at the local level whence the process of retrenchment, budget-balancing and non-deficit spending should spread on up to Washington."

"I have been assured the support of many responsible, civic-minded, down-to-earth citizens of both political parties," said Klotts, "I am not trying to buy votes by promises of patronage and jobs. There are far too many feeding at the public trough today and as long as one party remains in power without real opposition, the number of gravy-train riders is certain to increase. It is time to operate the city, state and national governments with the same efficiency as an industrial concern to be successful, instead of attempting to perpetuate one party in power by building a huge vote-buying machine at the expense of the taxpayers. I am appealing for write-in votes on a 'believe-it-or-not' platform," Klotts maintained. "One important fact I want to impress on the citizens of Columbus is that by campaigning as an independent Democrat I am definitely not attempting to split the normal Democratic vote to insure victory to the Republican candidate, a procedure that is becoming commonplace in Columbus political circles. In the past this has been the charge of political organizations aimed at candidates who are willing to attempt a two horse race.

Frank D. Klotts.

Childbirth should not be attended by any considerable mortality rate, to either mother or child, if the essentials of prenatal care are generally understood and practiced.

Prenatal care does not end with the responsibility of the parents in being free from venereal disease. However, if every potential parent was absolutely sure on this point, there would be fewer imbeciles, blind babies and deformed, weak children. If tests show infection, much can be done by a competent physician to prevent communication to the unborn child.

Before baby comes, the teeth of the mother and bones of the child should be adequately nourished by proper calcium diet or dosage. The mother should be reassured and instructed on the importance of the proper functioning of the kidneys, to avoid any later danger.

Many complications of childbirth and pregnancy can be prevented and corrected.

Throughout the prenatal period, it is a source of comfort to the parents, saves many lives and prevents much suffering to keep in touch with your doctor—and then follow instructions.

Pennell Pitches Team To YMCA Little Nine Championship

CHAMPIONS of the Little "Nine" Baseball League are pictured above just prior to their annexation of the title bunting Saturday afternoon at West High School Stadium. Left to right are Jimmy Walsh, Ronnie Drake, Ervin Duncan, Bobby Naumau, Larry Fox, Jack Kamer, Paul Pennell, Frank Fortkamp and Robert Krieg.

Paul Pennell pitched his team to a 4 to 2 victory over Dicky Furry's nine to claim the championship of the Little Nine Baseball League, sponsored by the Hilltop YMCA.

With the league standing of four wins and one loss for both teams the championship game was played at West High School on Saturday, July 28, at 2 o'clock. Ronnie Garrettson, regular third baseman for the winning team, was in West Virginia and Paul's infield was considerably weakened. Fox, however, did a good job of filling his shoes.

Paul's arm accounted for six strikeouts and five scattered hits. Freddie Green, the losing pitcher, struck out six opponents and with the score tied at 0 to 0 at the top of the fifth inning Fortkamp's single started a four-run rally. Dick Furry's homerun in the closing frame and Dick Ronkowski exceptional running catch of a fly ball were the outstanding plays of the game.

Over 2500 GM Employes Share $231,431 Melon

More than 2,565 employes of General Motors in Ternstedt-Columbus Plant have received $231,431.00 in lieu of vacation, it was announced today. Under the terms of the agreement between General Motors and the UAW-CIO, no provision was made for paid vacations. However, the agreement does provide for payments to eligible employes in lieu of vacation equivalent of one week's pay to three weeks' pay annually, depending on length of service.

Every effort was made this year to complete these payments prior to the partial shutdown of the plant which will begin July 30, 1951, and continue for five working days. Plans for this shutdown were announced early in June.

The partial shutdown will affect 2,500 employes, which is approximately 60 per cent of the total employment.

"The forthcoming temporary shutdown is part of the over-all General Motors program of endeavoring to minimize the extent of the layoffs which otherwise would result from the deep cut imposed by the government in the use of materials for automobile production," the statement said.

Foremen's Club Names Hilltopper To Committee

William Hoare, 807 Chesterahire-rd, employes relations director of the Ohio Fuel Gas Co., has been appointed a member of the educational committee of the Foremen's Club of Columbus, Inc.

In addition to part of the courses given last year, the educational committee is offering 10 new management training courses for the coming year. Among them will be Work Simplification, Current Problems of Management, Panic Control and Dollars Behind Your Company.

Last year 18 management training courses were conducted for the members of the Columbus Foremen's Club and its associated shop clubs. Of the 18 management training courses conducted one or more were completed by 305 members of the Foremen's Club and represents an investment in time by the members of 3000 training hours.

Repaved Street Soothes Ire, Brings Smiles

Drivers on Greenlawn-av won't wind up with broken springs, headaches and aching backs anymore, they'll pull off the avenue with smiles—the road has been repaved.

The smooth-as-glass blacktop was laid by general contractor N. J. LeCrone at a cost of $12,867.40. Local residents and people who drive the stretch are smiling again.

The stones will easily come out of plums if you make a cut round the middle as far as the stone before cooking. The added sugar will penetrate the fruit better too.

Cold cooked vegetables, as peas, beans, potatoes, marrow, carrots, well mashed with a little salt and pepper, make pleasant sandwich fillings.

TO DO YOUR JOB GOOD YOU MUST FEEL WELL!

EUGENE SIPES, Station 1, Box 688, Canyon, Texas, was having trouble keeping his job because he didn't feel well.

HERE IS WHAT HE SAYS:

"I was nervous and irritable, couldn't sleep nights and my employer threatened to fire me if I didn't 'snap out of it.' Then I heard about HADACOL. After taking only two bottles, I began to notice a difference. That was a month ago. Yesterday my boss said that I did my job so good that I was due for a promotion. Thanks to HADACOL."

HADACOL Relieves Nagging Aches and Pains, Stomach Distress, Poor Appetite, Weak, Run-Down Condition and Nervousness When Caused by Lack of Vitamins B_1, B_2, Niacin and Iron.

When folks don't feel good, everything seems to go wrong. Little problems become big ones. Their work seems more difficult whatever their job . . , housework, office work, farming, etc. Nothing is right. If this is your problem and your condition—nagging aches and pains, stomach distress, poor appetite, weak, run-down condition and nervousness due to lack of Vitamins B_1, B_2, Niacin and Iron—is pulling you down, making your work seem like drudgery, then you owe it to yourself to try today's great HADACOL. For HADACOL was formulated to help overcome these deficiency-caused ailments, and continuous use of HADACOL will help prevent these ailments from returning. Thousands of letters have been received from happy HADACOL users telling how this fine family formula has helped them. Shown below are just a few of these reports.

HADACOL RELIEVES NAGGING ACHES AND PAINS, STOMACH DISTRESS, POOR APPETITE, WEAK, RUN-DOWN CONDITION AND NERVOUSNESS WHEN CAUSED BY LACK OF VITAMINS B_1, B_2, NIACIN AND IRON.

WILLIAM J. DUNLAP, *4604 Frear, Apt. 2, Detroit 10, Mich.*: "Along with the pains I suffered, my body had a tired, worn-out feeling. I had to force myself to keep going. I read about HADACOL and decided to give it a try. Am now on my fifth bottle, and would not be without an ample supply. My first bottle gave me astonishing relief, and at this time of writing, I feel better, without a pain or ache. Am a dairy employee, 54 years old. Veteran of two world wars. I have given your HADACOL every praise to friends and relatives, and know some are using it with just as astonishing results as I myself have found."

MRS. D. C. HINTON, *Route 1, Farmerville, Louisiana*: "I am 46 years of age. For a while, I have not even felt like doing my housework. I would have bad spells of pain. I was so tired, I didn't think I would feel rested again. Some friend of mine told me about HADACOL, so I decided to try it. Now, I have started on my third bottle of it. After I took the second bottle, I could tell it was helping me. I started feeling lots better. My pains are nearly gone. I will truly say I am going to take my HADACOL just as long as they sell it. I tell all of my friends about it."

HADACOL is so economical. Trial size only $1.25. Large Family Economy size, $3.50.

NORMAN CHRISTOPHER, *2344 Cumberland, Houston, Tex.*: "After I got out of the Army when the war was over I was underweight, nervous, couldn't sleep and had a time getting food to agree with me. I could never eat breakfast—imagine, have to wait until noon before eating your first meal of the day. Even then just a few mouthfuls of food would fill me up. At night I couldn't sleep—I would just roll and toss all night. After the third bottle of HADACOL I could tell a difference in my eating and sleeping habits. Now after a year's time of taking HADACOL I have gained almost twenty pounds. I sleep well—and the most wonderful thing, I can enjoy three full meals a day."

MRS. ERNEST JOHNSON, *Jacksboro, Tennessee*: "I am writing you to tell what HADACOL has done for me. I have suffered with stomach distress for quite some time, and I was very nervous. Since I started taking HADACOL I eat anything I want. I sleep like a child—something that I hadn't done for some time. I am the mother of five children. I am 48 years of age, and I feel better than I have for years."

HADACOL is America's favorite family formula.

MRS. FRANK P. MARTINO, *5524 Wickfield Dr., Apt. B., New Orleans, La.*: "I am a housewife, age 27, taking care of my baby who is three and a half years old. I wasn't able to take care of my baby and do my work at the same time. I was always feeling run-down, and very nervous until I tried taking HADACOL. Well, believe me I have only been taking it for two and a half months and have experienced a wonderful change for the better. I don't feel nervous, or run-down any more. I feel and eat a lot better. Thanks to HADACOL."

MRS. ANNE FRANKS, *434 West Seven St., Newport, Ky.*: "As a constant user of HADACOL—am on my fourth bottle—would not hesitate to acclaim it the best. I was so run-down, I could hardly do my work. And that is important as I do a man's job in a shoe factory. I felt that I did not have enough energy to lift my hands. I felt so let down everything annoyed me. But, since I've taken my first bottle, I've been helped so much that now I'm up and ready and anxious to get my work done and am not tired but able to do my housework. I cannot praise HADACOL and its makers enough."

MRS. LETHA FITZPATRICK, *401 E. Elm St., Scottsville, Ky.*: "I couldn't sleep. I didn't have any appetite. Then I heard and read about HADACOL and what it had done for others. I decided to give it a trial. I have taken several bottles and I can truthfully say it has really helped me. I feel so much better. I have a lot more strength. I can eat now and I'm gaining weight. I do my work, work in my flowers, also in the garden. Now I'm putting up my fruit and vegetables. I can't thank HADACOL enough for what it's done for me."

MRS. ZINA LEE BOWMAN, *Rt. 6, Cleo Ferry Road, Nashville, Tenn.*: "I was weak. I could hardly do my housework. I am 30 years old. I am the mother of nine children. I was nervous. I have taken almost four bottles of HADACOL and I feel fine. We are a happy family—thanks to HADACOL. As for my work, I have plenty to do but it is housework. You may use this letter any way to spread the good news about HADACOL."

Only HADACOL gives you that *Wonderful* HADACOL *Feeling!*

Railroad Spur Laid To Westinghouse Site

Shown above is a view of the new railroad spur from the New York Central lines which runs westward and bisects Wilson-rd in its course to the site of the new $22,000,000 Westinghouse plant currently under construction on the Hilltop. From the Wilson-rd intersection the spur will continue for approximately another mile westward.

Sohio Readies New Bulk Plant Station

Pictured above is the site of the new Sohio bulk plant now being constructed and developed on Wilson-rd. The structure shown will accommodate the bulk plant offices. Officials of Standard Oil recently revealed that the current W. Broad-st bulk plant is too small to adequately handle their needs and that the Wilson-rd location will provide the company with adequate room for expansion on the Hilltop.

arranged and details carried out by the Camp Chase Civic Association. This group had been responsible for securing over 2,000 signatures of residents of the community objecting to the proposal.

No member of the firm of Westlake and Associates was present to argue against the zoning. The case for the Camp Chase Civic Association was presented by John Holzapfel, attorney, 44 S. Roys-av, who in turn presented the various speakers.

First to speak in behalf of the request for the rezoning was Mary Demorest, whose family owns 180 acres adjoining the tract.

Harold Banker, president of the civic association then presented a petition bearing names of over 2,000 residents who are objecting to the project..

Jack Sensenbrenner, read a letter from the Hilltop Kiwanis Club, and stated "We want to continue to build our community along the same high standards that at present makes it the finest community in the city."

C. Carlton Hartley, publisher of The Hilltop Record read a letter from the Hilltop Business Association and further stated, "It is not in keeping with the type of Americanism practiced in this community to sit idly by and allow an FHA gravy train originate right in our community."

After the chairman of the board had called for any objections from opponents of the rezoning plea and no one came forth, Don Smith, attorney, read letters from General Motors and Westinghouse executives who added their wholehearted support to the cause of better grade housing in this community.

Following the vote of the commission in favor of the rezoning Smith asked for a big round of applause for the decision and the crowd inside and outside the small building responded with a cheer that was comparable to the best ever given at Ohio Stadium.

Next step for the zoning matter will be taken this Thursday when the decision and testimony are certified to the Franklin County Regional Planning Commission. This body has 20 days in which to act. If they do not reject it then approval is automatic. Upon approval it is then presented to the county commissioners for final action. It is believed that immediate approval by both groups will be forthcoming.

Long before the meeting Monday night people began to crowd into the township hall and in a matter of an hour the community took on an appearance similar to Westgate Park on Hilltop Bean Dinner days. Enthusiasm ran high through the course of the evening as a unity among Hilltoppers was more evident than it had ever been before.

Many in the audience at the hearing were startled to attention at the beginning of the meeting when the zoning commission first read petition 141. Many at first believed some error was in the making but their fears were quickly allayed when the chairman explained that there were two cases before the board. Case 141 referred to rezoning of an area in Briggsdale for the establishment of a drive-in business. No action was taken on the petition.

Southway Post Wins Legion Baseball Title

Southway Post baseball nine will represent the 12th District in the State American Legion junior baseball tourney at Ohio State by virtue of its 11 to 5 victory last Wednesday over the Camp Chase Legion nine. It was Southway's ninth win without a loss.

a heart attack and cerebral hemorrhage. The fatal stroke came upon Mr. Schmelzer without warning, according to members of his immediate family, who said that he was apparently in the best of health.

Schmelzer had been a life-long resident of the Hilltop and prior to the opening of his shade business six years ago had formerly been associated with Allis Chalmers and the Gold Medal Flour Co., as a traveling salesman. He was a member of the Knights of Columbus, Hilltop Business Association and Camp Chase Post 98 of the American Legion.

Surviving are his wife, Marie, and four children: William, Carl and Wilma Schmelzer, and another daughter, Mrs. Eileen O'Meara, all of Columbus; brothers, William, Raymond, Ralph, Ollie; sisters, Margaret Killilea, Flora Schodorf, Anna Nipple, Amelia Trapp.

Requiem High Mass was sung for the deceased at 9 a. m. Wednesday in St. Aloysius Church, W. Broad-st and Midland-av. Interment was made in St. Joseph Cemetery, under direction of the Kelly Funeral Home.

Flat Tire Causes Unique Auto Fire

Tuesday afternoon Prairie-twp firemen were called to extinguish a unique blaze but were unable to salvage much for W. T. Walker, Cincinnati, owner of a car which was ablaze.

Walker, driving on Rt. 40 west of the city, suddenly blew a tire and then went to call a garage for help. On his return he found the car engulfed in flames. The firemen were called too late and the car was a total loss.

Firemen theorized that the heat from the flat tire had ignited dry grass along the roadway.

Mrs. B. A. ("Sandy") Sanford, who is one of Courage, Incorporated's most indefatigable workers, reminded me to remind you of that organization's picnic which will be held at the Norwood Amusement Park on East Main-st, Aug. 11. It starts at 2 p. m. If you would like to help with food or transportation — or both — please call Walnut 9912. What I don't have to remind you of, is how much good this group does for shutins and how much pleasure the members derive from its picnics and parties. You'll sleep better if you will help these wonderful folks, who are trying so valiantly to help each other. They are doing a fine job too, but could still use your help.

This will bear repeating: Arthur Godfrey said it. "Always be kind. Everyone is fighting a tough battle."

Last week I mentioned wondered what conductors of radio record shows do while they are playing the same records day after day —if they listen to the records or how they pass the time while the records spin. Being a curious individual, I decided to ask a few of them. Some of the gentlemen were on vacation and others were not in the studios when I called, but I did corner three or four. One who asked that his name be withheld, said he writes to his girl and dreams of his vacation which is coming up soon. Tom Glebe, The Tune Crier at WBNS; Allen James at WRFD; Bill Smith at WVKO, and Chuck Selby who recently conducted a record show over WTVN, all said they were kept fairly busy setting up the next commercial and that there wasn't much time for loafing. I remembered that some time ago I had asked the question of Jack Pyle, KYW, Philadelphia, and Ken Linn, WLW. Jack said he sleeps between commercials and automatically awakens when the records stop playing. Ken said he drinks coffee to keep awake during his all-night show. That's what I found out. Aren't you glad I told you?

• • •

Speaking of Allen James at WRFD—he is a comparative newcomer to Columbus, and probably one of the youngest d-js. He graduated from Ohio State in June and came to WRFD last September. Before coming to Columbus he was with WHOK at Lancaster almost two years. This personable young man conducts the Hit Review program, heard each day from 5:15 to 5:45; is heard on other shows and as an announcer on that station. His "Hit Review" is a request program, so listen in and send him your requests. You'll like his pleasant voice. Mr. James also is a talented pianist and had his own band for some time. The band and Mr. James, alone, have appeared at numerous night clubs, restaurants, private dances and other affairs.

Here is a prayer for patience, from the Church page of "Chivalho," interesting mimeographed monthly magazine of V. A. Hospital, Chillicothe: "Lord Jesus Christ, give unto me at all times a patient spirit; willing and ready to wait and pray, that I may not be weary of Thy chastening, but cast my burden upon Thee with all cheerfulness and confidence, knowing that Thou carest for me and wilt sustain me; Who livest and reignest one God, world without end. Amen."

From somewhere: Mrs. Top Sarge: "And what did Mamma's little boy learn at the Post School today?" Top, junior: "He learned Major Blank's kid not to call me 'Mama's little boy'."

He: "What part of a car causes the most accidents?"
She: "The nut that holds the wheel."

"Don't you love Christmas, Jacky?"
"Christmas is fine, but this being good for a week beforehand is the limit."

Ringer Files For Valleyview Mayor's Post

Charles J. Ringer, president of the Valleyview village council for six years, filed a petition as a candidate for mayor of Valleyview with the Franklin County Board of Elections last Wednesday.

Ringer, employed by the American District Telegraph Co., has been a village councilman for 10 years.

Archibald Rodgers is now serving as mayor.

Other petitions filed for village offices include:

Dorothy Markham and Cleo Balo, incumbent, for clerk; Alma G. Turner, incumbent, for treasurer; and for council—Carl H. Grabill and Henry C. Whipple, incumbents, and N. S. Booth, Earnest A. Bauer, James W. Barnett and Karol W. Whitlatch.

Much time is saved if you keep all your polishes, rags, etc., in a handled box or old shopping basket. It can be easily picked up and taken with you from room to room.

Maggie: "Would you not like to be a lark?"
Bill: "No, just think of the early morning rising."

Dollar A Point Offered For High Bowling Score

Hilltop bowlers are now casting covetous eyes toward a new type of prise that has been offered for a perfect game, according to Paul Leighninger of Seiller's Department Store.

Three hundred dollars is being offered by the Holiday Sportswear Co. of Kansas City, Mo., to the bowlers who turn in perfect scores while wearing a King Louie bowling shirt, of which they are the manufacturers.

Leighninger points out that in addition to the $300 the bowler receives, there are two other $100 awards which go to the manager of the bowling alley and to the salesman who sells the King Louie shirt to the bowler. These shirts are currently available at Seiller's.

Women's Group Sparks Hope For Recovery

Smiles wreathed the faces of Harold Massey (center) and his mother, Mrs. B. Massey (left), at their Hilltop home when they learned from Mrs. John T. Zeittler (right) of Charity League Inc. of that organization's willingness to aid Harold to recovery.

The doorway to a better, more full and abundant life is partially opened for a Hilltop boy of 14 years of age who since birth has never been able to stand and walk. His life has been one of being confined to a wheel chair and being forced to have others wait upon him for all his needs.

But now there is a chance that Harold Massey of 713 S. Ogden-av may realize that ambition of at least walking and taking a more active role in life, a chance that hinges upon the ability of a group of women known as the Charity League Inc. to raise at least $700 more in order to place Harold under treatment at the Milton H. Berry Foundation in Cincinnati.

This group of women has organized for the purpose of raising funds to aid in the rehabilitation of paralyzed individuals, particularly spastics. Harold Massey, a Hilltop boy, was brought to their attention by virtue of his determination to make something of himself and the sacrifices of his parents in doing everything possible within their means to try and aid the youth. Although he has attended an open air school locally the women of the Charity League Inc., through their president, Mrs. John T. Zeittler, 1390 Grandview-av, have determined that he has gone as far toward recovery as he can go in a local school.

Their investigations have disclosed that the boy has an unusually fertile mind and that if physical development can be maintained he has an excellent chance for recovery. At least once every week some member of the organization has paid Harold a visit and given him encouragement. They've gone even further and already set aside $500 of their funds toward attainment of a goal of $1200 to get Harold entered into the Cincinnati foundation.

In the meantime Harold, an avid follower of sports, sits in his wheel chair and waits patiently, hoping that some day he might do some of the things other boys and girls of his age do. He delights in company and having folks stop in to say "hello". He doesn't want to go back to the open air school and has set his sights on making this step forward so that he will not have to be wheeled to the sidelines to watch football, but can walk up into the stadium and sit among the other youngsters of his age and cheer for his team to win. He's an avid supporter of West High's Cowboy eleven and Ohio State and according to his mother frets and worries lest some of his favorites be injured in the rough and tumble sport.

The members of the Charity League Inc. also passed along the information that should any Hilltop group or organization care to lend a hand toward aiding Harold in his fight for recovery they may contact the organization's president, Mrs. Zeittler, at KI. 7500 or KI. [illegible].

Harrisburg Plans Two-Day Centennial

Harrisburg will celebrate its centennial with a two-day festival featuring parades, games and a history panorama Friday and Saturday, Aug. 10 and 11.

Climax of the celebration will be a community pageant, entitled "Echoes of the Past," on that Saturday evening. A parade at 11 a. m. Friday, Aug. 10, will launch the celebration. A tractor pulling contest, band concert, flower and grain show, baseball game and an evening dance will round out the day's activities.

At 10:30 a. m. Saturday another parade will wind through Harrisburg's century-old streets. A western horse show and softball game will be held that afternoon.

The pageant, written by Mrs. Jane Hovermale, principal of Harrisburg High School, will be presented by a group of Harrisburg girls under the direction of Mrs. Jennie Huffman.

Hadacol Caravan To Visit Here On Sept. 5

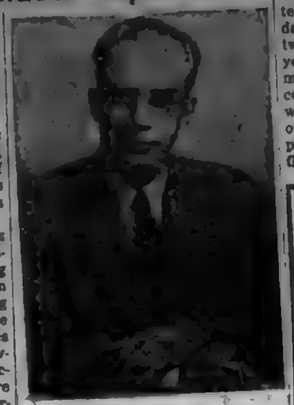
Plans for the second fabulous Hadacol Good Will Caravan, which will visit Columbus Sept. 5, are rapidly being completed, Senator Dudley J. LeBlanc announced this week.

Three bands, a dancing chorus, an impressive roster of stars from stage, radio and television have already been contracted for.

"Last year they called our show Hadacolossal," Senator LeBlanc said. "This year it's going to be Super-Hadacolossal. Jimmy Durante, Milton Berle, Dick Haymes, Carmen Miranda, Rudy Vallee and Candy Candido are among the stars who have signed for the 1950 Hadacol Good Will Caravan."

Senator LeBlanc has even borrowed from the sports world this year and is taking Jack Dempsey, former heavyweight champion of the world, along for personal appearances in every one of the 50 cities in which the Caravan will play.

For the lovers of folk music he has signed Hank Williams and his Drifting Cowboys and Cousin Minnie Pearl of the Grand Ole Opry.



Other bands include Sharkey Bonano and his Kings of Dixieland from New Orleans, Tony Martin and his 14-piece band from Houston.

"The Hadacol Good Will Caravan is intended solely to entertain our friends, the users of Hadacol," Senator LeBlanc said. "It's not possible to visit our customers individually so we have organized this great show and invite you to come and see us. We ask that children bring only one Hadacol box top and that adults bring only two Hadacol box tops as proof that you are a Hadacol customer.

"Doc" Campbell Making Plans For His 13th Adirondack Trip

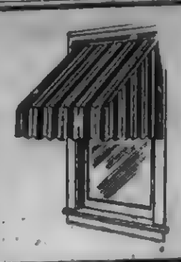
Doc Campbell

W. "Doc" Campbell, Hilltop writer, art critic and former West High School teacher for the thirteenth year is now planning another of his summer camping trips to the famed Adirondacks and Lake George, N. Y. And although "13" to most planners of such trips would appear a barrier to them, "Doc" denies that he is of superstitious gentry and avers that this summer's trek will be as enjoyable as the past twelve.

More than 50 of the Hilltop's youth have in the past twelve summers taken the expense sharing trips with Campbell, many of them working through the early spring and summer months to save up the amount of their share of expenses for the trip. Many of the following youth are those who have accompanied "Doc" on one or more of his adventure trips to the Adirondacks: Ray Altman, Gordon Armbrust, Tom Beynon, Pat Barry, Bob Broome, Bob Cassel, Bob Colmery, Merril Colmery, Bob Cochrane, Jack Distlehorse, Don Doran, Dick Estell, Bill Farraud, Dick Goodrich, Bob Henery, Harry Householder, Wes Hart, Frankie Ongaro, Jim Palmer, Allen Seipel, Jerry Sollinger, Dick Smith, Joe Six, Paul Thompson, Cliff Voss, Bob Wilson, Dick Wolfe, Tim Wise and a host of others.

Waxing enthusiastic about the forthcoming trip, "Doc" says, "There are two million acres of state land, and high mountains free for camp use of residents of New York State and guests. Over a thousand crystal clear lakes in size from a half mile to that of Lake George (said by authorities to be the most beautiful lake in America). Lake George is 32 miles long and at points about 7 miles wide and is fed by thousands of springs. Another lake in the vicinity is Raquette Lake consisting of 99 miles of shoreline right in the heart of the wilderness with a beautiful island in its midst. The area is a paradise for wild game such as bear and deer."

"Doc" in planning for this thirteenth venture into the Adirondack wilds is now seeking one or two young men between 16 and 17 years of age who are good swimmers and like outdoor life to accompany him during the last two weeks of August just prior to the opening of school. The cost he pointed out is about $58 each for the entire two week trip. Should he not get anyone for the Lake George adventure he plans a trip to New York for a sight seeing tour for the last two weeks of that month on a share the expense basis with two youth, the cost of which is approximately $42 per person.

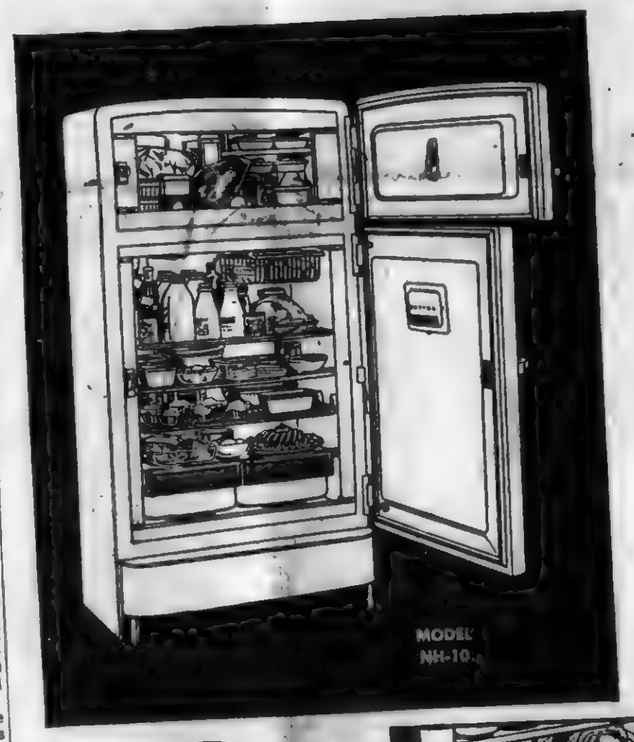


"I'm going," says "Doc", "and if anyone is interested they can call me at my home RA. 8689 for an interview. I know that anyone who wants to go along will really have the time of their lives."

OSU Grid Ducats Now On Sale

Orders for tickets for Ohio State's 1951 football games will be accepted from the public, beginning Wednesday, Aug. 1, according to an announcement by J. Edward Weaver, director of ticket sales.

Season books will be available, as well as tickets for all games at home and away, Weaver said, but tickets for the Michigan game will be available for only a short period of time.



The university ticket office in the stadium is open from 9 a. m. to 4:30 p. m. Monday through Friday, and from 9 a. m. to noon on Saturday.

(Photo by C. A. Hamrick)

Hoge Memorial Presbyterian Church was the setting on June 17, 7:30 p. m. for the open-church candlelight wedding of Miss Patricia McCrady and Mrs. Walter E. Hoovler. Rev. A. J. Wold officiated at the double-ring ceremony before an altar decorated with white gladioli, ferns, palms and seven-branch candelabra.

A half-hour of pre-nuptial music was furnished by Mr. David Hastings, soloist, and Mr. Charles W. Bennett, organist, of Phoenix, Arizona. Mr. Bennett was formerly in charge of instrumental music at West High School.

The bride is the daughter of Mr. and Mrs. Robert Hoovler of Pataskala, O.

The bride approached the altar on the arm of her father. She wore a gown of candlelight satin fashioned with an off-shoulder effect yoke of Chantilly lace finished with a lace Peter-Pan collar. The long sleeves tapered to points over her hands and the dress and sleeves were fastened with rows of tiny satin-covered buttons. The full skirt was fashioned with a bustle and extended into a graceful train. Her fingertip veil of silk illusion was fastened to a satin and lace bonnet with little seed pearls. The bride carried a white satin Bible topped with an arrangement of white iris, lace and satin streamers tied with lovers' knots and miniature blossoms.

Preceding the bride to the altar were Miss Helen McHale as maid of honor and Miss Lillian Skinner as bridesmaid. The two attendants wore identically styled gowns fashioned with molded bodices with Peter-Pan collars and long full skirts of taffeta covered with net. Wide satin sashes were tied at their waists. Both attendants wore heartshaped tiaras covered in net matching their gowns. Miss McHale's gown was in blue and she carried a pink iris bouquet with ivy streamers. Miss Skinner's gown was in pink and she carried a bouquet of blue iris with ivy streamers.

Serving as best man was Mr. William McCrady, brother of the bride, and seating the guests were Mr. Richard Gieseck, Pataskala, and Mr. Donald Lorimer.

Following the ceremony, a reception was held at the home of the bride's parents. Serving as hostesses were Mrs. W. H. Nicholson, Powell, grandmother of the bride; Mrs. A. W. Crabbe, Dayton, O., aunt of the bride, and Mrs. Harvey Dayton, also an aunt of the bride.

The bride's mother wore for the occasion a dress of dusty rose crepe with which she wore a corsage of blue iris. The groom's mother chose a navy blue and white print dress and wore a corsage of pink iris.

A dress of navy blue chiffon with white accessories and the white iris from her bridal bouquet were worn by the bride as the couple departed for their honeymoon in northern Michigan.

Mr. Hoovler is with the U. S. Army, stationed in Germany. The bride is temporarily making her home with her parents.

Out-of-town guests attending the wedding included Mr. and Mrs. Robert Hoovler, Mr. and Mrs. Donald Hoovler, Mr. and Mrs. Arthur Hoovler, Mr. and Mrs. Gerald Hoovler, Mr. and Mrs. Richard Gieseak, Mr. and Mrs. Paul Weaver, and Miss Genevieve Taylor, all of Pataskala, O.; Mr. and Mrs. Cecil Hoovler of Indianapolis, Ind.; Mr. and Mrs. Charles W. Bennett and Karen Bennett of Phoenix, Ariz.; Mr. and Mrs. A. W. Crabbe and Donald Crabbe of Dayton, O.; Mrs. J. W. McCrady of Uhrichsville, O.; Mrs. Ole Bean of Westchester, O.; Mr. and Mrs. J. L. Dayton of Mechanicsburg, O.; and Mrs. Gertrude Phillips of Springfield, O.

West Broad Church Scene Of Carson-White Nuptials July 27

Mr. and Mrs. Robert S. White
(J. Curtis Allen Photo)

West Broad Street Church of Christ was the setting Friday, July 27, 7:30 p. m. for the nuptials uniting Miss Mary Lucille Carson, daughter of Mr. and Mrs. Howard H. Carson, 224 S. Harrisav, and Mr. Robert S. White, son of Mr. and Mrs. Sheldon White, Coolville, O. The bride was escorted to the altar by her father and Rev. C. D. Plum officiated the ceremony.

The bride's gown of white marquisette and chantilly lace over taffeta was styled with a stand-up collar and small covered buttons to the waist. The sleeves tapered to points over the hands and she carried a purple throated white orchid mounted on a white Bible. Her fingertop veil of illusion was caught by a satin cap.

Miss Janet Carson was maid of honor for her sister and bridesmaids were Miss Esther White, sister of the bridegroom, Miss Dorothy McCune, and Miss Betty Carson, another sister of the bride. Their gowns were styled of sheer net, the honor attendant's being light blue and the bridesmaids in pink and yellow. They carried bouquets of asters, carnations and lilies of the valley in colors matching their gowns.

Mr. Nelson Carson, brother of the bride, was best man and ushers were Mr. Walter Campbell, and Mr. Walter Gabel.

For the reception at the home of the bride Mrs. Carson received her guests in a navy blue sheer with which she wore white accessories and a corsage of pink rosebuds and white baby carnations. The bridegroom's mother wore a green and white silk print with black accessories and a corsage of pink rosebuds and white baby carnations. Assistant hostesses were Miss Leona Butterfield, Mrs. Margaret Hammel and Mrs. Ophelia Harris.

For her wedding trip the bride changed to a pink sharkskin suit with which she wore brown and white accessories and the orchid from her bridal flowers.

The former Miss Carson is a graduate of West High School and until recently was associated with the Park Federal Savings and Loan Association. Mr. White is a graduate of Olive-Orange High School, Tuppers Plains, O., and is associated with the Columbus Metal Products Co. The newlyweds will be at home at 5 Clarendon-av.

Galloway Man Files Mandamus Action

Carl Lucas, Galloway, filed two mandamus suits in Common Pleas Court this week seeking to force payment by the county of a total of $7079 which he said is due him for work on veterans' housing projects four years ago.

He asked the court to order County Auditor Fred C. Dunn to issue a voucher for $3690 as the balance due on one of the housing projects.

In the other action, he asked the court to order the county commissioners to take action on his bill for $3389 for wages he paid carpenters over the scale at the time his contract was signed.

SHOPPING AROUND

We have become a nation of critical buyers. Any tradesman will tell you that. People nowadays are a lot more value-conscious than formerly. They know their own minds more and are not easily swayed by glib salesmanship or fancy presentation. There may still be one born every minute but the majority of us are smartening up. We know what we want and insist on getting it—or else!

This trend towards discriminate buying is welcome to all who have the genuine goods to sell. We in the life insurance business welcome it. No longer does the customer want just "a policy". He knows that there are many plans designed for different circumstances, so he intelligently "shops around" among the various plans before deciding which to buy. In this he has the assistance of the shopkeeper—the agent—whose sole aim is to sell only the plan that best suits the interests of the individual customer.

And this is where I come in. Representing the foremost life company in Canada, I know I can help you. Please give me a call. There's no obligation.

Hilltopper Overcomes Handicap To Set High Pace At Ohio State

Roland Sunker

Among students at Ohio State University, campus [illegible] come in three sizes: an "operator": a "wheel" a "big wheel." Roland Sunker, 423 Townsend-av, seems to qualify for the final, "big wheel" classification.

Roland, a 20-year-old West High alumnus, runs his own entertainment booking agency, [illegible] public relations for the new multi-million dollar Student Union at OSU, produces TV shows and acts as a free-lance photographer. These activities, plus high scholastic standing and a winning fight to overcome the handicaps handed to him as a youngster by infantile paralysis, establish the Hilltopper as a top man in anyone's league.

At West High School he edited the yearbook, which took second place in the National Scholastic Press Association's annual competition; was appointed assistant editor of the "Occident," the West High newspaper, and during his four year's of study, "shot" most of the photographs appearing in the student paper and some of the pictures in the yearbook.

His interest in TV and theatrical production became apparent in his senior year at West. He appeared on the WLW-C "Teen Canteen," furnishing his own talent. The show so pleased the show's directors that they asked him to aid them in producing more of them, featuring high school talent. Soon he took over the job of selecting and auditioning students, pacing their acts and working them into the productions.

Entering Ohio State last year, he joined Strollers, the student dramatics organization and went to work for the Makio. OSU's yearbook. His photographic work for the Makio was so successful that he has been appointed to the post of chief student photographer, a new post created for him. In the past, only commercial photographers have been used on the publication.

The freshman worked also in the Student Union. Soon he was producing the entertainment for the "Candlelight Inn," the student night club, (soft drinks only). The talent for the weekly productions tied in nicely with his booking agency. He now has more than 150 different acts available from the entertainment service.

His work in the promotion and public relations fields in the Student Union were so successful, he was selected as public relations director of the new Student Union, near completion on campus, facing N. High-st. He is now planning a "big splurge" for the Union's opening in early November. A top name band and talent will be featured.

The Arts and Sciences TV and theatrical production students also devotes some of his spare time to the Red Cross, where he is chief photographer for the student branch.

Further evidence of his photographic prowess was registered last year at the Ohio State Fair. He took one first, one second and one third place awards.

To top off a list of interests and work, Roland is now considering another job at one of the local TV stations.

By the way, he says he doesn't have time for any hobbies.

Rev. Newton Kelly Is Scheduled To Preach Sunday

Rev. Newton Kelly, minister of the Elmore-Genoa pastoral unity will be the guest preacher at the Hilltop Church of Christ (Disciples) this Sunday.

Rev. Kelly is a former member of the church, and a resident of the Hilltop. Prior to his work in Elmore and Genoa he was associate minister of the Franklin Circle Christian Church. He is now studying in the Oberlin School of Theology along with his pastoral duties.

Rev. and Mrs. Kelly will leave Columbus after the Sunday services for Camp Christian, near Magnetic Springs, where they will both teach in a youth camp.

Be sure to attend the church of your choice next Sunday.

Friends Church Purchase Grace And Terrace Lots

Long range planning brought the purchase of several lots at the corner of Grace-st and N. Terrace-av by the Highland Avenue Friends Church, 99 S. Highland-av.

Cecil O. Shaver, 394 S. Guilford-av, chairman of the church planning commission, said Friday that a new church building and a religious education center will be built on the corner within five or six years. The Highland Friends Church has, at present, a congregation of about 275. The pastor of the church is Rev. Chester G. Stanley, 106 Eldon-av.

Student To Occupy Westgate Pulpit

Edwin Johns of 55 S. Wayne-av will preach at the Westgate Evangelical United Brethren Church, Sunday night at 7:30 p. m.

Edwin graduated in June from South High School and is enrolled as a ministerial student at Asbury College, Wilmore, Ky. He is a member of the Westgate Church.

A teaspoonful of bleach to one gallon of cold water left in the sink overnight will remove obstinate stains.

Vacation Time Is Sacrificed For Youngsters

Two hundred youngsters from homes in the West Side housing projects will spend a week at camp, late in August as the result of willingness on the part of two local couples who are giving their two week vacation period to the project.

During the week of Aug. 19 to 25 the first group of boys and girls from eight to 12 years will be given a week at the Columbus Indian Village Camp along the Scioto River, chaperoned and directed by Mr. and Mrs. James Seagle, 78 S. Richardson-av, and Mr. and Mrs. Louis Hammond, 186 Lechner-av. During the week of Aug 25 to Sept. 1, another group of 100 ranging in ages from 12 to 16 will be given the camp experience.

The project is sponsored by an Apostolic Gospel Church group. Youngsters will come from the Greenlawn, Mt. Calvary and Riverside housing projects.

During the period of the week there will be special emphasis on teaching Golden Rule Bible studies and swimming.

Any person interested in sponsoring a child for the camp and willing to assist financially with the project is asked to call MA. [illegible]

These Folks Once Suffered, Too!

Luther Harris suffered aches and pains.

Ollie May Cooper suffered stomach distress.

Mrs. Waldo Heath was nervous and run-down.

HADACOL Relieves The Cause
Of Stomach Distress, Aches and Pains, Weak, Run-Down Conditions and Nervousness When Due to Deficiencies of Vitamins B1, B2, Niacin and Iron

Why Settle for Symptomatic Relief When HADACOL Can Help People With Such Deficiencies?

Luther Harris, 516 Chestnut St., Bowling Green, Kentucky: "For quite some time I was nervous and run-down and I suffered from aches and pains. I was weak and I could hardly do a day's work. I started taking HADACOL and from my first bottle I felt better. Now, I feel good and I can do a good day's work. I am still taking HADACOL and I wouldn't do without it. I praise HADACOL very highly."

Mr. Ecliod Cooper, Box 1184, Marksville, La.: "My 13-year-old daughter, Ollie Mae Cooper, was underweight, and she suffered from stomach distress. She is on her fourth bottle of HADACOL. Now, she feels fine and she is able to go where she wants to. She has gained weight and no longer suffers from stomach distress. I intend to continue giving her HADACOL. I give HADACOL to all the family now."

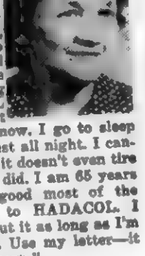
HADACOL can help you if your condition is due to deficiencies of Vitamins B1, B2, Niacin and Iron. HADACOL is sold on a strict money-back guarantee—you'll feel better or your money back.

Mrs. Waldo Heath, 1020 Jackson St., West Plains Missouri: "I want to give thanks to the wonderful preparation HADACOL and tell you how it has helped me. Before I started taking HADACOL I was nervous, couldn't eat and didn't have the energy to do my housework. Now, I'm on my eighth bottle of HADACOL. I can do anything I feel like doing, and I also have a good appetite. So, you see what the wonderful HADACOL has done for me. I want to say thanks again to HADACOL. I'm 31 years of age."

J. D. Rambin, 165 Sunset Drive, Alexandria, La.: "I have taken three bottles of HADACOL and I could tell the difference in my condition, before I took all of the first bottle. I'm 68 years of age. Before I started taking HADACOL I was tired, and I had aches and pains, and I couldn't sleep well at night. Now, since I am taking HADACOL I feel so much better, and the aches and pains have disappeared, and I sleep soundly. I can't recommend HADACOL enough."

Louis Farber, Saunemin, Illinois: "A friend of mine had given me a bottle of HADACOL for my birthday. I had been feeling rundown, and just didn't seem to have much energy. So I decided to try the HADACOL that had been given to me. I could notice after the first bottle that I was feeling much stronger. I have since bought the large family size bottle and feel that HADACOL has helped me. I intend to continue taking it."

Mrs. Eddie G. Shaver, Route 1, Macelle, Mississippi: "I was weak, nervous, had lost my appetite, could not even stand the smell of food. Having to eat to live, I would force down a few mouthfuls, then I would suffer from stomach distress. Then I heard about your wonderful HADACOL. I began taking HADACOL four times a day. Within a week I was cooking for my family and doing most all the housework. I have been taking HADACOL about a year. I have been teaching 14 years, and I just can't recall a single year that I wasn't happy for school to close, because I was so tired. It is different this year. I will be very unhappy to see school out this year. I have told other teachers about your wonderful HADACOL."



Mrs. Clarice Brown, 712 La Due Avenue, Cedartown, Georgia: "I am 30 years old, and I just want to tell you how your wonderful HADACOL has helped me. I was weak, nervous and rundown and could hardly do my work, and what I ate didn't agree with me. I decided to give HADACOL a trial. I have taken six bottles of HADACOL, and I can tell the difference since I have been taking HADACOL. Use my letter. Maybe it will encourage a lot of people that are weak and nervous as I was. Thank you for letting me tell you about HADACOL."

Mrs. R. W. Bryant, P. O. Box 191, Sumrall, Mississippi: "I have been a HADACOL user for one year. I was nervous, could not sleep, was tired and rundown. I have taken seven or eight bottles of HADACOL and I feel so much better. I do all my housework, milk two cows, sleep well and eat anything I want without stomach misery. I have recommended HADACOL to many of my friends and neighbors. I just cannot praise it enough, for it has done so much for me. I am 54 years old and I believe what HADACOL has done for me, it will do for others. I highly recommend HADACOL."

Mrs. Ella Holderfield, 225 Graymont Avenue West, Birmingham, Ala.: "I've been using HADACOL a year now and it sure has helped me. I didn't have any appetite at all, couldn't sleep well, and ached a lot, but since I've been taking HADACOL I can't get enough to eat now. I go to sleep now and can rest all night. I can work hard and it doesn't even tire me now like it did. I am 65 years old and feel good most of the time. Thanks to HADACOL. I won't be without it as long as I'm able to buy it. Use my letter—it may help someone."

Miss Omettha White, 1709 Bush Avenue, Alexandria, La.: "I am twenty-five years old and have lived in Alexandria all my life. I am employed by a canning company. A year ago I was nervous and rundown. I lost my appetite and couldn't sleep. A friend told me about HADACOL and I decided to try it. I have been taking one bottle a week for a year and I can report wonderful results. I am gaining weight, my nerves are O.K., I have a good appetite and I can sleep nights again. One bottle a week did it and I recommend HADACOL."

WHEN IS NOW

In considering the purchase of a burial estate, it is not a question of whether to buy, for you or your widow must sometime make this purchase. It is only a question of when to buy, and the WHEN IS NOW.

Buy your memorial property now while you can select together. This will make it a beautiful memory and not a place of sorrow for the one buying it on the day of tragedy.

Visit Sunset Cemetery today and make your selection.

Bible Comment:

Israel's Prophets Played Dual Roles: Realists-Idealists

WE are quite often impressed by an executive who can carry on two and three phone conversations at once, or by the student who divides his time between college and a responsible job.

Yet few people realize that the most difficult dual role to play in life is that of realist and idealist. There are probably many such remarkable persons about you. Their humility and modesty, however, makes them difficult to spot.

The earliest realists - idealists were the prophets of Israel. By virtue of living intensely in the busy world about them, they were realists. Their idealism was manifested in their saintly actions. But far from being hermit saints, they took practical steps to combat evil and did not hesitate to denounce its existence in high places.

The realism of their prophecies is one of the marvels of the Bible. And the idealism in their portrayal of a righteous life entrusted to the hands of God will ever be an inspiration to Bible readers.

That Israel failed and tumbled down in disaster and exile are not the fault of the prophets but rather the result of the moral laxity prevalent in those times.

Had all of Israel's leaders tempered their visions of a glorious nation with a realistic sense of responsibility to the welfare of their subjects the dream of a proud nation might have been fulfilled. Other rulers, though realistic, lost sight of the spiritual something which provides a nation with pride and the will to work together.

Until all leaders are both idealists and realists, there will always be Israels.

Persuasion

Almost laughable, isn't it?

How can such a tiny tug ever maneuver this 40,000 ton queen of the seas into port?

But this tug knows how to do the job. First, it nudges one side of the liner for a few minutes, gives an encouraging toot of the whistle, and then dashes around to starboard. A few more pushes there, and the liner's bow begins to swing in toward the docks. The tug works hard now, churning up the harbor with its propeller, and lets up only when the steamer finally touches the pier.

A pleasant voyage is over; and the ship is safely berthed through the persuasion of the tiny tug.

Is there any connection between this familiar harbor scene and the daily work of the churches of America?

There is . . .

For modern religion counts on persuasion to win many of its battles. True, the great bulks of intolerance, fear, hate and greed that sometimes get out of hand loom large against the methods of the church. But through persuasion and understanding, applied in the right places and at the right times, the churches of America are slowly but surely moving these obstacles into proper channels, or disposing of them altogether.

Persuasion—expressed through love, faith, charity and forbearance—is used by your church in helping to fashion a better nation, a better world for us all.

. . . And he said, Thou shalt persuade him, and shalt prevail also: go forth, and do so.

City Clay Court Title Matches To Be Sunday

This week-end, Aug. 4 and 5, will find new tennis champions in both the singles and doubles class are being crowned at Westgate tennis courts as the Columbus Open Play Tennis Tournament gets into its final rounds. The annual clay court championship meet is sponsored by the Westgate Tennis Club.

This year's entries included 44 singles and 24 doubles teams, representative of Zanesville, Springfield, Upper Arlington, St. Louis, Mo., and the local talent.

The first, second and third rounds of the tourney were played July 28 and 29 with first round losers being permitted to keep the match balls. Others in both the singles and doubles played for winners or runners-up trophies.

The remaining candidates for the singles crown are John Young, assistant basketball coach at Linden McKinley; William Noel, an army man stationed at North American Aviation, Inc.; Dr. Ardis Franklin, associate of University Hospital; Preston Sinks, Columbus Tennis Club, and Guy Blair, last year's runner-up. A make-up match between Young and Franklin will be played Thursday at 6 p. m. Teams still running in the doubles are Farmer and Noel, who will meet Schiff and Schiff; and Webster and Randalph, who will meet Harris and Franklin. The winner of the latter will meet Becker and Perts.

Finals in the singles will begin at 3 p. m. Sunday with the finals in the doubles to follow at 4:30 p. m.

The tournament is under the direction of Foreman Slager, assisted by co-chairmen, Charles Merriman and Randy Biegler. The Westgate Tennis Club was formed originally by Bill Shirker, Francis Harvey and Dick Slager.

Junior Fair Queen Selection To Be County Fair Highlight

Selection of a Junior Fair Queen will be one of the highlights of the Franklin County Fair scheduled at Hilliards Aug. 14-18. Announcement of the plan to select the Queen was made this week by the Junior Fair Board, whose members are FFA and 4-H boys and girls.

According to information released this week the judging will be made on Wednesday, Aug. 15. The selection by a trio of judges will take place at 1:00 p. m. Every 4-H Club and FFA Chapter is eligible to enter a candidate for the competition. Candidate must be a girl of high school age but not necessarily a 4-H Club member. Clubs will select their entry and present her to the judges on Aug. 15. One of the stipulations is that the clubs call the Junior Fair Board as soon as possible and give them the name of their candidate for Junior Fair Queen.

Also on the agenda for the Junior Fair is a 4-H Dress Revue which is scheduled for Wednesday afternoon, Aug. 15, at the grand stand. All girls who have made a garment are to be present to model it. All entries in the revue will be seated in the grandstand by 1:00 p. m. with the revue being staged on the race track in groups. The 4-H Band will furnish the musical entertainment through the revue.

Franklin County Agricultural Society President Harold Hart, this week also announced that all agricultural exhibits are to be in place by 6:00 p. m. Monday, Aug. 13. Hart said that judging of swine, beef and gardening would begin at 8:30 a. m. Tuesday, Aug. 14. Dairy judging will begin at 8:30 a. m. Wednesday, Aug. 15, and poultry judging at 9:00 a. m. Thursday, Aug. 16.

Officers of the agricultural society which is sponsoring the fair for its 38th year said that entries made this far indicate that the 1951 edition will be the largest in the county for the past several years.

West Football

(Continued from Page 1)

are scheduled to report at the West High stadium at 6 p. m., Aug. 20, and will report every day thereafter at the same time for drills and practice. Double duty will be doled out to the ends and backs for they will also get workouts during the afternoon as well.

And although the practice and training sessions at this date point up to a steady grind, there is still more on tap for the team candidates before their opening encounter in regular play on Sept. 14.

Pemberton, evidently planning to find out just what caliber his charges are before tossing them into regular league play, has scheduled three scrimmage sessions to test his team. The first of these is with Grandview on Aug. 28, only eight days after opening practice in the afternoon at West Stadium. Magly field will also be host to a Cambridge aggregation on Aug. 31 and then the Cowboys will journey to Newark on Sept. 5.

With the three scrimmage games under their belt the Cowboys will receive a real test at Upper Arlington on the night of Sept. 7 when they engage in a four-team prevue game at the Golden Bears' field. The four teams competing will be Upper Arlington and Grandview of the Central Buckeye League and West and North of the City League. This game will be a good insight toward the caliber of play in the two circuits.

Tickets for the round-robin affair at Arlington will go on sale during the last week in August. All proceeds from sale of tickets in advance of the game will be retained by the local schools and all receipts at the gate will be retained by Upper Arlington, the host team. Pemberton pointed out that revenues from tickets sold by West will be kept by the local school and be placed in the athletic treasury.

One week following the round-robin West High will engage Marion Harding at West High stadium in the season opener which has been labelled as "Mother's Night", a new innovation at West.

The balance of the West schedule for this fall is:

Roxianne Now Features Telegraphic Floral Service For Patrons

Roxianne Florists, 967 Sullivant-av, has been accepted as a member of TDS (Telegraph Delivery Service) wire service, according to an announcement made this week.

The Sullivant-av florist is now enabled to send flowers to any part of the United States. A telephone call to Roxianne at AD. 1535 is all that is necessary to send a bouquet, corsage, potted plant or any other floral decoration anywhere.

Ferguson Seen As New Relief Director Head

William D. Ferguson, 21 year old accountant of 36 S. Hague-av, was mentioned in city hall circles this week as the likely choice for the post of city relief director. The speculation became rife after the city and county negotiations over a new relief contract broke down and the county dumped the relief problem in the laps of the city administration.

On the other hand, unless city and service regulations are changed, Ferguson is ineligible for the position, according to city officials.

Ferguson entered the picture as a likely candidate for the post following his expose in recent months of the relief chiseling tactics being promoted in the city. He is at present time a field auditor in the city income tax division.

A graduate of West High School and Ohio State University, Ferguson was assigned to investigating city relief cases administered under the combined setup last August. The assignment followed a Council ordinance directing City Auditor R. P. Barthalow to conduct such a probe.

Ferguson's first and third reports created quite a furore. Both cited numerous cases where alleged chislers were being given relief money while buying homes, automobiles and television sets.

A veteran of World War II, Ferguson is not married. Barthalow said he would be willing to release Ferguson for the new post.

K. B. Neff Named To Presidency Of Scale Group

Election of Kinsey B. Neff, 2949 Crescent-dr as president of the National Association of Scale Manufacturers was announced this week at Chicago in the annual meeting of that group. Neff is president of the Exact Weight Scale Co., located at 944 W. Fifth-av.

In accepting the office Neff becomes the third man from Ohio to hold office as president of the association since its inception in Columbus during 1945.

Neff in speaking before the group last week emphasized the vast importance of scales, noting that they are required in all types of industry, commerce, laboratories and, in fact, affect practically every phase of life.

Bring First Aid, Instead of Apple, To The Teacher

It's unusual when pupils get to practice their instruction on teacher, but Thursday, Patrolmen Lawrence Sears and Wayne Born had an opportunity to administer first aid to Sgt. Kenneth Miller, 43, 300 N. Hague-av, police department first aid instructor.

Sgt. Miller dropped a dish at his home and deeply cut a thumb. The two patrolmen gave him first aid and took him to Mt. Carmel Hospital.

Record Ads Do Their Job On The Hilltop—Where You Can Expect Results

Ads in The Hilltop Record encompass almost every service, need and article a person could desire and they bring results.

Mrs. Jean Nicholson, 187 S. Eureka-av, found the following ad did the job:

"Employed mother wants room and board in reliable home for two children, five days a week. RA. 2070".

The 66-cent ad brought Mrs. Nicholson the care she wanted for her children and allowed her to place them in a home on the Hilltop, rather than in some other part of town.

Remember, an ad in the Record brings results in your own community.

Junior: "Daddy, are you sure that the world is round?" Daddy: "Yes, I'm positive." Junior: "Well, then, how can people go to the far corners of the earth?"

Country shop sign: "Credit will be given only to persons of 75 years, who must be accompanied by at least one grandparent."

Foreman Slager Named West High Teacher

Foreman Slager, 2122 Wicklow-rd, well-known Hilltopper, has been advised of his appointment to the teaching staff of West High School this next term. Slager, for 15 years a teacher at Franklin Junior High School, will teach mathematics at West.

An experienced teacher, Slager's first job after graduating from Ohio State University was at Junction City High School where he was principal. He has since taught at Mound Junior High, Pilgrim Junior High, old West High and Franklin. Slager has attained a Master's Degree and has completed all work for a Doctorate except dissertation. He also teaches math at Franklin University night school.

Mr. and Mrs. Slager, both from near Circleville, have lived at the Wicklow-rd address for 12 years. For the past several summers Slager has supervised the Westgate tennis courts, which are located across the street from his home, and many local tennis "champs" are grateful for his attention.

The Slagers' two sons, Dick, West class of '46, and Jim, class of '48, were both leaders in athletics and activities at their alma mater. Dick will enter Ohio State University School of Medicine in the fall and Jim is studying architectural engineering at the same school.

Two Are Arrested Following Crash On Sullivant-av

Sheriff's deputies Monday night arrested a 26-year-old Prairie-twp man, charging him with intoxication, operating a motor vehicle while intoxicated, reckless operation of a motor vehicle, leaving the scene of an accident and failure to have a driver's license.

The arrest and incarceration of Tom Wrightsell, 239 Woodlawn-av, followed an accident on Sullivant-av near the New York Central tracks, when the car he was driving crashed into a telephone pole.

Riding with Wrightsel was his uncle, Henry Wrightsel, 168 N. Guilford-rd, who suffered possible shoulder injuries and head lacerations as a result of being thrown through the windshield. He was removed to Mt. Carmel Hospital by the Rome Emergency Squad for treatment and later lodged in the county jail charged, with intoxication.

Both men were slated for court appearances later in the week.

Floyd Green

received any refund from the city? Then came the three per cent utility service tax which also turned out illegal but as far as I have been able to determine the city collected the money and never made a refund to the public. When the Columbus & Southern Ohio Electric Co. made an overcharge the people received their refunds. But not so with the city administration. Then came the city income tax which has netted the city 3½ millions a year and without any approval of the citizenry.

"I think I can do a better job of operating the city for the people, and I repeat: I will not impose new taxes on the citizens without their approval at the ballot box," he said.

Reference to the claim that his administration had been criticized because of gambling in the city at that time, Green stated, "There has been some gambling in the city under every administration. In my administration we hauled the gamblers into court and they were heavily fined and the city profited. Today gambling goes on just as it always has but the city doesn't recognize it. A nine-year-old boy can go down the streets today and bet on anything.

"I'm asking if the people of Columbus want Green for mayor again. If they do they will have an opportunity to write my name in on the ballot on Aug. 14. I merely ask for an opportunity to become a candidate."

Father of Seven Killed By Dive In Shallow Water

A Briggsdale father of seven died of a broken neck Sunday, July 29, when he dived into a shallow portion of Blacklick Creek one mile north of Refugee-rd., and east of the Franklin-Fairfield County line.

The victim was Allard Anderson, age 40, of 1222 Tedco-dr.

Anderson, accompanied by his wife, Mildred Anderson, and four of their children, was attending a euchre club outing at a picnic grove alongside the creek.

Fairfield County sheriff's deputies said guests at the picnic told them that friends warned Anderson of the creek's shallow depth as he poised for a 10-foot plunge from a tree into the water. Deputies said the water was only three feet deep at that point.

Besides his wife, he is survived by four sons, Robert, 17; Carl, 13; Paul David, 10; and Merle Edward, 5; three daughters, Mrs. Betty Leonard, 16; Margie, 15; and Minnie Sue, 8; all at home; his father, John Anderson, of Columbus; three brothers, Clay and John Anderson, both of Columbus, and Clarence Anderson of Portsmouth and two sisters, Hazel Gramm and Ruth Hamner, both of Columbus.

Funeral services were held at 2 p. m. Wednesday in Briggsdale Methodist Church with burial being made in Greenlawn Cemetery.

City Begins New Lighting Installations

The installation of modern, 1000-candlepower lamps in a "white way" lighting system on W. Broad-st from High-st to Sandusky-st and 600-candlepower lights from Sandusky-st to Hague-av, began last week. Actual work on the 600-candlepower lights will not begin until August.

The light thrown from the new lamps will be no stronger than those presently in use, but all light will be directed on the street and sidewalks.

The 1000-candlepower street lights and lamp standards will be replaced first, according to Robert Tucker, superintendent of electricity, because the downtown posts are dangerously rusted and considerably weakened.

Jack Waldo Wins Soap Box Derby; Akron Is Next

Jack Waldo, age 15, of 712 S. Ogden-av, son of Mr. and Mrs. John W. Waldo, carried off top honors at the annual Soap Box Derby staged on the Grandview Hill last Saturday afternoon. Young Waldo emerged victorious over a field of 60 entrants to win the city racing championship.

The new champion defeated another Hilltop boy, Jack Krueger, 15, of 2634 Dibblee-rd, Valleyview, to take the Class A finals title. A few minutes later he flashed across the finish line again to defeat 11-year-old John Haynes of Newark, winner of Class B, to become champion.

The Hilltop boy will take "Jack in the Box," his winning racer, to Akron on Aug. 12 to compete in the National Soap Box Derby.

Paris, France, water system was patterned after that of Columbus.

7th Day Adventists Plan Christian Education Day

Saturday was set aside by the Seventh-day Adventist Church throughout North America as Christian Education Day. Special programs in every church of the United States and Canada were planned to encourage parents to enroll their children and youth in the denominational schools.

The local Eastwood Seventh-day Adventist church has conducted a grade school for over 40 years. The present building was built in 1914. The plot of ground at Union and Ryan-avs on which the school is located was given to the church Oct. 12, 1913 by Samuel M. and Sarah A. Seibert. An additional lot was purchased Oct. 14, 1944. Last year the older part of the building was remodeled and a concrete block addition of a 22x30 ft. room was completed. Forty-one pupils in grades 1-8 attended this school this year. Mrs. Robert O'Connell taught the upper grades and Fern Losie was the teacher of the lower grades.

Most of Ohio's hills were formed by glaciers during the ice age.

Your County Fair Invites You to Visit

Next Thursday will mark the opening of the annual Franklin County Fair at Hilliards at which time the agricultural side of the county will be on display.

The local county fair has made remarkable progress in recent years and now stands up near the top in the list of outstanding fairs of the state.

A new feature of the fair this year has been the designation of Friday of next week as Hilltop Day. This was brought about through the efforts of the agriculture committee of the Hilltop Kiwanis Club. It is hoped that as many Hilltoppers as possible will be on hand that day. Numerous special events have been planned for the afternoon and evening.

Those in charge of the county fair contribute their services each year. They are to be congratulated on their untiring efforts in presenting a fine show.

We'll see you at the fair!

"Flim-Flam Artist" Bilks Five Firms

A smooth operating "flim-flam artist" hit five Sullivant-av places of business Saturday afternoon and succeeded in bilking four of the merchants.

The large man, described as 35 to 40 years of age and weighing about 225 pounds, worked the "short-change game." He entered each store at its busiest period, purchased a couple of inexpensive items such as a quart of milk and a package of cigarettes, and presented a $20 bill in payment.

When clerks asked if he had nothing smaller, he'd open his wallet and point to a number of $20's, saying he had just come from the bank and he had no change.

He took the change from each cashier, walked a few steps and then returned quickly to the counter, saying, "But I gave you a $20 and got change for a $10 bill." He'd exhibit change for a ten dollar bill and usually received another $10, proferred with due apology.

In one grocery, however, the manager requested that he wait while the cash register was checked. The short-changer escaped by saying he wanted to "go outside and turn off the ignition" in his car.

Police were tracing a license plate issued to a Sycamore-st man after one business man became suspicious and copied the car's number.

New 'White Way' Lighting System Installation Begins On W. Broad-st

18 Block Area Now Covered By Brilliant Lamps

The new "White Way" lighting system is marching out W. Broad-st this week as workmen install new standards and lamps from Sandusky-st to Hague-av. Conversion of the entire obsolete ornamental street lighting system on Broad-st will soon be completed, according to Supt. of Electricity Robert N. Tucker.

Workmen have now installed the new lights past Central-av. The 600 candlepower lights are designed to throw all light onto the streets, increasing the actual illumination two and one-half times without increasing the amount of electricity used.

Commenting on the new system, Tucker said that it "has fully met our expectations." He added that this was remarkable, considering that the amount of electrical energy used is exactly the same as the lamps used prior to the conversion.

The million dollar lighting improvement program, reportedly

Hilltop Soldier Is Reported As Red Prisoner

Pfc. Howard Estell

Parents of Pfc. Howard Estell, 227 N. Eureka-av, were relieved this past week to receive word from their son who had been reported missing in action in Korea since Nov. 2, 1950. Mr. and Mrs. James L. Estell had received no word from their son until a letter arrived advising them that he was being held as a prisoner of war by the North Korean-Chinese forces.

Several Hilltop Hats In Ring For Primary Election Tuesday

Despite an apparent lack of interest in the forthcoming primary elections on the part of the general public, interest is running high among the candidates who have tossed their hats into the political arena.

With a contest shaping up for the mayoralty race by virtue of there being five write-in candidates of which three of them are Hilltop residents the political pot began boiling in earnest during the past few days.

Contenders in the race for mayor via the write-in method from the Hilltop are former Mayor Floyd Green, 3046 Crescent-av, W. Herbert Dailey, 615 Belvidere-av, and Emile Reiss, 1909 Sullivant-av. The other two candidates are Frank D. Klotts and Frank Shearer. The candidacy of Mayor James Rhodes brings the field of candidates to six for the primary.

Hilltoppers are concerned too, in the race for Clerk of Municipal Court which finds the present clerk, Hilltopper Pearl W. Spence, 559 Columbian-av, pitted against the write-in candidacy of Robert R. Rae, 2139 Sullivant-av.

In the race for city council no Hilltop residents are concerned for this primary. Four are to be elected from a field of six who have filed, they being Frank H. Kearns, Robert T. Oestreicher, Walter R. Snider, George A. Van Heyde, Daniel J. Whitacre and William L. Zuber. Henry Stoner, a former house of representatives clerk, is an avowed write-in candidate as councilman.

Although veteran political observers anticipate a vote of around 40,000 in Tuesday's primary election, the candidacy announced last week by former Mayor Floyd Green has added fuel to the contest and opened the field to a heavier vote than has been predicted.

From the standpoint of write-in candidates, the indications are that the Tuesday primary will concern itself primarily with the race between Green and Dailey, both of whom have in the past established themselves firmly in the public mind as talented vote getters. The campaigns of the other three write-in candidates are not expected to affect the race to any marked degree.

Regional Com. Okays Zoning Board Action

Camp Chase Civic Association has won another round in its battle to keep low cost housing out of the Demorest and Sullivant-av area. Last week the Regional Planning Commission gave its nod of approval to action of the zoning board and passed the petition of the Civic Association under the classification of 1-R-8 which provides for a 70-foot lot.

Immediately following the action of the regional commission the petition as offered by the Civic Association was transmitted to the Franklin County Commissioners for their action on the matter. The commissioners, however, will not be able to act as swiftly as did the other zoning groups because of the fact that a date for the hearing has not been set, nor the hearing date advertised.

At the commissioner's office it was pointed out that a date for the hearing would in all likelihood be set Friday and that after a 30-day period had elapsed the hearing and decision would be forthcoming.

In the meantime the Civic Association was marking time after

Construction Holdups Faced By Two Schools

School board officials were hopeful that the newest government ban on construction, levied to save metal, would be an asset rather than a hindrance, to the construction of Westgate and W. Mound-st Elementary Schools.

The edict handed down Friday by the National Production Authority banned the start of construction of all kinds before Oct. 1, except in cases where only a small amount of metal is involved. The order specifies the maximum amount of metal to be not more than two tons of steel and 200 pounds of copper. It also says that construction already started may go ahead if foundations have been poured.

NPA authorities said that the order won't hold back any building which would have been approved under the old order. Such approval was received last week for the Westgate Elementary [redacted].

School board members were waiting this week for an official interpretation of the order, so that they might proceed with the necessary action to bring the early completion of the schools.

Without the interpretation they

Kent Is Named Mum Festival Chairman

Charles Kent

Charles Kent, 85 Letchworth-av, was named Tuesday night by the Hilltop Kiwanis Club as chairman of the second Mum Festival to be sponsored by that organization in the near future yet to be announced.

Kent, well known through the Hilltop area as a leader in many civic affairs, was given unanimous approval by Kiwanians to carry out the multitude of duties concerned with the Mum Festival.

Following last year's very successful festival in which widespread recognition was accorded to the Hilltop area as the "Mum Capital of the United States," it was agreed that the affair should become an annual event on the agenda of the local Kiwanis group.

Kent today urged that Hilltoppers again decorate their homes and lawns and gardens with the Mum in order that the Hilltop area again be "The Community Beautiful" when the festival is staged this year. He also said that next week he will name his committee and after meeting with them announce the dates of this year's production.

Early Delivery Of Record Due For Next Week

Next week is Red Tag week on the Hilltop and The Hilltop Record in order to bring to its readers the news of the many Red Tag values which are being offered by Hilltop merchants will arrive at your home a day earlier.

City subscribers of the Hilltop Record will receive their copy of the newspaper on Wednesday afternoon and rural subscribers will receive their copies on Thursday.

Amazing values in merchandise have been listed by the local merchants in observance of Red Tag Day. Watch for the Red Tag edition of The Hilltop Record next week. You'll be surprised by the many bargains which are offered.

Entries For Farm Exposition Said To Exceed Former Years

In five more days the farmers, the 4-H Clubs, FFA Chapters, farmers wives and all the other farm folk of Franklin County will begin to converge upon the Franklin County Fairground at Hilliards for the thirty-eighth showing of Franklin County's annual fair.

Tuesday, Aug. 14, is the opening date with the judging of Open Class Beef Cattle; judging of Junior Fair swine, sheep and beef cattle as well as showmanship classes also on the agenda. In addition there will be judging of 4-H gardening exhibits and FFA crops.

According to Arch A. Alder, secretary of the fair this year's entry list has grown to such an extent that he anticipates the largest exhibition of farm products, machinery, livestock and poultry that has ever before been placed upon the 45-acre Hilliards fairgrounds.

A night horse show is on tap for the Tuesday evening festivities as well as many rides and amusement concessions by Ray Howard of Athens.

Harold Hart, president of the Franklin County Agricultural Society which annually sponsors the fair pointed out that a new policy has been inaugurated with the showing of this year's farm exposition. A fence which formerly surrounded the area leading to the race track has been removed so that anyone visiting the fair can see the racing without any added charge other than admission at the

Four-Mile House Location Wrong Say Our Readers

There are a score or more of Hilltoppers who have retentive memories, especially concerning the location of the many old landmarks of times past on the Hilltop.

Last week's story in The Hilltop Record concerning the location of the old Four Mile House brought a flood of telephone calls to the Record to dispute the location of the old landmark as given in the article.

The Four-Mile House was located at the corner of Chase-av and W. Broad-st aver many of our readers, while one or two claimed the location of Powell-av and W. Broad-st as the site. The preponderance however seemed to be in favor of Chase and W. Broad.

Those who called the Record pointed out that they had formerly resided in the old structure, such as Mrs. A. M. Grom, 146 N. Haldy-av, who recalled living there and that her eldest daughter was born in the old Four-Mile House.

Another of our readers, Mrs. A. J. Byerly, 249 S. Warren-av, recalled the Four-Mile House as being located on the northwest corner of Powell-av and W. Broad-st. As a girl, she said, she recalled visiting the house many times and walking past the old building, the east end of which was brick and the balance of wood construction.

Many others gave similar accounts to discount the assertion that the building was located on the site of West Broad Street Elementary School.

Weekly Accident Rate Shows Drivers' Caution

The analysis of the past week's traffic accidents, compiled by the Columbus Department of Public Safety, indicates that Hilltop drivers are being a little bit more careful, since their bad record of the previous week.

During the past week there were a total of 10 traffic accidents in the area and all of these resulted in property damage. Luckily no one was injured in any of the accidents.

Record Offers $50 Award At County Fair

Some Hilltop Record subscriber is going to be richer by $50 following the Franklin County Fair at Hilliards next week as a result of a plan adopted several weeks ago by the newspaper, in which $500 will be given some subscriber at the Hilltop Bean Dinner next year.

The $50 cash award by the Record at the Hilliards Fair is the first of several such awards which will be made during the forthcoming year. To be eligible for the cash award the only requisite is that you be a subscriber to The Hilltop Record.

Each new or renewed subscription taken by Record solicitors at the Franklin County Fair in Hilliards next week will become eligible for the $50 County Fair award as well as for the big $500 award next summer.

To get an opportunity for the $50 at Hilliards next week stop at the Hilltop Record booth at the fairgrounds and place a subscription or renew the current one.

Prairie Twp. Consumers Seeking Electric Refund

Prairie Township residents and other interested county citizens who are consumers of electric power furnished by the Columbus and Southern Ohio Electric Company were urged today to attend a public meeting in the School Portable at Rome on Monday, Aug. 13, at 8 p. m. The purpose of this meeting is to form an organized group to seek action for a refund of surcharges paid to the Columbus and Southern Ohio Electric Company.

The small municipalities around Columbus negotiated for the lower rates before the Columbus electric rate was settled, with the proviso that they would get an adjustment to match the rate set in Columbus. The group asserts that there were no negotiations for the unincorporated residential areas or farm sections, and these residents feel that they were discriminated against when the electric company refused to include them in issuing refunds.

Suburban and rural users, it was pointed out, consume a higher average of kilowatt hours than do the city dwellers and to some this refund would represent a considerable sum.

One-Man Police Cruiser Begins Tours Monday

The new police cruiser assigned to 16-hour duty in the Hilltop area, began its tours Monday, according to Police Chief Harrison. The one-man cruiser is one of the 23 new police vehicles assigned within the past month. The patroling officers' duty begins at 3 p. m.

Clarendon-av Student Passes State Board

Among the 12 women successfully passing the dental hygiene examination conducted recently by the Ohio State Dental Board, was Joanne O. Toler, 216 Clarendon-av. The announcement of her success was announced Monday by Dr. Hugh B. Smith, board secretary.

Planners Of 38th Annual Franklin County Fair

Success of the 38th Franklin County Fair being staged at Hilliards next week rests upon the abilities of these men pictured above who are members of the Franklin County Agricultural Society's Fair [redacted].

Pictured are: first row, A. E. Bogen, night horse show; E. O. Climo, horticulture department; F. G. Winterringer, fair board member; Ray Van Schoyck, machinery department; Zeke Palmer, night horse show; Harold Hart, president; Charles Roberts, junior fair, and C. A. Turney, concessions.

Second row: A. A. Griffith, speed committee; Robert Rueck, speed committee; Charles High, sheep department; Leon Boucher, junior fair; Joe Smith, swine department; George B. Gonyard, junior fair, and Robert King, poultry department.

Third row: M. R. McVay, speed committee; C. H. O'Brien, treasurer; Louis Bradley, parade manager, and Arch A. Alder, secretary.

Banquet Is Harbinger Of 38th Annual Fair

Setting a precedent for future years, the Franklin County Agricultural Society, sponsors of the annual Franklin County Fair, Monday evening staged a "kick-off" banquet at Hilliards Grade School to signal the opening round toward production of this year's fair.

To the more than sixty guests present at the dinner, the point was driven home that the backbone and mainstay of the county and state fairs these days is the ever growing Junior Fair. State Director of Agriculture Howard Faust urged the county fair board to give added attention and encouragement to the youth in the promotion of the Junior Fair. He said, "The county fairs of today are built around the Junior Fairs and this attention to the youth of our communities has strengthened the position of all fairs. I cannot emphasize too strongly the importance of the Junior Fair."

Dean L. L. Rummell of Ohio State University also stressed the importance of Junior Fair activities, saying, "Boys and girls of the FFA and 4-H groups make the fairs that abound in Ohio today." Rummell in his brief address to the assemblage said that he had occasion to visit many of the fairs in Ohio during the summer and fall months and that in all of them he found greater emphasis being given to the youth of the community with the consequence that more interest was being generated in larger fairs.

County Commissioners C. P. Lauderbaugh and Harry T. Vigor each also made a brief talk to the assemblage and praised the Franklin County Agricultural Society for the manner in which they have effected improvements at the Hilliards fairgrounds. Vigor traced the growth of the fairgrounds and compared the "mudhole" of previous years to the modern and up-to-date plant now in existence at Hilliards.

Reports from various members of the fair board and directors of the various departments at the fair indicated that more interest is being shown in this year's fair, which gets underway on Tuesday, Aug. 14. Entries for the different departments indicate that this is to be the prize year for the Franklin County Agricultural Society and the Franklin County Fair.

Hilliards Is Scene Of Activity Preparing For 38th Franklin County Fair

Consistent Stock Winner To Again Compete

Charles Spring, 14, son of Mr. and Mrs. Elmo Spring, Galloway, winner of the "Showmanship" Trophy at last year's Ohio State Fair and a consistent winner at Franklin County fairs, will again be on hand at Hilliards this year. Charles is shown above with four of his herd of registered Holstein cattle which he will show in the big cattle tent during the fair. The youth is a member of Hilliards Chapter of the FFA and a sophomore at Hilliards High. This will be his fifth showing at Franklin County Fair.

County Fairgrounds Is Focal Point Of Interest As Fair Opening Nears

Hilliards, in the vicinity of the Franklin County Fairgrounds, is a beehive of activity these days as the final preparations for the 38th Annual Franklin County Fair are being completed. Barns to house the many stock displays were being cleaned, repaired and given new coatings of paint.

The fast half mile oval racing track was being conditioned for the speed events. The midway was being black topped and sponsors of the show were devoting every spare moment to making the affair the largest yet for the county.

Officials of the Franklin County Agricultural Society which is sponsoring the exposition for the 38th year say that at the rate of entries in the livestock, farm products, Granges, junior fair, Women's work, horse show and other divisions, this year's edition of the fair promises to be the largest yet.

Slated to begin on Tuesday, Aug. 14, the fair will continue through Saturday evening. Competition is open to the world, except where otherwise specified, according to the fair program issued early last month.

Activity, however, has not been confined just to the Hilliards sector of the county, for throughout the entire county the youth organizations of the 4-H Clubs and Future Farmers of America chapters have also been busy preparing to display their arts, handicrafts and stock raising projects. This is their preliminary show before the advent of the Ohio State Fair later this month and the youngsters are intensely interested in capturing the blue ribbons for both events.

"Everyone is welcome to Franklin County's 38th annual fair and livestock exhibition," said members of the agricultural society. "We're proud of the efforts of our youth and of our farmers in this county. We are proud to provide the opportunity for them to display the fruits of their labors during the past twelve month period and equally anxious that everyone attend."

The Gate Post

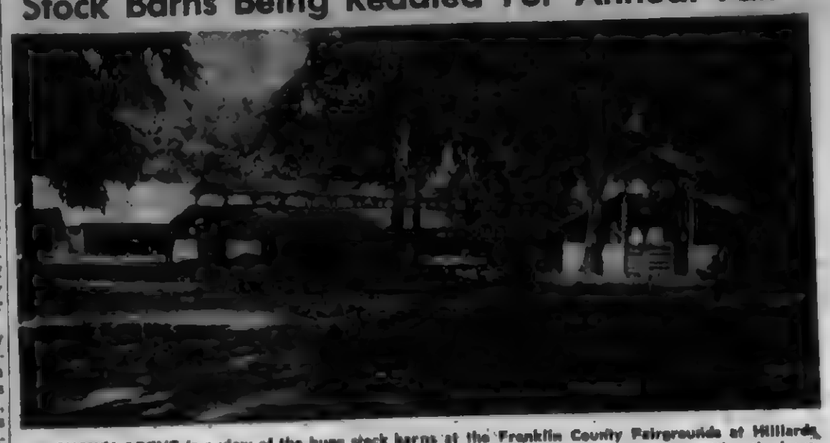
By Pat Martindale

Theme of the week on the Glenwood playground is "Be Fit Week", with the feature program of the week being the Junior Olympics at OSU stadium on Saturday afternoon.

Glenwood Better Leaguers play Westgate Thursday, with the league championship being unmistakably Glenwood's. The team is preparing for the city playoffs which begin Aug. 13.

Week of Aug. 13 is the "Week of Champions," with the city-wide tennis preliminary tournaments to be held. City-wide foul shooting contest at Sunshine Center Aug. 16 and the girls softball team, "Glenwood Queens" preparing for the city-wide softball tourney.

Playground season will be climaxed with a review scheduled for Central High School on Aug. 28 at 8 p. m.



The playground season closes on Aug. 31. Four more tennis court dances on Friday evening are left. Also four more Thursday evenings of movies on the tennis court are left in this season.

Registrations for District 1 tennis preliminaries can be made at Holton Park or Glenwood Playground.

"But, daddy, he promises to lay the earth at my feet."

"Don't be a fool, Jean; you've got that already. What you want is a roof over your head."

Stock Barns Being Readied For Annual Fair

SHOWN ABOVE is a view of the huge stock barns at the Franklin County Fairgrounds at Hilliards, which will be a beehive of activity next week. At present workmen are rushing repairs getting the huge open air barns ready for the 38th Annual Franklin County Fair.

A very thin man met a very fat one in the hotel corridor. "From the look of you," said the latter, "there might have been a famine."

"Yes," was the reply, "and from the look of you, you might have caused it."

"I see," said Smith; "that a famous man has been saying that four hours' sleep is enough for anyone." "Pooh!" said Brown. "That's nothing. I've a two-year-old boy at home who knew that a year ago."

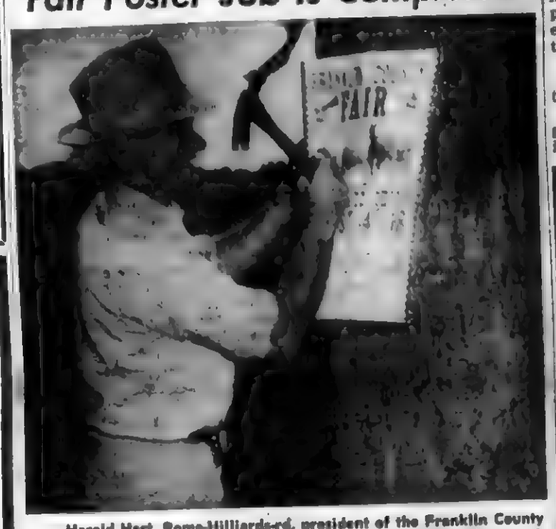
"Has the laundry made a mistake?" asked Brown. "This shirt is so tight I can hardly breathe."

"Yes, it's your shirt all right, replied his wife, "but you've got your head through a buttonhole."

"Try, Try Again" And The Record Will Give You "A Best Seller"

The old adage, "If at first you don't succeed, try, try again!" is practically part of American tradition and it certainly holds true in advertising.

As an example, F. F. Blackburn, 656 S. Hague-av, ran the following ad: "Range, gas, with light, like new. RA. 2250."



The first week he used a Record classified advertisement, he failed to sell the stove. Upon suggestion, he repeated the ad and sold the range on the first call he received from the second insertion.

Your ad is read and well read when you place it in The Hilltop Record, but during the particular week it's run, no one may be looking for the article you advertise. Remember the very low cost of your ad, paired with the excellent service rendered, makes it "top" value. People will read your ad and buy.

It's simple to sell . . . just phone RA. 1125 and have one of our advertising personnel help write a "best-seller."

Fair Poster Job Is Completed

Harold Hart, Rome-Hilliards-rd, president of the Franklin County Agricultural Society, is pictured above as he completed the huge task of placing fair posters throughout the county last week. Said Harold as the last poster went into place, "Well, that's that and I'm hoping for the biggest county fair at Hilliards in all time."

Home Care Course Is Now Offered By Red Cross

A morning class in "Home Care of the Sick" will be given by the Red Cross Home Nursing Service, starting Wednesday, Aug. 15, in the classroom at Red Cross headquarters, 30 E. Town-st.

"Home Care of the Sick is a 12-hour course giving instruction in simple nursing procedures to be followed in taking care of children, the ill, and the aged in the home. There is no charge for the instruction, which includes lectures, demonstrations of procedures and practice.

Through this course, homemakers will be better prepared to recognize early symptoms; how to follow the doctor's orders intelligently; how to make a bed-patient more comfortable; and how to save themselves many extra steps when giving bedside care.

The class will meet twice each Wednesday and Friday mornings, 10 to 12, for a three-week period ending on Friday, Aug. 31.

Mr. and Mrs. Albert Justus of Little-ay are visiting in parts of Michigan and are motoring through New Mexico with their sons, Albert, Jr., and Gene who have been residing with their grandparents, Mr. and Mrs. John Justus of Dover-rd.

Tree Falls, Day Palls, Miss Wedding

Something always goes wrong at a wedding according to various old sayings, but nobody would expect a tree to hold up the arrival of guests.

Mary Lou Leech, 17, 442 S. Terrace-av, and Lois Jennings, 807 S. Roys-av, were driving north on S. Roys-av, Saturday, headed for ceremonies uniting Bonnie Barber and Paul Theisen, when a tree being pulled down at 740 S. Roys-av crashed onto the top of the car driven by Miss Leech.

The tree was being pulled down on the property of Charles S. Lindus by the S. & S. Tree Service, 27 Latta-av.

The car was only slightly damaged, but the girls missed the wedding.

More Nurses Needed

It is estimated that our country needs about 65,000 more nurses to maintain civilian health programs. Nursing schools throughout the country are hoping for an enrollment of at least 50,000 new students this year. Enrollment last year was 44,185.

Actually there are more graduate nurses today than ever before in history, but the increasing supply of registered nurses has not kept up with the increasing demand.

Some of the reasons for this larger demand for nurses are the increase in hospital admission, larger number of hospital births, more out-patient visits, new hospitals and expansion of old hospitals, as well as expansion of the services of health departments.

In 1936, for example, there were 8,646,885 hospital admissions, but 13 years later that number had nearly doubled, reaching 16,656,973. The number of hospital births grew from 881,500 in 1936 to 2,820,791 in 1949 and is still going up.

Other growing demands on nursing services are the growth of industrial nursing and the expansion of military services.

A recent survey (Gallup) showed that 33 per cent of young women questioned gave nursing as their preference of vocation, with teaching second at 15 per cent.

It is apparent that a strong interest in the nursing profession exists among girls and young women. It is the responsibility of every community to take advantage of this natural inclination and promote a nurse recruitment program to help meet the shortage which is being felt in our local health department and hospitals as well as in other areas—O. M. Goodloe, M. D., M.P.H., Health Commissioner.

READER COMMENT

Letters To The Editor

This newspaper invites letters from its readers on subjects of timely interest. All letters, however, must be not more than 400 words in length and all must be signed by the writer. The writer's name will be omitted if requested.

Time was when competition was the life of trade. All business vied with each other in producing the best and most salable article on the market. The owners of the various businesses were independent. There was uninterrupted free enterprise. Under this system our country grew into the greatest nation on earth.

Then people were free to invest their money as they pleased. The principle of supply and demand determined the prices consumers paid. There were no controls, regulations, or subsidies. People could exercise initiative. They were free and prosperous and enjoyed the liberties guaranteed by our constitution.

But a great change has come over our country. Business has been centralized and monopolies formed. Centralization of business has led to fixed prices. No matter where you live, there is but little variation in the cost of an article. The overhead does not change prices. The country store, the corner groceries with low overhead charge the same as the general or department store with an overhead several times higher than the above.

Utilities once had competition. Today there is little competition, and in some cases none at all. They set the price at will. People are at their mercy and, regardless of the service rendered, must pay the price, or fight the ever rising cost.

On every hand the cost of living is increasing. Even taxes on real estate are rapidly rising. A real estate owner said that in four years the taxes on his home had increased one-third. The wonder is how people with large families can live.

Bad as these conditions are, the bureaucratic government in Washington has its hand in people's pockets, taking 30% or more of the people's income. Much of this money goes to pay expense and fat salaries of administration employes whose only usefulness is to set up political machines.

In all of this the writer is not condemning the accumulation of money. Without capital Henry Ford could not have put a car on the market that a poor man could afford to buy.

Sometimes mergers in business are advantages to the consumer. But to centralize enterprises so that there is no competitors, enabling the monopoly to fix prices at will is wrong and unfair to the people.

How long will conditions in our country continue? Will this tax and spend and this increasing cost of living ever be stopped?

Votes can stop it.

J. A. Downey.

1951 POLIO POINTERS

These are precautions recommended by the National Foundation for Infantile Paralysis when polio is around. Also, wash hands before eating and be on the alert for such symptoms as feverishness, sore throat, headache, upset stomach or sore muscles. They may—or may not—mean polio. If the disease does strike, call your doctor promptly, follow his advice. Your local National Foundation chapter will provide [illegible].

Noel Wins Claycourt Matches at Westgate Park

Shown above are four of the contestants who competed in the Claycourt Championship matches at Westgate Park during last Saturday and Sunday. The tournament was under the direction of Foreman Slager, Charles Merriman and Randy Biegler.

William Noel, a lieutenant with North American, took the Columbus Clay Court singles championship, Sunday, in the tennis tourneys played at Westgate Pork. Trouncing Guy Blair, 6-2, 8-6, before a crowd of more than 300, Noel emerged as the winner in a field of 44 competitors.

Winners in the doubles matches were W. V. Harris and Dr. Aris Franklin, who defeated Will Noel and Ed Farmer, 2-6, 9-7, 6-2. They took the honors from a group of 24 doubles entries.

The annual clay court meet was sponsored by the Westgate Tennis Club and was under the direction of Foreman Slager. Slager was assisted by Charles Merriman and Randy Biegler.

Rae Announces Candidacy For Municipal Clerk

Robert R. Rae

Seeking the write-in nomination for clerk of the municipal court of Columbus, Robert R. Rae, who lives at 2139 Sullivant-av, has announced his candidacy for that office.

Robert R. Rae is a native of Columbus and was educated in the Columbus public schools. He is engaged in credit and collection work at present, being employed in that capacity by one of the larger merchandising enterprises in the city. His past experience has been as an investigator and research analyst. Mr. Rae believes his experience qualifies him for the post he seeks.

"In the event of my nomination I shall make a vigorous campaign for election in November," Mr. Rae stated. "I believe there is a real opportunity for service to the public as clerk, and during the campaign I shall present to the public the program I offer to better serve them. I promise an efficient, businesslike administration, with alert and courteous employees, ready at all times to serve those whose business requires the services of the clerk of courts office.

Junior Olympic Track Meet To Be Held This Saturday

More than 500 boys and girls are scheduled to participate in the Junior Olympic track meet, cosponsored by the Columbus Recreation Department and WBNS, Saturday, Aug. 11, at the Ohio stadium. Field events are to begin at 11:30 a. m. and the track events at 12:30 p. m. Both preliminaries and finals will be held on the same day. The events correspond with those held in the Olympic games except that the distances are reduced in proportion to each child's age. Age groups of participants are 13 years and under, 14-15 years and 16-17 years for both boys and girls.

As an added feature of the meet a midget championships for boys and girls in the 10 years and under age bracket will be determined in the 50-yard dash. This event will be run down the middle of the stadium's football field.

More than 1100 children have taken part in regional Junior Olympic track meets in the past month. Any child is eligible, however, to compete in the championships inasmuch as the regional meets were designed for practice only. Individual awards, in the form of medals, will go to first, second and third place winners; and the fourth and fifth place winners will receive ribbons.

The results of each event will be forwarded to the National Amateur Athletic Union office in New York City, where results of other meets in the states are compiled.. After an analysis of all times in the track events and the various distances in jumping and throwing events are made, the National AAU will award national recognition to the outstanding boys and girls in the country on the basis of fastest times, longest jumps and so on.

The meet is open to the public without charge.

Ned Mapes Band Is Featured At Central "Y" Dances

Bill Nixon

Ned Mapes and his orchestra are continuing to play at the weekly Central YMCA Friday night dances. The dance committee has decided to continue the dances through Aug. 10, at which time the gyms will be closed for resurfacing of the floors.

Featured with the band is lovely Judy Jorden, girl vocalist, who has been "dubbed" the second Peggy Lee. Also featured are Freddy McNulty, Bill Nixon, the Three Notes, the Glee Club, Tune-Twister and the Ensemble.

Young persons over high school age, stag or in couples, are cordially invited. The influx of servicemen has greatly increased the need for more girls. Dancing is from 9 until 12 every Friday evening at the Central YMCA, 40 W. Long-st.

LETTERS TO THE EDITOR

Dear Editor:

Your Hilltop Record has wide circulation. In our Civil Defense job, here at the Filter Center, we are very much in need of civilian volunteers. It is our hope that you can help us contact them.

With the thought in mind that you may have several organizations, or individuals in your community interested in doing some air defense work, we are enclosing a short news release for your paper.

Will you help us?

Thanking you, I remain,

Yours truly,

Hilliards Boosters, Inc., Select Officers

Pictured here are eight of the nine members of the board of trustees of the newly organized Hilliards High Boosters, Inc. They were elected by the members at a meeting Tuesday evening at the high school auditorium. They are: front row, left to right, Dr. R. L. Brashear, Lowell Ramey, C. Carlton Hartley and Harold Hart; back row, C. H. O'Brien, Lowell Van Scholck, Fred Flickinger and Richard Fisher. Not present at the time the photo was taken was Howard Windle.

At a meeting of the elected trustees the group selected Hartley as president, Dr. Brashear as vice-president, Ramey as secretary and O'Brien as treasurer.

A "kick-off" meeting of workers will be held at the high school next Monday night, Aug. 13, at which time a drive will be set in motion to raise $12,500 to pay for lights for the athletic field and to provide permanent seating for 1200 persons on the field.

WITH HILLTOPPERS In
The Armed Services

Three Hilltoppers, members of the 989th Engineer Combat Battalion, Army Organized Reserve Corps, will take two weeks of field training at Fort Campbell, Ky.

First Lt. Robert B. Lucas, 98 S. Algonquin-av; 1st Lt. Robert B. Pfeifer, 3345 Parkside-rd; and Sgt. Donald W. Hudson, 1921 W. Mound-st, will leave with the unit, Sunday.

At camp the 989th will join two similar battalions, one from Toledo and one from Cincinnati, two engineer bridge companies and an engineer group headquarters in training for combat.

* * *

Three Hilltop members of the Organized Naval Reserve will leave Sunday for two weeks training duty at Great Lakes Training Center, Ill. The three seamen recruits are Raymond J. Harper, 27 S. Ogden-av; Ted A. Biddison, 188 S. Westgate-av; and Joseph W. Behling, 354 S. Powell-av. They are members of Division 4-97 of the ONR.

Second Lt. Louis J. Capretta, Jr., son of Police Captain and Mrs. Louis Capretta, 240 S. Harris-av, reported to duty with the 1036th Air Force Auditor General Squadron, Detroit, Mich. He was called to active duty on July 25.

Lt. Capretta is a graduate of West High School and Ohio State University. He was associated with the Westinghouse Electric Corporation in Pittsburgh before entering the service.

* * *

Pvt. Frederick W. Corbin, son of Mrs. Esther K. Corbin, 511 S. Ogden-av, is now serving in England after completing basic training in Camp Breckenridge, Ky. He is a graduate of Central High Evening School, class of '49 and attended West High School. He entered the service in December, 1950.

BOY SCOUT NEWS

Troop 181 of Hillcrest Baptist Church spent the week of July 29 to Aug. 4 at the Boy Scout Reservation, Camp Lazarus. Camp Lazarus is a 308 acre tract donated to the Boy Scouts of America by the F. & R. Lazarus family of Columbus. This area is situated in the rugged hills of Delaware county and is the finest in central Ohio, ranging second to none in the whole state of Ohio. It has a swimming pool and a small lake on the grounds.

Two new ideas were incorporated this year as a rifle and archery ranges were added. Many new projects were added, such as burro packing, bird hikes in the early morning, trailcraft areas. All these projects are added as result that more scouts will go on the yearly expedition to Philmont Scout Ranch in Mexico.

The boys who went on the trip are Bill Borland, Mike Worthen, and John Hutt. Joe Hutt, assistant scoutmaster, accompanied the boys on the trip. All had a swell time and many honors were earned by them. The Silver Sheetbend, an award for tying knots and rope-tossing, was earned by all of the boys who went. A very fine program was arranged by the camp staff.

The trailcraft area is one in which the boys learned to do various projects such as, tin-can craft, pitching tents, fire-building, axemanship, compass. These are just a few of the various projects offered.

All in all, Camp Lazarus is a wonderful camp for any boy who should wish to become a Boy Scout.

John Burroughs Playground

This week, Aug. 10, closes another season on the grounds. Tournaments are being played and quite a few entries were in Tuesday's finals at Central High.

The boys' midget softball team with Larry Steece, captain, has had a good season.

Garland Edwards represents John Burroughs in the senior horseshoe competition, Charley Robinson enters the semi-finals in junior horse shoe competition and Dave Brophy in senior checkers. Jack Stokes has been tossing the free throws for the basketball foul shooting contest.

Registration has been heavy again this year and attendance steady. We all enjoyed the open house held last Thursday night and the minstrel show directed by Miss McAndrews was real entertainment.

Handcraft work and games with equipment issued, will be carried on this week until 4 p. m. Friday and the doors will be closed shortly after that.

Both supervisors wish to thank all for the fine spirit of cooperation displayed on the grounds and the help given by many parents in the activities engaged in by the youngsters.

Now for a few weeks of vacation and then back to work for the new school year.

Achbar Grotto 31 To Be Hosts To State Convention

Curtiss Marshall

Curtiss Marshall, 1378 Harrisburg-pk, has been named as chairman of the contests division for the 27th Annual Convention of the Ohio State Grotto Association to which the Achbar Grotto 31 of Columbus is host on Aug. 30, 31 and Sept. 1.

Marshall is in charge of contests which will encompass drum and bugle corps, patrols, bands, chorus and novelty groups. Twenty-two entries have already been made for the competitions which will be staged throughout the three-day convention. Events will be staged in Columbus for one day and at Buckeye Lake Park Friday, Aug. 31.

Kiwanians Plan Ball Game At Annual Picnic

The Kiwanis tax stamp gathering teams have challenged each other to a baseball game to be held at their annual picnic Thursday at 5 p. m. at the Valley Ranch. The ranch is located at W. Broad-st and Big Darby Creek. The house committee headed by Bob Weaver will be in charge of the arrangements.

The round table will be held as usual at noon Thursday.

387 Aided By Church Society

Three hundred eighty-seven persons were given aid during the first six months of this year by the Senior and Junior Dorcas Societies and the Home Missionary Department of the local Eastwood Seventh-day Adventist Church, Earl Harris, 2268 Mecca-rd, and Mrs. Eunice Gackenheimer, 199 Whitethorne-av, leader and secretary of the Home Missionary Department reported Saturday.

Activities reported by the members of these organizations for this period include $583.36 donated or spent for gifts of food, clothing or other relief ministry, 133 food baskets and 813 articles of clothing given, 60 treatments given to the sick, 1951½ hours spent in Christian help work, 59 Bible readings given by lay members, and 5831 pieces of literature distributed.

Holton Park News

Last week was a busy week at Holton with the presentation of a pantomime play, "Little Tweet" at Sunshine Park on Thursday and a doll show at Holton on Friday.

Those who had active parts in the play were Judy Henry, Nancy Graham, Angela Brothers, Judy Somers, Dorothy Lampson, Julie Thimmes, Anne Shuman, Willie Higgins, Vera Dixon and Lynne Burns.

The doll show turned out to be very difficult for the judges, Kay Tracey, Pat Henry, Carol Erlenbach and Janet Hickman, as every doll had many outstanding qualities.

However, probably the most interesting as well as the oldest doll at the show was one owned by Sharon Washburn which has been in her family for 54 years.

In the category of the largest doll, first prize went to Judy Henry and second prize to Angela Brothers.

As for the smallest, first prize went to Joyce Henry and second to Judy Henry.

Connie Ryan took first prize for the prettiest doll and Angela Brothers won second.

The most unusual was won by Anne Shuman with Sharon Washburn taking second place.

A milk council drama has been scheduled for 2 p. m. Friday afternoon on the Holton grounds.

Also due to it being dark between 8 and 8:15 p. m. and thinking of your children's welfare, the playground will close around 8:15 p. m. or at dark for the remaining weeks.

Lighting

the largest ever undertaken by the city, will according to Tucker, make Columbus the best lighted city in the country.

Also to be replaced are the 1000-candlepower lamps in the downtown area. Like the 600-candlepower lights, the same bases now in use will be utilized, but the poles and the lights will be replaced.

Included in the "white way" system are Mound-st and Sullivant-av. Both main thoroughfares will receive the benefit of the lighting program. Work on the two streets is scheduled to begin within the next two months. Over 110 miles of lights are to be remodeled in this and similar projects.

City plans also call for the installation of several hundred lamps in this area on new and unlighted streets. Tucker said that the "residential lighting system is already being extended, but that work at the present is being concentrated in the northeastern section of the city.

Guest Speakers At Burgess EUB Are Announced

Rev. James B. Recob will be the speaker in the morning service at the Burgess Avenue EUB Church, in the absence of Rev. Lane. Rev. Recob is the son of Mr. and Mrs. F. F. Recob, 295 Nashoba-av, and is a student at Bonebrake Seminary, Dayton. Rev. W. E. Riebel, a retired EUB minister, and a member of Burgess Avenue Church, will bring the message for the evening service.

Construction

(Continued from Page 1)

said they hoped that the new order might aid in obtaining steel and necessary metals for the buildings since it contained specifications that would grant definite allocations of metal, rather than just approval to purchase.

Each of the projected buildings will contain about 36 tons of structural steel.

Westgate School earlier hit a seemingly tough snag when A. E. George, owner of the Ang Construction Co., revealed his company's reluctance to sign the contract awarded it by the board, July 31. He said that he would attempt to get out of the contract because the electrical contract went to a non-union firm, F. A. Davis & Son.

George anticipated difficulty with union workmen that had developed on other school projects when a non-union firm was involved. Contractors caught in the same situation have reported difficulty in getting good union workers when a non-union firm is on the job and in getting work completed on schedule.

School board officials said they would follow legal procedure in the contract affair. The board regulation requires that 20 per cent of the bid be posted in a bond and if the contract is not signed within 10 days after its delivery, the bond, $44,000 in this case, will be forfeited. Thursday is the last day George can hold the contract.

gate. Grandstand and bleacher seats however will carry the normal admission charges.

Wednesday will see the crowning of a Junior Fair Queen by the FFA and 4-H groups while judging of livestock in different categories will also take place during the day. Wednesday evening will see the staging of another horse show to complete the day's activity.

Thursday afternoon the speed horse racing will occupy the principal place on the program to be followed in the evening by more races around the half-mile oval.

Friday, Aug. 17, has been designated as Hilltop Day by the fair board with the afternoon program being sponsored by the Hilltop Kiwanis Club. Prior to the Kiwanis program, however, there is to be staged the livestock and farm machinery parade at 1 p. m. 4-H and FFA livestock judging contests will be staged on Friday morning while night horse races will occupy the limelight during the evening.

No events have been scheduled during the day for Saturday but officials of the fair board point out that Saturday evening is when they anticipate the hugest crowds of the four-day affair. Night horse racing is on tap during the evening activities to round out the fair program.

Departments for the fair and the persons who will have charge of each are:

Court Releases Receivership On 2 Tonti Firms

Two firms operated by the Tonti Brothers, 2506 W. Broad-st, were released from receivership Saturday by Common Pleas Judge Joseph M. Clifford. The release came only a few days after the entire fast-growing, post-war construction firm and seven related companies were put into the receivership of Dorothy Montavon, 478 E. Tompkins-st.

However, a receiver for two residential construction firms was again asked Tuesday in Common Pleas Court by Gaylord R. Stinchcomb of the Franklin Plywood Sales, 33 W. Vine-st. He said that one firm, Brookshire Park, Inc., owes his company $8,448. He added a further claim of $27,581.40 against Tonti Builders.

Miss Montavon was named by Judge Clifford after Edward A. Tonti, 253 Southampton-av, one of the nine original partners in the firm, requested the move.

He testified that he left the partnership last December because other members of the partnership refused to have a thorough accounting of the firm's operation. The partnership was formed in December, 1946, for the purpose of building, for rent and sale, single and multiple family dwellings. According to Edward Tonti, the partnership and related firms are under investigation by the Bureau of Internal Revenue because of discrepancies in tax returns.

Judge Clifford stated that he took the action releasing the two firms from the receivership because the Broadlawn, Inc., and Brookshire Park, Inc., started operations after the Tonti partnership was ended. Seventy houses are under construction in the Brookshire Park and Broadlawn developments.

Membership in the Tonti Brothers firm include:

Edward Tonti, Mary Frank, 170 Letchworth-av; Michael Tonti, 181 Letchworth-av; Francis Gunning, 3373 Parkside-dr; Harold Yaeger, 3381 Wicklow-rd; Gilbert Melragon, 170 Letchworth-av; Henry A. Melragon, 3387 Parkside-dr; Raymond S. Tonti, 3393 Parkside-dr, and Alfred E. Tonti, 3336 Wicklow-rd.

Indict Phillips In 2nd Degree Murder Charge

The Franklin County Grand Jury returned a second degree murder indictment Tuesday against George Phillips in the slaying of Mrs. Ruth K. Alter last Apr. 25.

The indictment officially reduced the first degree murder charge filed against Phillips after his arrest. It carries a mandatory life sentence in the penitentiary upon conviction. Eligibility for parole is considered, however, after 10 years confinement.

The indictment was delivered late Tuesday after a long parade of 33 witnesses appeared before the grand jury to give testimony. Witnesses included neighbors, friends, and investigators who had part in the hunt following the slaying of Mrs. Alter in her home at 360 N. Sylvan-av.

The indictment charged that Phillips, 22, an insurance salesman had "Unlawfully, purposefully and maliciously killed Ruth Alter."

Phillips is presently free on a $50,000 bond made up by 21 relatives and friends.

Testimony given at the hearing in municipal court at which Phillips was freed on bond was repeated for the grand jury. At that time Municipal Judge Harter, in his decision granting bond, had said, "Upon consideration of the record of testimony now before this court, we are not satisfied that the proof is plain, clear and obvious against George Phillips . . ."

Seemingly the grand jury was in agreement with Judge Harter.

Commenting on the indictment, Prosecutor Ralph J. Bartlett said, "Judge Harter's release of Phillips on bond indicated that there was a lack of evidence before him of deliberation and premeditation which is an essential element of first degree murder."

"I would say that for the same reason, the grand jury reduced the charge to second degree murder."

Phillips will be eligible to have a new bond set on the second degree charge. He will be arraigned on Thursday, Aug. 16, in County Criminal Court.

New Washday Product Introduced

Homemakers can take life easier now, thanks to "Cheer", a new washday product especially designed to do the tough jobs in the family wash.

Perfected after 19 years of painstaking research in Procter & Gamble's laboratories, this new household aid is hailed by its makers as one of their most exciting washday discoveries in more than 100 years of soap making.

It is now being introduced in this area after having been tested extensively under actual home washing conditions.

Summertime Can Bring Sunstroke, Heat Exhaustion; Prompt Attention Urgent

High temperatures and the summer rush of farm and other strenuous work make it easy to be overcome by heat illness, local physicians warned today.

Sunstroke follows prolonged exposure to the sun; heatstroke is from excessive heat with or without exposure to the sun. Either may be fatal.

Symptoms of sunstroke are hot, dry skin; face red and flushed; labored breathing; and enlarged pupils. Unconsciousness may follow in severe cases.

Here is what doctors suggest for sunstroke or heatstroke:

1. Move victim to a cool shady place, strip to the underclothes and lay on back with head and shoulders raised.

2. Apply ice or cold, wet cloths to the head. Cool the body gradually with cool bath, with a hose or wet the clothes. Rub legs and arms, stroking toward the heart.

3. After treating for several minutes, stop and observe victim. If skin becomes hot again, resume treatment.

4. If victim is conscious, give cool but not ice cold drinks. Do not give stimulants.

5. Get the victim to a doctor or hospital as soon as possible. Continue the treatment in the ambulance.

With heat exhaustion, the victim's skin is cold and clammy. A simple rule to serve as a guide to treatment is this: If the patient is cold, make him warm; if he is hot, make him cool.

The Low Down On High Ridgers

By One of Them

Did you notice . . .

. . . the New green cool vent awnings that ARDITH PRINDLE had installed on her windows? By the way, her husband BILL has sent her all kinds of beautiful souvenirs from Korea, where he is a jet pilot.

. . . That the DILDINE home looks much larger since they erected white lattice work around the front of their home? Just saw their basement last week, and it's up to the minute as a modern recreation room.

. . . BOB BARTLETT'S new sport coat for fall? He wore it last Sunday because it was so cool. He surely looked sharp as a tack.

. . . RALPH SUTTON'S bandaged finger? He caught it in a rat trap as he tried to bait it. His finger made good bait all right!

. . . HELEN CURTIS' plaid umbrella? No, you probably haven't But she bought it downtown three weeks ago in a downpour of rain. And she hasn't used it since. If it doesn't rain soon, she says she's going to protect her flowers from the blazing sun with it.

. . . That about one out of every three owners in the Hi Ridge section is painting his house? We're certainly not letting the appearances of our homes look run-down. Rah! for all the neighbors!

. . . That during a canasta game MARIE BROWNLEE broke her glasses when she got excited and knocked them off the edge of the table. She says she doesn't know why she took them off in the first place. Nerves, I guess.

. . . That no matter how tired MRS. EVELYN KNIGHT is, she has to stay up and see her Armchair Theatre every evening? For example, the other night she sped home from Dayton on time to have her date in the front room with her TV.

. . . That the ROBINES had a grand trip to Pennsylvania to see their families? They got there in no time flat in their new Chevvy. This is the longest trip they had made since they bought this car.

Fights Arthritis To Operate Local Beauty And Gift Shoppe

Mrs. Emma Crawford

Mrs. Emma Crawford, 3131 Parkside-rd, manager-owner of Manon's Beauty and Gift Shoppe, 2488 Sullivant-av, has run her business, cared for her home and at the same time waged an uphill fight against the crippling affects of arthritis.

The personable manager came to the Hilltop in 1932 to operate a beauty shop a few blocks from her present one on Sullivant-av. The shop was opened for business a month before the national "bank holiday" was declared. However, in spite of the worst the depression could do, the business thrived and Mrs. Crawford was able to expand into her present combined shop.

Shortly after she opened her present place of business, 11 years ago, she suffered a severe attack of arthritis. It was then that her hobbies began. First she learned to crochet, then she raised African violets and now her interest is centered on buying articles for her gift shop and watching people who buy the gifts.

She says, "I go to the gift shows and select what I need for the shop; then I wonder who will buy each article. Each customer poses a problem—what will they buy? I try to guess the answer and when they've made their selection, I attempt to match the purchase with the person. It's fascinating!"

Now, under cortisone treatments, Mrs. Crawford feels that she is beginning to gain some of the motion that she lost under arthritis. The gallant lady appears daily to greet her customers, many of whom have been with her since she started the business 19 years ago.

When she speaks of the beauty and gift shop, she always stops to give credit to her "man Friday", Verna Trisler, 385 S. Terrace-av, who has been associated with her for 13 years.

"She's as much a part of the business as I am," Mrs. Crawford says.

WRITE-IN THE NAME FLOYD GREEN AND PLACE THE "X" AS ILLUSTRATED.

A SPLENDID RECORD

Floyd Green is a write-in candidate for Mayor in Primary Election, Tuesday, August 14, 1951.

Floyd Green is eminently qualified by education and experience. Mayor of Columbus 4 years. Member of City Council 4 years. A total of 8 years legislative and executive experience in Municipal problems.

Floyd Green is 53 years old, born in Columbus, Ohio, July 10, 1899, is married and resides with his wife at 3046 Crescent Drive. They have one daughter.

Green has for years been one of the City's foremost Civic Leaders.

Past President, The Builders Exchange of Columbus.

Past President, The Columbus Lion's Club.

Past President, The Hilltop Business Association.

He was chairman of the Airport Commission which selected the site and built Port Columbus.

He "sold" officials of the Curtiss-Wright Corp. the idea of selecting Columbus as the site to erect their airplane factory which provided employment for 23,000 persons and opened the way for further industrial expansion.

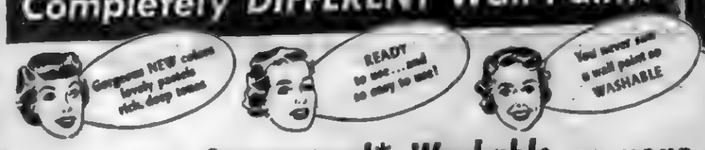
As Mayor his campaign for Traffic Safety never ended and in 1943 Columbus was honored with "First Place Award" in National Traffic Safety campaign by the National Traffic Safety Committee for the first and only time in the history of Columbus.

During the four critical years Floyd Green served as Mayor, 1940-44, he thoroughly demonstrated his expert ability on City financial problems. He inherited approximately one million dollar deficit from the previous administration, operated the City four years on a balanced budget basis, leaving the same deficit he inherited. NO NEW TAXES WERE LEVIED UPON THE TAX BURDENED PUBLIC DURING HIS ADMINISTRATION.

Green has always given faithful and honest service to the Columbus public.

Floyd Green has the right qualifications and deserves the support of the thinking citizens of this city.

A write-in vote for Former Mayor Floyd Green is a vote for a strong and independent candidate for Mayor at the November election.



FLOYD GREEN FOR MAYOR COMMITTEE.

Beverly Ford, David Robison United At Apostolic Church

Mr. and Mrs. David R. Robison

Mr. and Mrs. C. M. Ford, 670 S. Burgess-av, are announcing the marriage of their daughter, Beverly Jean, to Mr. David Rae Robison, son of Mr. and Mrs. Harold E. Robison, 1146 Northwest-blvd in an evening ceremony read April 20, at the Apostolic Gospel Church. Rev. A. W. Witherspoon officiated.

As the bride waited at the back of the church the bridegroom, a music student at Capital University, sang "I Love Thee" by Grieg. The bride and groom were given in marriage by their parents.

The former Miss Ford wore a gown of white satin trimmed with pearls and styled with a lace bertha forming the low collar. The skirt fell into a train from the fitted bodice and the sleeves tapered to points over the hands. Her short lace trimmed veil was caught by a tiara of pearls. She carried an orchid mounted on a Bible.

Miss Faith A. Demos attended the bride in a dress of dusty rose taffeta styled with a bertha collar forming cap sleeves, fitted bodice full skirt. She carried a muff of the dusty rose taffeta with yellow rosebuds and ivy attached. Mr. Earl Daving, Jr., attended the groom.

Hostesses for the reception which followed the ceremony were Miss Wanda Lewis, Miss Virginia Demos, Mrs. Gerald Micklin and Mrs. Marion Wright.

The couple are now at home at 226 Summit-st.

While having a driving-lesson, an American lawyer named Little knocked down a lamp-standard and a telephone pole. A little learning is a dangerous thing.

Hilltop Record readers are informed Hilltoppers.

June Evening Ceremony United Donna Beck and Fred Warden

Mr. and Mrs. Fred B. Warden, Jr.

An evening ceremony read on Saturday, June 6, united Miss Donna Jean Beck, daughter of Mr. and Mrs. Richard H. Beck, 565 Chestershire-rd, and Mr. Fred B. Warden, Jr., son of Mr. and Mrs. F. B. Warden, 111 S. Richardson-av. Rev. Joseph Shellhaas read the ceremony at Glenwood Methodist Church, as Mr. Beck gave his daughter in marriage.

The bride's gown was of street length in ocean blue silk shantung. She wore white accessories and carried a white prayer book topped with a white orchid and a lace handkerchief belonging to her maid of honor. Her pearl choker and earrings were a gift of the bridegroom.

Miss Patricia Wolfendale, now Mrs. Kenneth Mahan, was maid of honor and wore a dusty rose silk shantung dress with navy accessories. Her colonial bouquet was made of pink roses and garden flowers.

Mr. Kenneth M. Mahan was best man for Mr. Warden and seating the guests were Mr. Donald Beck and Mr. Edward Fisher.

The bride's mother wore a rose linen dress with white accessories and a corsage of white gardenias. Mrs. Warden, Sr., wore a silk print with navy accessories and a corsage of red roses.

Miss Shirley Beck and Mrs. Edward Fisher were hostesses for the reception which followed at the home of the bride's parents.

The couple took a trip through the New England states and are now at home at 111 S. Richardson-av.

These Folks Once Suffered, Too!

Luther Harris suffered aches and pains.

Ollie May Cooper suffered stomach distress.

Mrs. Waldo Heath was nervous and run-down.

HADACOL Relieves The Cause

Of Stomach Distress, Aches and Pains, Weak, Run-Down Conditions and Nervousness When Due to Deficiencies of Vitamins B_1, B_2, Niacin and Iron

Why Settle for Symptomatic Relief When HADACOL Can Help People With Such Deficiencies?

Luther Harris, 516 Chestnut St., Bowling Green, Kentucky: "For quite some time I was nervous and run-down and I suffered from aches and pains. I was weak and I could hardly do a day's work. I started taking HADACOL and from my first bottle I felt better. Now, I feel good and I can do a good day's work. I am still taking HADACOL and I wouldn't do without it. I praise HADACOL very highly."

Mr. Eclled Cooper, Box 118A, Marksville, La.: "My 13-year-old daughter, Ollie Mae Cooper, was underweight, and she suffered from stomach distress. She is on her fourth bottle of HADACOL. Now, she feels fine and she is able to go where she wants to. She has gained weight and no longer suffers from stomach distress. I intend to continue giving her HADACOL. I give HADACOL to all the family now."

HADACOL can help you if your condition is due to deficiencies of Vitamins B_1, B_2, Niacin and Iron. HADACOL is sold on a strict money-back guarantee—you'll feel better or your money back.

Mrs. Waldo Heath, 1020 Jackson St., West Plains Missouri: "I want to give thanks to the wonderful preparation HADACOL and tell you how it has helped me. Before I started taking HADACOL I was nervous, couldn't eat and didn't have the energy to do my housework. Now, I'm on my eighth bottle of HADACOL. I can do anything I feel like doing, and I also have a good appetite. So, you see what the wonderful HADACOL has done for me. I want to say thanks again to HADACOL. I'm 21 years of age."

J. D. Rambin, 165 Sunset Drive, Alexandria, La.: "I have taken three bottles of HADACOL and I could tell the difference in my condition, before I took all of the first bottle. I'm 68 years of age. Before I started taking HADACOL I was tired, and I had aches and pains, and I couldn't sleep well at night. Now, since I am taking HADACOL I feel so much better, and the aches and pains have disappeared, and I sleep soundly. I can't recommend HADACOL enough."

Louis Farber, Saunemin, Illinois: "A friend of mine had given me a bottle of HADACOL for my birthday. I had been feeling rundown, and just didn't seem to have much energy. So I decided to try the HADACOL that had been given to me. I could notice after the first bottle that I was feeling much stronger. I have since bought the large family size bottle and feel that HADACOL has helped me. I intend to continue taking it."

Mrs. Eddie G. Shows, Route 1, Moselle, Mississippi: "I was weak, nervous, had lost my appetite, could not even stand the smell of food. Having to eat to live, I would force down a few mouthfuls, then I would suffer from stomach distress. Then I heard about your wonderful HADACOL. I began taking HADACOL four times a day. Within a week I was cooking for my family and doing most all the housework. I have been taking HADACOL about a year. I have been teaching 14 years, and I just can't recall a single year that I wasn't happy for school to close, because I was so tired. It is different this year. I will be very unhappy to see school out this year. I have told other teachers about your wonderful HADACOL."

Mrs. Clarice Brown, 712 La Due Avenue, Cedartown, Georgia: "I am 30 years old, and I just want to tell you how your wonderful HADACOL has helped me. I was weak, nervous and rundown and could hardly do my work, and what I ate didn't agree with me. I decided to give HADACOL a trial. I have taken six bottles of HADACOL, and I can tell the difference since I have been taking HADACOL. Use my letter. Maybe it will encourage a lot of people that are weak and nervous as I was. Thank you for letting me tell you about HADACOL."

Mrs. R. W. Bryant, P. O. Box 191, Sumrall, Mississippi: "I have been a HADACOL user for one year. I was nervous, could not sleep, was tired and rundown. I have taken seven or eight bottles of HADACOL and I feel so much better. I do all my housework, milk two cows, sleep well and eat anything I want without stomach misery. I have recommended HADACOL to many of my friends and neighbors. I just cannot praise it enough, for it has done so much for me. I am 54 years old and I believe what HADACOL has done for me, it will do for others. I highly recommend HADACOL."

Mrs. Ella Holderfield, 225 Graymont Avenue West, Birmingham, Ala.: "I've been using HADACOL a year now and it sure has helped me. I didn't have any appetite at all, couldn't sleep well, and ached a lot, but since I've been taking HADACOL I can't get enough to eat now. I go to sleep now and can rest all night. I can work hard and it doesn't even tire me now like it did. I am 65 years old and feel good most of the time. Thanks to HADACOL. I won't be without it as long as I'm able to buy it. Use my letter—it may help someone."

Miss Ouretha White, 1709 Bush Avenue, Alexandria, La.: "I am twenty-five years old and have lived in Alexandria all my life. I am employed by a canning company. A year ago I was nervous and rundown. I lost my appetite and couldn't sleep. A friend told me about HADACOL and I decided to try it. I have been taking one bottle a week for a year and I can report wonderful results. I am gaining weight, my nerves are O.K., I have a good appetite and I can sleep nights again. One bottle a week did it and I recommend HADACOL."

Esther Stewart, Richard Miller Wed June 17 At Glenwood

Mr. and Mrs. Richard Thomas Miller

Mr. and Mrs. Charles E. Stewart of Anna, O., are announcing the marriage of their daughter, Esther Louise, to Mr. Richard Thomas Miller, son of Mrs. G. W. Miller, 3441 E. Broad-st, Apt. D, on June 17, 2:30 p. m. with Dr. Joseph B. Shellhaas officiating at Glenwood Methodist Church.

The former Miss Stewart previously made her home here with an aunt and uncle, Mr. and Mrs. Raymond C. Jameson, 597 Nashoba-av. Mr. Miller is a former West Sider and a graduate from Central High School.

The bride wore a gown of white imported organdy with lace inserts in front and in the long train. The gown was styled with a lace bertha and the bride approached the altar with her veil of illusion covering her face. Her cascade bouquet of lilies of the valley was centered with a purple throated orchid.

The maid of honor, Miss Margaret Valentine, wore a gown of purple taffeta and net. Her arm bouquet of sweetpeas was in purple, lavendar and pink. The bridesmaids, Mrs. Beverly Steward, Mrs. Donna Miller and Mrs. Mary Ruth Bashaw, wore similar gowns of orchid, pink, and purple. Their sweetpea bouquets were in opposite shades of their gowns.

Mr. William Gaston attended the bridegroom as best man and seating the guests were Mr. Robert Miller, Mr. James McLean and Mr. Lisle Stewart.

For her daughter's wedding, Mrs. Stewart wore an ash rose dress with pink and brown accessories and a corsage of pink rosebuds. The bridegroom's mother wore a pink dress with white accessories and a corsage of tea-rosebuds.

The reception held at the church entertained friends and relatives from Sidney, Celina, Anna, Sedalia, Delaware, Bellefontaine and Columbus.

The young couple are making their home at 3441 E. Broad-st, Apt. B.

bodice of lace with which she wore a short jacket of lace styled with short puff sleeves. Miss Donna Theisen, sister of the bridegroom, and Miss Majorie Compton, bridesmaids, wore similar gowns in orchid and yellow, respectively. They all carried carnations dyed to match their gowns and wore matching net hats.

Miss Susanne Barber, sister of the bride and junior bridesmaid, wore a gown of blue tiered organdy ruffles over a hooped taffeta skirt. She carried a colonial bouquet of pink roses.

Mr. Jack Delaney attended the bridegroom as best man and seating the guests were Mr. Willie Kinan, Mr. Bill Haire, and Mr. Jim Jarvis of Cincinnati, O.

For her daughter's wedding, Mrs. Barber chose a dress of rose crepe with lace trim. She wore navy blue accessories and an orchid corsage. The bridegroom's mother wore a dress of grey crepe with silver trim and black velvet accessories. She also wore an orchid corsage.

The wedding breakfast followed the ceremony at Mrs. Root's Party Home. A reception was held at the bride's home later in the day with Miss Shirley Dunham, Miss Dolly Fladt, Mis sShirley Dunham, Miss Joan Dew, Miss Mary Lou Leech, Miss Lois Jennings and Mrs. Ernest Auborn as hostesses.

For their wedding trip to Niagara Falls and Canada the bride changed to a lime suit with which she wore navy velvet accessories and the orchid from her bouquet.

They will make their home in Cincinnati.

Mrs. Robertson Visits Daughter and Family

Mrs. F. E. Robertson, 65 S. Hague-av, has returned from a visit with her daughter, Marjorie, and family at Quantico, Va. Mrs. Robertson's son-in-law, Lt. Carl Fred Burger, was a recent graduate of communication officers school of the Marine Corps. He is being transferred to El Torro Air Base at Santa Ana, Calif.

Mrs. Burger and her five-week-old son, Richard, left by plane from Washington D. C., last week for Medford, Oregon, where she will visit her husband's family.

Family Will Accompany Lt. Col. Snyder To Md.

Lt. Col. James B. Snyder, 4655 W. Broad-st, has been ordered to active duty with the US Army. Mrs. Snyder and their daughter, Marilyn Jo, will accompany him to Fort Meade, Md., where he is to be stationed. A son, James, Jr., will stay in Columbus where he is enrolled at Ohio State University.

Col. Snyder has been associated with Harris, Inc., and was formerly an accountant at 2503 W.

LETTER TO ST. PETER

Let them in, Peter, they are very tired;
Give them the couches where the angels sleep.
Let them wake whole again to new dawns fired
With sun, not war. And may their peace be deep.
Remember where the broken bodies lie . . .
And give them things they like. Let them make noise.
God knows how young they were to have to die!
Give swing bands, not gold harps, to these our boys.
Let them love; Peter—they have had no time—
Girls sweet as meadow wind, with flowering hair;
They should have trees and bird song; hills to climb;
The taste of summer in a ripened pear.
Tell them they are missed; say not to fear;
It's going to be all right with us down here.

One of the pleasant feminine voices you hear on WHKC's "Date For Debate" program each afternoon at 1:30 is that of Miss Rita Thomas. The other voice, incidentally, belongs to Mrs. Norma Karshner, former Hilltopper.

Miss Thomas has written commercial copy and handled publicity for WHKC for the past seven years and is Hostess for the Date For Debate program. Moderator for the show is Budd Sweeney. The show replaced "Housewives' I.Q.", also conducted by Miss Thomas and Mr. Sweeney. If you are the one who hasn't heard Date For Debate, better tune in. It is interesting and informative.

Born in Columbus, Miss Thomas is the daughter of Mr. and Mrs. Smithfield Thomas of 116 Crestview-rd. She was educated at Holy Name School, St. Marys of the Springs College, and received her Masters at Ohio State. She is past President of Pilot Club. Miss Thomas is most unassuming and was reluctant about talking about herself, so most of this information was obtained from a mutual friend. Her charm and genuine love for people have gained for her a wide circle of friends. She did tell me that she is especially fond of her shutin friends, and is always glad to work in their behalf. The aforementioned mutual friend told me of Miss Thomas' kindness to shutins and others who needed help. During the war she was with the Red Cross in Cincinnati, where she was in charge of publicity for that chapter. When I asked about her hobbies she said one was keeping cool—it was a hot day! She also likes reading and boating. I said up there some place, that Miss Thomas likes people. People like her too.

The four youngest children of Mr. and Mrs. Charles L. Bauer, Rt. 2, Westerville, are clever and imaginative youngsters. Mrs. Bauer says they practically live at the Ohio Museum and when they return they copy the articles they see there, for their own private museum. They have made a skeleton of mud that is a fine piece of work. They also have knives and swords made of wood; planes; there is a Dutch doll with wooden shoes; a bed, complete with trundle bed; a coin collection; skulls; covered wagon; Indian teepee a collection of "pretty" stones and many other things. They have their own pet cemetery too. Mrs. Bauer is a wise mother. She thinks children are happier if they are not given too many toys but are allowed to make their own. She is an accomplished lady. She makes lovely ceramic articles, mixing her own paint for this work—which I have heard is quite a feat. I'm glad I know the Bauer family. They are busy, interesting and happy. The children also sing, and well too, and have sung for several shutins. Nancy, one of the children, is recovering from a severe attack of rheumatic fever. While she was unable to attend school she wrote to other shutins.

Jean Trott, the lovely gal who writes the checks at The Hilltop Record, called and said a lady had called the office, giving the name of the milk man mentioned here a few weeks ago, who picked up the injured dog. The lady doesn't want her name mentioned but her interest is appreciated. The man's name is Mr. Might.

From "Tonics and Sedatives" (AMJ): In a certain court case one of the lawyers caused much amusement by referring to opposing counsel as "Mr.—er—shall we say Necessity?" This went on for some time until the judge interrupted. "Might I ask, Mr. Robinson," he said, "why you continually refer to learned counsel as 'Mr. Necessity'?" "Because he knows no law," was the biting answer.

Robert Burns had something when he said

"But human bodies are sic fools,
For a' their colleges and schools,
That when no real ills perplex them
They make enow themselves to vex them."

Former Hilltopper Visits Aunts

Pictured above is Barbara Lee Alesch, daughter of Mr. and Mrs. Charles W. Alesch, former Hilltoppers, now of La Mesa, Calif., Miss Alesch is visiting her grandparents, Mr. and Mrs. P. C. Recipient of the first distinguished service citation award given to a woman by the 13th Ohio District of the American Legion is Mrs. Alice Holton, who is publicity director of the Perfection Stove Company in Cleveland. Mrs. Holton's award was for public relations assistance over an eight-year period, covering newspaper, magazine, television and radio publicity. Mrs. Holton lives at 5011 Fisher-rd.

Three Hilltoppers Complete OSU Admissions

Three Hilltop students who have completed their admission requirements for entering Ohio State University next autumn were guests this week of the university, where they took part in the fifth annual pre-college counseling program offered to new enrollees.

While on campus they attended conferences on college life, took aptitude and interest tests, and received counseling.

The pre-college program is offered by the university's occupational opportunities service, directed by Dr. Frank M. Fletcher, Jr., to aid students in developing their educational and vocational plans. Charles M. McClintock, coordinator of counseling and testing, is in charge of the program.

Those taking part in the program included Ted A. Biddison, 188 S. Westgate-av, son of Mr. and Mrs. Belford Biddison, and Patricia T. Andreotta, 424 S. Harris-av, daughter of Mr. and Mrs. Thomas Andreotte.

"Now, children," said father, "tell me who has been the most obedient during the last month, and done everything mother asked him to do?" "You, daddy," the eldest replied.

Judge To Occupy Hillcrest Baptist Pulpit Sunday

Former Judge Ernest J. Millington, D. C. L., of Cincinnati, retired jurist, is announced to be the vacation pulpit guest in the Hillcrest Baptist Church this Sunday during the 10:30 a. m. worship hour.

His legal career was mostly in the state of Michigan, where as an active church layman he held the office of president of the Michigan Baptist Convention for several successive terms, and was later honored with the presidency of the American Baptist Convention.

His subject announced for Sunday is "Pulling Rabbits Out of Hats."

TO DO YOUR JOB GOOD YOU MUST FEEL WELL!

EUGENE SIPES, Station 1, Box 688, Canyon, Texas, was having trouble keeping his job because he didn't feel well.

HADACOL Relieves Nagging Aches and Pains, Stomach Distress, Poor Appetite, Weak, Run-Down Condition and Nervousness When Caused by Lack of Vitamins B_1, B_2, Niacin and Iron.

When folks don't feel good, everything seems to go wrong. Little problems become big ones. Their work seems more difficult whatever their job . . . housework, office work, farming, etc. Nothing is right. If this is your problem and your condition—nagging aches and pains, stomach distress, poor appetite, weak, run-down condition and nervousness due to lack of Vitamins B_1, B_2, Niacin and Iron—is pulling you down, making your work seem like drudgery, then you owe it to yourself to try today's great HADACOL. For HADACOL was formulated to help overcome these deficiency-caused ailments, and continuous use of HADACOL will help prevent these ailments from returning. Thousands of letters have been received from happy HADACOL users telling how this fine family formula has helped them. Shown below are just a few of these reports.

HADACOL RELIEVES NAGGING ACHES AND PAINS, STOMACH DISTRESS, POOR APPETITE, WEAK, RUN-DOWN CONDITION AND NERVOUSNESS WHEN CAUSED BY LACK OF VITAMINS B_1, B_2, NIACIN AND IRON.

HERE IS WHAT HE SAYS:

"I was nervous and irritable, couldn't sleep nights and my employer threatened to fire me if I didn't 'snap out of it.' Then I heard about HADACOL. After taking only two bottles, I began to notice a difference. That was a month ago. Yesterday my boss said that I did my job so good that I was due for a promotion. Thanks to HADACOL."

WILLIAM J. DUNLAP, *4404 Freer, Apt. 2, Detroit 10, Mich.*: "Along with the pains I suffered, my body had a tired, worn-out feeling. I had to force myself to keep going. I read about HADACOL and decided to give it a try. Am now on my fifth bottle, and would not be without an ample supply. My first bottle gave me astonishing relief, and at this time of writing, I feel better, without a pain or ache. Am a dairy employee, 54 years old. Veteran of two world wars. I have given your HADACOL every praise to friends and relatives, and know some are using it with just as astonishing results as I myself have found."

MRS. D. C. HINTON, *Route 1, Farmerville, Louisiana*: "I am 46 years of age. For a while, I have not even felt like doing my housework. I would have bad spells of pain. I was so tired, I didn't think I would feel rested again. Some friend of mine told me about HADACOL, so I decided to try it. Now, I have started on my third bottle of it. After I took the second bottle, I could tell it was helping me. I started feeling lots better. My pains are nearly gone. I will truly say I am going to take my HADACOL just as long as they sell it. I tell all of my friends about it."

NORMAN CHRISTOPHER, *2344 Cumberland, Houston, Tex.*: "After I got out of the Army when the war was over I was underweight, nervous, couldn't sleep and had a time getting food to agree with me. I could never eat breakfast—imagine, have to wait until noon before eating your first meal of the day. Even then just a few mouthfuls of food would fill me up. At night I couldn't sleep—I would just roll and toss all night. After the third bottle of HADACOL I could tell a difference in my eating and sleeping habits. Now after a year's time of taking HADACOL I have gained almost twenty pounds. I sleep well—and the most wonderful thing, I can enjoy three full meals a day."

HADACOL is so economical. Trial size only $1.25. Large Family Economy size, $3.50.

MRS. ERNEST JOHNSON, *Jacksboro, Tennessee*: "I am writing you to tell what HADACOL has done for me. I have suffered with stomach distress for quite some time, and I was very nervous. Since I started taking HADACOL I eat anything I want. I sleep like a child—something that I hadn't done for some time. I am the mother of five children. I am 48 years of age, and I feel better than I have for years."

HADACOL is America's favorite family formula.

MRS. FRANK P. MARTINO, *5524 Wickfield Dr., Apt. B., New Orleans, La.*: "I am a housewife, age 27, taking care of my baby who is three and a half years old. I wasn't able to take care of my baby and do my work at the same time. I was always feeling run-down, and very nervous until I tried taking HADACOL. Well, believe me I have only been taking it for two and a half months and have experienced a wonderful change for the better. I don't feel nervous, or run-down any more. I feel and eat a lot better. Thanks to HADACOL."

MRS. ANNE FRANKS, *434 West Seven St., Newport, Ky.*: "As a constant user of HADACOL—am on my fourth bottle—would not hesitate to acclaim it the best. I was so run-down, I could hardly do my work. And that is important as I do a man's job in a shoe factory. I felt that I did not have enough energy to lift my hands. I felt so let down everything annoyed me. But, since I've taken my first bottle, I've been helped so much that now I'm up and ready and anxious to get my work done and am not tired but able to do my housework. I cannot praise HADACOL and its makers enough."

MRS. LETHA FITZPATRICK, *401 E. Elm St., Scottsville, Ky.*: "I couldn't sleep. I didn't have any appetite. Then I heard and read about HADACOL and what it had done for others. I decided to give it a trial. I have taken several bottles and I can truthfully say it has really helped me. I feel so much better. I have a lot more strength. I can eat now and I'm gaining weight. I do my work, work in my flowers, also in the garden. Now I'm putting up my fruit and vegetables. I can't thank HADACOL enough for what it's done for me."

MRS. ZINA LEE BOWMAN, *Rt. 6, Cleve Ferry Road, Nashville, Tenn.*: "I was weak. I could hardly do my housework. I am 30 years old. I am the mother of nine children. I was nervous. I have taken almost four bottles of HADACOL and I feel fine. We are a happy family—thanks to HADACOL. As for my work, I have plenty to do but it is housework. You may use this letter any way to spread the good news about HADACOL."

Only HADACOL gives you that *Wonderful* HADACOL *Feeling!*

Rea and Rainbow

By Jo Ann Kidd

The Young People's Society of Midland Avenue Baptist Church held its monthly meeting at the home of Evans Orr of 924 Midland-av. There were eighteen present.

They spent the evening singing with special music by Amzr Crego.

Title of the Christian film to be shown Aug. 11 is "Again Pioneer." Colleen Townsend will have the lead in this great new picture.

These films can be seen south of 1900 W. Mound-st, each Friday and Saturday.

Bernice Milstead of Washington C. H. and George Robbins of 2256 Vadis-st were married at Richmond, Ind., Aug. 3. They have returned from a short trip and are making their home on Hamlet-st.

Mr. and Mrs. Hobert Kidd and family of 2250 Vadis-st, are being visited by Mrs. Dovie Moore of W. Palm Beach, Fla. Mrs. Moore is also visiting with another niece, Mrs. William Lehman and family of North Columbus, and a nephew, Mrs. Seth Moore and family of Belvidere-av, also other relatives in West Jefferson.

Rev. Davis of 2100 Whiteheadrd, is recovering from a broken nose and face injury. Rev. Davis and several other members of his family were in an automobile accident near Circleville two weeks ago.

Pvt. Billie Murcer of 919 Clarendon-av has returned to Parris Island training base after an emergency leave due to the death of his grandfather, Ed. Ashmore of Elkins.

Mrs. Goldie Lanning of 875 Clarendon-av visited last week with friends of Wilable and Cleveland.

Mr. and Mrs. Bill Kidd of 2250 Vadis-st, and Mr. and Mrs. Earl Grimes of 934 Midland-av attended the picnic at Buckeye Lake, Saturday, given by the Columbus Coated Fabrics.

Mr. and Mrs. Perd Birkhead attended the home canning shop at Commercial Point, Saturday, Aug. 2.

Mr. and Mrs. Norman Kimberling of 875 Midland-av have returned from a week's vacation, going through West Virginia, Virginia, through Skyland Drive, Blue Ridge Mts., and other places of interest.

Mr. and Mrs. Harry Underhill and family spent last week vacationing in Youngstown and places of interest in Pennsylvania.

Mrs. Louise Tyler is ill at the home of her parents, Mr. and Mrs. William Richardson, 1030 Whitethorn-av.

Mr. and Mrs. Marion Brandenberger of 2025 Whitehead-rd observed their fourth wedding anniversary and the birthday of Mrs. Carl Brandenberger with a family dinner Tuesday evening at the Brandenberger home on Harrisburg-pk.

Bible Comment:

Our Conception of God Must Include The Whole World

DOES God favor the U. S.? Our attitude toward God would indicate that we seem to think so. Yet nothing could be further from the truth.

But how difficult it is to realize that the love of God embraces all man and demands the devotion and obedience of all.

As far back as ancient Israel men have found the theory of God's omnipotence overwhelming. Even then there were many who bitterly insisted God was a national deity. Throughout history we have repeated examples of "chosen people" and "divine rights."

Such a conception is actually as pagan as the crude sacrificial rites practiced by primitive jungle tribes. That God's providence extends over all the world is emphatically stated in many Biblical passages, not the least of which are in the later chapters of Isaiah.

Where does this inevitable misconception spring from? The language barrier between nations no doubt contributes to the belief that God practices favoritism. National prestige sometimes becomes a boastfulness that permeates a nation's religion.

In any case it is certain that until a more liberal conception of God is entertained by the world at large, universal harmony will be difficult to achieve.

The conception of a world-wide God for men of every race and language must begin at home by substituting the use of "God" for "Our God."

Looking Ahead with J. W. Werrel

It is not easy for anyone to make a fortune, and even if it were, as an inheritance it might prove disastrous. But an income is another matter. Paid regularly month after month without variation, it is a fortune which can never be dissipated, never lost in hazardous ventures.

These plain facts cannot be overlooked by the man who wants security for his family in the event of his death. He knows he must leave a minimum income for his wife until the children are self-supporting, there must be provision for rent, food, clothes and schooling, and there must be freedom from anxiety for the mother, especially when her care and influence are so necessary in the formative years of childhood.

Fortunately, all these benefits are possible through the Sun Life Family Income Plan, an economical scheme of protection that all may enjoy. This comprehensive Plan leaves no doubts in the mind, no fears as to loss of capital, no administration cares and no delays.

Let me show you how easily the Sun Life Family Income Plan can be adapted to meet your requirements. Just call or write

THE Power AND THE Glory

Five short words...

Do they mean anything at all, or are they just five words that come near the end of the world's best-known prayer—the Lord's Prayer.

Can we *see* the power and the glory?

The best answer to that lies in what we look for. Millet found it in the sight of a man and woman standing in their field in a moment of silent prayer, and then painted his masterpiece—the *Angelus*. To Walt Whitman, it was in the wonderful flexibility of the human hand, which "put to scorn all machinery." To the sailor, it may be a sunset on a calm sea; to the farmer, the incredible blue of the corn blossoms; to the city-dweller, the creative bustle of a crowded street.

To everyone, perhaps, it becomes most real in church, when the morning light filters through stained glass as a congregation softly recites ". . . . for Thine is the Kingdom, and the power and the glory..."

For thine is the kingdom, and the power, and the glory, forever. Amen.
MAT. 6-13

The power and the glory can be with us throughout our daily lives if we can but *see* it. Your church can help you to recognize its Presence.

Promise yourself *today* that you will come to Church Sunday!

THE TRADING - CORNER -

HAVE FUN — HELP SOMEONE

and yourself find useful and needed articles by using our trading corner. We will help you find something you need in trade for something you have. It may be one article or several involved. Maybe you don't have room for a dining room suite and would like to trade for a breakfast set, etc. Rates are 22c a line. Just call RA. 1125, Hilltop Record Classified, and ask for your ad to be placed in the Trading Corner.

I WILL TRADE girl's outgrown good dresses, size 10, for any size 12 or boy's coat or jacket, size 10. RA. 7109 after 6 p. m.

WOULD LIKE to have a good used rug, 13x13 (or approx.), or mirror, approximately 42"x36", in trade for a nice cedar chest. RA. 1847, evenings.

1—Information

JOE BRIGGS Says:

I have never thought much of the courage of a lion-tamer; inside the cage he is, at least, safe from other men.

HOW SAFE ARE YOU? With prices rising rapidly are you sure your old policy is sufficient to cover the cost of replacement of your property? See us for facts and figures. JOE BRIGGS, 2586 Sullivant Ave., RA. 3194.

What do you do with your SALES TAX STAMPS? Want to help a good cause? Save them for the HILLTOP KIWANIS CLUB. Money raised from this source will aid the club's youth program. If you want to help, call C. C. HARTLEY. RA. 1125.

Snags Hit By Rea-Bow Residents

Residents of the Rea-Bow Addition met Tuesday night to iron out their stand in the fight to gain for local residents the same refund from the Columbus & Southern Ohio Electric Co. which users in the Columbus city area received last month. A motion by George Wolfe, 856 Midland-av, president of the Rea-Bow Improvement Association, to seek a rebate of the 6.4 per cent surcharge collected by the electric company, repaid in full, was carried by a voice vote.

However, the group seems to have hit a snag in locating the proper procedure to bring their case before the authorities. Conflicting advice on case handling has come from various county officials. Hope was given the group by Farm Bureau representatives who said the matter may be taken up by a joint meeting of the Bureau unit with the Franklin County Coop Board on Aug. 20.

Ogden-av Youth Leaves To Compete In Akron

Jack Waldo, 15, son of Mr. and Mrs. John Waldo, 712 S. Ogden-av, leaves for Akron today to compete in the national Soap Box Derby at Derby Downs in Akron.

Driving his racer, "Jack In The Box," he will compete for the top prize of a $5,000 college scholarship and a Chevrolet sedan. The national champion receives a four-year scholarship to the college of his choice. Jack says he'll go to Notre Dame if he wins.

Newsstand Taxes Browsing Readers

Browsing readers who don't buy have become more and more of a problem to a local magazine stand operator.

First he posted a sign that read: "No loitering." Then: "Please do not handle magazines."

Finally: "A charge of 95 cents an hour is required if more magazines are handled than are bought."

Quality Sells Prize Beef

Youth Seriously Hurt In Mound-st Accident

John F. Manley, 17, son of Mr. and Mrs. Andrew F. Manley, 836 S. Terrace-av, was seriously injured Saturday morning when the handlebar on his bicycle hooked onto the door of a car at the intersection of Mound and Sand[illegible]ky-sts, throwing him to the pavement.

His condition is reported as "improving" at Children's Hospital.

Completion Date For New Fire Station Set Back

The completion date for the new city fire station at Sullivant and Brinker-ave has again been set back, according to Chief Strickfadden. He said that "it looks as if the earliest completion date we can expect now is about Oct. 1."

The early Egyptians are said to have been the originators of crap-shooting.

FARM ODDITIES

By CHUCK ACREE OF MBS "MAN ON THE FARM"

WHAT MANNER OF BEASTS CAN THESE BE? ACTUALLY, THEY'RE BOTH POTATOES, THE TOP ONE A SWEET POTATO GROWN ON THE FARM OF ANDY THORNTON, ARKABUTLA, MISSISSIPPI AND THE LOWER ONE A WHITE SPUD GROWN BY A PLANTER OF COFFEYVILLE, KANSAS. THEY WERE DUG UP DURING A TIME INTERVAL OF A LITTLE OVER A YEAR APART.

"SMALL BUSINESS"
BY C. WILSON HARDER

Cheaper prices has long been the battle cry of those who seek to justify monopolies in this country.

* * *

The argument has been that if only a few big companies have the business, they can give the public a cheaper and better service. This has been disproved many times, but so often the proof is of necessity so wrapped up in technical factors that the full significance escapes the general public.

C. W. Harder

* * *

However, the investigation by Sen. John Sparkman's Senate Small Business Committee into certain actions of the Civil Aeronautics Board to eliminate all but the very large air transport corporations, brings out in a crystal clear detail that all too often the big operator is the inefficient operator, with resulting loss to both the consumer and the taxpayer.

* * *

The CAB so far at least, has the power to limit the operations of any airline. This bureau has consistently classified airlines that operate without government mail subsidies, and at fares half the price of the Big Airlines, and which still show a profit, as irregular airlines.

* * *

This has caused many a Washington observer to comment:

* * *

"This shows the decay of bureaucratic thinking. Now any business that makes money while offering the public a lower price, without favors from the U. S. Treasury is irregular."

* * *

The Big Airlines operate on a fare of 6 cents per mile, plus millions of dollars in mail subsidies.

©National Federation of Independent Business

But a so-called irregular line operating 4 planes between San Francisco and Los Angeles, carries passengers for 3 cents per mile. Audits show the independent company makes a profit of $160,000 per year.

* * *

This same company, California Central, would like to expand flights across the country with the 3 cent fare.

* * *

But the CAB will not permit them to cross a state line.

* * *

Air Transport Associates, operating from Seattle to Alaska, has cut freight rates to Anchorage, Alaska from 68 cents per pound to as low as 15 cents per pound; passenger fares from $180 to $60.

* * *

The CAB finds this is quite irregular, too.

* * *

American Air Transport has lowered fares between New York and Miami. Businessmen can afford 3 buying trips a year to New York instead of one.

* * *

This is also irregular, and the CAB wants to stop people from getting low cost fares.

* * *

Recently, on two consecutive months, national magazines ran articles warning that irregular lines are unsafe. Accident records do not back this up.

* * *

But when Senate Small Business Committee invited authors and editors of these articles to appear, they declined.

* * *

Every businessman should analyze his own business carefully. If the business is making money, paying taxes, offering the public a lower price, and at the same time keeping in operation without benefit of government subsidies, the business should feel fortunate.

* * *

But don't be surprised if some bureau doesn't condemn the business as irregular. It would be irregular in Russia too.

UP-TOWN DOWN-TOWN
NEW YORK VIGNETTE . . . by John Skinner

BACK WHEN: Once upon a time New York City's Broadway was a stage coach road, as most of you know, and the famed Greenwich Village section of the city was indeed a village, to which persons living on lower Manhattan Island fled, if they could afford it, on four separate occasions to avoid the ravages of disease, spreading in the congested areas which were then on the lower tip of Manhattan Island only. In between it all was farm and swampland, and in retrospect, it's interesting to note that in its more than 350 square miles, very little farming (this doesn't count the soil tilling people do just for their families) of a professional nature is done at all. However, in the northeast Bronx, there are still thriving acres which would bring acclaim from men of the soil in other portions of the country. One fellow, for example, who was displaced from his first Bronx farm because of a new housing development, now has one approximately the size of a full city block.

TWAS EVER THUS: If any of you youngsters are of the impression that elaborate practical jokes are something new, steer clear of Lon Clark, the "Nick Carter, Master Detective" of MBS radio fame, for Lon has discovered, in his search for the unusual about this metropolis, a very special one perpetrated in 1824. From Port of New York Authority information, he relates the story of two wags — Lesler and De Voe—who managed to convince credulous inhabitants of NYC that the lower portion of Manhattan Island was top-heavy and might "break off and sink into the harbor." So, instead of permitting this to happen, it was suggested that this peninsula, on which was located the famous Battery, be sawed off and floated for anchorage to the mainland. "They had a complete plan," the report goes. "Twenty saws, 100 feet long with three-foot teeth were to be fashioned, each to be manned by 50 workers; 24 oars 250 feet long were to be mounted on great oarlocks along the Hudson and East River shores, each to be manned by 100 husky oarsmen." Lumber and foodstuffs were gathered and shipped to the area by gullible contractors, as over 300 persons applied for jobs on the project. On the day the project was to begin, a fife and drum corps and 500 persons showed up. Where were Lozier and De Voe? In Brooklyn, for the time being, and understandably so.

BACK AND FORTH: Good thing the Brooklyn Dodgers didn't exist in the 1790's. That's the observation of Mel Allen, who admires the club as much as he does any other major league ball team. It's merely that in that era New York City and Brooklyn, then under separate governments, were constantly squabbling about ferry rights. One case in point was that of Gabriel Furman, New York alderman who, according to accounts, was so supercilious in his manner toward the ferrymen that, when, after making the crossing from Brooklyn, he ordered them imprisoned when one of them threatened him with his boat hook. That fellow was not only put in the jug, but was sentenced to twenty lashes and two months at hard labor.

Slippery Roadways Cause Another Accident

Wet and slippery roadways caused by rain were blamed as one of the causes of this accident, which occurred on Rome-Hilliards-rd at about 9 p. m. Monday. The car above, driven by J. F. Means of Hilliards, was forced to break sharply to avoid another crowding car. The newly blacktopped roadway, slick from the rains, hurled Means' car into the ditch with the resulting damage as pictured.

Floyd Green Wins In Write-In Campaign

Former Mayor Is Victor In Unusual Primary Race

Hilltopper and former Republican Mayor Floyd F. Green, 3046 Crescent-dr Tuesday in one of Columbus' most unorthodox elections ever staged wherein there were several write-in candidates, became the No. 1 challenger for the city's top political post by defeating Herbert Dailey, 615 Belvidere-av, another popular Hilltopper.

Green, by virtue of this write-in victory, will face current Mayor James Rhodes in the Nov. 6 elections. Rhodes is seeking his third sucessive term as mayor and as the only man whose name appeared on the non-partisan ballot in Tuesday's primary garnered 14,086 votes.

Green in his bid as a write-in candidate gathered in 3,951 votes with his nearest rival in the balloting being veteran Democratic wheelhorse Herbert W. Dailey with 2710 ballots. According to the Board of Elections this was the unofficial vote as turned in by the city's 484 voting precincts.

His victory in Tuesday's balloting gave Green his first opportunity to oppose current Mayor James A. Rhodes in a general election. In previous primaries Rhodes had edged him out of the mayoralty picture along with former Sheriff Jacob Sandusky and later by Dailey.

Green today expressed his pleasure at having been given the opportunity to oppose Rhodes in a general election and was profuse in his thanks to those who had aided him in his campaign.

While Green was winning his unprecedented write-in campaign, other Hilltoppers, Pearl W. Spence, 359 Columbian-av, and Robert R. Rae, 2139 Sullivant-av, both squared off for the battle for Clerk of Municipal Court in the November election. Spence the current incumbent racked up the largest vote of the day with a total of 16,725 while Rae as a write-in candidate garnered 965 votes to place himself on the November ballot.

A summary of Tuesday's primary for all 484 precincts is as follows:

He is survived by his wife, a son, William, Jr., employed at The Hilltop Record; two grandsons, a brother, Dewey, at Newark; three sisters, Helen Sahr at Portsmouth, Va.; Mayme Willey, Marne, O., and Bettie Walrath, Ashtabula, O.

His was a veteran of World War I. He had been employed at Evans and Swartz Shoe Co., and formerly was in business at Greve City.

Grove City Band Plans Busy Week

Grove City High School will have two events this week sponsored by the band. On Thursday tryouts will be held for positions of drum major and twirler, with Lloyd Gaetz as head judge. The band will play a short concert at 8 p. m.

Friday evening the band sponsors a "full moon dance," round and square, at the high school from 8:30 to midnight. The band uniform committee, with Mrs. Earl Verity as chairman, will have refreshment concessions.

Crowds Throng Hilliards Fairgrounds On Opening Day of 38th Annual Fair

This was the scene presented from atop the high Ferris Wheel on the midway of the Hilliards fairgrounds on Monday just prior to the opening of Franklin County's 33rd Annual Fair. Note that the entire midway has now been surface treated with a coating of black top for its entire length.

Hilltop Day Set For The Friday Afternoon Event

Tuesday marked the opening of the 38th of Franklin County's agricultural expositions at Hilliards as crowds 50% greater than last year's opener thronged to the fairgrounds to witness judging of Open Class Beef Cattle, Junior Fair Swine, Sheep and Cattle. FFA Chapters and 4-H Clubs, too, came in for their share of opening day honors with the judging of many gardening exhibits in the Junior Fair Building.

Main highlight on the fair agenda for Wednesday was the crowning of a Junior Fair Queen from candidates named by FFA and 4-H Club groups. This event was scheduled to take place in front of the grandstand and to precede the style show as one of the afternoon's festivities. Judging of livestock in several different classes was also on the agenda for the second day of the fair, as was a horse show for the evening activities.

Speed Committees were working at a feverish pitch earlier in the week lining up the multitude of entries being made for the horse races scheduled for Thursday afternoon. The evening program likewise lists horse races as one of the the main events for the fast oval track.

Hilltop Day under the sponsorship of the Hilltop Kiwanis Club is scheduled for Friday with a picnic lunch being served and other events as yet unannounced to round out the day for the Kiwanians and folk from the Hilltop area.

On Friday too the kiddies from the Franklin County Children's Home will have their day at the fair as the guests of the Franklin County Agricultural Society. The youngsters will be admitted free to the fair grounds and also enjoy rides on the many concessions free of charge.

Kenneth Love and Bill Carl, ice cream booth operators at the fair, will donate ice cream to the children of the Home.

On tap for Friday is the livestock and machinery parade in front of the grandstand at 1 p. m. as one of the highlights of the day which will also see livestock judging and night horse racing round out the day's activities.

Johnson Bids For Franklin Twp. Trustee

Edward O. Johnson

Filing this past week for position of Franklin-twp trustee was Edward O. Johnson, 677 N. Hague-av, for 30 years a resident of the Hilltop area and current incumbent by virtue of appointment as trustee one and a half years ago.

In filing of his candidacy this past week, for election on Nov. 6, Johnson is making his first bid for election to public office. He has been serving out the unexpired term of L. W. Hendershot who resigned the post because of ill health.

Earlier Johnson had indicated that he might not seek election to the post but his intense desire to carry out to completion the township's fire protection program and plans for road improvements caused him to reconsider and become a candidate for the November election.

Johnson is 38 years of age, married and the father of three boys, Ned, Denny and Paul. He formerly attended West High School and Ohio State University. He is currently engaged in the insurance business.

He was formerly with the inspection bureau as fire protection engineer and plant security inspector with the government during World War II. Active in Boy Scout work, Johnson is also a member of the Hilltop Kiwanis Club and the Toastmaster's Club.

Many Candidates File For Offices In Townships

An even 100 potential office holders have filed petitions with the Franklin County Board of Elections to have their names entered on the ballot in November, so they might enter the race for local offices.

However, the election board officials declared that the 100 would be mighty lucky if all of them were placed on the ballot, since some of the petitions handed in for the campaigners are questioned. Decisions on their eligibility will be made early next week.

Another unusual feature of the local political scene is that no candidate has filed for any of the various public elective offices in New Rome. Offices in Rome include mayor, clerk, treasurer, council, and board of public affairs.

Brown Township

Candidates for township trustees are Harry B. Ingalls and Christie Weber; for clerk, H. C. Huggett and John H. Walker; unopposed for constable, Albert Price; for board of education vacancies, Paul R. Elfrink, Donald Bynner, James R. Pendleton, and Archie Stump.

Franklin Township

Trustee, Edward O. Johnson, John W. Guy; clerk, Paul Wichterman; justice of peace, Walter S. Jones, Sr.; constable, Russell V. Alter, John L. Quelette; board of education, Robert A. Jahn, E. O. Cline.

Commissioners To Hold Rezoning Hearings Sept. 14

Franklin County Commissioners will hold the rezoning hearing on the 76-acre plot at Demorest and Sullivant-avs at 10 a. m. on Sept. 14 in their office in the county court house.

Two weeks ago the Camp Chase Civic Association won a round in their battle to keep low cost housing out of the area when the Regional Planning Commission acted, passing the petition approving building only under the classification of 1-R-8, which calls for a 70-foot lot.

C. H. Campbell Named By HBA As Secretary

C. H. Campbell

Announcement of the appointment of C. H. Campbell, 91 S. Westmoor-av, as full time secretary of the Hilltop Business Association, was made by the association executive committee Tuesday.

Campbell will take over the duties of the present secretary, Jack Morris, who is being called back for military service with the Army about Sept. 1.

Morris has held the position since the association opened its offices about April, 1950. Since that time the sales tax and motor vehicle license agency has been taken over by the association.

Campbell will take over his new position on Sept. 15. He was formerly a member of the association when in the drug business on the Hilltop until last year, and was for many years part-time secretary of the HBA.

Hilltop Soldier Is Reported As Wounded

George Weaver, 257 N. Sylvan-av, and Mrs. Violet Weaver, 962 E. Whittier-st, Monday, were notified by the Department of Defense that their son, Pfc. Lawrence L. Weaver, aged 20, has been wounded in the Korean War.

A letter from the Hilltop soldier reported that he was wounded in the back and leg on July 24. He formerly was an employe of Mills "18" Restaurant and entered the Army on July 9, 1950. He trained at Ft. Knox, Ky.

Skidmore School Vandals Damage Set At $1000

Members of the newly formed Skidmore Lions Club discovered damage amounting to more than $1,000 inflicted by vandals on the Skidmore Elementary School, when the went to the building last Thursday to prepare for an ice cream social held last week.

The club members who discovered the damage were Lawrence Judson, 1155 N. Hague-av; William Smith, 2010 Paso-av, and H. W. Patterson, 1001 N. Hague-av.

Sheriff's office reported that glass had been smashed in about 60 windows in the rear of the building. The vandals evidently entered the building by smashing a pane of glass in a door. They ransacked desks, splattered ink on the walls and floors of the rooms, reeked damage on a piano and battered furniture and cabinets.

Sheriff's Sgt. Paul Stormont said that he believed that the destruction was wrought by juveniles. He said they attempted to break into the kitchen, but were either frightened away or failed.

He reported that a building just south of the school had also been ransacked and clothing and mimeo materials stored by the PTA for a sale was strew about the floor.

Water System Hearings Set For Aug. 23

The Franklin County Commissioners will hold a hearing on Aug. 23, at 10 a. m. on a $115,000 water main project on the Hilltop.

The project, an extensive system of mains in the Trabue-rd, Hague and McKinley-avs area, was proposed in a resolution offered the commissioners in a meeting held on Aug. 3.

It includes:

A six-inch main in McKinley-av from Trabue-rd southeast for 540 feet; an eight-inch main in Trabue-rd from McKinley-av west to 1,400 feet west of N. Hague-av; a six-inch main in Britton-av from N. Hague-av west to the end of the street; and eight-inch main in N. Hague-av north from the end of the existing water main to Trabue-rd; and a 12-inch main from Fisher-rd from Hague-av to Wilmer-rd.

Founder Of The Hilltop Record Still Active In Printing Trade

S. J. Westlake

Founder of The Hilltop Record, S. J. Westlake, on Aug. 10, 1881, while still a boy of nearly 14 years of age, first dirtied up his hands with printer's ink and during the span of three score and ten years has kept constantly at the trade. Last Friday he completed 70 years in the printing industry and still remains active, being employed today as a typesetter for the Columbus Pharmacal Co.

August also has another important date for the aging printer. The 24th day of this month will mark his 84th birthday, which he will spend in all probability before a type case.

Westlake and his wife, for many years Hilltop residents, now live at Charminel Hotel.

Westlake said today that "when and if I retire, we will make our home with our daughter and son-in-law at Gallipolis.

Flowers of the Week

A nice Rosebud Floral bouquet to Harold Hart, president of the Franklin County Fair Board, for the special effort he has put forth to make the fair a big success this year. Harold is a hard worker and gets things done. He deserves a big hand from the community. The flowers will be presented on Hilltop Day at the fair this Friday.

Cool Off With This One Dept.: Dr. R. J. Miller sends us a clipping from the North Bay, Ontario, "Daily Nugget" which describes the weather up that way as follows:

"Tourist resort operators in the North Bay area jumped out of bed, jumped into their woolies and hurried out into the cold grey dawn at an extra early hour this morning.

Reason? It was so cold last night that they thought the lake would be frozen and they wanted to break the ice before the tourists got up and saw it.

"Actually it wasn't quite as bad as that—lowest official temperature recorded last night was at the North Bay airport, where the mercury dropped to 33 degrees, one point above freezing."

Doc reports he spent most of the night stoking pine logs into the fireplace.

Snider Property Is Target Of Vandals; Several Teen-Agers Cause $600 Damage

Several teen-agers ranging from 11 to 15 years of age were in the toils of the law during this past week as a result of the vandalism as pictured above at the residence on the Snider property, Demorest-rd and Sullivant-av. Four youths were apprehended in the building last Friday by sheriff's deputies and hailed into juvenile court.

Mrs. Alfred Snider, 98 E. North Broadway, said this week that damage to the property was nearly $600 to the house and barn also on the land. Parents of the arrested youths have agreed to make restitution for the damage.

Every window pane in the residence had been broken out, light fixtures ripped out, doors and locks smashed and debris scattered throughout the entire house.

W. J. Mock of Briggsdale is shown above as he placed steel sheeting over the window surfaces to prevent further vandalism at the Snider property on Demorest-rd.

Editors Fight Socialized Medicine

Last spring, the National Editorial Association held a convention in New York. A resolution was offered which read, in part: "Whereas we believe that an outstanding contribution, during the past year, to the cause of individual freedom and the maintenance of our American way of life has been the nation-wide campaign by the American medical profession in behalf of freedom for both physicians and the cause of political freedom, therefore be it resolved that we do publicly commend the doctors of our country for their enlightened contribution to the American way of life . . . ."

This resolution was passed without a single dissenting vote.

It is to the credit of the newspaper fraternity that the great bulk of our papers, and most especially the smaller papers, have been leaders in the fight against socialized medicine and government-controlled or influenced medicine. This was done as a matter of principle—not because of any particular personal worry as to the welfare of the doctors. The typical editor knows full well that socialized medicine would be a long step toward the totally socialized state. And he knows that it would inevitably result in a sharp decline in the standards of medical service, especially in the all-important fields of research and preventive medicine. The experience of England has proven this.

Even the proponents of the compulsory government health insurance scheme admit that it has no chance to get through Congress now. But that should not lull the people into apathy. The bill will be brought back—again and again and again. And it need only pass once to start the destruction of free medicine as we know it. Any socialistic measure must be beaten every time, without fail. The fine old saying, "Eternal vigilance is the price of liberty," and was never more valid than at present.

Still Waste As Usual

Only the strongest kind of public pressure can force the government to economize. That is the theme of a striking article by Stanley High in The Reader's Digest, called "In Washington It's Waste As Usual."

Mr. High shows how our money is being dissipated on unnecessary projects of a thousand and one kinds, and says: "Lately there has been a notable increase in mail from constituents—making sharp demands for economy on the part of Congress. These demands have already strengthened the efforts of Congressmen who believe with Senator Byrd that 'our strength and preparedness in all respects depend upon reduction in non-essential spending.'

"But there will be no adequate reductions unless pressure from the people is greatly increased. To add to that pressure without delay, is I believe, an obligation upon every patriotic American."

The increase in government spending, which has no connection whatsoever with our military preparedness, has been incredible. The Department of Commerce's 1950 budget showed a 1049 per cent increase over its 1940 budget. The Department of Labor spent 1283 per cent more in 1950 than in 1940. The State Department spent 1634 per cent more. So it goes, all down the line. Soon, Mr. High writes, "The army of U. S. Government civilian employes will be nearly as big as the combined total of all the men in the Army, Navy, Air Force and Marines as of last spring.

What are you—as a voter, citizen and taxpayer—going to do about it?

"SMALL BUSINESS"

By C. WILSON HARDER

Tragedy is not always sudden death. Often tragedy is a withered spirit. Such tragedy was written in Washington when aging Gen. Marshall advised Congress that the World Plan for Futility that bears his distinguished name, should be given approximately twice as many billions as already squandered.

* * *

The tragedy is that long before he spoke, William Foster, head administrator of the Marshall Plan stated the plan has not accomplished the purpose for which billions were taken from American taxpayers.

C. W. Harder

* * *

European industrial production is today, thanks to billions of dollars of American gifts, is at history's highest level.

* * *

Yet, the plain citizen of Europe is little, if any, better off. If people succumb to communism because of lack of material means, then Joe Stalin has won the battle. All he has to do is wait until Americans are bankrupt, thus unable to make any more gifts to Europe, and move in without spending a ruble.

* * *

Foster highlighted the problem saying it is impossible for the average man in Europe to be much better off unless European monopoly system ends.

* * *

European businessmen, he stated, do not produce to provide more jobs, lower prices. They combine to set prices, hold down production, and in all ways conspire to keep out competition.

* * *

In Europe this system is legal. In America it is not legal even though practiced. Marshall Plan gifts have aided enormously the big European trusts. Many of the millions have gone directly to the big steel monopolies of France and other nations.

* * *

Obviously, when American bureaucrats consistently fail to enforce this nation's anti-trust laws, they are notoriously unable to tell European nations the evil of monopoly.

* * *

So the end will be the same.

* * *

Regardless of whether American taxpayers are assessed 35 billion, 50 billion, or 500 billion to increase and carry on the Marshall Plan, the evil remains.

* * *

Blackmail is an ugly word. Yet it is the only term that fits many Marshall Plan gifts.

* * *

For example, ECA Bulletin No. 2 announces Tito's Yugoslavia has just been given another $5,707,000 worth of iron, steel, aluminum, tinplate and other scarce materials, for a total allocation to date of more than 27 million dollars.

* * *

No one disputes that Tito's Yugoslavia is as communistic as any country can ever be. The only difference is that Tito and Joe are presently not on speaking terms. As long as Tito can fleece the American taxpayers by not speaking to him, Joe probably feels silence is golden.

* * *

Over a hundred years ago, when the nation had a tiny navy, the answer to another gang of pirates, located on the Barbary Coast was "Millions for defense, but not one cent for tribute."

* * *

And there's the tragedy of America in 1951.

* * *

Today, monopolies and many in government would rather bankrupt the entire nation, destroy the entire American system, pile on tax after tax, commit American lives, than go back to the basic fundamentals which made the nation great.

Letters To The Editor

This newspaper invites letters from its readers on subject of timely interest. All letters, however, must be not more than 400 words in length and all must be signed by the writer. The writer's name will be omitted if requested.

Your editorial in last week's Record of the Four Mile House by Mr. Slyh. I will have to differ with him on the location. It was located at Chase-av and W. Broad, almost on the exact location of the A & P Supermarket. Chase-av was a driveway running along the East side of the house to a large orchard in the rear. My family lived in the home at the time it was sold to be laid out in the present addition which was in the spring of 1912. We were getting ready to move at the time of the flood. I have a picture of the house taken in 1912, the same view as Mr. Slyh's but plainer. My father, mother, aunt and two cousins are on the porch.

While living there many Civil War vetgrans would stop to get a drink of water from the well located in the front yard. One veteran told us of being in the tavern at the bar when Confederate soldiers started shooting at the place. He showed us a bullet hole in the siding that went completely into the bar. The house had 18 rooms, five is the brick part and 13 in the frame. The living room was 20x30 feet. Well I remember that because I had to help sew carpet rags to make a carpet. Those days we still used the old rag carpets. The orchard located in the rear of the house had many varieties of apples from early summer until late fall. I remember one year my dad made 15 barrels of cider, besides we made 32 gallons of apple butter, the kind you cook from daybreak until midnight, and you almost have to slice with a knife. I also have two snapshot pictures of the first picnic sponsored by the Hilltop Business Men's Association at Buckeye Lake. One is of the band, the other of the crowd waiting for the Interurban cars that were chartered for the picnic, at Hague and Broad.

Thanking you for your time of reading this letter. My father was Charles Meyers.

I am Mrs. Henry G. Pfeifer (Cora Meyers), 91 N. Wheatland-av, Ra. 8080.

J. Yerian Returns To Radio Station

Jim Yerian

WBNS has announced the appointment of Jim Yerian as promotion director. He will supervise and administer sales and program promotion, a new merchandising service and the kindred public relations for the station.

Yerian is no newcomer to the radio field, having started his career in 1930 with WCAH, predecessor to WBNS, as an announcer. After creating and developing a successful promotion department for WBNS he duplicated his performance for WELD-FM. Leaving his position in 1947 to form the Jim Yerian Advertising Agency, he has lately been occupied as public relations and personnel director for Ross Cleaners.

Conservation Club Plans Annual Picnic

The annual family kermel picnic of the Hilltop Conservation Club will be held Sunday, Aug. 19, at the club grounds located on Biggert-rd at Big Darby Creek. The public is cordially invited to attend.

Playgrounds for children will be open and a full day of contests has been planned; with prizes to all winners. $100 in cash as well as merchandise prizes will be given.

The club grounds may be reached from State Route 665, about two miles west of Darbyvale.

Kiwanis To Hear Newest Members

The Kiwanis program this week will deviate somewhat from the usual pattern. With Vice-President Harold Fox acting as chairman for the day, the program will center around the seven newest members of the Hilltop Kiwanis Club.

The meeting has been planned to give each of the new members a chance to present a short autobiography in order that the club may become better acquainted with these newest additions. The new members who will be presented include Otis Anderson, Harry Parker, Ray McVay, Jr., Bob Miller, John Kirkpatrick, Charles Preston and Howard Lloyd.

Although classed as new members, these men have been associated with the Hilltop Kiwanis for periods varying from two to six months and have proved themselves capable and willing to assume the responsibilities of Kiwanis.

Golden Wedding Celebrated By J. E. Joneses

An unplanned and unrehearsed but "very pleasant" golden wedding anniversary was celebrated by Mr. and Mrs. John E. Jones, 569 Hillsonia-av, on Aug. 2, when friends and neighbors called on them throughout the day.

The couple was married 50 years ago in Chillicothe by Dr Henry W. Biggs. Mrs. Jones' maiden name was Lottie Henness, before she married her friend of school days.

Neighbors and members of the West Park Avenue Methodist Church dropped in throughout the day with bouquets and Mrs. Schulze, mother of the owner of Schulze IGA Market, brought the couple a three-tiered cake.

Mr. Jones was born in Clarksburg, O., in 1880, and Mrs. Jones in Seymour, Ill in 1882. They have lived on the Hilltop for 21 years.

The couple have two children, a son, Dr. Frank H. Jones of Columbus, and a daughter, Mrs. Ed Wiernasz of Hammond, Ind.

ESTHER WEAKLEY

MOTHER OF THE BRIDE

A girl's room, ivory and blue,
A desk—notepaper—pen—
Upon a chair a silken scarf,
A slipper bow; and then
Through open closet door is seen
A long white satin gown,
A veil of precious lace beneath
An orange-blossom crown.

The casement windows facing west
Have been thrown wide; the sun
Shines in, its fading crimson rays
Softly caressing one
Who sits there in the quiet room
Of ivory and blue;
The guests have gone—the silent house
Seems to be resting too.

Across her knee she smooths a crumpled
Handkerchief of lace,
Beside it lies a snowy glove,
One finger ripped; her face,
Her eyes are tender,
Beneath her soft dark hair;
The sun sinks low—the friendly dusk
Finds her still sitting there.

(Am sure Mamie will be glad to have this poem dedicated to Mrs. John F. Jones, Judy's mother.)

If I could wave a magic wand and make wishes come true, I'd wish that all boys could have the kind of mother-in-law that Judy Jones' husband will have. If he doesn't know it, Judy's mother is the ideal mother OR mother-in-law. She (Mrs. Jones) tells me that Joann Heischman will dress Judy for her wedding. Joann is in the Bride's Shop at The Union. She sang beautifully at my lone chick's wedding. I've had the pleasant privilege of watching Judy and Joann grow up into sweet and very pretty young ladies; their mothers have been my good friends for longer than we'll tell.

Many singers have sung "May The Good Lord Bless and Keep You," but none has ever sung it more sincerely and effectively than Blanche Meachum ("Dad and Blanche," WTVN) when she sang it last week without rehearsal, music or words. In my opinion a song of that kind should not be sung to be sung by a mother as she rocks her baby or rolls pie dough or mends socks. Since the power of WTVN has been increased, the Dad and Blanche show will give more pleasure to more people. Their singing of Bert Stille's latest song "An Old-Fashioned Promise"—is fine too. Bert is at WHKC; he and his family live at 1831 Sullivant-av.

Caution is Fear that has said its prayers.'

It is by Karle Wilson Baker."

Hilltopper Says Florida Tourist Gouging Popular

Robert P. Moss, 2447 W. Broad-st, is going to think of another spot for vacationing next year, other than the sunny climes of Florida, from which he recently returned with a party of six. Florida, he claims, might be the land of sweet oranges, etc., but he came away with a distinctly sour taste for the region.

It seems that Moss while driving in Collier County near Naples, Fla., on Aug. 4, suddenly became aware of a deputy sheriff riding alongside his car urging him to pull over. A summons was handed him for reckless operation alleging that he was driving at the rate of 66 miles per hour in a 30 mile zone.

Moss claims that he was placed under arrest and required to post a $25 bond for appearance in court, which the officers knew would be forfeited because he could not stay over for two more days and incur greater expense for the five others who were riding with him. He contends that it is a racket being perpetrated to forcibly extend the stays of tourists.

WCTU Will Meet Friday

The Hilltop WCTU will meet Friday at 1:30 p. m. at the home of Mrs. J. A. Fippin, 218 Whitethorne-av.

Six Injured In Two-Car Wreck

A 25-year-old Bexley mother and her twin sons were injured in a two-car collision at N. Stanwood and King-av, Sunday night.

Mrs. Ruby Cremeans was taken to University Hospital with head and back injuries, left ear lacerations and shock. She was in "fair" condition. Her two sons, Jerald and Garald, 4, received knee and scalp lacerations. They were taken to Children's Hospital. Cremeans, 28, the driver, was uninjured.

The other driver, Peggy Flippo, 18, Evanston, Ill., received a broken right arm. Her sister, Cathy, 12, was treated for a lacerated right knee. A passenger, Linda Garn, 12, also of Evanston, suffered right knee abrasions.

Seiller's Installs Children's Shoe Department Soon

Harry Graham

Harry Graham, known to thousands of radio listeners as "The Foot Counselor," will supervise a beautiful new children's shoe department to be opened at Seiller's, 2404 W. Broad-st, about Sept. 1.

Mr. Graham, a resident of the Hilltop for ten years, lives at 822 Wiltshire-rd, and has been very active in church and school affairs in this community. He has four children, two have graduated from West High School, one is a senior this year and the fourth is just starting in John Burroughs. Graham is unusually well qualified to give the youngsters of this area the finest shoe fitting service obtainable anywhere. He has had 25 years experience as buyer and educational director of a children's shoe department in a well known down town store. For fifteen years his short talks on shoe fitting, foot care and shoes in general were a tri-weekly feature on a local radio station.

For several years he did foot health lecture work for parent-teacher associations, child conservation leagues and before assemblies in schools and colleges. He has made juvenile foot care his hobby.

According to Mr. Graham, two things cause most of the acquired foot disorders among youngsters, first, buying shoes by guess without taking the child to the store to be fitted and second, failure to provide new and longer shoes to accommodate growth.

In the new Seiller's children's shoe department special emphasis will be placed on fitting children with fitting problems, supplying prescription shoes for youngsters referred by pediatricians and orthopedic doctors. Shoes will be provided for babies, school children and teen-age boys and girls in such famous brands as Trim-foot Baby Doer Shoes, Pro-Tec-Tiv Shoes, Willits Fine Shoes, Official Girl Scout Shoes and Gee Pees for boys.

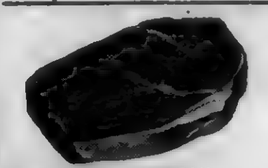
National Caddie Ass'n Tourney Will Be Held Here Next Monday

Columbus becomes the golfing capital of the nation on Aug. 20 with the beginning of the PGA-National Caddie Association's Tournament.

The first event on golfdom's biggest week will be the PGA-National Caddie Association's Celebrity Tournament which will bring nationally famous people from all over the United States into Columbus.

Paced by Television Star Ed Sullivan, and Ohio's Governor Frank J. Lausche, outstanding personalities from the business and entertainment worlds will compete in the tourney, the proceeds of which will be used to send caddies to college.

Among those already slated to attend, besides Sullivan and Lausche, are: Sam Snead, Lawson Little, Jimmy Demaret, Toney Penna, Billy Campbell, Lloyd Mangrum, and Prospero "Army" Giannvito. In addition to this "who's who" of golfdom, others are Don Eagle, Johnny Demchuck, Frankie Talaber, OSU football mentor W. W. "Woody" Hayes, All-American Vic Janowix, and others.



The PGA-National Caddie Association play starts Tuesday, Aug. 21, and is over the Scarlet course at the Ohio State University Golf Club. The national winners in the caddie tourney will receive college scholarships of $1,500, $750, and $500.

New Hilliards Stadium To Seat 1200

Pictured above is the artist's conception of the new stadium proposed for Hilliards High School and for which the Hilliards Boosters, Inc., are now conducting a $12,500 fund raising campaign. The order has already been placed for construction of the concrete and Flexicore stadium, which will have a seating capacity of 1200. Every effort is being exerted by the newly organized association to have the stadium ready for the first home game on Sept. 21.

School Contract For Westgate Building Signed

Construction of the new Westgate Elementary School was assured late last week when materials problems and a contract controversy were solved.

National Production Authority gave the local construction the "green light" by the announcement that the new government ban on scarce materials would not affect the local school.

The general contract, awarded by the Board of Education to A. E. George of the Ang Construction Company was accepted by the latter firm on the last of the 10 days he had to sign. George had threatened not to sign because a non-union firm had been given the electrical contract. By not taking the contract his firm would have had to forfeit a $44,000 performance bond.

HAY FEVER
No Joke!

Going briefly into the causes, symptoms and effect of Hay Fever, we take the summed up opinions of many specialists in this field of medicine.

Hay Fever is not contagious. Over 60 per cent of clinical cases showed a positive hereditary history, but the sensitivity may manifest itself in different ways. A child whose parent had Hay Fever may have hives, eczema, migrane, mucous colitis, Hay Fever or Asthma. They are all different manifestations from the same causes; that is, sensitiveness of the mucous membranes to some pollen, animal effluvia, cosmetics, or food.

Hay Fever is distinguished from colds by absence of fever and the peculiar itching of the mucous membranes of the eyelids, palate and ears. Aside from the intense discomfort and prolonged irritation, nasal congestion, sneezing, exhaustion and sleeplessness, there is danger of prolonged attacks of Hay Fever resulting in chronic obstruction of the sinuses, or Asthma.

According to medical authorities, about 90% of these cases can be tested, treated and immunized against those things to which the patient is sensitive. Your Doctor will be glad to advise you.

Franklin County Home Children Prepare for Move To New Frank-rd Cottages

The 65-90 children at the Franklin County Children's Home on Alum Creek-dr will begin moving next week into the new home now being completed on Frank-rd, one mile east of Briggsdale.

Volunteer groups are being formed among local housewives and church women to greet the youngsters as they come to each of the nine cottages, built to accommodate 176 children.

The 85-acre tract surrounding the cottages includes the nine cottages, an administration building, a medical building and a gymnasium. The construction and land were paid for from a one and one-quarter million dollar bond issue passed by voters in 1945.

TYPICAL COTTAGE — Architect's sketch of one of the fini shed, landscaped cottages designed by Insche Brand & Insche.

Hilliards Man, 72, Overcome In Farmhouse Blaze

Oliver Orhood, 72, was overcome by smoke in his farm home about a mile south of Hilliards on the Rome-Hilliards road early last Thursday.

The fire, which apparently started when an oil stove exploded in the kitchen, swept through the home. Damage was set at more than $1500.

Orhood was rescued from an upstairs bedroom by Albert Shrum, owner of the house, and his son, Edgar.

Hilltop Library Plans Rodeo

The Summer Reading Round-Up at the Hilltop Branch Library will end Wednesday, Aug. 22, from 10 to 11 a. m. with a big rodeo for all the children who are members and for the ones who have been attending the story hours. A puppet show "Trouble in the Guldch" will be given by Michael Schwann, Jerry Ogdin, Paul Kish, and Ronald Compton.

The librarians will give the "Three Wishes" another puppet show of fifteen minutes duration.

Miss Patti Gibson, supervisor of music at Bexley Schools, will entertain the group with songs, games and stories. Mr. Will Collins, librarian, will award the reading club certificates to all who have finished the summer "Reading Round-Up."

Cornelia Calhoun, W. Eugene Tinapple Marriage Announced

Mr. and Mrs. Tinapple

Cornelia Louise Calhoun and W. Eugene Tinapple were united in marriage on June 16 in a double ring ceremony at the Chicago Avenue Church of Christ. Miss Calhoun, daughter of Mrs. Henrietta Calhoun, 133 E. 11th-av, and Mr. Tinapple, son of Mr. and Mrs. W. M. Tinapple, 4464 Fisher-rd, exchanged vows in front of the altar decorated with baskets of varied colored roses and gladioli, under soft lights cast by tapers in two seven-branched candelabra.

In the ceremony performed by the Rev. J. E. Gordon, the former Miss Calhoun was given by her father. She wore a floor-length gown in white silk organza, designed simply with a small round collar, full three-quarter push-up sleeves and tight bodice with small buttons to the waistline. The skirt was full and extended over a hoop. A half cap of illusion trimmed with seed pearls held her fingertip veil of silk illusion. She carried a bouquet of white rosebuds and stephanotis. The center, detachable, she wore on her traveling dress of pink etched nylon.

The matron of honor, Mrs. Verne Lattimer, nee Virginia Brooks, friend of the bride, wore a similar gown in peach and carried a bouquet of purple asters.

Miss Sharon Tinapple, sister of the groom, was maid of honor. She wore a gown of aqua organza over taffeta and carried a bouquet of red rose buds.

Little Patsy Tinapple, flower girl, daughter of Mr. and Mrs. Warren Tinapple, wore a long gown of lavender organdy with a bonnet of same color and carried a miniature bouquet in yellow, similar to the bride's.

Joe Worthen served as best man for Mr. Tinapple. The ushers were William Tinapple and Warren Tinapple, brothers of the groom, Verne Lattimer, and Charles Graul.

Hostesses at the wedding reception, which was held at the church following the ceremony, were Mrs. Joe Worthen, Mrs. Robert Ramsay, Mrs. Richard Searles and Bernice Simpkins.

For her daughter's wedding, Mrs. Calhoun wore a floor length gown of teal blue crepe, with white accessories and wore a corsage of deep pink rose buds. The bridegroom's mother wore a floor length gown of dusty rose with white accessories. Her corsage was of yellow roses.

The couple left soon after the reception on a motor trip through Michigan, Canada, Vermont and New York. On their return they are making their home with the groom's parents until their home is completed at 4460 Fisher-rd.

Guild Athletic Club, Auxiliary To Hold Annual Picnic Sunday

The Guild Athletic Club and its Auxiliary will hold its annual picnic on Sunday, Aug. 19, at Oak Park on Sunbury-rd. This will be an all day and evening affair with contests, games and plenty of refreshments for all.

The highlight of the day includes an exciting Bocci Contest with trophy and cash awards for the winning teams. Teams from all over the city will compete in the "old World" game of bocci.

Free dancing will be held from 9 p. m. to 12 featuring Henry Cincione and his orchestra.

President Charles Melfi, 287 Letchworth-av, has selected Fred Bendetti, 465 E. Gates-st, as chairman and Charles Salvatore, 2430 Farleigh-rd, as co-chairman. They, in turn, asked President Mrs. Tony Rappich, 1217 Oakwood-av, of the Ladies' Auxiliary, to select her committees for that day which include Mrs. Tony Catena, 1306 Westwood-av, tickets; Mrs. Tony Amicon, 1082 Broadview-av, basket; Mrs. Lucian Susi, 817 E. Fifth-av, refreshments; Mrs. Ralph Capuano, 1518 Glenn-av, and Mrs. Mario Macioce, 815 Copeland-rd, publicity.

Laura Mae Hartsook And Sharon Washburn Celebrate Birthdays

A swimming party and picnic, climaxed by a boat ride, was the birthday treat for Laura Mae Hartsook, 13, and Sharon Washburn, 12, last Saturday, Aug. 4. Friends of the girls who accompanied them to Shawnee Swimming Pool were Alice Andes, Nina Griffith, Zianne Pospichel, Jo Ann Burroughs and Judy Edwards.

The two birthday day girls, members of Pat-Ki-Ga Camp Fire Group, have two other friends, Dora Nan Lynn, 10, and Alice Reese, 13, whose birthdays also fall on Aug. 4, but they were unable to attend.

Benefit Square Dance Planned Next Week

A benefit square dance with folk and round dancing will be given at the K of P Hall, 697 S. High-st, on Aug. 17 from 8 to 12 p. m. Bob Russell will be calling and the event will be sponsored for the Di-Si-Doers of Sullivant Gardens.

The Do-Si-Doers is a group of young people, ages 10 to 26. Most of them at the present time are 12 and 13 years old. Bob taught them square dancing and they are giving exhibition dances. The benefit dance is being given to help finance their costumes and equipment.

Judith Jones, William Masters Exchange Vows

The new Mr. and Mrs. William Masters cut the traditional wedding cake while the bride's attendants, Janet Baker and Marianne Evans, look on.

A traditional white satin wedding gown belonging to her eldest sister was worn by Miss Judith May Jones for her marriage to Mr. William B. Masters on Saturday, Aug. 11, at Glenwood Methodist Church. Rev. Dr. Joseph B. Shellhaas officiated at the afternoon ceremony.

The bride, given in marriage by her father, is the daughter of Mr. and Mrs. John P. Jones, 75 N. Ogden-av. Mr. Masters is the son of Mr. and Mrs. Roy E. Masters, 737 S. Richardson-av.

A long veil designed of imported French lace was chosen by the bride to wear with her gown, which was styled with a sweetheart neckline, fitted bodice and long sleeves tapering to points over the hands. The full skirt extended into a cathedral train. She carried an orchid surrounded by stephanotis and wore an amethyst necklace, a gift of the bridegroom.

The bride's attendants, Miss Janet Baker and Miss Marianne Evans, wore identical gowns of orchid net over taffeta. The formal bodices were complemented by net stoles and the overskirts featured an embroidery of soft sparkles. They wore pearl chokers, gifts of the bride, and carried arrangements of yellow glamellias centered with glad-roses. Mr. William Hawes was best man for Mr. Masters and Mr. William Martin, cousin of the bridegroom from Washington C. H., O., acted as head usher. Seating the guests were Mr. William Woolson and Mr. William Smith.

For her daughter's wedding Mrs. Jones wore a street length dress of mauve crepe with lace trim. Her accessories were grey and her gloves and rosebud corsage were a delicate pink. The bridegroom's mother wore a dress of melon crepe with rhinestone trim, with which she wore black accessories. Her corsage was of white rosebuds.

Hostesses for the reception which followed the ceremony were Miss June Hedrich, Miss Marjorie Swain, Mrs. Willis Anderson, Mrs. James J. Rennie, Mrs. Thomas Tilsley of Cincinnati, O., and the bride's sisters, Mrs. Kenneth Fast of Aurora, Mo., and Mrs. C. Harold Boudeman of near Delavan, Ill.

For their honeymoon trip the bride changed to a suit of dusty rose, with which she wore black accessories and the orchid from her corsage. The new Mrs. Masters is employed by the Hartley Printing and Publishing Co. as Society Editor of The Hilltop Record. Mr. Masters is a material analyst in the purchasing department of North American Aviation, Inc. The couple will make their home at 88 N. Brinker-av.

Belvidere Ave. Couple Become Grandparents Twice In Ten Days

Mr. and Mrs. Robert A. Roederer, 432 Belvidere-av, for the second time within a 10-day period became grandparents. The notice of the birth of the second grandchild came to them on Aug. 10 on the occasion of Mr. Roederer's birthday.

Earlier the Hilltop couple became the proud grandparents to "Robert Dana", son of Mr. and Mrs. Herbert Dana Roederer, 555 Greenlawn-av. The latest notice arrived from Ocola, Fla., where the Roederer's daughter, Mrs. Newton A. Perry (Dorothy Mae Roederer) gave birth to a daughter "Dalee Perry" on Aug. 10.

The newest grandchild is named for Mr. Perry's parents, Dorothy (De) and Lee (lee).

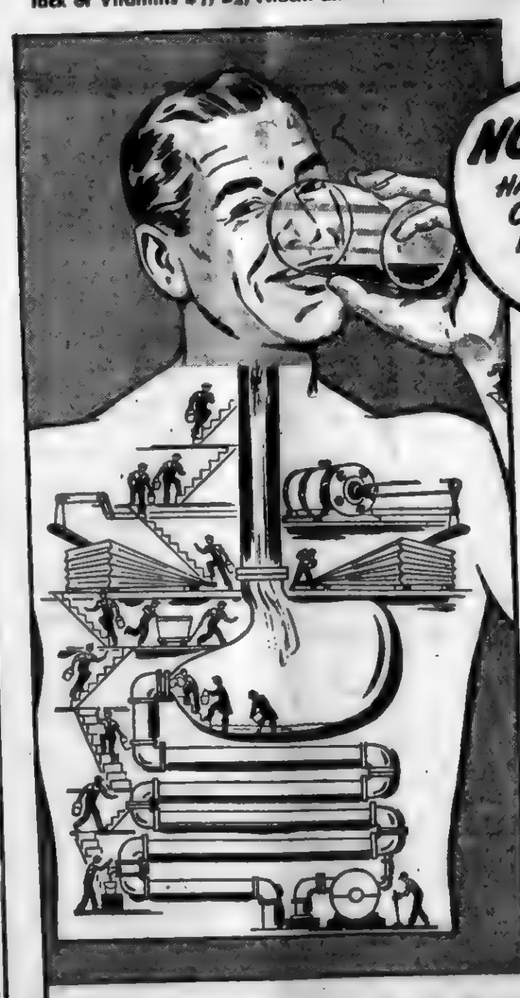
Why Be Distressed After 40?



NAGGING ACHES AND PAINS when due to lack of Vitamins B_1, B_2, Niacin and Iron

INDIGESTION AND HEARTBURN when due to lack of Vitamins B_1, B_2, Niacin and Iron

FATIGUE AND RUNDOWN CONDITION when due to lack of Vitamins B_1, B_2, Niacin and Iron

NO QUESTION ABOUT IT! HADACOL IS ONE VITAMIN AND MINERAL COMPOUND THAT HAS NOW PROVED IT CAN RELIEVE SUCH DISTRESS WHEN DUE TO A LACK OF VITAMINS B_1, B_2, NIACIN AND IRON

SENATOR DUDLEY J. LE BLANC

Hadacol Relieves Nagging Aches and Pains, Poor Appetite, Fatigue, Sleeplessness, Nervousness When Due to a Lack of Vitamins B_1, B_2, Niacin and Iron

Let's face facts. You don't have to put up with annoying aches and pains, a lagging appetite, missed sleep, or nervousness, when they are due to a lack of Vitamins B_1, B_2, Niacin and Iron. For today's great HADACOL contains more than the minimum daily requirements of these very elements to relieve such deficiencies and such possible resulting distresses. You can start facing a new and happier life today . . . just read how these folks have been helped.

Mrs. Daisy Sheckelsworth, Box 82, Baylis, Illinois: "I first heard of HADACOL on a radio program and immediately secured a bottle. I received benefits from this and have continued its use with satisfactory results. I am a widow, aged 70, and living alone. My daily diet must have lacked something. I suffered from weakness and loss of appetite, also a nervous condition. I can truthfully say the use of HADACOL has benefited me greatly and I am glad to recommend it."

Mr. O. C. Powers, Box 183, Durant, Mississippi: "I am a man of eighty years of age and have been active all my life, up until June, 1950. At that time, I began to have aches and pains. My friends kept insisting that I give HADACOL a chance. I took five bottles of HADACOL and on the fifth bottle I began to feel a difference. My appetite began to improve and I began to rest better. After my eighth bottle, I am so happy that I feel good again that I want you and the world to know that I give HADACOL the credit. If necessary I can get dozens of affidavits from the people and neighbors who know what I say is true."

Mrs. Allie Hahn, 611 S. Linden Avenue, Alliance, Ohio: "I could not sleep at night, was so nervous. I am 74 years old now I am sleeping fine. Before taking HADACOL, I would just sleep a couple of hours in a night. The first night after I took HADACOL, I slept very nicely and am getting better every week."

Mr. L. Dee Tittle, 215 Cleveland, Wichita 7, Kansas: "HADACOL has been very helpful to me. I work in a hospital laundry, eight hours a day, and I am on my feet all the time. Before I began taking HADACOL, I would come home just tired, and ache. Since I am now on my second bottle of HADACOL I feel better, eat better, sleep much more soundly than before. Thanks to HADACOL a million times."

Don't be a burden to yourself and to your family . . . give yourself and them a chance. Try HADACOL today on a strict money-back guarantee.

Trial size, only $1.25; large economy, family size only $3.50.

Unknown Body Claimed As Tuttle Rd. Resident's

The body of a man, unidentified for some time, found last Thursday in an abandoned quarry near the Scioto River-rd and south of Dublin-rd, has been claimed as that of Joe Long, 66, of nearby Tuttle-rd. Long has been missing since January, according to sheriff's deputies.

No indications of violence were found and investigators surmised that death was the result of natural causes or freezing.

Funeral services were conducted by the Jerry Spears Funeral Home. Mr. Long has no known survivors.

Woman Killed Attempting To Save Her Pet

The concern of a 67-year-old grandmother for her pet cat caused her death early Sunday in the 4400 block of W. Broad-st.

The victim, identified by sheriff's deputies as Mrs. Mary L. Smith of Parkersburg, W. Va., was visiting her daughter, Mrs. H. L. Phillips, 4401 W. Broad-st.

As she walked across W. Broad-st near her daughter's home with her cat following, she apparently noticed that the pet was in the path of an approaching auto. Concerned with the safety of the cat, she ran back in front of the car and scooped the animal into her arms. She was struck and died instantly, as did her pet—still clasped in her arms.

The driver of the car, identified as Thomas Nealon, 18, 626 Wilson-av, was charged by investigating officer, Sheriff's Lt. Ellsworth Beck, with reckless operation. He pleaded not guilty Monday in the court of Justice of the Peace Clyde E. Wyker and his case was continued until Friday.

First Lt. Robert T. Murnane, 420 Guernsey-av, son of Mr. and Mrs. T. J. Murnane, 2930 Palmetto-st, graduated from the Air University's School of Aviation Medicine at Maxwell Air Base, Ala., recently.

Two By Four Ends Brawl, Puts One In Mt. Carmel

One youth was hospitalized and three are in trouble after a wreck and a brawl near 1897 Little-av, Monday.

The brawl ensued when a car driven by an 18-year-old crashed into the rear of a parked car. Two boys, one its 16-year-old owner, and the other a 17-year-old companion, were repairing the parked car at the time.

The impact of the collision knocked the parked car into a tree. Deputies stated that in the fight that followed, the 18-year-old boy had the best of it until he was hit over the head with a [illegible].

Sheriff's Deputies Homer Tilley and Ben Boice described the 18-year-old as a bully. He was treated at Mt. Carmel and attendants there stated that his condition was fair.

Meanwhile, the two boys repairing the auto, and a 15-year-old girl in the auto of the victim, were ordered to appear in Juvenile Court Tuesday.

Parents of the younger boys said they would file assault and battery charges against the hospitalized youth.

Deputies said a 22-caliber rifle, 410-gauge shotgun and six-inch hunting knife found in the automobile of the 18-year-old were confiscated.

Deputies questioned his parents, who said the youth had the weapons in the car with their approval because "he liked guns and knives." Juvenile officials indicated whole matter probably would be settled with all hands getting a stern lecture.

Hilliards 4-H Clubbers Win Sewing Awards

Three local girls, members of the Lucky Leaf Jr. 4-H Club of Hilliards, won ribbons at the annual demonstration day at Plumb Hall on July 25. Rosanne Wolpert and Nancy Anderson won first place honors in the county, in the junior division, for a team demonstration on how to properly assemble a sewing basket. They each received a blue ribbon and an oversharp pencil.

Sue Lare won second place honors in the junior division and a red ribbon with her "penny pincushion" demonstration. Several local people attended the all-day picnic dinner affair. Mrs. Edwin Meeker of Plain City was a guest of the club.

Mrs. Vernon Tharp and Mrs. Glenn Anderson are the advisers of the Lucky Leaf Jr. 4-H Club.

Wanda Archer Completes Work Camp Mission

Wanda Archer, daughter of Mr. and Mrs. W. J. Hiermer, 1923 Fairmont-av, recently returned from six weeks work in New York City, where she was a part of the New York Work Camp under the auspices of the board of missions and church extension of the Methodist Church.

Miss Archer, a student at Ohio University, was one of a group of 25 who came from 20 states as far north as Maine, south as Florida and west as New Mexico. These work campers, all of whom have had at least two years of college training, worked with the ministers and Christian workers in seven of the city churches in carrying out their summer program and in studying the problems of the city church.

The New York Work Camp was one of five maintained by the Methodist Church this summer. The location of the others were in Mexico, Texas, Kentucky and Cuba. Several summer service programs such as these are sponsored by virtually all of the major Protestant denominations and several interdenominational agencies in the United States.

Such programs are a means of giving students experience in religious education and social work as well as a means of supplementing the forces of full-time Christian workers.

Girl Scouts Hold Court of Awards For Troop 146

By "Pat" Martindale

Camp Clime was the site of a "Scouts Own" and Court of Awards for Girl Scouts from Troop 146 last week. At the close of a three-day camping trip guests and visitors attended a "cookout and pot luck" followed by a "songfest" by Girl Scouts from West High School and St. Mary Magdalene.

Six girls, each with more than five years of scouting, received First Class rank and other badge awards. They were Beverly South, Barbara Brady, Helen Hart, Karen Reber and Judy Banner. Other scouts who received four or more badges were Margie Abrams, Judith Robbins, Sharon Rohr, Barbara Glass and Dorthy Bassler. The girls were accompanied by leaders Mrs. H. C. Booth and Mrs. Frank Brady.

Guests were Mr. and Mrs. Howard Reber and son, Mr. and Mrs. Denver Hart and son, Mrs. Earl Abram, Mrs. Ann Craig, Mrs. P. Cook, Mrs. Lowell Rohr and daughter, Mrs. Walter Glass and daughter, Mrs. Ralph Hunter, Mr. and Mrs. F. Bossler and daughter, Barbara Booth, Mrs. George Allmon, Maxine Allmon, and Girl Scout Troop 203 from St. Mary Magdalene, with leaders, Mrs. Paul Quinn and Mary Sue and Tommy Quinn.

Barbara O'Rorke and Alma Bailey, field directors from the Girl Scout Council, visited the camp on the second day of their outing.

Camp Clime is sponsored by the Hilltop Community Council for Hilltop youth groups.

Looking Ahead

with

J. W. Worrel

There are many hundreds of far-sighted citizens in this district who are proud owners of homes which are being purchased out of current savings. These citizens are wise planners. They set aside so much of their income regularly for savings, for mortgage obligations, for life assurance. Many have completed their program of protection through the Sun Life of Canada by a simple adjustment of their normal budgeting plans which takes care of the mortgage in the event of untimely death of the wage earner. Thus if this tragic circumstance came about, the mortgage could be paid off in full and the family would not lose the home provided for them.

If you are a home owner, just write or call, and I will gladly tell you how the Sun Life of Canada can protect your home.

More Hilltop Students Ready For Ohio State

Two more Hilltop students who have completed their admission requirements for entering Ohio State University next autumn were guests this week of the university, where they took part in the fifth annual pre-college counseling program offered to new enrollees.

While on campus they attended conferences on college life, took aptitude and interest tests, and received counseling.

The pre-college program is offered by the university's occupational opportunities service, directed by Dr. Frank M. Fletcher, Jr., to aid students in developing their educational and vocational plans. Charles M. McClintock, coordinator of counseling and testing, is in charge of the program.

Hilltoppers taking part in the program were Marylou Leech, 442 S. Terrace-av, daughter of Mr. and Mrs. J. B. Leech, and Patricia A. Whalen, 223 S. Terrace-av, daughter of Mr. and Mrs. J. J. Whalen.

Little Leaguers will represent the Westgate League in the city playoffs. Glenwood Center team won this right by winning the league championship with an undefeated season.

Girls' softball teams are playing their warm-up games on Friday evenings in preparation for the city-wide Girls' Softball Tourney. They are sporting new T-shirts with "The Glenwood Queens" insignia across the back. Friday, Aug. 17, they will play Blackburn Playground at 8 p. m. at Glenwood Center.

Don Davis will represent Glenwood Center in the 14-16-year-old class city-wide foul shooting playoffs at Sunshine Park Aug. 16, with Mike Sweeney representing the 9-13-year-old class.

Paul Thompson and Mike Hixon will be Glenwood representatives in the city-wide marble tournament.

Horseshoe tournament was won by Mike Posey with Paul Thompson coming in second in the 15-year-and-under class. Jim Darby won the 16-year-and-under class with Don Davis taking second place.

In the craft classes boys and girls are busy making animal heads and costumes for the final review at Central High School on Aug. 23 at 8 p. m. This review will be one of the most spectacular and colorful events of the year.

Highland Playground News

By Pat Martindale

Mrs. Trigg, supervisor of Highland Playground last week took the following children to the Palace to see "Alice in Wonderland," Carole Sue Wright, Jackie Wright, Bertha Mae and Delmar Chappelear, Kathleene Dvorak, Beverly Anne Wright, Sharon Fields, Irwin Hill, Gilbert Stemm and Shirley Johnson. Everyone enjoyed the show.

Highland Playground presented "The Sleeping Boy" in the Festival Drama at Sunshine Park last Thursday. Those taking part were Billy Bittiche as "The Sleeping Boy", Bertha Mae Chappelear, "Mother," Al Reed, "Father," Shirley Johnson, "Sister," Gilbert Stemm, "Brother," Delma Chappelear, "Dog," Ernie Bittich, "Cat", Kathaleen Dvorak, "The Bird," and the part of the mouse was taken by Sharon Fields. Although their production was not a prize winning one it was very good.

A contestant will be chosen to represent Highland in the Horseshoe Tournament and Foul-shooting Tournament at Sunshine Park on Tuesday.

TO DO YOUR JOB GOOD YOU MUST FEEL WELL!

EUGENE SIPES, Station 1, Box 688, Canyon, Texas, was having trouble keeping his job because he didn't feel well.

HERE IS WHAT HE SAYS:

"I was nervous and irritable, couldn't sleep nights and my employer threatened to fire me if I didn't 'snap out of it.' Then I heard about HADACOL. After taking only two bottles, I began to notice a difference. That was a month ago. Yesterday my boss said that I did my job so good that I was due for a promotion. Thanks to HADACOL."

HADACOL Relieves Nagging Aches and Pains, Stomach Distress, Poor Appetite, Weak, Run-Down Condition and Nervousness When Caused by Lack of Vitamins B_1, B_2, Niacin and Iron.

When folks don't feel good, everything seems to go wrong. Little problems become big ones. Their work seems more difficult whatever their job . . . housework, office work, farming, etc. Nothing is right. If this is your problem and your condition—nagging aches and pains, stomach distress, poor appetite, weak, run-down condition and nervousness due to lack of Vitamins B_1, B_2, Niacin and Iron—is pulling you down, making your work seem like drudgery, then you owe it to yourself to try today's great HADACOL. For HADACOL was formulated to help overcome these deficiency-caused ailments, and continuous use of HADACOL will help prevent these ailments from returning. Thousands of letters have been received from happy HADACOL users telling how this fine family formula has helped them. Shown below are just a few of these reports.

HADACOL RELIEVES NAGGING ACHES AND PAINS, STOMACH DISTRESS, POOR APPETITE, WEAK, RUN-DOWN CONDITION AND NERVOUSNESS WHEN CAUSED BY LACK OF VITAMINS B_1, B_2, NIACIN AND IRON.

WILLIAM J. DUNLAP, *4404 Frear, Apt. 2, Detroit 10, Mich.*: "Along with the pains I suffered, my body had a tired, worn-out feeling. I had to force myself to keep going. I read about HADACOL and decided to give it a try. Am now on my fifth bottle, and would not be without an ample supply. My first bottle gave me astonishing relief, and at this time of writing, I feel better, without a pain or ache. Am a dairy employee, 54 years old. Veteran of two world wars. I have given your HADACOL every praise to friends and relatives, and know some are using it with just as astonishing results as I myself have found."

MRS. D. C. HINTON, *Route 1, Farmerville, Louisiana*: "I am 46 years of age. For a while, I have not even felt like doing my housework. I would have bad spells of pain. I was so tired, I didn't think I would feel rested again. Some friend of mine told me about HADACOL, so I decided to try it. Now, I have started on my third bottle of it. After I took the second bottle, I could tell it was helping me. I started feeling lots better. My pains are nearly gone. I will truly say I am going to take my HADACOL just as long as they sell it. I tell all of my friends about it."

NORMAN CHRISTOPHER, *2344 Cumberland, Houston, Tex.*: "After I got out of the Army when the war was over I was underweight, nervous, couldn't sleep and had a time getting food to agree with me. I could never eat breakfast—imagine, have to wait until noon before eating your first meal of the day. Even then just a few mouthfuls of food would fill me up. At night I couldn't sleep—I would just roll and toss all night. After the third bottle of HADACOL I could tell a difference in my eating and sleeping habits. Now after a year's time of taking HADACOL I have gained almost twenty pounds. I sleep well—and the most wonderful thing, I can enjoy three full meals a day."

HADACOL is so economical. Trial size only $1.25. Large Family Economy size, $3.50.

MRS. ERNEST JOHNSON, *Jacksboro, Tennessee*: "I am writing you to tell what HADACOL has done for me. I have suffered with stomach distress for quite some time, and I was very nervous. Since I started taking HADACOL I eat anything I want. I sleep like a child—something that I hadn't done for some time. I am the mother of five children. I am 48 years of age, and I feel better than I have for years."

HADACOL is America's favorite family formula.

MRS. FRANK P. MARTINO, *5524 Wickfield Dr., Apt. B., New Orleans, La.*: "I am a housewife, age 27, taking care of my baby who is three and a half years old. I wasn't able to take care of my baby and do my work at the same time. I was always feeling run-down, and very nervous until I tried taking HADACOL. Well, believe me I have only been taking it for two and a half months and have experienced a wonderful change for the better. I don't feel nervous, or run-down any more. I feel and eat a lot better. Thanks to HADACOL."

MRS. ANNE FRANKS, *434 West Seven St., Newport, Ky.*: "As a constant user of HADACOL—am on my fourth bottle—would not hesitate to acclaim it the best. I was so run-down, I could hardly do my work. And that is important as I do a man's job in a shoe factory. I felt that I did not have enough energy to lift my hands. I felt so let down everything annoyed me. But, since I've taken my first bottle, I've been helped so much that now I'm up and ready and anxious to get my work done and am not tired but able to do my housework. I cannot praise HADACOL and its makers enough."

MRS. LETHA FITZPATRICK, *401 E. Elm St., Scottsville, Ky.*: "I couldn't sleep. I didn't have any appetite. Then I heard and read about HADACOL and what it had done for others. I decided to give it a trial. I have taken several bottles and I can truthfully say it has really helped me. I feel so much better, I have a lot more strength. I can eat now and I'm gaining weight. I do my work, work in my flowers, also in the garden. Now I'm putting up my fruit and vegetables. I can't thank HADACOL enough for what it's done for me."

MRS. ZINA LEE BOWMAN, *Rt. 6, Cloe Ferry Road, Nashville, Tenn.*: "I was weak. I could hardly do my housework. I am 30 years old. I am the mother of nine children. I was nervous. I have taken almost four bottles of HADACOL and I feel fine. We are a happy family—thanks to HADACOL. As for my work, I have plenty to do but it is housework. You may use this letter any way to spread the good news about HADACOL."

Only HADACOL gives you that *Wonderful HADACOL Feeling!*

Phillips Out On $25,000 Bond, Pleads Not Guilty

Arraigned Monday in County Criminal Court, George Phillips, 23, pleaded not guilty to a charge of second degree murder in the death of Mrs. Ruth Alter, 360 N. Sylvan-av, last Apr. 26, and was released under a greatly reduced bond.

Earlier, a first degree murder charge against Phillips had been changed to the second degree charge by the Franklin County Grand Jury.

As a result, Phillips' bond was reduced from $50,000 to $25,000 by Judge Joseph M. Harter over the protests of Prosecutor Ralph J. Bartlett.

Herbert also asked for an early trial for his client and his request made to Common Pleas Judge Harter ended with an agreement for Herbert to meet with Bartlett a week before the new term of court, which starts Sept. 17, to set a trial date that will be mutually satisfactory.

Rome Residents Warned Of Small Water Supply

New Rome residents were warned Tuesday by Water Superintendent Earl Kordell that they are caught in a water emergency; one of the village's two drilled wells is at the danger point.

He called upon the system's 270 subscribers to "keep their water usage to a minimum at least for the next three or four days. Our 5340 gallon tank is full now but we can't get water from one of the wells. Any waste of water may mean that the tank would go dry."

He also advised residents of the area to "take it easy" on their own wells since "there is a possibility that their wells, like ours, may dip to the danger mark."

Father Drowns Saving Eight-Year-Old's Life

John Kittel, 48, 680 S. Wayne-av, was drowned Sunday when his oldest son, John, eight years of age, slipped into water over his head and Kittel jumped into the water to save him.

Officers said that Kittel was apparently responsible for saving the boy, although he was a non-swimmer. He managed to push the boy toward shore before he disappeared under the water of Wakatomika Creek, near Dresden, in Muskingum County.

Kittel, a mechanic, had taken his wife and two sons to visit Mrs. Kittel's parents, Mr. and Mrs. Stanley Wollos. After they arrived he took the two boys, Johnny, eight, and David, five, on a walk to the swimming hole behind the Wollos home.

Johnny went wading and apparently stepped into a deep hole, disappearing from sight. His father leaped into the river to save his son.

David, the younger son, screamed to his mother, who rushed from the house to find her husband gone and Johnny floating face down in the water. She brought the boy to the bank and gave him artificia respiration. A lifeguard from Frazeysburg found her husband's body in a 14-foot hole.

OES To Hold Annual Meet On Aug. 21

Lab-Explosion Injured In OSU

A 17-year-old West High School senior was seriously injured about 1 a. m. Saturday when a devastating $30,000 explosion ripped through a section of the fourth floor of Ohio State University's War Research Building.

Al Harris, son of Mr. and Mrs. J. M. Harris, 454 Hilltonia-av, suffered first and second degree burns, when he visited the building with Clayton Bowers, 27., a research associate at the university.

Bowers was working on a project in the synthesis of hydrocarbons, supposedly on a catalytic agent to be used in refining gasoline, when, he said, the stopper came out of a beaker, spilling inflammable benzine on the floor. It ignited and the explosion that resulted was described as a "flash that lit up the sky."

Bowers and Harris were both seriously burned before they could extinguish the flames on their clothing.

The explosion area was described by Battalion Chief George Brown as "a mass of twisted equipment." The blast shattered windows and blew down or twisted doors and partitions of about 15 laboratories.

Luckily, the blast missed the two fourth floor rooms in which hydrocarbons were stored, although rooms on both sides were seriously damaged. Firemen had feared that the fire might reach it, touching off a subsequent blast that could wipe out the entire campus.

Mrs. Harris said that her son had been working at Metal Crafters, Inc., 178 McKee-av. She believed that he had gone to Buckeye Lake with Bowers after he left work.

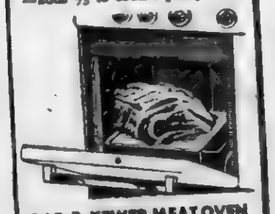
AN ESTATE GAS RANGE with all the "Extras" AT A REGULAR PRICE



SEE THESE ESTATE EXCLUSIVES, TOO!

HIDE-AWAY GRID-ALL

A super-size grill built into the center cook top. Gives real "grilled" flavor to chops, steaks, hamburgers, since fats are automatically drained off. Ideal for "frills"—potato pancakes, crepe suzettes, grilled fruit or onion slices. Converto-Grate replaces griddle for super-giant burner—adds ⅓ to cook top capacity.

BAR-B-KEWER MEAT OVEN

Cooks whole roasts or chickens by radiant "charcoal-type" heat. Juices sealed in, less shrinkage with this approved low temperature method. Leaves bake oven free for pies, cakes, casseroles at same time.

Above features available on other Estate models.

FORMERLY Now $239.95

Here's a range with all the features you've dreamed about. And, for a limited time, it's priced no higher than "regular" ranges without these extras. Stop in tomorrow. See all these "make-life-easier" features:

- Chrome fluorescent top lamp.
- Electric Clock and Minute Alarm.
- Oven light, oven door window.
- Pyrocarbo "triple-clad" burners—self-regulating for light, medium and simmer. 2 giant-size.
- Two appliance outlets.
- Drawer-type, deep-heat, ventilator broiler, with aluminum broiler pan.
- Famous Air-Flow Oven, Flagship-Insulated.
- One-piece enamel hood, vent shelves, and burner skirt panel.
- Thermiflavin Oven Heat Control.
- Add-a-shelf porcelain enamel finish all around.
- One super-size and one regular-size storage drawers, both on roller bearings.

Local Churches Attending EUB Conference

The Ohio Conference of Evangelical United Brethren Churches convened yesterday at Ohio Avenue EUB Church, with Bishop Dennis presiding as chairman. Westgate EUB Pastor Harold Dutt and lay delegate Dr. Elred Hysell, 34 Guernsey-av, are attending the conference.

This is the last session of the Ohio Conference which has been in existence for 114 years. Closing sessions will be held on Sunday when Bishop Dennis will read the appointments.

Superceding the Ohio Conference is the newly organized conference for this area known as Ohio Southeast Conference which includes Westgate, Burgess, Hilltonia and Avondale Churches. The new conference is slated to convene Thursday, Aug. 23, at Westerville First Church with Bishop Fred Dennis presiding as chairman.

The sight the diver saw before him would have made any man tremble.

Surely this was the dreaded sea serpent that all divers were forever afraid of meeting in the cold, watery depths of the ocean floor.

Somehow, the diver managed to tug at his lifeline. At the surface, he gasped out his story to the ship's crew.

Only the captain showed unconcern.

"I'm sorry, Bill," he told the shivering diver, "I should have told where we are. That wasn't any sea serpent you saw. *You see, we're right over the Atlantic Cable!*"

Truth is the only weapon against delusion. A wise captain knew that. Your church knows that too.

Many men have come to their church for help in fighting delusions which are destroying their peace of mind. They leave refreshed and clear-headed. Religious truths have driven away the fears and doubts of delusion as sunlight drives away shadow.

Perhaps that is your problem, the problem of delusions. Your church can help you banish them, and at the same time assist you in your own self-development within the ample framework of the great truths of God.

. . . Are you willing to give it the chance?

And ye shall know the truth, and the truth shall make you free.
St. John 8:32

JOE BRIGGS Says:
Everything happens to everybody sooner or later if there is time enough.

It Can't Happen To Me! That's what the owners of fire-gutted homes invariably say just before it does happen to them. Fire can invade and destroy anyone's home or property. Answer to Question No. 1:

1. Not directly, or by themselves. An untreated or unchecked cold may lead to such serious illnesses as pneumonia, pleurisy, tonsillitis and other infections of the upper respiratory tract. Even if it does not cause complications it must be remembered that the longer a cold hangs on, the more susceptible the body becomes to more serious illnesses.

Answer to Question No. 2:

2. No. Although statistics show an increase in the number of cases of tuberculosis reported in the U. S., the figures are misleading because case-finding methods have improved so that more cases are now discovered, especially in the early stages when cure is relatively easier and quicker. Whereas five years ago only 2,000,000 chest X-rays a year were taken (outside the armed forces), neven times that many were taken in 1949.

Answer to Question No. 3:

3. There is little harm in using average amounts of salt. In certain kidney and heart diseases your doctor will reduce your salt allowance. Salt in the system helps retain fluids. Contrary to popular belief, it does not make the bones brittle or arteries hard.

"SMALL BUSINESS"

By C. WILSON HARDER

The great puppet show drags on in Washington's sticky weather. Stooge-like, one brass bound witness after another appears before the Senate committee investigating MacArthur dismissal.

* * *

Despite millions of words of testimony, no reason for dismissal has been established. On military grounds, none will.

* * *

C. W. Harder

The real reason for sacking will not come to light until Senate inquiries into MacArthur beliefs regarding Japanese peace treaty.

* * *

Acheson did not want MacArthur to participate in peace treaty. The peace treaty is due to be arranged soon; hence the rush to get rid of the General.

* * *

Russians, who theoretically have a voice in the Japanese occupation, and coming peace treaty, had been protesting bitterly about the way MacArthur shut them out. Acheson took notice of their protests.

* * *

Besides Russians, MacArthur made bitter enemies of big monopolies, both in America and abroad who disliked his Japanese trust busting. Acheson took notice of their protests, too.

* * *

Before MacArthur, entire Japanese economy was controlled by five big family owned trusts. The Big Five of Japan controlled all business, just as the Big Five does today in Hawaii.

* * *

MacArthur created the climate in Japan for a free enterprise system of small business to flourish, bringing to an end the monopoly understandings that the old Japanese Big Five had with British and American monopolies.

* * *

Apparently Acheson does not want a peace treaty to be reached which will permit freedom of enterprise to continue in Japan.

* * *

Britain has already announced they want terms in the peace treaty which will definitely limit the extent that the Japanese can engage in ocean transportation.

* * *

Britain always seeks to monopolize the business of ocean transportation, a most profitable business.

* * *

For example, American taxpayers have paid out more than a half billion dollars, largely to foreign shipping firms, for the transportation of billions of dollars worth of Marshall Plan goods given to Europe.

* * *

But the shipping monopoly is just one of the monopolies that MacArthur antagonized.

* * *

No Japanese peace treaty that recognizes and encourages the development of the small businessman is wanted.

* * *

Thus the whole dreary, sordid investigation of the MacArthur ouster could be wound up in a half day.

* * *

A few simple senatorial questions on the proposed peace treaty for Japan could supply all the reasons for the dismissal.

* * *

MacArthur knows more about the Japanese situation than any one in high government office.

* * *

Should such a probe result in Congress strongly insisting on administrative end of government drafting MacArthur to direct Japanese peace treaty, many facts would be revealed.

* * *

It is possible some of the revelations could be felt abroad.

* * *

These revelations could not only upset the plans for a dictatorship by Socialism at No. 10 Downing Street, but could also undo accomplishments of Prime Minister Attlee on his recent visit to Washington.

MILK COOLER PERKS APPETITES

When planning your family meals keep in mind the fact that nutritious milk is needed for energy and growth for every member — young and old. Milk is an economical source of high quality protein, many essential vitamins and important minerals. Of all the foods you eat, it is the best source of calcium and riboflavin. Milk to drink is the simplest way to include these high food values in meals. Cooling summer drinks will help you give the family the milk they need each day.

What could be more enticing to summer's flagging appetites than this frosty milk drink. Made with nourishing milk and ice cream, Mint Delight will pep you up in spite of warm weather. Whether it's a back yard party for the youngsters or a friendly porch get-together, the cooling appearance of this beverage tray will win approval.

The green color and minty flavor are a perfect complement for scoops of ice cream on top. An added attraction is the clever fruit garnish for sippers. Cubes of pineapple and whole maraschino cherries are speared through with glass or paper straws. Serve with cracker-marshmallow snacks which have been browned under the broiler or with marguerites. Mint Delight makes any time refreshment time.

MINT DELIGHT

6 cups milk
4 tablespoons sugar
1½ teaspoons peppermint extract
5 to 6 drops green food coloring
Few grains salt
1 pint vanilla ice cream
Maraschino cherries and pineapple

Add sugar, peppermint, food coloring and salt to cold milk, stirring to blend. Pour into cold glasses, top with vanilla ice cream and garnish with maraschino cherries and pineapple chunks on sippers. Serves 6.

Bob Jones, The Hilltop Sign Painter, Is 'Grade A' Fisherman

It seems that the Hilltop sign man, Bob Jones, 186 N. Hague-av, is pulled between his vocation, sign painting, and his avocation, fishing. At least jokingly he says, "I just work when I don't have time to go fishing.'

All his customers know that he enjoys the piscatorial sport and whenever Jones is a little late in a delivery or isn't seen for a few days, the constant question is, "Where have you been, fishing again?"

Jones, a 28-year-old veteran of three years duty in the navy, moved his business to the present Hague-av address from 344 N. Hague-av last month. He still holds his rating in the organized naval reserves.

The young businessman entered the sign painting work in 1940, shortly after he graduated from high school. He saw an ad for a high school graduate interested in learning the profession, answered it, was accepted and has been running his own business since 1941.

He has been a Hilltopper since he went into business for himself.

A member of the Columbus Sign Contractors, Westway VFW Post, Camp Chase Post 98 of the American Legion and the Hilltop Business Association, Jones says he lists hunting rabbits and pheasants as a secondary hobby.

Christmas Seal Poster Design Open To Artists

Do you have artistic ability?

Want to take a fling at fame and fortune?

The Columbus Tuberculosis Society hopes that the designer of the national Christmas seal for 1953 will be a Franklin County artist. The competition, though not widely publicized, is open to all local artists, and the National Tuberculosis Association has been authorized to pay up to $500 for the winning design.

The Christmas seal is chosen two years in advance from entries submitted from all over the country. Designs for the 1953 seal should reach the Columbus Tuberculosis Society by Sept. 8 and will be forwarded to the national association for judging.

A colorful poster-type design is desired. All art work must be original, and must conform with certain specifications. Full details are available by phoning the Columbus Tuberculosis Society, ADams 3211.

Mr. and Mrs. Charles Hull and son, Skippy, of Cleveland are visiting her mother, Mrs. George Morrison, 653 Racine-av. They will visit other Hilltoppers too when they go to Chicago later in the week. They are Mr. and Mrs. N. L. Shore who formerly lived on the Hilltop.

All-City Swim Meet Planned

A city-wide swimming meet for children from the 58 Columbus Recreation Department playgrounds has been announced for this coming Friday, Aug. 17, at 12:30 p. m. at the Maryland Park swimming pool. Age groups for both boys and girls include 12 years of age and under, 13-14 years and 15-16 years.

Registration blanks may be obtained at any city playground or in Room 124, City Hall. Registration classes at 6 p. m. Thursday.

Religious Author To Occupy Pulpit At Hilltop Church

Rev. Parker Rossman, national executive of the Disciples of Christ student work, will preach at the Hilltop Church of Christ (Disciples) this Sunday.

Mr. Rossman, the author of the Ecumenical Student Workbook, was a Disciples of Christ delegate to the Constituting Convention of the National Council of Church in Cleveland last year.

Mr. Rossman has received his education at the University of Oklahoma, University of Chicago and Yale University. He will receive his Ph. D. degree from Yale next year.

Mother, Firemen Overcome By Smoke In Blaze

Ten firemen and a housewife were treated by emergency squadmen Wednesday, Aug. 8, in a blaze in a row of four-family flats on Cable-av.

Mrs. Eileen Ebright, 27, and her two children, aged nine and two, were forced from their home at 1020 Cable-av after she smelled smoke and called the fire squad. She fled the home with her children. Emergency squadmen treated her after she was overcome by smoke.

Ten firemen were treated for smoke and exhaustion at the scene of the blaze. Two of them, Charles Hull, 24, 2614 W. Broad-st, and Robert Badgley, 850 W. Rich-st, were taken to Mt. Carmel Hospital. They were overcome fighting the fire and were treated for smoke exhaustion.

The fire apparently started from a heater on the side of a hot water tank in the basement of a flat occupied by Mr. and Mrs. Steve Titko, Jr., 1024 Cable-av. They were not at home at the time of the blaze. Flames melted a gas meter in the house.

Other families living in the row were Mr. and Mrs. Joseph Esposito and Mr. and Mrs. Vincent Tomacelli.

Sullivant-av Woman Finds Ad Rents Room Before Paper Arrives

Talk about speed . . .!

Mrs. William Lechler, 2527 Sullivant-av, used a Hilltop Record classified ad and rented the room she advertised before she had even received the paper. Mrs. Lechler paid 36 cents for the ad that rented her room before noon on Thursday.

She called the Record immediately to report the "excellent service" she received. She said, "I surely will call again when I have anything to advertise. It pays."

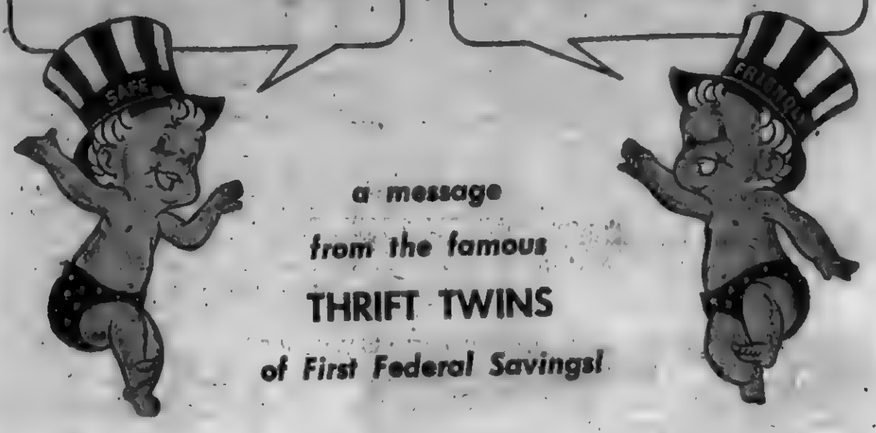
Our classified ads can pay you, too. They do their job quickly and cheaply. If you want the "best" reaction from the "best" ad, call RA. 1125 and ask for one of our classified advertising personnel; they'll be glad to help you write an ad that will sell.

Fairborn Herald Becomes Ohio's 100th Daily

J. C. McMillan

Ohio's newspaper field has been increased by entrance of the Fairborn Herald into the daily classification.

The substantial 84-year-old Herald, Greene county edition, which runs in standard size eight-column format, made its debut as Ohio's 100th daily, Aug. 6.



Publisher is James C. McMillan, associated with the newspaper business for more than 26 years. He is president of the Ohio Hometown Newspapers group and Ohio Weeklies, Inc., state-wide publishers' organization. McMillan also publishes The Miami Valley Farmer, a tri-county weekly agricultural newspaper.

Hilltop Police Officer Quits; Stays In Army

A desire to remain in the armed forces was given as the reason for the resignation of Patrolman Clarence J. Snyder from the Columbus Police Department, according to Donald D. Cook, safety director. Snyder, who lives at 338 S. Warren-av, has been on military leave from the police department, Cook said.

The Hilltop man joined the department Nov. 16, 1947, and left for Fort Meade in September, 1950, with Unit 391, Military Police Battalion, Company A.

Flowers of the Week

A nice Rosebud Floral bouquet to Jack Morris, secretary of the Hilltop Business Association, who leaves on Sept. 1 to take up new duties with Uncle Sam's Army and will be out of our midst for at least two years. Jack has the well wishes of his many friends in this community. The community is grateful to him for the many extra services he has given while serving as secretary of the association since the organization opened its offices last year.

H.B.A. Has Been Giving Much In Service

Those who have not been close to the scene of operation have had no real picture of the many services rendered individuals since the opening of the offices of the Hilltop Business Association last year.

This past week Jack Morris, secretary, issued a partial report on the activities of the organi-

In addition to the normal functions of directing such activities as the Hilltop Minstrel, the Hilltop Bean Dinner and numerous such events, the association is now serving as a clearing house for many community activities. All types of requests are received in a week's time and in most instances the office has been able to give some satisfactory service to the inquirer.

Since the association opened the sales tax agency in May of 1950 they have remitted to the state of Ohio $488,504 for tax stamps sold. In the few months that the organization has operated the Deputy Registrar's Agency there have been 5496 operators' licenses, 401 temporary licenses, 186 chauffeurs' licenses, 169 license tags, 160 transfers, 33 trailer license tags, 207 first drivers' licenses, 76 duplicate drivers' and seven duplicate registration cards issued from this office.

Never a dull moment in the HBA office, says Jack.

Briefly Told: Comes a complaint that people who are using the Westgate Park shelterhouse should be more careful to leave it cleaner . . . The Bob Trotts are trotting back from way up New England way this week . . . And back home to the warmth of Ohio are Dr. and Mrs. R. J. Miller . . . Curt Roberts back from Cuba and glad to get out ahead of the storm . . . Ed Witherspoon served in the U. S. Army at the age of 16 and has a discharge to show it, which is unusual in view of the age limits . . . Mrs. Wayne Schulz of 316 S. Roys-av sends us this "fish story": "This is NO fish story. Wayne Schulz was fishing for blue gills at Eagle River, Wisc., with a fly rod, blue gill hook and half of a worm. Wham! he caught a 20 inch Great Northern. My daughter, Judy, and I were in the boat. Were we in a tangle! Wayne got him in the boat without aid of a net, too. Fishing is grand despite very cold weather. Each day produces 20 to 25 pounds of huge blue gills and rock bass."

Fall From Elm Tree Injures Pastor's Son

A game of hide-an-seek resulted in multiple leg sprains and body bruises for David McLane, 14, of 19 N. Wheatland-av, last week when an elm tree limb on which he was hiding broke and he fell 20 feet to the ground.

The youth who is the son of Rev and Mrs. R. L. McLane, was treated at Mt. Carmel Hospital for his injuries.

School Openings Set For Sept. 5th

Expect 2000 New Enrollees To Hit School System

The "back to school movement" will officially begin next Monday when all buildings will be open and school principals will be present to care for new enrollees, transfer students and those who have problems involving enrollment.

According to Supt. of Schools N. G. Fawcett, the first day of school, Wednesday, Sept. 5, will see approximately 2000 new students enrolling in city schools. "Most of these," he said, "will be found in the elementary school level and only a few in those higher. However, we expect a heavy enrollment in the next two or three years at the junior high and senior high school level."

"The school principals will remain on duty all next week," Fawcett said, "with the exception of Wednesday morning. We hold our administrative meeting then, otherwise each principal will be happy to meet with the parents and students at any other time."

A meeting of all new teachers added to staffs for the forthcoming year will be held on Friday and the entire staffs of all schools will meet on Tuesday afternoon, following Labor Day, to iron out schedules and plans for the following day.

Again this year, children may enter kindergarten if they are five years old on or before Dec. 31. They may enter the first grade if they are six on or before Dec. 31. No mid-year enrollments will be accepted for kindergarten children or first graders.

Parents are cautioned to have all entering students innoculated against diphtheria and smallpox.

Housing Problem Stopping Skidmore School Principal

When school opens on Sept. 4 there is a strong possibility that Skidmore School on N. Hague-av may be without a principal, according to information received today from Franklin County Board of Education.

Reason for the possibility of no principal at the local school is the lack of housing facilities. Charles E. Slater, principal of the Skidmore School, has been seeking housing facilities on the Hilltop. His search has been in vain and he has asserted that if by opening of school there is no house available, he himself will not be available as the school principal.

Slater is now commuting from Hebron, O.

Arrest AWOL GI Here

Police arrested Eugene Kirk, 20, 5449 W. Broad-st, at the Buckeye Camp Saturday. The soldier had been AWOL from an army camp in Alaska since June 21. He was spotted after wrecking a car. He escaped, was arrested and escaped again. He was finally cornered at the camp.

Two Are Injured In 3 Car Crash

In a three-vehicle collision Friday night in the 3900 block of Sullivant-av two persons, Clarence Benline, 29, of 293 Mix-rd and Mrs. Fern Phillips, 35, 2816 Valleyview-dr, were injured, according to report of sheriff's deputies.

Benline received a compound fracture of the left arm and Mrs. Phillips minor leg bruises in the mishap. Both were treated at Mt. Carmel Hospital.

According to sheriff's deputies, the Benline car struck a car driven by Paul Phillips Sr., 54 of 86 Letchworth-av. Both cars, are then said to have careened into a truck driven by Robert J. Stern, 40, of 453 Donaldson-ct.

The Benline auto overturned into a ditch.

Street Fair Set For Thursday, Friday, 5-11

A 50-piece band, games and contests will highlight the annual Street Fair, Thursday and Friday, sponsored by the Wheatland Avenue Methodist Church. A block of Wheatland-av between Sheridan and Sullivant-avs will be blocked off on the two evenings between 5 and 11 p. m. to accommodate the affair.

Prizes will be awarded during the festivities for best decorated boys' and girls' bicycles; the best decorated tricycles; the most beautiful doll; most unusual doll; largest teddy or panda bear; youngest baby present that can walk; the best portrayal of a comic strip character; the youngest and the eldest person present, and the best decorated booth.

Coney islands, soft-drinks, ice cream, watermelons and sandwiches will be available.

Organizations sponsoring booths are the Women's Society of Christian Services, Mrs. Lillian Davidson, president; the Wesleyan Service Guild, Mrs. Ruth Goodrich,

No One Injured In Cycle-Auto Crash Wednesday

A man and his wife narrowly escaped serious injury and possible death early Wednesday morning at 6:50 when the motorcycle on which they were riding crashed into an auto at the intersection of Wilson and Fisher-rds, according to Sheriff's Deputy W. D. Collins.

Collins said that Harold Mustard, 1236 Highland-st and his wife, riding the motorcycle, were hurled to the top of a Hudson car driven by Fred Samples, 837 W. Fourth-av, when the motorcycle hit Samples' car as he was pulling into the intersection. No one was injured in the crash.

Hilltopper Wins Fourth Oak Leaf Air Medal Cluster

Capt. Vernon D. Wedemeyer, son of Dan J. Wedemeyer of 1801 W. Broad-st, was recently awarded the Fourth Oak Leaf Cluster to the Air Medal for meritorious achievement while participating in aerial flights against an enemy of the United Nations.

Capt. Wedemeyer graduated from Sunbury High School and entered the service in January 1942.

During World War II Capt. Wedemeyer served in the China Burma India theatre and in 1948 was a transport pilot in operation Vittles.

His previous decorations consist of the American Service Medal, Asiatic Pacific Service Medal, World War II Victory Medal, the Japan Army of Occupation Medal and the Korean Service Medal.

Capt. Wedemeyer is currently flying WB-29 weather ships assigned to the 56th Strategic Reconnaissance Squadron, Medium, Weather, which flies weather reconnaissance missions over Korea to gather vital weather information for the United Nations activities.

He has been serving in Japan since March 1950. Mrs. Madeline Wedemeyer, his wife, is currently living at Augusta, Ga.

Drivers Score 16 Accidents

The accident rate on the Hilltop had remained at a fairly low level until last week; then the total soared. The Police Department's weekly analysis of traffic accidents places the local area in seventh position in the city's 21 cruiser districts.

The analysis reveals a total of 16 accidents, with 15 cases of property damage and one injury. No persons were killed and no pedestrians were injured.

The total is the highest recorded here in the past month.

Commissioners Okay $340,400 Sewer Project

Franklin County Commissioners last Friday approved a $320,400 sanitary sewer improvement project which will service areas east and west of Harrisburg-pk from Mound-st to Eakin-rd.

More than 200 persons, all residents of the affected area, appeared before the commission body last Friday at a public hearing with approximately 90 percent favoring the approval of the 11-mile long sewer project.

Hilltonia EUB Church Pastor Is Transferred

Rev. R. S. Parr, pastor of the Hilltonia EUB Church, will leave the Hilltop in the near future to take over the pastorate of the Eighth Avenue congregation where he will replace Rev. J. Paul Jones, Jr., who has been transferred to Lindsey, O., according to announcement made at the Ohio Conference early this week.

The pulpit vacated by Rev. Parr will be filled by the Southeast Ohio Conference of the United Brethren Church at Westerville, later this week.

Smoke Nuisance Of Dumps Again Hit By City And County Health Officials

Here's Way to Do It—Just Sign Your Name and Mail

Franklin County Commissioners
Franklin County Court House
Columbus, Ohio

Gentlemen:

For years the McKinley Avenue Dumps have been a questionable factor in relation to the growth, the health, the well being and the general appearance in this section of the county and the city. The obnoxious odors arising from the burning of trash and garbage and other city refuse at this location has been for many years a source of irritation to the people of this community.

The undersigned is but one of many people who strenuously object to the continuation of this eyesore and threat to the health of this community. By this letter we are petitioning the Board of Health and the Franklin County Commissioners to take such action as is necessary to eliminate these dumps, and/or to take such action that if these dumps are to continue in operation to provide the fill method of disposal instead of the current methods of burning as has been the common practice.

I feel that it is the sworn duty of the county commissioners and the subordinate officers of this county to take such action and that such action MUST be taken within the very near future.

As a result of current disposal practices in this area, property and business values in this area west of the Scioto River are greatly impaired. Obnoxious smoke and odors resulting from burning of trash and rubbish are a deterring influence to the establishment of other industries and homes in this section of the county.

It is YOUR job as elective officers of Franklin County to do something NOW and to no longer delay action over a period of years as has been the practice in the past. The legislature of the State of Ohio has passed a law effective as of Sept. 12 that gives you, the county commissioners, the power to operate and the method to finance county supervised sanitary land filled dumps. Isn't it time that you begin some action?

Officials Cite Local Dumps As Major Problem

Public attention was again this past week focused upon the mounting nuisance of smoke from dump fires from the west side of Columbus with a charge being made by City Smoke Engineer Harry C. Ballman that the smoke question had again become one of the city's major problems.

Said Ballman: "We cannot control this nuisance since it originates outside of our jurisdiction. We again ask that the county officers take the necessary steps to eliminate this nuisance."

Ballman's charges immediately drew replies from County Sanitary Engineer Desso T. Mitchell and County Health Inspector Howard Reynolds.

Reynolds said, "All private dumps in the county will be closed, if they are a nuisance in any way, just as soon as we get our county landfill program started this fall. And all city dumps which are located within the county also will have to be made sanitary or close up, if they constitute a nuisance."

On the charges made by Ballman that the smoke from dumps in the county was annoying city residents, Reynolds agreed and then pointed out: "We have been getting court orders to shut down such dumps, and in many cases such orders have been disobeyed."

Eight to 10 dumps around the county would be affected by a shutdown order, according to Reynolds. He said that the county supervised landfill project planned to replace such nuisances would be located on the Franklin County Home Farm along Alum Creek.

County Sanitary Engineer Mitchell said there would be "no exposed trash or garbage, as it will be dug and filled each day on a 'celled' basis." Each cell would be filled in any one day and would be completely enclosed and covered the same day.

Publicity Man

David R. Cornwell

Hilltopper David R. Cornwell of 74 S. Richardson-av has been named as the chairman of all publicity and public relations for the state Grotto convention which is scheduled for Columbus Aug. 30-31 and Sept. 1.

In a release this week Cornwell said that the time for the huge parade scheduled for Saturday, Sept. 1, has been changed to 6:30 p. m. He revealed that four bands, five drill patrols, four chorus groups, five drum corps, one bagpipe band, one ladies' auxiliary and one clown group will participate in the parade festival.

West Senior's Condition 'Fair'

The condition of the 17-year-old West High School senior, J. Alford Harris, 454 Hilltonia-av, in University Hospital suffering from first and second degree burns received in a lab explosion at OSU, is reported as "fair."

His mother, Mrs. J. M. Harris, reports that her son is continuing to improve and that doctors hope to remove his bandages soon. His father is the owner of Harris' Grocery, 791 Sullivant-av.

Harris was seriously injured Aug. 11 when a $30,000 explosion ripped through a section of the fourth floor of Ohio State University's War Research Building which Harris was visiting with a friend, Clayton Bowers, a research associate at the university. Bowers died as a result of the burns he received.

The explosion occurred when the stopper in a beaker used in a hydrocarbon experiment loosened, spilling inflammable benzine on the floor.

Sentenced To Workhouse

Lester Tipple, 25, 126 N. Central-av, was sentenced to 30 days in the workhouse Monday in municipal court for driving after his driving rights had been revoked.

Galloway Boosters Getting Ready For Labor Day Frolic

A tractor pulling contest is an added feature of the Galloway Labor Day homecoming. With George Cardosi in charge, the contest will be held at 10 a. m.

Following the flag raising ceremonies at 1 p. m., there will be a doll, pet, bicycle and comic parade at 1:30. The doll and pet divisions are open only to children 14 years and younger, but the other divisions are open to all.

Other contests will include a flower show, handwork exhibit, cake display, horseshoe pitching, chicken chasing and boys' and girls' games.

After the amateur hour at 7 p. m., there will be round and square dancing for all.

As in the past, the Galloway Booster Club is sponsoring the homecoming.

Rome Housewife Reported Missing

Franklin County Sheriff's office was notified Tuesday that Mrs. Betty Ryan, 21, of 477 Lawrence-av, New Rome, has been missing from her home since Aug. 11.

Mrs. Ryan has blue eyes, brown hair, weighs about 125 pounds and is about five feet tall. When last seen she was wearing a green suit.

Lions Auxiliary Plans Paper Drive In Sept.

A community-wide paper drive to get funds for their "Aid to the Blind Fund" is slated for Saturday, Sept. 8, by the women of the Hilltop Lions Club Auxiliary, according to announcement made this week.

The drive is scheduled to get under way at about 9 a. m. on Sept. 8 with the auxiliary members making a house-to-house canvass over the entire Hilltop area. Club officials urged that local folk save up their old newspapers and magazines to aid a worthy cause.

In order to speed up the collection, Hilltop residents were asked to place the scrap paper on their curbs the day of the collection. It was requested that newspapers be placed in one bundle and magazines and other periodicals in another.

Mrs. Charles Parker Wins $50 Record Award

Today Mrs. Charles Parker of Feder-rd, near Galloway, is a firm believer in the old adage of "lightning may strike anywhere." On Monday she hung up the receiver of her telephone, still not believing it could be true that she had been so lucky as to win the $50 Hilltop Record circulation award at the county fair in Hilliards last week. Jane Jones (left) of the Record staff presents Mrs. Parker with the check for $50 to prove "it's so".

Mrs. Parker subscribed to the Record at the fair and said that it was the first time she had ever won an award of any kind. Although she has been awarded $50 Mrs. Parker is still eligible for the $500 grand award at next year's Hilltop [illegible].

Briggsdale Fire Station To Be Completed In Next Few Days

The third fire truck has been delivered to the Franklin Township trustees and will go into service in the Briggsdale area within a few days, Otto (Gus) Peoples, president of the board, announced this week.

Delivery of this piece of equipment and completion of the No. 3 fire house at Frank-rd and Harrisburg-pk (in Briggsdale) will complete the initial phase of setting up the Franklin Township Fire Department officially put in service on July 15. The Briggsdale fire house is expected to be completed by the contractor, C. C. Vogel, 715 S. Wayne-av, within the next few days.

The Franklin Township Fire Department is now organized into three companies with almost 100 trained fire fighters. Three pumpers are in service subject to call on a "round the clock" basis. Men are on duty to receive calls 24 hours a day at the No. 2 station located at 3440 Sullivant-av. Direct leased telephone wires are maintained to the No. 1 and No. 3 sta-

The new fire number for Franklin Township (not including the Dublin-rd area) is JOrdan 6373. The same number applies to residents of Valleyview.

Since the fire department went into operation on July 15, companies No. 1 and No. 2 have responded to 31 fire calls, according to Fire Chief James C. Moffitt. All but three of these calls were grass fires resulting from the unseasonal drought. Prior to July 15, the No. 1 company, under Asst. Chief Angelo Dallas, 3297 McKinley-av, had made 12 fire runs.

The other two assistant chiefs working under Chief Moffitt are F. L. McCarley, 3499 Clime-rd, No. 2, and Woodrow (Boots) Eckardt, 1378 Stimmel-rd, No. 3 company.

Four-Year-Old Hilltop Girl Hurt In Crash

Susan Ardle, four-year-old daughter of Mrs. Leah Ardle, 28 Whitethorne-av, suffered face cuts last Thursday morning in a three-car collision at the intersection of W. Mound and Sandusky-sts.

The child was a passenger in a car driven by her mother which struck the rear of a second car. The second car in turn rammed another auto.

Treatment for the face cuts was administered at Mt. Carmel Hospital.

Old Landmark Tree Damages House

SPLIT — The big wild cherry tree in the rear of the residence of Mrs. Sarah Davis, 101 N. Ogden-av, shown above, split on the evening of Aug. 15, allowing a 40-foot long limb to fall, damaging the eaves of the home. Neighbors reported that the tree split without warning on the almost windless night.

Same Locomotive Blamed For Three Prairie Twp. Fires

Prairie Twp Fire Department believes in doing things up in real style. They are not satisfied with one blaze but have to have three in a row and during the past week they were aided and abetted in that manner by a locomotive of the Pennsylvania Railroad.

At 10:30 a. m. last Friday the fire laddies were called on a grass-fire along the Pennay right of way at Amity-rd. The blaze was extinguished and immediately they had another call further along the railway near Alton-Darby Creek-rd. During the cleanup following this fire—bingo and they were called again to the Dougherty-rd crossing.

Sparks from the same locomotive were blamed by the smoke eaters for all three blazes.

Dear Carlton,

Paul Leighninger and I wish to congratulate you on your Red Tag Promotion August 16th through the 20th.

Of course, this type promotional sale is not new to us, as this is one of our Semi-Annual events which our customers usually expect. We were very glad to have other Hilltop Merchants join us in making Red Tag Days a success.

We were very happy with the results and wish to thank you for the way you handled the publicity, promotion, and circulation.

Our customers were very pleased with the bargins which we offered, and again we have proved that "You'll do better at Seiller's after all." They are now sending in their friends, so we are extending the closing date of the sale to August 25th.

Sincerely yours,

Jack Merriman

Checkup For School

Your child's wardrobe may be in order, the new schoolbag complete with copybook, ruler and pencil-case, yet your child may be far from properly prepared for school. A more important question than clothes or equipment is, "has your youngster had a pre-school medical examination?"

For many reasons, the parent-teacher associations, official health agency, and such organizations as the Columbus Tuberculosis Society are stressing complete physical examinations including a tuberculin test of children before they enter school.

First, through the pre-school examination, certain correctable defects and conditions which respond best to early treatment can be detected at an early stage, a factor often important in treatment. Typical are: overweight and underweight, decayed and infected teeth, defective vision and hearing, infected tonsils, speech defects, early rheumatic fever, early tuberculosis and anemia.

Secondly, a child has his best chance of getting the most out of school when he is in good physical condition. High grades and good report cards generally are impossible if the child is out of school frequently with sore throats and toothaches or if he cannot see the blackboard or hear the teacher. Many children suffering from undetected physical defects are unjustly labeled mentally slow when the preschool correction of some physical deformity or illness might have made him a scholastic star.

Air Defense

The Korean peace talks have not robbed any aggressor nation of the power of striking us through the air. As a nation we must still keep ourselves ready for any emergency.

The Air Force Filter Center, located at 33 W. Gay-st, would make an excellent activity for any patriotic citizen or organization. The chief function of the Filter Center is to defend your country and home to the utmost. The Air Force will train you in such a way that you can have an active part in this defense.

The time involved is not excessive. Training periods, under the supervision of the Air Force, are two hours in length and are offered any afternoon or evening Monday through Friday. Volunteers report for one training period per week.

Any Columbus organization that desires an interesting Civil Defense project can obtain information concerning the Filter Center by visiting 33 W. Gay-st or by calling FLetcher 3725. In addition the Filter Center will be very willing to present more information to the organization or club by sending an Air Force representative with a film and projector to any community club meeting. Dear Mr. Hartley:

In regard to the Little Nine Baseball Club here on the Hilltop of which Mr. Jack Downing was manager and supervisor.

Personally, I think this Little Baseball League a very fine form of recreation for these young boys throughout the summer months. They naturally will derive the idea of good sportsmanship and proper association with other boys, also the enthusiasm shown by most all of them is commendable.

I hope this form of activity can be made possible to continue for these boys with Mr. Downing as their leader as he seems to be the perfect 'type' for such a position.

Thanking you, I remain

Sincerely,
Mrs. Paul Henne,

Congressional revolt on control measures could be forerunner of a very healthy movement.

C. W. Harder

Merchandise shortages, heralded for months, have not occurred to any considerable extent. Retailers in apparel, dry goods, appliances have taken heavy price reductions the past few weeks trying to move goods. Warehouses are bulging.

* * *

Washington officialdom has come perilously close to talking country into depression.

* * *

The economy is unhealthy today.

* * *

But even a very healthy man could be made quite sick if a few quack surgeons performed drastic operations to take care of some condition they feared he might acquire in the future.

* * *

Actually, so-called control measures have been meaningless.

* * *

With fanfare the Office of Price Stabilization forced retailers to spend thousands of extra dollars making up ceiling price lists.

* * *

Yet, with so much strong competition for the consumer's dollar, or the part remaining after taxes, few, if any items, are sold at the "ceiling" prices.

* * *

Credit control is a smoke screen. Issue of whether a man should pay for a new car in 15, 18, or 21 months is a side issue on controlling inflation.

* * *

Big financial houses who have influence with Federal Reserve Board, apparently are guiding lights behind credit restrictions.

There has been a fear that if Korea ends, mounting unemployment would leave financial houses with extensive repossessions.

* * *

The biggest force for inflation is found in Washington.

* * *

That is the constant drive by bureaucrats to spend more billions in fantastic schemes all over the world.

* * *

The new report by the Federal Trade Commission shows clearly how the greedy maw of the bureaus swallows dollars.

* * *

For example, food manufacturing concerns, in the first quarter of this year, paid out almost half of their profits in income taxes. After taxes, food companies profits were 2.6 cents out of each dollar sold. But oil companies, who maintain a price structure that apparently eliminates any price competition, made a profit after taxes of 16.2 cents from every dollar of sales.

* * *

It is interesting to note that cartel oil companies are one of the prime beneficiaries of the Marshall Plan. On a recent typical day, ECA announced another $13,000,000 outlay.

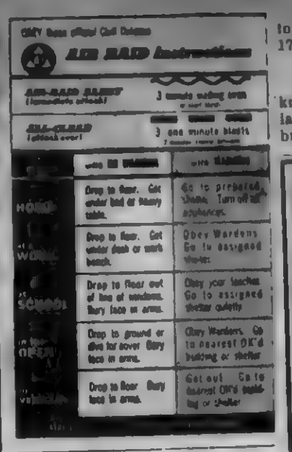
* * *

Of that total, almost one-third, or $4 million was for oil from Saudi Arabia and Iran for the Netherlands and Norway.

* * *

There is no denying there is a grave danger from inflation.

* * *



But it is hard to conceive that if Mother needs a new range to replace the one burned out, that she is endangering the country by paying for it in 24 months instead of 15 months. On the other hand, it should be simple to see that giving away billions of dollars of American products will, and has, caused inflation.

One major control is needed.

* * *

That is control of government spending.

By 1735 there were five newspapers in Boston, a town of less than 20,000 population.

The first American newspaper, Public Occurrences Both Foreign and Domestick, appeared in Boston on Sept. 25, 1690, by Benjamin Harris, was suspended by the royal governor after one issue.

Three-fourths of the American towns having newspapers before 1765 were seaports.

In December, 1620, the first known news-sheets in the English language appeared not in England but in Holland.

Glenwood Center Wins Little League Title

Pictured above are the Little League champs of the Westgate League from Glenwood Recreation Center. First row, left to right, are Mickey Sweeney, Ralph Pentello, Sonny DeLong, Tommy Lawless, Skippy Martin and Bob Friley. Back row: Mike Hixson, Lon Wright, coach, Paul Thompson, and Butch Terry, manager.

Glenwood Center Little League Baseball team, the champions of the Westgate Little League, has gone through the season without a defeat in either league or non-league competition. The team is now in the City League play-offs which began on Aug. 13. The record of the team shows two victories over each of the league teams, Holton (21-2, 5-2), Columbian (16-12, 13-7), Westgate (12-11, 6-5). In non-league games they defeated the Hilltop YMCA all stars 11-9 and Goodale playground 10-0.

Ralph Pentello leads the team in batting with .750; Paul Thompson has .609; Butch Terry .550. Battery average for the team is .411.

Lon Wright, general custodian for Glenwood Center, is coach for the team.

The first printing press in Philadelphia was set up by William Bradford in 1685 just two years after the town was settled.

Seiller Handicap Golf Tourney Begins Fri. At Beacon Light

One of the largest golf trophies in Columbus will be at stake when the Hilltop Handicap opens at Beacon Light Aug. 24. For the third year the large rotating trophy will be at stake.

It will be a 72-hole medal play tournament open to every golfer of Beacon Light or resident of the Hilltop. The first 36 holes will be used to establish a handicap. The four rounds must be completed by Oct. 1 and each round must be played in the company of a different contestant.

A valuable merchandise prize will be offered on the qualifying rounds and permanent trophies will be made at the Fourth Annual Beacon Light Round-up, Oct. 7.

The two previous champions are Earl Carper ('49), and Joe Case who will both be serious contenders and will be in there trying to get their names on the cup the second time (three times retires it).

The trophy will be on display in the windows of the donors, Seiller's Department Store.

A Wrong Number Proves Hilltop's Neighborliness

Evidence of that community spirit of cooperation which is so evident on the Hilltop was displayed graphically this past week during the Red Tag Day sales of many local merchants. The one outstanding incident which proved gratifying to a new Hilltop merchant all came about through an error in his advertisement of last week.

The telephone number of City Furniture Co. on Sullivant-av was carried as Jordan 2577 instead of Randolph 2577 and a flood of telephone calls went out to the telephone listed to Mrs. Clark B. Wasmer of 131 Belvidere-av.

Normally a flood of telephone calls asking about the various bargains offered in the advertisement would soon tire out most persons but not Mrs. Wasmer. She took every one of the calls, informed the persons of the right number and even the address of the store.

Later Curley LeFever, owner of the furniture store, heard of the Good Samaritan act of Mrs. Wasmer and called her himself to thank her for her courtesy. She replied, "I had a lot of fun doing it."

LeFever now has a choice gift ready for Mrs. Wasmer who not only answered the calls but even kept a record of them for him. His remark was, "Only on the Hilltop could such a friendly co-operation exist."

A cordial invitation is being extended to every one to visit Glenwood Recreation Center the week of Aug. 27 which has been set aside as "Know Your City Week", and become acquainted with the facilities available for the fall and winter recreational activities. Glenwood staff will arrange tours of points of interest in the city. Schedules of these tours will be posted on the bulletin board at the center.

A colorful spectacle, the season's review, will be held on August 23, at Central High School auditorium at 8 p. m. This pageant will present highlights of activities on playgrounds during the summer season. Public is invited.

Glenwood council will not meet on the Thursday during the review.

Junior Knothole Baseball team has finished its season with a two win, three loss record. The team played well and continued to improve as the season drew to a close. The team's league competition was exceptional.

Glenwood's girls' softball team will enter the city playground tournament. First elimination game was played Monday, Aug. 20, at Sunshine Park.

SENATOR DUDLEY J. LE BLANC

Hadacol Relieves Nagging Aches and Pains, Poor Appetite, Fatigue, Sleeplessness, Nervousness When Due to a Lack of Vitamins B1, B2, Niacin and Iron

Let's face facts. You don't have to put up with annoying aches and pains, a lagging appetite, missed sleep, or nervousness, when they are due to a lack of Vitamins B1, B2, Niacin and Iron. For today's great HADACOL contains more than the minimum daily requirements of these very elements to relieve such deficiencies and such possible resulting distresses. You can start facing a new and happier life today . . . just read how these folks have been helped.

Mr. O. C. Fowers, Box 183, Durant, Mississippi: "I am a man of eighty years of age and have been active all my life, up until June, 1950. At that time, I began to have aches and pains. My friends kept insisting that I give HADACOL a chance. I took five bottles of HADACOL and on the fifth bottle I began to feel a difference. My appetite began to improve and I began to rest better. After my eighth bottle, I am so happy that I feel good again that I want you and the world to know that I give HADACOL the credit. If necessary I can get dozens of affidavits from the people and neighbors who know what I say is true."

Mrs. Daisy Shockelsworth, Box 82, Baylis, Illinois: "I first heard of HADACOL on a radio program and immediately secured a bottle. I received benefits from this and have continued its use with satisfactory results. I am a widow, aged 70, and living alone. My daily diet must have lacked something. I suffered from weakness and loss of appetite, also a nervous condition. I can truthfully say the use of HADACOL has benefited me greatly and I am glad to recommend it."

Mrs. Allie Hahn, 611 S. Linden Avenue, Alliance, Ohio: "I could not sleep at night, was so nervous. I am 74 years old now I am sleeping fine. Before taking HADACOL, I would just sleep a couple of hours in a night. The first night after I took HADACOL, I slept very nicely and am getting better every week."

Mr. L. Dee Tritle, 215 Cleveland, Wichita 7, Kansas: "HADACOL has been very helpful to me. I work in a hospital laundry, eight hours a day, and I am on my feet all the time. Before I began taking HADACOL, I would come home just tired, and ache. Since I am now on my second bottle of HADACOL I feel better, eat better, sleep much more soundly than before. Thanks to HADACOL a million times."

Don't be a burden to yourself and to your family . . . give yourself and them a chance. Try HADACOL today on a strict money-back guarantee.

Credit control is a smoke screen. Issue of whether a man should pay for a new car in 18, 20, or 21 months is a side issue on controlling inflation.

Big financial houses who have influence with Federal Reserve Board, apparently are guiding lights behind credit restrictions.

There has been a fear that if Korea ends, mounting unemployment would leave financial houses with extensive repossessions.

The biggest force for inflation is found in Washington.

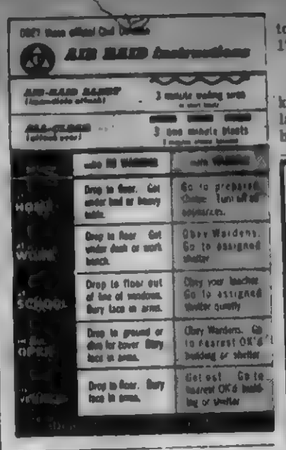
That is the constant drive by bureaucrats to spend more billions in fantastic schemes all over the world.

The new report by the Federal Trade Commission shows clearly how the greedy maw of the bureaus swallows dollars.

For example, food manufacturing concerns, in the first quarter of this year, paid out almost half of their profits in income taxes. After taxes, food companies profits were 2.6 cents out of each dollar sold. But all companies, who maintain a price structure that apparently eliminates any price competition, made a profit after taxes of 10.2 cents from every dollar of sales.

It is interesting to note that cartel oil companies are one of the prime beneficiaries of the Marshall Plan. On a recent typical day, ECA announced another $13,000,000 outlay.

Of that total, almost one-third, or $4 million was for oil from Saudi Arabia and Iran for the Netherlands and Norway.



There is no denying there is a grave danger from inflation.

But it is hard to conceive that if Mother needs a new range to replace the one burned out, that she is endangering the country by paying for it in 24 months instead of 15 months. On the other hand, it should be simple to see that giving away billions of dollars of American products will, and has, caused inflation.

One major control is needed.

That is control of government spending.

By 1735 there were five newspapers in Boston, a town of less than 20,000 population.

Three-fourths of the American towns having newspapers before 1765 were seaports.

In December, 1620, the first known news-sheets in the English language appeared not in England but in Holland.

The first American newspaper, Public Occurrences Both Foreign and Domestick, appeared in Boston on Sept. 25, 1690, by Benjamin Harris, was suspended by the royal governor after one issue.

Dear Mr. Hartley:

In regard to the Little Nine Baseball Club here on the Hilltop of which Mr. Jack Downing was manager and supervisor.

Personally, I think this Little Baseball League a very fine form of recreation for these young boys throughout the summer months. They naturally will derive the idea of good sportsmanship and proper association with other boys, also the enthusiasm shown by most all of them is commendable.

I hope this form of activity can be made possible to continue for these boys with Mr. Downing as their leader as he seems to be the perfect 'type' for such a position.

Thanking you, I remain

Sincerely,
Mrs. Paul Hesse,

Glenwood Center Wins Little League Title

Pictured above are the Little League champs of the Westgate League from Glenwood Recreation Center. First row, left to right, are Mickey Sweeney, Ralph Pentello, Sonny DeLong, Tommy Lawless, Skippy Martin and Bob Friley. Back row: Mike Hixson, Lon Wright, coach, Paul Thompson, and Butch Terry, manager.

Glenwood Center Little League Baseball team, the champions of the Westgate Little League, has gone through the season without a defeat in either league or non-league competition. The team is now in the City League play-offs which began on Aug. 13. The record of the team shows two victories over each of the league teams, Holton (21-2, 5-2), Columbian (16-12, 13-7), Westgate (12-11, 6-5). In non-league games they defeated the Hilltop YMCA all stars 11-9 and Goodale playground 10-0.

Ralph Pentello leads the team in batting with .750; Paul Thompson has .609; Butch Terry .550. Battery average for the team is .411.

Lon Wright, general custodian for Glenwood Center, is coach for the team.

D. Briggs Rates High Honors At Naval School

Dick Briggs, a June graduate of West High, also graduated as a distinguished midshipman from Culver Naval Summer School Aug. 18.

Culver has been designated by the United States Navy Department as an Honor Naval School and all forms of navy instruction are offered. Navigation, seamanship, drill of the soldier, sailing as well as credited high school courses and instruction in all sports are on the curriculum.

Dick was company commander of the Sixth Company this session as well as being president of the Cordon Society which is equivalent to Hi-Y. He also received the commanders cup for being the outstanding midshipman; being the best example and carrying out orders most efficiently.

Over 800 boys are enrolled in the naval school, many of them from Ohio. Forty-three states are represented as well as eight foreign countries.

Seiller Handicap Golf Tourney Begins Fri. At Beacon Light

One of the largest golf trophies in Columbus will be at stake when the Hilltop Handicap opens at Beason Light Aug. 24. For the third year the large rotating trophy will be at stake.

It will be a 72-hole medal play tournament open to every golfer of Beacon Light or resident of the Hilltop. The first 36 holes will be used to establish a handicap. The four rounds must be completed by Oct. 1 and each round must be played in the company of a different contestant.

A valuable merchandise prize will be offered on the qualifying rounds and permanent trophies will be made at the Fourth Annual Beacon Light Round-up, Oct. 7.

The two previous champions are Earl Carper ('48), and Joe Case who will both be serious contenders and will be in there trying to get their names on the cup the second time (three times retires it).

The trophy will be on display in the windows of the donors, Seiller's Department Store.

A Wrong Number Proves Hilltop's Neighborliness

Evidence of that community spirit of cooperation which is so evident on the Hilltop was displayed graphically this past week during the Red Tag Day sales of many local merchants. The one outstanding incident which proved gratifying to a new Hilltop merchant all came about through an error in his advertisement of last week.

The telephone number of City Furniture Co. on Sullivant-av was carried as Jordan 2577 instead of Randolph 2577 and a flood of telephone calls went out to the telephone listed to Mrs. Clark B. Wasmer of 131 Belvidere-av.

Normally a flood of telephone calls asking about the various bargains offered in the advertisement would soon tire out most persons but not Mrs. Wasmer. She took every one of the calls, informed the persons of the right number and even the address of the store.

Later Curley LeFever, owner of the furniture store, heard of the Good Samaritan act of Mrs. Wasmer and called her himself to thank her for her courtesy. She replied, "I had a lot of fun doing it."

LeFever now has a choice gift ready for Mrs. Wasmer who not only answered the calls but even kept a record of them for him. His remark was, "Only on the Hilltop could such a friendly co-operation exist."

A cordial invitation is being extended to every one to visit Glenwood Recreation Center the week of Aug. 27 which has been set aside as "Know Your City Week", and become acquainted with the facilities available for the fall and winter recreational activities. Glenwood staff will arrange tours of points of interest in the city. Schedules of these tours will be posted on the bulletin board at the center.

A colorful spectacle, the season's review, will be held on August 23, at Central High School auditorium at 8 p. m. This pageant will present highlights of activities on playgrounds during the summer season. Public is invited.

Glenwood council will not meet on the Thursday during the review.

Junior Knothole Baseball team has finished its season with a two win, three loss record. The team played well and continued to improve as the season drew to a close. The team's league competition was exceptional.

Glenwood's girls' softball team will enter the city playground tournament. First elimination game was played Monday, Aug. 20, at Sunshine Park.

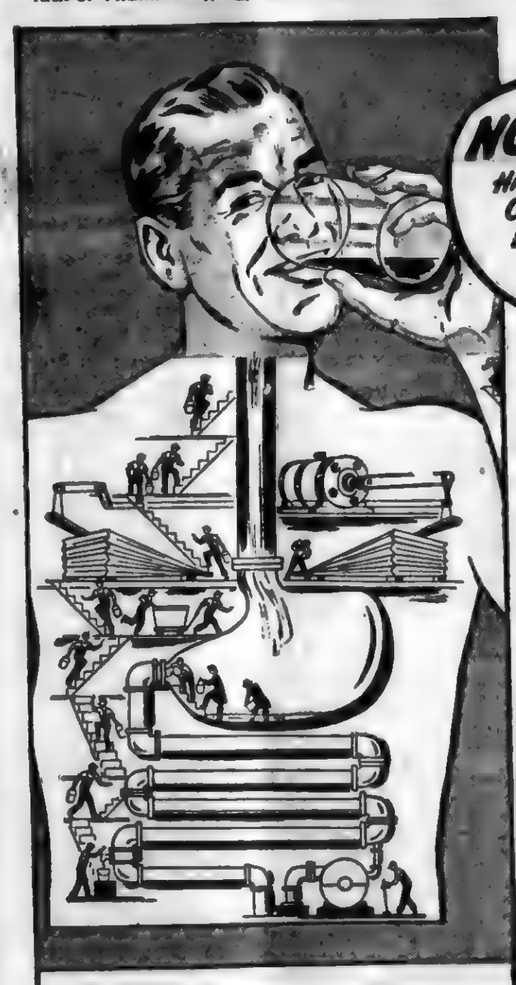
Why Be Distressed After 40?



NAGGING ACHES AND PAINS when due to lack of Vitamins B_1, B_2, Niacin and Iron

INDIGESTION AND HEARTBURN when due to lack of Vitamins B_1, B_2, Niacin and Iron

FATIGUE AND RUNDOWN CONDITION when due to lack of Vitamins B_1, B_2, Niacin and Iron

Hadacol Relieves Nagging Aches and Pains, Poor Appetite, Fatigue, Sleeplessness, Nervousness When Due to a Lack of Vitamins B_1, B_2, Niacin and Iron

Let's face facts. You don't have to put up with annoying aches and pains, a lagging appetite, missed sleep, or nervousness, when they are due to a lack of Vitamins B_1, B_2, Niacin and Iron. For today's great HADACOL contains more than the minimum daily requirements of these very elements to relieve such deficiencies and such possible resulting distresses. You can start facing a new and happier life today . . . just read how these folks have been helped.

Mrs. Daisy Sheckelsworth, Box 82, Baylis, Illinois: "I first heard of HADACOL on a radio program and immediately secured a bottle. I received benefits from this and have continued its use with satisfactory results. I am a widow, aged 70, and living alone. My daily diet must have lacked something. I suffered from weakness and loss of appetite, also a nervous condition. I can truthfully say the use of HADACOL has benefited me greatly and I am glad to recommend it."

Mr. O. C. Powers, Box 183, Durant, Mississippi: "I am a man of eighty years of age and have been active all my life, up until June, 1950. At that time, I began to have aches and pains. My friends kept insisting that I give HADACOL a chance. I took five bottles of HADACOL and on the fifth bottle I began to feel a difference. My appetite began to improve and I began to rest better. After my eighth bottle, I am so happy that I feel good again that I want you and the world to know that I give HADACOL the credit. If necessary I can get dozens of affidavits from the people and neighbors who know what I say is true."

Mrs. Allie Hake, 611 S. Linden Avenue, Alliance, Ohio: "I could not sleep at night, was so nervous. I am 74 years old now I am sleeping fine. Before taking HADACOL, I would just sleep a couple of hours in a night. The first night after I took HADACOL, I slept very nicely and am getting better every week."

Mr. L. Dee Tritle, 215 Cleveland, Wichita 7, Kansas: "HADACOL has been very helpful to me. I work in a hospital laundry, eight hours a day, and I am on my feet all the time. Before I began taking HADACOL, I would come home just tired, and ache. Since I am now on my second bottle of HADACOL I feel better, eat better, sleep much more soundly than before. Thanks to HADACOL a million times."

Don't be a burden to yourself and to your family . . . give yourself and them a chance. Try HADACOL today on a strict money-back guarantee.

Trial size, only $1.25; large economy, family size only $3.50.

Camp Chase Post News

By John Martindale

Camp Chase Post No. 98, American Legion Commander Mario F. Smith announced this week that Legion Post for the third year would sponsor the "Legion-Arrow" motorcycle races at the Ohio State Fairgrounds speedway on Sept. 16. They will be assisted in the sponsorship of the Golden Arrow Motorcycle Club of Columbus.

Smith said the races would be basically the same as in the past two years with two heats and a final for each of the novice, amateur, and expert classes of motorcycle racers. That will make nine races with an added tenth race being the third running of the Ohio State Championship.

Marine Veteran Bobby Hill, 22-year-old Columbus bachelor, has won the Ohio Championship on an Indian Motorcycle for the past two years and will defend his title against the best of Ohio's expert racers. Hill has also won the expert final for two years hand running, beating the nation's top motorcycle speedsters.

At the same time Smith announced Vernon C. Fiscus had been appointed general chairman of the races for both the Legion and the motorcycle club. Fiscus immediately entered a plea for all the help possible for Camp Chase Post members. He said key men of the Legion Post would be sent notice that they had been selected to assist at the motorcycle races on Sept. 16, and urged that they not let anything hinder them from doing so. Members are needed as ticket sellers, ticket takers, and other pertinent assignments for the race. "The fairgrounds is a big place," Fiscus commented. "I hope to see Camp Chase members that I haven't seen for years working there that day."

Fiscus further added that all profits from the races would be used for the Hilltop Veterans' Memorial Building. The Legion is working on the home at the present time and expects to have it completed in the near future.

Meanwhile Commander-elect Wm. D. Ferguson, who acts as coordinator for promotion and the actual running of the races, guaranteed that the outstanding riders in the country would be on hand to race.

"We had 138 riders here last year but only 48 actually competed in the races, the rest being eliminated by time trials immediately before the races. In spite of this the entries are coming in faster than ever before," he said.

The "Legion-Arrow" motorcycle races, along with the Charity Newsies races here in Columbus, are classed among the top motorcycle races in the United State. They are surpassed only by the Daytona Beach and the National Championship at Springfield, Ill.

Community Fund Workers Preparing For Annual Drive

Mrs. Stanley Maloy (left) and Mrs. C. L. Seale (right) prepare plans for the annual campaign for Community Chest.

Busy housewives and mothers are into the many duties which come with the last of August, getting the children ready for school. But many Hilltop women still find time to think ahead to Oct. 8 when the 1951 Community Chest Drive gets under way.

Mrs. C. L. Seale, 1858 W. Mound-st, is one of these women. Her territory bounded on the north by Sullivant-av, the south by Mound-st, the east by Larcomb-av, and on the west by Hilltonia has already been set up. Mrs. Stanley Maloy was photographed at the home of her major making plans to attend the one social event of the drive . . . the tea which Mrs. Frank Lausche is having on Wednesday, Aug. 29, at the Governor's Mansion.

Those who have agreed to work with Mrs. Seale on the Community Chest Drive are Mrs. Jack Alban, 599 Columbian-av; Mrs. Tom Jones, 301 Nashoba-av; Mrs. Harold Beard, 635 Woodberry-av; Mrs. Stanley Maloy, 640 Clark-av; Mrs. Cora Crownover, 459 Nashoba-av; Mrs. C. J. McGue, 608 Columbian-av; Mrs. Art Robinson, 470 Hilltonia; Mrs. R. D. Weygandt, 649 Columbian-av; Mrs. R. W. Self, 612 Hilltonia-av; Mrs. Homer M. Wise, 557 Woodberry-av, and Mrs. Lester Slyh, 505 Larcomb-av.

Beacon Light Club Champion Finals To Begin Sunday

Finals for the club championship are slated to get underway at the Beacon Light Golf Course this Sunday afternoon, according to announcement made this week by Jack Kidwell, manager of the popular Hilltop course.

Herb Weisberger and Mike Hurdzan are pitted against one another for the championship battle. Both are consistent scorers in the seventies and according to Kidwell a sharp tussle for the club crown is definitely on tap when they tee-off Sunday.

Berle Taylor and Chuck Wilson are also slated for duty at the Beacon course Sunday when they will vie for the first flight championship honors while Charles Grady and Ed. Berg will match strokes for the second flight title.

The first printing press in America was set up in 1638 in Cambridge, Massachusetts.

The Low Down On High Ridgers

By One of Them

From Maine to New York and back again to our Hi Ridge folks came LILY and CECIL GROOMS on their vacation trip. These Belvidereites certainly seem to be getting around this summer.

The BERT KIRBYS are certainly getting the variety of surprises these days. First it was the little dotter's broken arm which is now about healed; then a brand new gray Studebaker; and soon there will be a new home in store for them. We'll certainly hate to see them leave when they do go.

Back from a week spent in Toledo are MR. AND MRS. WALTER BARG. The two of them are always enjoying themselves in their car.

Paint spots on CAROL BAINTER'S skirt caused a lot of concern all last week. It seems all the neighbors said she got more paint on her clothes when she painted than she did on her back fence—which by the way looks sharp with the two-toned job she just finished.

LOTTIE PAYNE went to that oil fire up the river several weeks ago, and now whenever she hears a fire engine's siren, she says, "Oh well, if its oil again, I can start my own in my furnace."

Just last Wednesday BILL "SMITTY" mowed his lawn. He figured if he'd cut it short it would grow faster. That's the way it works with his hair he complains. But, of course, it might work differently since he doesn't have to water his hair.

Speaking of water, WILLIAM TIMMONS and CURT WALTERS were fishing the other night (of course we might say here that they caught more mosquitoes than fish). WILLIAM fell out of the boat before he even pushed it into the water and skinned his knee on dry land. Infection set in, but it's healing rapidly now.

Riding out to the CGC theater Monday evening, EARL and BETTE DONOVAN were discussing where they were going to park their car. Well, they parked it o.k. —but one of the tires parked itself on a rusty nail and they worried all during the show whether the "spare" would hold out. IT DID, although there wasn't too much air in it.

See you next week, folks!

Care Of Tropical Fish

Many people have become tropical fish hobbyists during the summer months. BE SURE THAT YOUR TROPICAL FISH ARE WARM. The great majority of fishes that are kept as pets are tropical and cannot be kept in temperatures less than 70 degrees F. for more than a few hours.

To be healthy they must be kept in temperatures ranging from 72 to 80 degrees and must be protected from sudden temperature changes, especially from chilling. Unless they are kept in rooms with constant high temperatures, there is only one practical way to keep them heated properly, and that is by means of an electric thermostatically controlled heater. The heating element is simply an electric heating coil in a water-proof jacket.

The control is a thermostat that should be adjustable and sensitive to within a couple of degrees. Some aquarium heaters are built as a single unit, but the most satisfactory type has the thermostat separate from the heating element. The thermostatic control and heater should be located in the tank, but some distance apart, so that it will not cut off the electric current before the whole tank has become properly heated. Mr. Trabert cannot emphasize too strongly the necessity of heat control at this particular time of year due to the warm days and cool nights.

Trabert's Aquarium at 2341 W. Broad-st is the place to go for bona fide information regarding your finny pets. Care should be taken not to use a heater that is too small for the size tank it must heat; otherwise a burned out heater and dead fish may result.

It is possible to employ several heating elements in different tanks with a single thermostat. The various tanks should be fairly close together so that they are all subject to the same external temperatures. The thermostat should be kept in the smallest tank, since the greatest temperature fluctuations tend to occur in the smallest body of water.

For more detailed information on this timely subject, stop in at Trabert's Aquarium, 2341 W. Broad-st, and get some professional and technical information for more healthy fish. —Adv.

Ever See A Yellow Watermelon?

Reporter Turns Gourmet To Determine Quality Of New Citrullus Vulgaris — He Still Lives

A watermelon is defined as "the large edible fruit of a trailing plant (Citrullus vulgaris) of the gourd family, containing a refreshing sweet watery juice" and a journalist is "one who manages, edits, or writes for a journal or newspaper," according to Mr. Webster.

For an interesting summer's experiment, take one journalist and one well-chilled watermelon, (in this case a large lime-green melon with yellow meat), turn them both loose on a hot afternoon and the odds are that within a half-hour the melon will be completely demolished and the journalist will be bulging (and not with ideas).

For this particular experiment the melon was donated by George Painter, owner of Painter's Grocery, 1641 Sullivant-av. Receiving the unusual Arkansas melon from friends, "who ever heard of a watermelon with yellow meat?" he called the Record's staff and asked for a volunteer to check the eating merits of the melon.

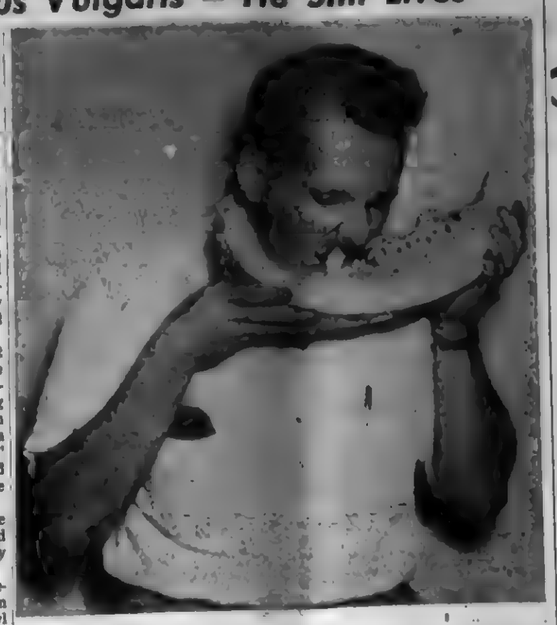
The editor glanced around the office and eager voices were heard from all sides—"I'm willing to try it."

Who wouldn't volunteer for ice-cold watermelon on a day when the mercury was trying to crawl out of the top of the thermometer?

So the editor chose one of the hungrier-looking news men in the room a victim of obvious malnutrition, who had only a 34-inch waist line and wouldn't weigh much more than 175 pounds wrapped in a dripping towel.

Eagerly the victim stepped out into the sun to brave the strenuous demands of a new-type watermelon.

Dragging out his note pad, he interviewed Painter on the background of the odd melon while trying to keep his eyes off its cool, chilled beauty as it lay in a display case.



The groceryman reported that friends saw some melons of this type while driving through Arkansas. They stopped to inquire about them, found that they grow to weigh up to 125 pounds, and cross easily with the regular red melons losing their yellow meat. They purchased one and brought it back to Painter.

The reporter carefully recorded these facts in his notes, never once taking his eyes off the melon.

It was then that Painter did the deed that earned him the undying loyalt yof one journalist; he cut off a big hunk of the melon and sent it with the reporter back to the Record staff.

When the reporter stepped back into the office, staff members could be seen eagerly whetting knives, tying napkins under their chins and dragging wastebaskets closer, for use as melon seed spitoons.

The slice lasted approximately three minutes, but in spite of a number of avaricious friends, the reporter managed to keep enough of the melon to bury his nose in it, get his earswet with the delectable juice and satiate a call-oused stomach. (See above.)

Shown above is Record scribe, Burr Van Atta as he carried out the great experiment to determine if yellow watermelon measured up to the red variety. Although suspicious of the origin of the yellow meat, other members of the staff also partook of the melon when the "guinea pig" still remained normal following his epicurean purfuits.

Oh yes, and anytime someone develops a new type of sirloin steak or T-bone, The Hilltop Record promises to ready an eager, a very eager staff of volunteer samplers. (They'll even furnish the steak sauce.)

Hadacol Caravan To Perform At Ohio State Fair

The medicine man is coming to town!

And with him come the 1951 production of the Hadacol Good Will Caravan.

Money can't buy it! It's strictly for box tops!

Senator Dudley J. LeBlanc will roll his star-studded Caravan into Columbus on Wednesday, Sept. 5. The great lineup of stage, screen, and radio stars will be presented in Ohio State Fair Grandstand or, in case of rain at State Fair Coliseum.

The Louisiana senator is taking his Goodwill Caravan through 18 states and will present 51 shows in 50 cities on 50 consecutive days. Columbus is the twenty-third stop on the tour which ranges from the Atlantic Seaboard to Omaha, Neb., south through Oklahoma and Texas and back into Louisiana.

Among the stars topping Sen. LeBlanc's $1,000,000 production are Carmen Miranda, Dick Haymes, Jack Dempsey, and Jack Benny's "Rochester."

In each of the cities the Caravan is scheduled to appear, Sen. LeBlanc will personally present special prizes to three lucky children.

The top prize, a Shetland pony, will be given to the boy or girl, turning in the greatest number of box tops on the night of the show. Second prize for the most number of Hadacol box tops turned in is a $25 U. S. Savings Bond.

Trunkline Break Causes Hour Long Power Blackout

A broken high tension electric cable at N. Hague-av and Valleyview-dr Thursday night caused a temporary blackout for a great portion of the Hilltop for more than an hour. While electric service men repaired the broken cable in what was termed "record time", city firemen stood by to prevent any outbreak of fire in the vicinity.

The area affected by the break in the high tension line was from Wheatland-av west to Demorest-rd and from Valleyview-dr south to Eskin-rd. Power failed at approximately 5:44 p. m. and was not restored until nearly 7 p. m.

The fallen cable was first noted by Marvin Weisheimer, 17, son of Mrs. Gerald Nance, 2886 Valleyview-dr, and it was he who called firemen to the scene. Officers of the utility company said they did not know what caused the break in the cable.

The first New England newspaper to be firmly established outside of Boston was the Connecticut Gazette of New Haven, founded in 1755 by James Parker, an associate of Benjamin Franklin.

Accident Injury Brings Law Suit For $239,000

In an action filed in the Franklin County Common Pleas Court last Friday damages of $239,000 were asked of the Pennsylvania Railroad by Andy Stischok of 1800 N. Hague-av. Stischock is an engineer and brakeman for the private railroad operated by the Marble Cliff Quarries Co., on its property.

Stischok's claim was based on injuries he suffered Oct. 7, 1949, when a seven-ton hopper owned by the Pennsylvania Railroad collided with a "dinky" engine he was operating. He claimed the brake on the hopper to be faulty.

Local Pastors Accepted By Annual Conference

Three local pastors of Evangelical United Brethren Churches in this vicinity were accepted into Ohio Conference of the Evangelical Church as advisory members in action taken at the annual conference last Thursday.

Local ministers accepted in the action were: Rev. Irvin H. Lane, of Burgess Avenue EUB Church; Rev. Roscoe S. Parr of the Hilltonia pastorate and Rev. D. S. Mills of the Avondale EUB Church.

Betty Burke, Jim Goudy Nuptials Read At Hillcrest Church Aug. 18

Mr. and Mrs. James F. Goudy
(J. Curtis Allen Photo)

Hillcrest Baptist Church was the setting for the Saturday, Aug. 18, ceremony uniting Miss Betty Jane Burke, daughter of Mr. and Mrs. H. J. Burke, Sr., 163 Whitethorne-av, and Mr. James F. Goudy, son of Mr. and Mrs. Roy Goudy, 264 S. Terrace-av. Rev. A. L. Roth officiated at the afternoon ceremony. Both the bride and groom were given in marriage by their fathers.

The bride's white taffeta faille gown was fashioned with a sweetheart neckline edged in lace. The fitted bodice buttoned down the back and the long sleeves formed points over her hands. The skirt was very full and extended into a long train. Her fingertip veil was held in place by orange blossoms. She carried a white prayerbook topped with a white purple throated orchid and green ivy leaves. She carried a lace handkerchief and her only jewelry was a sweetheart necklace, a gift of the bridegroom.

The attendants wore gowns of marquisette over taffeta styled with strapless bodices over which they wore waist length capes. The maid of honor, Miss Eva Burke, wore aqua and carried a bouquet of yellow gladiolus centered with yellow chrysanthemums. Miss Mary Ann Burke, bridesmaid, wore pink with which she carried pink gladiolus and the junior bridesmaid, Miss Patricia Lee Burke, wore a gown of yellow marquisette and carried a bouquet of orchid gladiolus. They wore matching hats.

Serving as best man was Mr. Richard Goudy, brother of the bridegroom, and Mr. Ray Burke and Mr. Jim Burke, brothers of the bride, and Mr. Bob Freshman and Mr. Bob Milstead were ushers.

For her daughter's wedding, Mrs. Burke chose a navy blue chiffon with which she wore navy blue accessories and a corsage of pink rosebuds. Mrs. Goudy wore a silk crepe print with black accessories and a corsage of shattered pink carnations.

The reception which followed the ceremony was held at the home of the bride's parents with Mrs. Richard Goudy, Miss Helen Cooper, Miss Madge Kallies and Mrs. Arlene Cimini, hostesses.

For their honeymoon to the Smoky Mountains the bride changed to a black and white print dress with which she wore black accessories and the orchid from her bouquet.

Following their honeymoon they will make their home at 2574 Sullivant-av, Apt. D.

Blue Stars To Feature Booth Of Home-Cookery At Ohio Fair

Columbus Chapter No. 6, Blue Star Mothers of America, will again open a restaurant at the Ohio State Fair. This will be the fifth year for this organization at the fair. The restaurant will be located under the grandstand in Booth No. 4. Service will be a la carte. The public is cordially invited to visit Booth No. 4.

Proceeds will be used for rehabilitation and welfare work among sick and disabled veterans both at home and in VA Hospitals and for the Memorial Stadium Fund at Chillicothe VA Hospital.

Glenwood and West Unit composed of West Side and Hilltop women are extending a special invitation to their Hilltop and West Side friends to come to the booth while at the fair. Members of Glenwood Unit will be in charge of the cooking. West Unit will assist in the dining room and kitchen. Mrs. Mary Sheehy will be hostess of the dining room for the noon day shift. All services are donated by the members.

Work done by the organization includes scholarship to Xenia Home for children of soldiers and sailors; a donation from the chapter of $100 to the Mid-West Paraplegic Veterans Ass'n for research work for a cure or help for paraplegics, parties at the Columbus Zoo for boys from Chillicothe VA Hospital, ward parties at the hospital, sending packages and letters as well as magazines and newspapers to the boys now in Korea. Also acting as hostesses for the Service Men's Club, and donations to the Lockbourne Hospital Recreation Room. This is only a part of the work Blue Star Mothers are doing for our service people, both those in service now and the boys in the VA Hospitals. While members are mothers of World War II boys and many have sons in service now in Korea no distinction is made in the parties at the hospital — men from the Spanish-American, World War I, and World War II, are all included.

An invitation is extended the mothers of boys in service both at home and abroad to join in the work the Blue Star mothers are doing.

'50 Class To Hold Reunion Next Sunday

Many requests from former classmates have prompted the officers of West High's June Class of 1950 to plan a reunion which they hope will become an annual affair.

Dick Lehmkuhl, president of the '50 class, announced this week that the picnic for class members, their dates, wives and husbands, would be held Sunday, Aug. 26, at City Shelter House No. 5 above Griggs Dam on the Scioto River.

The reunion is slated to begin at 2 p. m. and will continue till 6 p. m. with games and contests for everyone. A picnic lunch is planned to climax festivities and each person attending is urged to bring his own meal and join the fun.

All class members have been notified by mail about the big occasion. The officers of this active class were Dick Lehmkuhl, Carl Caliguri, Betty Roederer and Lavonne Beard who attend Ohio State University along with about 50 others from their class of 230 and thus have been able to keep in contact with classmates both in school and those working.

Miss Watkins June 10th Bride Of Pvt. William E. Brown

Pvt. and Mrs. William E. Brown

Miss Dorothy A. Watkins, daughter of Mr. and Mrs. Wallace D. Watkins, 453 S. Terrace-av, became the bride of Pvt. William E. Brown, son of Mr. and Mrs. Ennis Brown, 112 N. Warren-av, on June 10 at 3:30 p. m. The ceremony took place in the Highland Avenue Friends Church with the Rev. Joseph E. Watkins, uncle of the bride, officiating before an altar decorated with ferns and seven branch candelabra.

The bride wore a white satin gown fashioned with a fitted bodice and high neckline with a double pointed collar. The full skirt terminated in a cathedral train. A satin half bonnet held her fingertip veil of illusion. She carried a bouquet made up of white tube roses, and carnations which was placed on a white Bible.

Miss Carolyn Hines of Barnesville, O., was maid of honor. Bridesmaids included Miss Jane VanMeter, Miss Vergene Braithwaite, both of Columbus, and Mrs. William Graham of Marion, O.

Flower girls were Juanita Watkins, sister of the bride and Diane Tussey, cousin of the bridegroom.

Mr. Robert Brown served as best man for his brother and seating the guests were Mr. John Bill, Mr. John Brown, and Mr. Bernard Haughn, all of Columbus.

An open reception was held in the church parlors.

The bride is a student at the Grant Hospital School of Nursing. Pvt. Brown is stationed at Fort Meade, Md.

Aug. 11 Nuptials Read Uniting Mrs. Alice Mark, Edward Noble

On Saturday evening, Aug. 11, Mr. and Mrs. David Woehrle of New Rome attended the ceremony uniting Mrs. Woehrle's sister, Mrs. Alice Mark, to Mr. Edward J. Noble of Grove City. The double ring ceremony was read at 7:30 p. m. at the bride's home in Grove City by Rev. Ricke, head of the Lutheran Youth of Ohio.

The bride and bridegroom wore matching suits of gray gaberdine. With her suit the bride wore navy blue accessories and a corsage of Talisman roses.

Mrs. Norman Link, niece of the bride, was her matron of honor. She wore a gray suit with black accessories and a corsage of Talisman roses. Mr. Norman Link was best man for Mr. Noble.

Immediately following the ceremony a reception was held with the following hostesses, Mrs. Clara Hansen, Mrs. David Woehrle and Mrs. Edna Milligan. They were assisted by Miss Lois Noble, Miss Loretta Ann Mack, Miss Ann Worthington and Miss Veda Miller.

The new Mrs. Noble is a former resident of New Rome. Mr. Noble is connected with the traffic department of the Ohio Bell Telephone Co.

After the wedding trip through the Eastern States, the couple will reside at 4671 Harrisburg-pk.

Mr. and Mrs. Frank Doyo of Scotia, N. Y., are the parents of a daughter born Aug. 14. Mrs. Doyo is the former Betsy Sparks, daughter of Mr. and Mrs. Franklin Sparks, 108 N. Roys-av.

Mrs. Naomi Hunter, 12 Wisconsin-av, of Seiller's, and her daughter-in-law, Mrs. Robert Hunter, and granddaughter, Barbara, are vacationing in New York.

Shepard-Jolliet Ceremony Read By Rev. Peters

Miss Gwendolyn Shepard, niece of Mr. and Mrs. Earl A. Fickes, 1673 Grenoble-rd, became the bride of Mr. George I. Jolliet, son of Mr. and Mrs. Joseph E. Jolliet of Hilliards, O., in a ceremony read by Rev. Walter C. Peters at the South Methodist Church.

The bride, given in marriage by her step-father, Mr. Charles Redman, wore a ballerina length gown of blush pink nylon net over blush satin. The skirt and bodice were sprinkled with small sprays of lilies-of-the-valley. She wore the tradifional gold bracelet of the Delta Xi Chapter of Beta Sigma Phi. A crushed bandeare of pink net held the shoulder length veil of imported silk illusion and she carried an arm bouquet of white gardenias.

Mrs. Donald A. Noe, sister of the bride, was matron of honor. She wore a ballerina length gown of aqua nylon net featuring a strapless bodice, covered with a large shawl collar, and a bouffant skirt. She carried an arm bouquet of pink Johanna Hill roses.

Mr. Joseph Jolliet from Indiana, brother of the bridegroom, was best man. He was assisted by Mr. Zane McCoskey, usher.

The bride's aunt wore a turquoise suit with black accessories and an orchid corsage. The bridegroom's mother wore a brown faille suit with brown accessories and an orchid.

The garden reception was held at 1673 Grenoble-rd with Miss Betty Ash, Mrs. C. Edward Baun, Mrs. John Davis, Miss Ann Logue and Miss Mary Lou Smith as hostesses.

For their honeymoon trip to Michigan and Canada the bride wore a toast brown linen suit with black accessories.

Ever See A Yellow Watermelon?

Reporter Turns Gourmet To Determine Quality Of New Citrullus Vulgaris — He Still Lives

A watermelon is defined as "the large edible fruit of a trailing plant (Citrullus vulgaris) of the gourd family, containing a refreshing sweet watery juice" and a journalist is "one who manages, edits, or writes for a journal or newspaper," according to Mr. Webster.

For an interesting summer's experiment, take one journalist and one well-chilled watermelon, (in this case a large lime-green melon with yellow meat), turn them both loose on a hot afternoon and the odds are that within a half-hour the melon will be completely demolished and the journalist will be bulging 'and not with ideas).

For this particular experiment the melon was donated by George Painter, owner of Painter's Grocery, 1641 Sullivant-av. Receiving the unusual Arkansas melon from friends, "who ever heard of a watermelon with yellow meat?" he called the Record's staff and asked for a volunteer to check the eating merits of the melon.

The editor glanced around the office and eager voices were heard from all sides—"I'm willing to try it."

Who wouldn't volunteer for ice-cold watermelon on a day when the mercury was trying to crawl out of the top of the thermometer?

So the editor chose one of the hungrier-looking news men in the room a victim of obvious malnutrition, who had only a 34-inch waist line and wouldn't weigh much more than 175 pounds wrapped in a dripping towel.

Eagerly the victim stepped out into the sun to brave the strenuous demands of a new-type watermelon.

Dragging out his note pad, he interviewed Painter on the background of the odd melon while trying to keep his eyes off its cool, chilled beauty as it lay in a display case.

The groceryman reported that friends saw some melons of this type while driving through Arkansas. They stopped to inquire about them, found that they grow to weigh up to 125 pounds, and cross easily with the regular red melons losing their yellow meat. They purchased one and brought it back to Painter.

The reporter carefully recorded these facts in his notes, never once taking his eyes off the melon.

It was then that Painter did the deed that earned him the undying loyalt yof one journalist; he cut off a big hunk 6f the melon and sent it with the reporter back to the Record staff.

When the reporter stepped back into the office, staff members could be seen eagerly whetting knives, tying napkins under their chins and dragging wastebaskets closer, for use as melon seed spitoons.

The slice lasted approximately three minutes, but in spite of a number of avaricious friends, the reporter managed to keep enough of the melon to bury his nose in it, get his earswet with the delectable juice and satiate a cellaused stomach. (See above.)

Shown above is Record scribe, Burr Van Atta as he carried out the great experiment to determine if yellow watermelon measured up to the red variety. Although suspicious of the origin of the yellow meat, other members of the staff also partook of the melon when the "guinea pig" still remained normal following his epicurean pursuits.

Oh yes, and anytime someone develops a new type of sirloin steak or T-bone, The Hilltop Record promises to ready an eager, a very eager staff of volunteer samplers. (They'll even furnish the steak sauce.)

Hadacol Caravan To Perform At Ohio State Fair

The medicine man is coming to town!

And with him come the 1951 production of the Hadacol Good Will Caravan.

Money can't buy it! It's strictly for box tops!

Senator Dudley J. LeBlanc will roll his star-studded Caravan into Columbus on Wednesday, Sept. 5. The great lineup of stage, screen, and radio stars will be presented in Ohio State Fair Grandstand or, in case of rain at State Fair Coliseum.

The Louisiana senator is taking his Goodwill Caravan through 18 states and will present 51 shows in 50 cities on 50 consecutive days. Columbus is the twenty-third stop on the tour which ranges from the Atlantic Seaboard to Omaha, Neb., south through Oklahoma and Texas and back into Louisiana.

Among the stars topping Sen. LeBlanc's $1,000,000 production are Carmen Miranda, Dick Haymes, Jack Dempsey, and Jack Benny's "Rochester."

In each of the cities the Caravan is scheduled to appear, Sen. LeBlanc will personally present special prizes to three lucky children.

The top prize, a Shetland pony, will be given to the boy or girl, turning in the greatest number of box tops on the night of the show. Second prize for the most number of Hadacol box tops turned in is a $25 U. S. Savings Bond.

Trunkline Break Causes Hour Long Power Blackout

A broken high tension electric cable at N. Hague-av and Valleyview-dr Thursday night caused a temporary blackout for a great portion of the Hilltop for more than an hour. While electric service men repaired the broken cable in what was termed "record time", city firemen stood by to prevent any outbreak of fire in the vicinity.

The area affected by the break in the high tension line was from Wheatland-av west to Demorest-rd and from Valleyview-dr south to Eakin-rd. Power failed at approximately 5:44 p. m. and was not restored until nearly 7 p. m.

The fallen cable was first noted by Marvin Weisheimer, 17, son of Mrs. Gerald Nance, 2886 Valleyview-dr, and it was he who called firemen to the scene. Officers of the utility company said they did not know what caused the break in the cable.

The first New England newspaper to be firmly established outside of Boston was the Connecticut Gazette of New Haven, founded in 1758 by James Parker, an associate of Benjamin Franklin.

Local Pastors Accepted By Annual Conference

Three local pastors of Evangelical United Brethren Churches in this vicinity were accepted into Ohio Conference of the Evangelical Church in advisory members in action taken at the annual conference last Thursday.

Local ministers accepted in the action were: Rev. Irvin H. Lane, of Burgess Avenue EUB Church; Rev. Roscoe S. Parr of the Hilltonia pastorate and Rev. D. S. Mills of the Avondale EUB Church.

Accident Injury Brings Law Suit For $239,000

In an action filed in the Franklin County Common Pleas Court last Friday damages of $239,000 were asked of the Pennsylvania Railroad by Andy Stischok of 1800 N. Hague-av. Stischock is an engineer and brakeman for the private railroad operated by the Marble Cliff Quarries Co., on its property.

Stischok's claim was based on injuries he suffered Oct. 7, 1949, when a seven-ton hopper owned by the Pennsylvania Railroad collided with a "dinky" engine he was operating. He claimed the brake on the hopper to be faulty.

Betty Burke, Jim Goudy Nuptials Read At Hillcrest Church Aug. 18

Mr. and Mrs. James F. Goudy
(J. Curtis Allen Photo)

Hillcrest Baptist Church was the Saturday, Aug. 18, setting for the ceremony uniting Miss Betty Jane Burke, daughter of Mr. and Mrs. H. J. Burke, Sr., 163 Whitethorne-av, and Mr. James F. Goudy, son of Mr. and Mrs. Roy Goudy, 264 S. Terrace-av. Rev. A. L. Roth officiated at the afternoon ceremony. Both the bride and groom were given in marriage by their fathers.

The bride's white taffeta faille gown was fashioned with a sweetheart neckline edged in lace. The fitted bodice buttoned down the back and the long sleeves formed points over her hands. The skirt was very full and extended into a long train. Her fingertip veil was held in place by orange blossoms. She carried a white prayerbook topped with a white purple throated orchid and green ivy leaves. She carried a lace handkerchief and her only jewelry was a sweetheart necklace, a gift of the bridegroom.

The attendants wore gowns of marquisette over taffeta styled with strapless bodices over which they wore waist length capes. The maid of honor, Miss Eva Burke, were aqua and carried a bouquet of yellow gladiolus centered with yellow chrysanthemums. Miss Mary Ann Burke, bridesmaid, wore pink with which she carried pink gladiolus and the junior bridesmaid, Miss Patricia Lee Burke, wore a gown of yellow marquisette and carried a bouquet of orchid gladiolus. They wore matching hats.

Serving as best man was Mr. Richard Goudy, brother of the bridegroom, and Mr. Ray Burke and Mr. Jim Burke, brothers of the bride, and Mr. Bob Freshman and Mr. Bob Milstead were ushers.

For her daughter's wedding, Mrs. Burke chose a navy blue chiffon with which she wore navy blue accessories and a corsage of pink rosebuds. Mrs. Goudy wore a silk crepe print with black accessories and a corsage of shattered pink carnations.

The reception which followed the ceremony was held at the home of the bride's parents with Mrs. Richard Goudy, Miss Helen Cooper, Miss Madge Kallies and Mrs. Arlene Cimini, hostesses.

For their honeymoon to the Smoky Mountains the bride changed to a black and white print dress with which she wore black accessories and the orchid from her bouquet.

Following their honeymoon they will make their home at 2574 Sullivant-av, Apt. D.

Blue Stars To Feature Booth Of Home-Cookery At Ohio Fair

Columbus Chapter No. 6, Blue Star Mothers of America, will again open a restaurant at the Ohio State Fair. This will be the fifth year for this organization at the fair. The restaurant will be located under the grandstand in Booth No. 4. Service will be a la carte. The public is cordially invited to visit Booth No. 4.

Proceeds will be used for rehabilitation and welfare work among sick and disabled veterans both at home and in VA Hospitals and for the Memorial Stadium Fund at Chillicothe VA Hospital.

Glenwood and West Unit composed of West Side and Hilltop women are extending a special invitation to their Hilltop and West Side friends to come to the booth while at the fair. Members of Glenwood Unit will be in charge of the cooking. West Unit will assist in the dining room and kitchen. Mrs. Mary Sheehy will be hostess of the dining room for the noon day shift. All services are donated by the members.

Work done by the organization includes scholarship to Xenia Home for children of soldiers and sailors; a donation from the chapter of $100 to the Mid-West Paraplegic Veterans Ass'n for research work for a cure or help for paraplegics, parties at the Columbus Zoo for boys from Chillicothe VA Hospital, ward parties at the hospital, sending packages and letters as well as magazines and newspapers to the boys now in Korea. Also acting as hostesses for the Service Men's Club, and donations to the Lockbourne Hospital Recreation Room. This is only a part of the work Blue Star Mothers are doing for our service people, both those in service now and the boys in the VA Hospitals. While members are mothers of World War II boys and many have sons in service now in Korea no distinction is made in the parties at the hospital — men from the Spanish-American, World War I, and World War II, are all included.

An invitation is extended the mothers of boys in service both at home and abroad to join in the work the Blue Star mothers are doing.

'50 Class To Hold Reunion Next Sunday

Many requests from former classmates have prompted the officers of West High's June Class of 1950 to plan a reunion which they hope will become an annual affair.

Dick Lehmkuhl, president of the '50 class, announced this week that the picnic for class members, their dates, wives and husbands, would be held Sunday, Aug. 26, at City Shelter House No. 5 above Griggs Dam on the Scioto River.

The reunion is slated to begin at 2 p. m. and will continue till 6 p. m. with games and contests for everyone. A picnic lunch is planned to climax festivities and each person attending is urged to bring his own meal and join the fun.

All class members have been notified by mail about the big occasion. The officers of this active class were Dick Lehmkuhl, Carl Caliguri, Betty Roederer and Lavonne Beard who attend Ohio State University along with about 50 others from their class of 230 and thus have been able to keep in contact with classmates both in school and those working.

Miss Watkins June 10th Bride Of Pvt. William E. Brown

Pvt. and Mrs. William E. Brown

Miss Dorothy A. Watkins, daughter of Mr. and Mrs. Wallace D. Watkins, 453 S. Terrace-av, became the bride of Pvt. William E. Brown, son of Mr. and Mrs. Ennis Brown, 112 N. Warren-av, on June 10 at 3:30 p. m. The ceremony took place in the Highland Avenue Friends Church with the Rev. Joseph E. Watkins, uncle of the bride, officiating before an altar decorated with ferns and seven branch candelabra.

The bride wore a white satin gown fashioned with a fitted bodice and high neckline with a double pointed collar. The full skirt terminated in a cathedral train. A satin half bonnet held her fingertip veil of illusion. She carried a bouquet made up of white tube roses, and carnations which was placed on a white Bible.

Miss Carolyn Hines of Barnesville, O., was maid of honor. Bridesmaids included Miss Jane VanMeter, Miss Vergene Braithwaite, both of Columbus, and Mrs. William Graham of Marion, O.

Flower girls were Juanita Watkins, sister of the bride and Diane Tussey, cousin of the bridegroom.

Mr. Robert Brown served as best man for his brother and seating the guests were Mr. John Bill, Mr. John Brown, and Mr. Bernard Haughn, all of Columbus.

An open reception was held in the church parlors.

The bride is a student at the Grant Hospital School of Nursing. Pvt. Brown is stationed at Fort Meade, Md.

Aug. 11 Nuptials Read Uniting Mrs. Alice Mark, Edward Noble

On Saturday evening, Aug. 11, Mr. and Mrs. David Woehrle of New Rome attended the ceremony uniting Mrs. Woehrle's sister, Mrs. Alice Mark, to Mr. Edward J. Noble of Grove City. The double ring ceremony was read at 7:30 p. m. at the bride's home in Grove City by Rev. Rieke, head of the Lutheran Youth of Ohio.

The bride and bridegrooms wore matching suits of gray gaberdine. With her suit the bride wore navy blue accessories and a corsage of [illegible]

Mrs. Norman Link, niece of the bride, was her matron of honor. She wore a gray suit with black accessories and a corsage of Talisman roses. Mr. Norman Link was best man for Mr. Noble.

Immediately following the ceremony a reception was held with the following hostesses, Mrs. Clara Hansen, Mrs. David Woehrle and Mrs. Edna Milligan. They were assisted by Miss Lois Noble, Miss Loretta Ann Mack, Miss Ann Worthington and Miss Veda Miller.

The new Mrs. Noble is a former resident of New Rome. Mr. Noble is connected with the traffic department of the Ohio Bell Telephone Co.

After the wedding trip through the Eastern States, the couple will reside at 4671 Harrisburg-pk.

Mr. and Mrs. Frank Deyo of Scotia, N. Y., are the parents of a daughter born Aug. 14. Mrs. Deyo is the former Betsy Sparks, daughter of Mr. and Mrs. Franklin Sparks, 108 N. Roys-av.

Mrs. Naomi Hunter, 13 Wisconsin-av, of Seiller's, and her daughter-in-law, Mrs. Robert Hunter, and granddaughter, Barbara, are vacationing in New York.

Shepard-Jolliet Ceremony Read By Rev. Peters

Miss Gwendolyn Shepard, niece of Mr. and Mrs. Earl A. Fickes, 1673 Grenoble-rd, became the bride of Mr. George I. Jolliet, son of Mr. and Mrs. Joseph E. Jolliet of Hilliards, O., in a ceremony read by Rev. Walter C. Peters at the South Methodist Church.

The bride, given in marriage by her step-father, Mr. Charles Redman, wore a ballerina length gown of blush pink nylon net over blush satin. The skirt and bodice were sprinkled with small sprays of lilies-of-the-valley. She wore the traditional gold bracelet of the Delta Xi Chapter of Beta Sigma Phi. A crushed bandeare of pink net held the shoulder length veil of imported silk illusion and she carried an arm bouquet of white gardenias.

Mrs. Donald A. Nop, sister of the bride, was matron of honor. She wore a ballerina length gown of aqua nylon net featuring a strapless bodice, covered with a large shawl collar, and a bouffant skirt. She carried an arm bouquet of pink Johanna Hill roses.

Mr. Joseph Jolliet from Indiana, brother of the bridegroom, was best man. He was assisted by Mr. Zane McCoskey, usher.

The bride's aunt wore a turquoise suit with black accessories and an orchid corsage. The bridegroom's mother wore a brown faille suit with brown accessories and an orchid.

The garden reception was held at 1673 Grenoble-rd with Miss Betty Ash, Mrs. C. Edward Baun, Mrs. John Davis, Miss Ann Logue and Miss Mary Lou Smith as hostesses.

For their honeymoon trip to Michigan and Canada the bride wore a toast brown linen suit with black accessories.

KEP FIGHTIN'

I'd hate to be a quitter—
When the goin's gettin' rough
I tighten up my belt a bit,
I like it when it's tough.
Aint a bit of fun when things aint hard,
Don't like the easy way—
Makes a feller sorta lazy-like,
At least that's what I say.

When things is tough and things is rough
It kinda spurs me on,
It's a challenge, just to see
If I can make things right that's wrong.
Yep, I'd hate to be a quitter,
Even though the game I lose.
Keep a fightin- to the finish—
Leastways, that is how I choose.
Dorothy Gibson.

This poem by one of my favorite people reflects her own fightin' spirit. Dorothy had been bed-fast four long years, till a few months ago. Now she can walk a little but still has a hard fight ahead for complete recovery. She will make it—I know Dorothy! Certainly nobody deserves happiness more than Dorothy, who is Mrs. George Gibson. During their stay in Columbus, the Gibsons have taken 18 young people of all nationalities into their home. One Japanese-American girl lived with them eight years. Several of the young people were sent to them by Dr. Floyd Faust. The Gibsons have also given a home to four displaced persons from Latvia whose families were brutally mistreated by the Russians. She says they are fine, well-educated people. Dorothy and George are concerned about the lethargy of Americans regarding communism, since they have heard first-hand many stories of Russian cruelty from their Latvian house guests.

The Gibsons live at 1050 Lincoln-rd. While bed-fast, Dorothy took phone calls and did sales promotion work for her husband's business — the Textile Cleaning Service.' Her hobbies are poetry-writing; she has written many songs which she hopes to have published some day. I'm so glad my path and Dorothy's have crossed. She is grand to know.

Guess it's from reading too many who-dunnits or from hearing too many crime dramas, but I had often wondered what it would be like to have the police come to my door. Last week I found out. When two very nice men came and introduced themselves as city detectives, my more or less dark past floated through my brain like a drowning man's is supposed to do. Before they told me why they had come, I had imagined myself right into a cold, dark cell, although I've always tried to "stay within the law." Honest—it was only a routine check on somebody who had done something. In the words of the song — "Somebody else, not me."

Somebody with quite a sense of humor has placed a sign which reads "Please do not pick these flowers," on the flowers in a floating box in the middle of the Blue Hole, the bottomless pool at Castalia. If you haven't seen the Blue Hole, you should. It is especially beautiful at night, and as you know—there is quite a romantic Indian legend about the place.

If you haven't heard "That's My Boy," some clever words in it are: "He's the only kid with a quicksand pile." Reminds me of the kid who used to live next-door when I was in pigtails. He was the neighborhood A-bomb; now he is a subdued psychiatrist. You never can tell.

Holton Park News

Interest at Holton has centered around the Playground Review of 1951 to be held at Central High Auditorium, Thursday evening, Aug. 23, at 7:30 p. m.

Judy and Joyce Henry, Sharon Washburn, Angela Brothers, Ronny Henry, Linda Curry, Junia Thimmes, Anne Shuman and Willis Higgins will represent Holton in the scene depicting the Lantern Parade.

Dorothy Lampson and Kay Tracey will play the leads with Pat Henry, Beverly Pack and Barbara Barbee representing newspaper, television and radio as pages. Pat Thompson, Mary Exman, Sally Thimmes and Janet Hickman will represent countries. Zianne Pospichel plays the part of Miss Columbus.

At an election held by the girls and boys at Holton last Tuesday to determine who would represent this playground at the pageant as queen, Carol Erlenbach was chosen.

The Junior Queen contest was held Tuesday evening but the winner was not known at this writing.

The first printing press in America was set up in 1638 in Cambridge, Massachusetts.

"Early Worm" Johnson Confers Garter Honors To Hilltopper

Hilltopper Fern Sharp, 2263½ W. Broad-st, well known radio and television commentator, is pictured above as she received a garter from Irwin "Early Worm" Johnson on the occasion of being accepted into the "Early Worm Order of the Garter". Every listener or columnist quoted on Johnson's new program, "Early Worm Turns Wolf", heard on WBNS, 3:30 to 5:45 p. m. daily, will also be awarded a be-ribboned arm or knee elastic bearing the Early Worm coat of arms.

Free Transportation Is Offered To The Water System Hearings

With a hearing scheduled for Tuesday, Aug. 28, at the Franklin County Court House at 10 a. m. on the proposed new water mains project in the Trabue-rd, Hague and McKinley-av areas property owners are being urged this past week to attend the hearings.

Free transportation for anyone interested in the hearings was being offered this week by a group of interested persons. They asked anyone who has no transportation to go to the Kesterson Filling Station on Wilson-rd where transportation will be furnished them.

In last week's Hilltop Record it was erroneously reported that the date of the hearing would be Aug. 23 when it should have read Aug. 28.

The New England Courant was founded Aug. 7, 1721, by James Franklin, brother of the more famous Benjamin.

The Rhode Island Gazette was founded in Newport in 1732 by James Franklin, older brother of the more famous Benjamin.

These Folks Once Suffered, Too!

Luther Harris suffered aches and pains.

Ollie May Cooper suffered stomach distress.

Mrs. Waldo Heath was nervous and run-down.

HADACOL Relieves The Cause Of Stomach Distress, Aches and Pains, Weak, Run-Down Conditions and Nervousness When Due to Deficiencies of Vitamins B1, B2, Niacin and Iron

Why Settle for Symptomatic Relief When HADACOL Can Help People With Such Deficiencies?

Luther Harris, 516 Chestnut St., Bowling Green, Kentucky: "For quite some time I was nervous and run-down and I suffered from aches and pains. I was weak and I could hardly do a day's work. I started taking HADACOL and from my first bottle I felt better. Now, I feel good and I can do a good day's work. I am still taking HADACOL and I wouldn't do without it. I praise HADACOL very highly."

Mr. Eclied Cooper, Box 118A, Marksville, La.: "My 18-year-old daughter, Ollie Mae Cooper, was underweight, and she suffered from stomach distress. She is on her fourth bottle of HADACOL. Now, she feels fine and she is able to go where she wants to. She has gained weight and no longer suffers from stomach distress. I intend to continue giving her HADACOL. I give HADACOL to all the family now."

HADACOL can help you if your condition is due to deficiencies of Vitamins B1, B2, Niacin and Iron. HADACOL is sold on a strict money-back guarantee—you'll feel better or your money back.

Mrs. Waldo Heath, 1020 Jackson St., West Plains Missouri: "I want to give thanks to the wonderful preparation HADACOL and tell you how it has helped me. Before I started taking HADACOL I was nervous, couldn't eat and didn't have the energy to do my housework. Now, I'm on my eighth bottle of HADACOL. I can do anything I feel like doing, and I also have a good appetite. So, you see what the wonderful HADACOL has done for me. I want to say thanks again to HADACOL. I'm 21 years of age."

J. D. Rambin, 165 Sunset Drive, Alexandria, La.: "I have taken three bottles of HADACOL, and I could tell the difference in my condition, before I took all of the first bottle. I'm 68 years of age. Before I started taking HADACOL I was tired, and I had aches and pains, and I couldn't sleep well at night. Now, since I am taking HADACOL I feel so much better, and the aches and pains have disappeared, and I sleep soundly. I can't recommend HADACOL enough."

Louis Farber, Saunemin, Illinois: "A friend of mine had given me a bottle of HADACOL for my birthday. I had been feeling rundown, and just didn't seem to have much energy. So I decided to try the HADACOL that had been given to me. I could notice after the first bottle that I was feeling much stronger. I have since bought the large family size bottle and feel that HADACOL has helped me. I intend to continue taking it."

Mrs. Eddie G. Shaw, Route 1, Moselle, Mississippi: "I was weak, nervous, had lost my appetite, could not even stand the smell of food. Having to eat to live, I would force down a few mouthfuls, then I would suffer from stomach distress. Then I heard about your wonderful HADACOL. I began taking HADACOL four times a day. Within a week I was cooking for my family and doing most all the housework. I have been taking HADACOL about a year. I have been teaching 14 years, and I just can't recall a single year that I wasn't happy for school to close, because I was so tired. It is different this year. I will be very unhappy to see school out this year. I have told other teachers about your wonderful HADACOL."

Mrs. Clarice Brown, 712 La Due Avenue, Cedartown, Georgia: "I am 30 years old, and I just want to tell you how your wonderful HADACOL has helped me. I was weak, nervous and rundown and could hardly do my work, and what I ate didn't agree with me. I decided to give HADACOL a trial. I have taken six bottles of HADACOL, and I can tell the difference since I have been taking HADACOL. Use my letter. Maybe it will encourage a lot of people that are weak and nervous as I was. Thank you for letting me tell you about HADACOL."

Mrs. R. W. Bryant, P. O. Box 191, Sumrall, Mississippi: "I have been a HADACOL user for one year. I was nervous, could not sleep, was tired and rundown. I have taken seven or eight bottles of HADACOL and I feel so much better. I do all my housework, milk two cows, sleep well and eat anything I want without stomach misery. I have recommended HADACOL to many of my friends and neighbors. I just cannot praise it enough, for it has done so much for me. I am 54 years old and I believe what HADACOL has done for me, it will do for others. I highly recommend HADACOL."

Mrs. Ella Holderfield, 225 Graymont Avenue West, Birmingham, Ala.: "I've been using HADACOL a year now and it sure has helped me. I didn't have any appetite at all, couldn't sleep well, and ached a lot, but since I've been taking HADACOL I can't get enough to eat now. I go to sleep now and can rest all night. I can work hard and it doesn't even tire me now like it did. I am 65 years old and feel good most of the time. Thanks to HADACOL. I won't be without it as long as I'm able to buy it. Use my letter—it may help someone."

Miss Omatha White, 1709 Bush Avenue, Alexandria, La.: "I am twenty-five years old and have lived in Alexandria all my life. I am employed by a canning company. A year ago I was nervous and rundown. I lost my appetite and couldn't sleep. A friend told me about HADACOL and I decided to try it. I have been taking one bottle a week for a year and I can report wonderful results. I am gaining weight, my nerves are O.K., I have a good appetite and I can sleep nights again. One bottle a week did it and I recommend HADACOL."

Bible Comment:

Words of Jesus Promise Eternal Life to Disciples

NO doubt a question in the mind of many GI's on the Korean front has been, "What happens to me if I die?"

Almost the same question was asked by Job centuries ago: "If a man die, shall he live again?" Countless generations of men have pondered the mystery of death and turned to the prophets and poets for answers.

One of the most comforting answers is the Twenty-third Psalm, which by implication declares that the valley of death would be unbearable unless there were hope of life beyond.

The poet Wordsworth also wrote of death and everlasting life in his famous "Ode on the Intimations of Immortality." Still another famous theme on death was Bryant's "Thanatopsis."

The most remarkable evidence that there is life beyond the veil is, of course, the resurrection. To His disciples, the Master promised, "Because I live, ye shall live also."

It was this assertion that lifted the disciples from the depth of gloom and despair occasioned by the Master's death. Aroused to new hope, life and ambition by the conviction that their Lord was living, they went forth to the spiritual conquest of the world.

There was no bickering among them for they had found eternal life.

Today great emphasis is laid upon the importance of old folk successfully reconciling themselves to the inevitability of death. It would seem more important that they realize the eternal life glorified in the New Testament is as much of a reality today as it was in the time of Job.

Briggsdale And Brown Road

By Mrs. Harry Downing

Carrie McKinley, 2014 Harrisburg-pk, returned home Sunday afternoon from Mt. Carmel Hospital where she had been a patient since Dec. 16 when injured in an auto accident.

Mrs. Luther Meeks, 1071 Geneva-av, is at home after spending six weeks with her cousin in Youngstown.

Mr. and Mrs. Robert Point (Dorothy Feyh), 990 Hart-rd, are announcing the arrival of Marcia Lee at White Cross Hospital, Aug. 11.

Mr. and Mrs. John Canter, 1135 Geneva-av visited relatives in Illinois while on their vacation.

William Hawkins, 1086 Geneva-av, will re-enter the service Aug. 27 with the State Selective Service with headquarters in Columbus.

Mr. and Mrs. Clarence Van West, 1525 Greenleaf-rd, are parents of a daughter born Aug. 13 at University Hospital.

Lt. and Mrs. William H. Overmyer and children, Hank and Diane of Fort Campbell, Ky., spent the week-end with relatives here. Mrs. Overmyer is the former Lou Smith.

Mr. and Mrs. Harley O'Day, 2066 Eakin-rd, spent part of this week at Cedar Point attending the real estate brokers' convention.

Jimmy Smith, son of Mr. and Mrs. Milo Smith, 2243 Harrisburg-pk, is stationed at Fort Francis E. Warren in Wyoming where he is attending teletype school. He would like to hear from friends here at home. The address is Pvt. James H. Smith, AF 238 616 44, 3466th Student Sqdn, Fort Francis E. Warren, Air Force Base, Wyoming.

Mr. and Mrs. Fred Willson, Geneva-av, have returned home from a vacation in Detroit.

Alice Rummell, Lawndale-av, spent the week-end with Mary Downing, Eakin-rd.

Funeral services were held Tuesday afternoon in London, O., for E. O. Fitzgerald, well known resident of the community who died suddenly last Saturday morning. He resided with his daughter, Mrs. Charles P. Nardin, 1029 Brown-rd. Survivors include Mrs. Nardin, three sons and one sister.

Yes, the queen is in the kitchen—and the "court" is there to watch.

It's interesting enough right now. But it's even better later on in the afternoon when that rich warm smell of good cake baking in the oven comes stealing through the house.

Sometime tonight—just before bedtime—there will be a whisper from the kitchen, and out there will be a slice of the cake, and a tall, cold glass of milk, and a mother's goodnight kiss.

But will it be a good cake? Of course it will . . . A mother knows the value of *proper proportions.*

Her sense of proper proportions goes far beyond her kitchen. For one thing she makes sure that her children get to Sunday School regularly. There, she knows, the right elements will be added. Love. Faith. Belief. Honor. Good elements, proportionate elements, all of them. Qualities the Church can help you give your children.

A good cake? Yes! Good children? Yes!

You see . . . *proper proportions* . . .

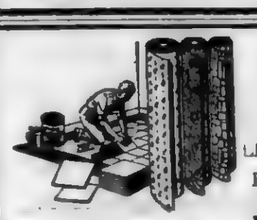
Crowds Seek Red Tag Day Sale Specials

SHOWN ABOVE is a portion of the crowds which gathered before the doors of Seiller's Department Store, 2404 W. Broad-st, last Thursday morning when Red Tag Specials offered by many Hilltop merchants went on sale. The Red Tag event pleased merchants and customers as well and it was urged that such a sales event be staged at more frequent intervals.

All-Stars End Season Under Lights

Hilltop All-Stars of the Little Nine Baseball League sponsored by the Hilltop YMCA this past week ended their official season with a trip to Flint, O., where the local nine under the lights lost a thriller by a 7-5 count.

Shown above is the All-Star aggregation: back row, Lantz, Pennell, Clapsaddle, McDonald, Ash and Hostler. Second row: Green, Morical, Cruise, Don Furry and Ronkonwski. Front row: Morrey, Edwards and Boyd. Missing at time of photo were Varner and Dick Furry.



Jack Downing, YMCA staff member, who has guided the All-Star team, last week received from the group a fine leather billfold in appreciation of his work with them. Downing voiced his appreciation and also thanked the many parents who have provided transportation for the boys.

11 New Models Of Admiral Being Shown

Compact home entertainment at a record low price was unveiled to dealers at American Sales' open house today. The occasion was the first showing here of Admiral's new television and radio models, 11 in number.

The new model radio-phonograph is less than a foot high, a model of compactness, but with full-size performance. It plays all size records, seven, 10 or 12 inch, at 78, 45 or 33 1/3RPM, with a single tone arm and is so simple that a child of five can operate it readily.

Dumps

(Continued from Page 1)

Pointing to the local scene this week, Reynolds cited the McKinley-av dumps as typical of the existing nuisances and again urged consideration of a plan whereby the lands in that area which are privately and state owned be purchased, the land filled and a city park created on the site. He pointed up the fact that the new expressway system would in all probability bisect the area and that such a park would definitely prove a civic improvement along with the new roadways.

As You Speed Along This Week-End Remember It Will Be A Lot Of Fun To Be Alive Tuesday Morning

Several Voice Objection To New Water Main

Franklin County Commissioners heard several objections voiced Tuesday morning in a scheduled hearing on the proposed new water mains project in the Trabuerd, Hague and McKinley-av areas. The principal objection which was voiced at the hearing was the cost to the taxpayer on the project. No voice was raised in direct opposition to the installation of the trunk line, it was pointed out. Another objection was that large land owners in the area do not want to subdivide their holdings.

An attache at the court house pointed out that all property owners in the area will be assessed for installation of the new water trunk line. It was pointed out, that although many properties in the area would not be immediately serviced by the trunk line at this time they would be required to pay a part of the cost at a lower rate than those who will receive immediate benefits from the installation. Later they would be required to pay for lateral installations to their properties.

Although the hearing was held Tuesday morning, the county commissioners cannot make a decision on the matter in less than five days from date of hearing. This five day period enables property owners in the area to file approval or disapproval of the project. After the five-day waiting period the County Commissioners give consideration to all objections and approvals of the project and make their decision.

Thoughts Of School Opening Mar Vacation's End For These 3

As the last days of summer vacation fade away the three youths above were in a pensive mood at Westgate Park. Thoughts of returning to school overshadowed the fun of fishing. All three, as can be seen by the photo, were having the same thought. From left to right are Kenny Clapseddle, 730 S. Ogden-av in 6A at John Burroughs; Frank Zervis, 736 S. Ogden-av, a 3B student at John Burroughs, and Donald Clapseddle, brother of Kenny, who is a 2A student. Their general opinion of the young fishermen was "Aw—Shucks, school opens next Tuesday."

N. Schleicher Named To Choir Directorship

Neil C. Schleicher

The appointment of Neil C. Schleicher as director of music at the Westgate Methodist Church 345 S. Brinker-av, was announced this week. He will assume his duties Saturday, directing both the Senior and Youth Choirs.

Schleicher, a senior at the Capital Conservatory of Music, has served as director of music at the First Methodist Church in Mt. Sterling for the past two years. He is a member and soloist of the Men's Glee Club and Varsity Quartette at the school of music.

A graduate of the Columbus Boy Choir School and work in the ensemble at North High School, he has studied voice under Samuel T. Burkhart for the last four years.

Beginning Sept. 6, the choirs of the Westgate church will meet on Thursday evenings. The Junior Choir will meet at 7 p. m. and the Senior group at 8.

Camp Chase Post To Install New Officers Sept. 7

Friday, Sept. 7, has been set as the date for installation of new officers at Camp Chase Post 98 of the American Legion in the new Memorial Post Home located at 3211 W. Broad-st, according to Mike Austin, chairman of the installation committee.

Installing officer for the affair will be William H. Posey of Worthington who is a Past Commander of the Twelfth District of the Ohio Department of the American Legion.

Assisting Austin in the preparations for the annual affair is the following committee: Elmer Young, degree team; Lynn Baker, arrangements; John West, refreshments; Arthur J. Bellar, publicity; William E. Booth, invitations and Robert Hitchcock, reception.

Time of the meeting has been set for 8 p. m., according to Austin who urged all members of Camp Chase Post to attend the ceremony.

Hunt For Risen Goes On

The disappearance of 15-year-old Nancy Kinney of Zanesville with 31-year-old Chester Risen, 178 Souder-av, remains a mystery, with Zanesville police claiming new clues which they hope will lead to their apprehension. The FBI has not been called in on the case.

Work Started On Hilliards High Stadium

Earlier this week work began on construction of permanent stands for Hilliards High School and if hopes of the Hilliards Boosters are realized the new stadium with a seating capacity of 1200 will be ready for the opening football encounter at the Norwich-twp school on Sept. 21. The new lights for the gridiron are also expected to be in place for the opening game.

The newly organized Hilliards High School Boosters, Inc., in their drive for funds to finance the new stadium have already reached the half-way mark in the drive for $12,500, according to early reports of workers.

A meeting of the organization is scheduled at 8 p. m. Friday evening in the Hilliards High School auditorium when workers will submit further reports on their progress toward attainment of their goal.

Rome Business Ass'n Plans Regular Meet

Rome Business Association is scheduled to hold its regular business meeting at the Parish Hall of the Presbyterian Church in Galloway on Tuesday evening, Sept. 11, according to announcement made this week by D. J. Kunz, president of the organization.

A fried chicken dinner will be served at 7 p. m. before the business meeting by the ladies of the Presbyterian Church. Kunz said reservations for the dinner could be made by calling Knute Ritzman at FR. 4[illegible].

Hilliards Schools Open Tuesday; First Day Session To Be Half Day

The Hilliards Schools will open Tuesday, Sept. 4, at nine o'clock. The first day's session will close at noon.

Grades one through eight will be in the elementary building. Pupils who will be six years old Jan. 20, 1952, may enter the first grade. All first graders are required to bring with them the first day a birth certificate or other legal proof of age and a physician's statement certifying that they have been vaccinated against smallpox and immunized against diphtheria.

Cafeterias in both buildings will be in operation on the first full day of school on Wednesday.

School bus routes will be the same as they were at the close of school last May. Changes will be made as necessary after the first few days.

Following are the staff members:

Elementary School — [illegible] C. Moore, principal; first grade, Mrs. Verna Bammerlin and Mrs. Lillian Leggett; second grade, Margery Caldwell and Cecil Martin; third grade, Mrs. Gladys Williams and Ellen Traftzer; fourth grade, Mrs. Geraldine Ware and Harriett Hobart; fifth grade, Marilyn Egel and Mrs. Kathryn Shaffer; sixth grade, Mrs. Carrie Kidwell and Charles Thompson.

Seiller's To Open Child Shoe Dept.

Free balloons and comic books will be given Saturday on the occasion of the opening of Seiller's new children's shoe department at 2404 W. Broad-st, under the direction of Harry Graham, who has specialized in children's footwear for many years.

In Seiller's new department special emphasis will be placed on fitting children with fitting problems, supplying prescription shoes for children referred by pediatricians and orthopedic doctors.

Shoes will be provided for babies, school children and teen-age boys and girls in famous name brands, according to Graham.

Walter Smith Wins Annual Editorial Contest

Walter W. Smith

Walter W. Smith, 197 Dakota-av, has received first prize award in the Logan H. Roberts fifth annual editorial contest on the alcohol problem in which 390 college students participated, the Intercollegiate Association announced today.

Smith, a sophomore at Olivet Nazarene College, Kankakee, Ill., received $200 for his editorial, "Deglamorizing Alcoholic Drink, a Social Responsibility."

Smith, who also received a scholarship to the Intercollegiate School For Alcohol Studies, wrote that the alcohol problem is in the hands of society and it must deglamorize alcohol through its pulpits, its schools, and its newspapers and radios. He added, "to make personal protests more effective, everyone should join some organization which is actively fighting the alcohol problem."

Students from 68 Canadian and American colleges wrote for the contest, which will take place again next year, with the same amount of $1,700 offered in cash and scholarships.

Smith is a member of Warren Avenue Church of the Nazarene and is currently studying for the ministry. He is a West High School graduate.

Clarence Mahoney Is Parade Chief Of Knights Templar

Clarence E. Mahoney of 195 S. Algonquin-av, has been appointed chief of staff for the parade to be held on the evening of October 8, in connection with the 109th annual conclave of the Grand Commandery of Ohio Knights Templar.

Mahoney, who is a past commander of Columbus commandery, served in a similar capacity a year ago and the parade held then was declared to have been one of the most outstanding in the history of Templary of Ohio. The procession will be staged on Broad-st with a reviewing stand in the state house grounds.

There are 62 commanderies of Knights Templar in Ohio and it is believed that nearly all of them will be represented in the procession.

Record Ads Answer All Speed Demands

Where speed is the essence, The Hilltop Record's classified section is the answer!

Mrs. W. H. McComb, 190 N. Ogden-av, wanted to sell a boy's bicycle, so she inserted the following ad in the July 19 issue:

"Boy's 20-inch bicycle, good condition. RA. 5765."

She called on July 19 to cancel the ad. She said the "bike" was sold early in the morning and calls were still coming in.

If you wish to sell some article speedily, easily and economically, call RA. 1125 and ask for our classified advertising section.

West High Makes Personnel Changes

More than the usual number of changes in teaching personnel and assignments were noted this week by West High School Principal Irvin F. Young as the local school became a bee-hive of activity in preparation for opening of the fall term on Tuesday, Sept. 4.

In announcing the changes and assignments for the forthcoming term, Young pointed out that in many cases the person will not be teaching the same subjects as the former teacher and also that they may be in Junior High Division or both Junior and Senior divisions. The doubling of teacher assignments, he said was due to the great increase in the enrollment in the Junior High School.

The changes which have occurred during the summer vacation months and announced by Principal Young this week are:

Map Jones, teacher of Latin and History in Senior High has retired and been replaced by Mrs. Helen Hall to teach commercial subjects in Junior High. She has been teaching at Groveport, O.

I. H. Cammarn, teacher of social sciences in Senior High has been recalled to active duty with the Navy. Mrs. I. H. Cammarn is taking his place teaching social sciences in both Junior and Senior High.

Christy Michel, teacher of chemistry and biological sciences in Senior, has retired and been replaced by Eugene Pierce, who will teach Junior High biological sciences. Pierce comes to West from Westerville.

Ola Trump, vocal music teacher in Junior High, has resigned and will be replaced by Mrs. Mary L. Jamison to teach vocal music in Junior High. Mrs. Jamison has been teaching in South Bloomfield, O.

Mrs. Dorothy Katich, girls' physical education teacher in Junior High, has resigned and will be replaced by Helen Wheeler who recently graduated from Ohio State University.

Forman Slager, who has been teaching at Franklin Junior High School, will replace Mrs. Warfield as mathematics teacher in Junior High. Miss Warfield substituted last year when George Wing joined the attendance department of the Columbus Public Schools.

Edith Offerman has resigned her post as teacher of English in Junior High and Mrs. Charlene Sprout who has been teaching at Lancaster, is assigned to replace her.

Mrs. Thelma Knerr, journalism teacher in both Senior and Junior High, has resigned her position and been replaced by Gladys Bowen who has been teaching in Colinswood High School, Cleveland. Miss Bowen will teach journalism in both junior and senior high divisions.

Harold Washburn, boys' attendance and social sciences teacher in Senior High, will be working in the elementary schools of Columbus during this forthcoming year.

Tom Dale, teacher of instrumental music at Starling Junior High who has been teaching two periods in the mornings at West will now spend a half day at West and devote the other half day to John Burroughs, West Broad Elementary and Highland Elementary Schools. This move was designed to give West additional help in the instrumental program and at the same time expand the musical program in the elementary schools of the community.

In announcing the teaching changes and assignments Principal Young also called attention to the fact that principals have been at the schools all during this week interviewing new pupils. He urged that new pupils who have not as yet enrolled in school, contact the principal in their school district immediately.

Two Local Homes Hit By Burglars

Two local homes were hit by burglars over the week-end. In one instance the burglar was frightened off by a neighbor and the other resulted in a $67 loss.

James Talbert, 219 S. Midland-av, told police that he fired three shots from a .38 calibre revolver at a man on a neighbor's back porch roof.

Talbert said that Harvey Kyllo, 215 Midland-av, called him on the phone, telling him that he had heard the prowler. Talbert saw the man and fired at him, but the would-be burglar fled, apparently unhurt.

In the second robbery, Raymond A. Percy, 50 S. Eureka-av, told police that burglars had ripped out a window screen in his home, taking three banks containing $67 in change.

County Commissioners Disclaim Authority Over McKinley Dumps

Franklin County Commissioners this week were studying a flood of letters received from readers of the Hilltop Record voicing objection to the continuance of the McKinley-av dumps and the resulting smoke nuisance.

Questioned this week concerning the letters the commissioners insisted that they were doing everything possible to correct the dump situation in Franklin County and pointed out that they expect in the near future to begin a landfill dump on the site of the county home. As to the McKinley-av dump, the commissioners disclaimed any responsibility for it saying that it was the responsibility of the City of Columbus and the Board of Health.

At the commissioner's office, it was pointed out that the city has the same authority to create land fill dumps as has the county commissioners. The same law which becomes effective on Sept. 13, it was said, will enable the city to follow the same procedure as the county.

Hilltop Church Installs New Pews, Pulpit

The Hilltop Community Church, 179 N. Huron-av, put on a new dress last week with the installation of new pews and a new pulpit. The new furniture is made of a light oak finish. The policy of the Hilltop Community Church throughout its building program of paying cash as it builds is still being practiced. The church which is not complete in every detail now has a valuation of nearly $45,000 and has been built without one dollar of [illegible]

Hit-Skip Target Two Police Cars; Score: One Arrest

A Hilltop man was arrested for drunken driving, striking two police vehicles and fleeing the scene of the accident at Mound-st and Harmon-av, Saturday night.

Police said that Charles R. Gue, 47, 406 Midland-av, struck a police tow truck, and careened into a motorcycle at the W. Mound-st intersection.

After fleeing the scene, Gue was arrested at his home by accident investigators, C. M. Spiert and Ted Thrall.

Businesswoman Doesn't Need Hobby; She Has Two Children

Mrs. J. T. Hardy

Mrs. John T. Hardy, owner and manager of Hardy's Shopall at 2461 Sullivant-av, is a busy woman. Her time is divided continually between her home, business and children—but you can safely bet that the children win the division.

Mrs. Hardy lives with her two girls at 843 S. Eureka-av. Barbara is two years of age and JoAnn, 10, is a student at St. Joseph's Academy. When anyone asks her what hobbies she has, the personable greying lady replies, "My children are my hobbies; they're all I need."

She came to the Hilltop 14 years ago when she married. Last year she took over the reins of the combined fountain, drug and grocery store shortly before her husband's death. Since its hours are 9 a. m. until 10:30 p. m., it's something to keep up with.

She's content to remain on the Hilltop, "for," she says, "it's an ideal place to bring up youngsters and it has character of its own. It's a place apart, a separate community. Then too, the people are very nice and friendly."

W. Mound-st Firm Pours Giant Block

One of the largest blocks of concrete in the city, a base for a four-million-gallon water standpipe on Karl-rd, was poured Saturday. The operation required 17 mixing trucks, three cranes, three mixing plants and 12 concrete chutes.

The four-inch thick block, buried 12 feet in the ground, is 91 feet in diameter. The pouring had to be completed in one continuous operation in order that the concrete would set evenly.

J. R. Savage, 1825 W. Mound-st, was the contractor on the $35,000 job.

Rome Mother Asks Aid In Seeking Missing Spouse

Aid of the public in locating her husband, Harold Evans, 40, was requested Tuesday by Mrs. Edith Evans, mother of eight children.

On Aug. 18, Evans called his wife from Hamilton, O., where he was employed at a race track as a sheet worker and said he would be home as quick as he could get there, Mrs. Evans said. He failed to arrive home. A check the following Monday showed he failed to report for work at the track.

Mrs. Evans now is ill and under a doctor's care as a result of her husband's disappearance.

The first newspaper in Marietta was The Ohio Gazette and the Territorial and Virginia Herald, established Dec. 18, 1801.

So . . . You're Going Back To School Next Wednesday Are You ?

It'll be a little tough to end up this summer vacation all in a hurry and start back to school next Wednesday morning. You don't have much time to go swimming and do a few dozen of the other things you've been doing all summer. For a while it'll be a little bad to be on the job when the tardy bell rings.

We think you don't realize how lucky you are! The opportunity is yours to make of your education whatever you see fit. What the future holds is still anyone's guess. There is one guess that's pretty certain. It's this : : : you'll never be sorry for the effort you spend in g a i n i n g knowledge.

It is probable many of the boys and girls of this community don't realize how lucky they are to have modern schools with well trained teachers, with opportunity for recreation and extra activities — athletics, music, dramatics.

Whether you go to school now or whether you went to school many years ago we are always glad to meet the good people of the Hilltop and adjacent areas in our business places. We are fully aware that when you come here you are in search of the best in merchandise or service. That's the kind it is our pleasure to sell.

A Paradox

Anyone who can figure out the incredible confusions of reasoning which currently pass for policy with respect to China belongs on the faculty of the Einstein Institute for International Relativity. Some of the very nations which are fighting alongside of Uncle Sam against the Chinese Reds in Korea are simultaneously engaged in sending merchandise of every description to the Chinese. In all the history of warfare, few situations to match this paradox can be found.

Apparently, the British regard this war as only a "little war." They are trying as hard as they can to play it down, so that they may go right on trading through Hong Kong just as if no British Tommies were being shot at in Korea. You can hardly become too indignant at the British, when you realize that until recently our own occupation authorities in Japan itself were permitting the Japanese to trade with the Chinese on the amazing theory that the Japanese economy requires such trade for survival. This is amazing because one of the avowed objectives of Mao Tse Tung's Chinese Red Government is the ultimate domination of Japan itself.

Is it any wonder, in the light of these constant contradictions, that the world itself is confused? Is it not difficult to understand why some of our allies refuse to commit larger numbers of troops to the Korean war when the two chief allies, the U.S.A. and Great Britain seem to be having trouble in arriving at a common understanding of the stakes involved and the size of the war they are fighting.

Supreme Court Opens the Way

How to handle the conspiracy against our way of life represented by aggressive Communism without simultaneously throttling the right of free speech has been a problem which "liberals" have debated for a year without solution. The Supreme Court of the United States has now solved it for them.

In the words of the majority opinion, "If a society cannot protect its very structure from armed internal attack, it must follow that no subordinate value can be protected." The government is not required to wait until "the putsch is about to be executed" before it may act. When there is a finding that a group intends to overthrow our government, we are not prevented from taking effective action, promptly and without waiting for some abstract concept like a "clear and present danger." The intention creates the danger.

It is about time someone enunciated this approach to the problem. Freedom of speech is a shield, not a weapon. It was never intended for use as an incitement to crime, to treason, or to tryanny. Demagogues may use it; they may not abuse it. Now that the Supreme Court has spoken, there need be little hesitancy on the part of our agencies of Justice in reaching into the dark recesses of Communist cells to drag out the plotters and revolutionaries who have been unable to adapt themselves to the ways of our Republic. America and all that it represents in the jealous protection of free discussion, free speech, free thought, has nothing to fear from such action. The distinction is clear between these freedoms and the distorted effort to make license synonymous with liberty.

LETTERS TO THE EDITOR

Dear Sirs:

We would like to have you put an item in the Record which might help and again it might not.

Wednesday, Aug. 8th, the GG's had a picnic at Westgate Park and voted unanimously to call to the attention of those using the shelter house to please leave it cleaner. There is a fireplace there where paper could be placed and burned instead of just leaving it to blow. The shelter house was in a deplorable condition and if the shelter houses up along the river can be kept clean, what is the matter with the HILLTOP ONE?

Let's all work together to "KEEP IT CLEAN."

Thanking you for printing the above, I am

Sincerely,
Louise Balzer

In December, 1808, William D. Lepper established in New Lisbon Der Patriot am Ohio, printed in German, which later was changed to English with the title, The Ohio Patriot.

The first newspapet in Ohio was The Centinel of the North-Western Territory founded in Cincinnati on Nov. 9, 1793, by William Maxwell.

Chillicothe had eight newspapers before 1820. One of them, The Scioto Gazette, was founded in 1800 and still exists as The Chillicothe Gazette.

Test Your Intelligence

Score 10 points for each correct answer in the first six questions.

1. The floral emblem of Switzerland is the:
—Four leaf clover —Edelweiss —Fleur-de-lis —Lily
2. You would be most likely to find a "one-arm bandit" in a:
—Western movies —Hospital —Gambling casino
—On a ranch
3. How much water does the body lose daily?
—1-1½ qts. —2-2½ qts. —3-3½ qts. —4-4½ qts.

Record Turnout Of 112 Candidates For Cowboy Grid Squad Pleases Pemberton

Harris Youth's Condition "Better"

The condition of J. Alford Harris, son of Mr. and Mrs. J. M. Harris, 454 Hilltonia-av, seriously burned in a lab explosion at OSU, reportedly is improving steadily. Harris, a 17-year-old West High senior, received the burns in an explosion that wrecked laboratories in the War Research Building and killed a companion, Clayton Bowers, a research associate at the university.

Herb Weisenberger, Sunday afternoon, captured the annual club championship golf tourney at Beacon Light Golf Course by downing Mike Hurdzan in the final match play five up and four to go. Weisenberger in taking the club gonfalon scored a medal of 73.

In the second flight championship matches Ed Berg edged out Charley Grady four up and three to go to capture the crown for second flight honors.

Finals in the first flight championship tourney will be played off this Saturday afternoon when Berl Taylor and Chuck Wilson will tee off at the Beacon Light course.

Last Sunday afternoon in a Scotch foursome, Chuck Wilson and John Gallucci won out over Herb Weisenberger and Bob Birley. The Wilson-Gallucci duo scored a 74 while Weisenberger and Birley came up second with a 79.

In the Seiller Handicap tournament Bob Shivers is currently leading the field with a neat 71. He scored a 75 and with a four stroke handicap has posted the 71 score for the rest of the field to shoot at. In this tournament other twosomes are urged to get in their rounds by the club manager, Jack Kidwell, who this week said that rounds can be played now on any day of the week.

Kidwell also pointed out this week that plans are currently underway for the annual Fall Round-Up at the course the date for which is to be Oct. 7. Tickets for this annual affair are now available at the Golf Shop located at the course.

Strikes Pedestrian

Don Anderson, 3041 Olive-av, was the driver of a truck that struck and injured a pedestrian at Marconi-blvd and Broad-st Friday, according to police.

PICTURED ABOVE is a portion of the group of 112 hopeful grid candidates at West High School when they reported to Cowboy mentor, Mack Pemberton, for practice at Magly Stadium this past week. Since Aug. 20 the squad has been getting daily practice both at the stadium and at Westgate Park.

For the first time in many years West High School has come up with a potential grid squad that any small college coach would like to see report for practice prior to the opening of the grid season. Coach Mack Pemberton is wreathed in smiles these days as more than 112 young aspirants to gridiron glories do their daily stint of conditioning and practice at West High stadium and Westgate Park.

Pemberton really has something to grin about. Who wouldn't with every position fortified by no less than five deep. This year's squad has come up with a surprising show of material from which the 1951-52 Cowboy eleven will evolve.

Lightest position in contention is that of fullback with five contenders for the post. Next is center position with eight; quarterback with nine; halfbacks with 15; guards with 17 candidates; tackles with 19 aspirants and an amazing total of 24 trying for the end position.

Currently the squad has been working out every afternoon at Westgate Park in "skull sessions" learning the various plays and working them out. Later in the evenings, Pemberton, with his coaching staff has been putting the huge squad through stiff scrimmage sessions and closely evaluating the material on hand. Besides being highly pleased with the turnout, Pemberton also disclosed that many more youth had reported but that not enough uniforms were available to equip such a large squad.

Six lettermen from last season's squad have returned to the grid wars for this year. They are Charlie Hunter, halfback; Jerry Johnson, quarter; Jerry Trabue, end; Ron Grant, halfback; Chappy Chapman, lineman and offensive back and Eddie Gliebs at center. Around this sextet Pemberton is expected to weave a powerful team from the wealth of material he now has on hand.

Thus far this season there has been but one casualty and that occurred last Friday evening during a tough scrimmage practice when Jim Fielding a center candidate suffered a broken right leg and a dislocation of the right knee when he was unintentionally clipped by another of the players. Pemberton this week reported that Fielding would be lost to the squad for the remainder of the season.

With such a wealth of material available, Pemberton is really giving the boys a test to garner the best available for the coming season. On Tuesday of this week the Cowboys were hosts to the Grandview Bobcats at Magly Field in a lively scrimmage session. Cambridge High School's grid warriors will be on the local greensward Friday for another tough scrimmage session and on Wednesday of next week the Cowboys will journey to Newark for still another scrimmage game.

With the three scrimmage sessions out of the way Pemberton is going to have a good idea of what he has to work with from the field of 112 candidates and be in good position to field a well balanced aggregation on Friday night, Sept. 7, at Upper Arlington field when Arlington, Grandview, West and North tie into one another in the traditional preview game of the year.

Tickets for this annual classic are now on sale locally and all proceeds from tickets sold on the Hilltop will go to the West High School athletic treasury. Local school officials urged that football fans secure their tickets early at one of the following locations: Goodwin's Pharmacy; Spang's, Economy Drugs, Whitethorne and Sullivant-av; Westgate Drugs, Murphy's Pharmacy; Superior Drug, Whitethorne and Broad, and Sensenbrenner's.

From the following field of candidates, Pemberton will pick the material from which he will fashion the Cowboy eleven this year: centers — seniors, Eddie Gleibs; juniors, Jim Fielding, Buddy Raike and Jim Watts; sophomores, Bernerd Ranney and Doug Wilson; freshmen, Jim Vincent and Phil Anderson.

Trying for guard position are: seniors, Roland Ealy, Jim Martin and Dave Paul; juniors, Carl Cline, Bob Giuffre, Bob Harman, George Marziuf and Eddie Thomas. Sophomores, Jim Cobb, Don Davis, Dave Greene, Claude Kerney, Jim Kimball, Dave Krebs, Gene Paul, Jim Paul and Jan Sullivan.

At the tackle position the candidates are, seniors, Don Dolder, Roy Martin and Bill Voss; juniors, Bob Bauer, Ronnie Guyton, Fred Ives, Riger Meyer and Aurealus Thomas; sophomores, John Weaver, Quincy Bell, Jack Braithwaite, Phil Edwards, Jack Eppert, Fred Fleming, Jerry Horn, Levander Mebane, and Fred Worch; freshmen, Jack Speakman and Robert Varner.

At the wingman posts are the heaviest crop of candidates. They are, seniors, Jim Coontz, Neil Crabbem, Ken Garber, Dick Jacques, Louis Proper, Bob Reed, Russell Shonting, Bob Todd and Durward Vincent; juniors, Herb Brown, Gene Harrison, Bill Harrison and Jerry Trabue; sophomores, Dave Bates, Tommy Bryant, Dick Sensenbrenner, Joe Smith, Franz Wohlgemuth and John Wolfe; freshmen, Joe Brenot, Walter Dolder, Jim Kiuckeberg, Gary Landau and Robin Sharp.

Quarterback aspirants are, seniors, Jerry Johnson and Ted Johnson; juniors, John Bolg, Paul Cochran, Fred Laderer, and Dick Orr; sophomores, Jim Johnson, and Bob Steffens; freshman, Larry Nafziger.

Competing for halfback positions are, seniors, County Bayse, and Charlie Hunter; juniors, Roger Burlew, Ron Grant, Bill Haire and Joe Sams; sophomores, Jim Ealy, Bob Fenimore, Ken Harper, Ronnie Klein, Joe Neff, Tom Ongaro, Roger Thompson and Bob Whitting; freshman, Dana Deahler.

In the race for the fullback spot are, senior, Whitey Smith; junior, Chappy Chapman; sophomores, Ronnie Dean, Ted Dean and Douglas Coles.

Five brother combinations are represented in this year's reporting squad, according to Pemberton. The Paul brothers, Dave and Jim, are competing for guard posts. The Dean brothers, Ted and Ronnie, are after the fullback spot, Gene and Bill Harrison vie for end positions, while Walter Dolder is trying for tackle and his brother, Don, an end position. The Ealy brothers find Rolland trying for quarter and Jim a halfback position.

COOL SLEEP

Calm, cool colors tend to soothe and lull sleep, while the brighter ones have a tendency to buoy up spirits and make sleep more difficult. For this reason pale blues and greens are ideal for decorating bedrooms.

SOAK IT!

The housekeeper of the world's largest hotel says this is the quickest way to wash a plastic shower curtain: Soak it in a tub of soapy water, then dry it right and wrong side with a bath towel in each hand.

Civic Orchestra Plannnig For Sixth Season

Members of the Columbus Civic Concert Orchestra who are to continue playing with the orchestra during the 1951-52 season have been notified, by the conductor that the first rehearsal will be on Tuesday, Sept. 4.

The orchestra is composed of musicians from all over the city who devote their time and talent to participating in this organization because of their love for good music and because they are aware of the civic need for an unaffiliated orchestra of this nature.

The orchestra presents several local concerts each season and plays at the Veterans Hospital in Chillicothe.

Any member of the community who is interested in playing with the orchestra this season may call the conductor, Victor Voeller, at Ev. 5536 or the concertmaster, Helen Wilson, at LU. 2366.

The orchestra is in a position to provide instruments in certain sections.

The Gate Post

Glenwood's Little League team has won its way to the finish for the City Little League championship. They played the Musketeers and the Pirates, winning by scores of 11-8 and 11-2 respectively.

The Glenwood team will play the winner of the Tuttle-Myers Drug game in the best 2 of 3 series for the city championship. The team is now attending the games in new uniforms purchased by Lon Wright the team's coach. Lon is to be commended for his fine work and interest in working with this group of boys.

During the week of Aug. 27 Glenwood Center conducted two tours of the city, one to the State Fair and one to Ohio State University. The State Museum was a feature of the Ohio State University tour on Wednesday.

Next Tuesday Glenwood will hold open house to acquaint all Hilltop children with the facilities that are available for fall and winter recreation.

Paul Thompson and Mike Hexon represented Glenwood in the marble tourney Friday, Aug. 24, at Beatty Center.

At the city-wide playground review held last Thursday at Central High School the following boys and girls participated in behalf of Glenwood Recreation Center: Helen Beatty, Patty Armbrust, Francis Drake, Marcella Justice, Jim and Carol Minton, Sharon and Jimmy Cremeans, Lippy DeLong, Norman Easterbrook, Paul Thompson, Skip Martin and Mike Terry.

Glenwood Center will be closed Labor Day, Monday, Sept. 3.

A new schedule of hours for the fall and winter programs will start Sept. 4.

The center will open at 2 p. m. and close at 10 p. m.

The present Glenwood staff consists of F. N. "Doc" Reister and John Roth. Barbara Froah was forced to leave in August because of ill health and will not return.

John Roth will be a permanent member of Glenwood and is desperately in need of living quarters on the Hilltop. Anyone knowing of an apartment or small house for rent please call Johnnie at RA. 7416.

New Old Trail Bowling Lanes Open Thursday

The formal opening for public inspection of the new and modern Old Trail Lanes as one of the Hilltop's newest bowling centers will be made Thursday, Friday, Saturday and Sunday of this week, according to announcement made earlier this week The new bowling center was formerly the Old Trail Theater at 3636 W. Broad-st.

Complete in every detail to rate it as one of the finest sports centers in the city, Old Trail will offer 14 lanes with the latest of New Brunswick equipment, including B10 pin spotters which will be semi-controlled.

Other innovations which have been incorporated into the new bowling center are a large mirrored snack bar, a completely air-conditioned ladies' lounge and ample parking facilities.

At the present time eight team spots are open for Monday and six for Tuesday. Open bowling will be available on Saturdays and Sundays as well as after league matches.

The Old Trail Lanes are operated by the A. J. Winkle Co., of which A. J. Winkle is president. Manager of the new lanes is Kenny Mettle, who brings to the new Hilltop bowling center 14 years experience as a bowler and instructor.

Fred H. Kenny Appointed City Furniture Manager

Fred H. Kenny

The appointment of Fred H. Kenny, 207 Binns-blvd, as general manager of the City Furniture Store, 2288 Sullivant-av, was announced this week by E. H. LeFever.

Kenny, a resident of the Hilltop for more than 25 years, has had wide experience in the furniture field as credit manager, buyer and merchandise manager.

The new manager holds a life membership in the Junior Chamber of Commerce, is a member of the Foresters and Shamrock Club and attends St. Mary Magdalene Church.

Kenny, as general manager, explained a service offered to aid the shopper. "If you have a home furnishing problem, one of our representatives will call at your home, take you to our store, assist in your selection and return you to your home—with no expense and no obligation to buy. Our store is your friendly neighborhood store'."

Deputy Master Gay Wright, Columbus will inspect Hilliards Grange at the next meeting, Sept. 13. All members be sure to attend. Refreshments will be served after the meeting.

The first New Orleans newspaper was founded in 1794 under the title Moniteur de la Louisiane and printed in French until several years after the Louisiana purchase.

Before 1800 there were 21 newspapers attempted west of the mountains and eight of these were in Kentucky.

Production of 3,000,000 pounds of honey each year places Ohio second among all states.

The Impartial Expositor was a newspaper founded at St. Clairsville, Mar. 25, 1809, by John C. Gilkison & Co.

Father And Sons To Share Pulpit This Sunday

Sunday, Sept. 2, promises to be a great reunion at the Oakley Avenue Baptist Church, when the father and his two sons will occupy the pulpit.

Rev. Jacob Ashburn, Jr., pastor, will deliver the message at 11 o'clock a. m. In the afternoon at 3:30, Rev. Reginald Ashburn, pastor of Second Baptist Church, Sandusky, will preach. He will be accompanied by his choir and officers.

At 7:30 p. m. Rev. Julian Ashburn, youth leader with the Federal Council of Churches, Los Angeles, Calif., will speak.

Special music throughout the day will be rendered by the singing groups of the church.

The public is invited.

"First name?" asked an interviewer.

"Harry," was the reply.

"Hmmmm. Last name?"

"Truman."

"Say," said the interviewer, "that's a pretty famous name!"

"It oughtta be," piped the new cadet, "I was waterboy at Yoakum High for three straight years!"

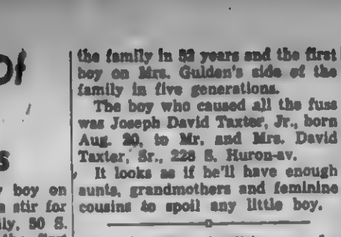
Baby Boy Of Taxters' Is Great News

The birth of one baby boy on the Hilltop caused quite a stir for the William Gulden family, 80 S. Roys-av. The baby was the first boy born on Mr. Gulden's side of the family in 32 years and the first boy on Mrs. Gulden's side of the family in five generations.



The boy who caused all the fuss was Joseph David Taxter, Jr., born Aug. 20, to Mr. and Mrs. David Taxter, Sr., 228 S. Huron-av.

It looks as if he'll have enough aunts, grandmothers and feminine cousins to spoil any little boy.

U. S. traffic fatalities are far greater than those caused by wars.

Know Your Hilltop Is Kiwanis Theme

The Kiwanis Club program for this week will have as its theme the topic "Know Your Hilltop and Its Future." Kiwanian Jack Merriman will be chairman of the day and promises a very interesting meeting. Merriman has selected five members of the club who will discuss various phases of the general theme.

Kiwanian Bob Cramer will open the discussion, using for his topic "How I First Knew the Hilltop." Kiwanians Herb Deems and Bob Nash will follow with talks on the churches and schools keeping progress. Deems will discuss the church situation and Nash, an elementary school principal, will report on the school progress. C. Carlton Hartley will give his views of what we may expect from the Hilltop in the future and Jack Sensenbrenner will close the meeting with a talk on what Kiwanis can do for the Hilltop.

It is expected that the meeting will be one of the most interesting of the summer.

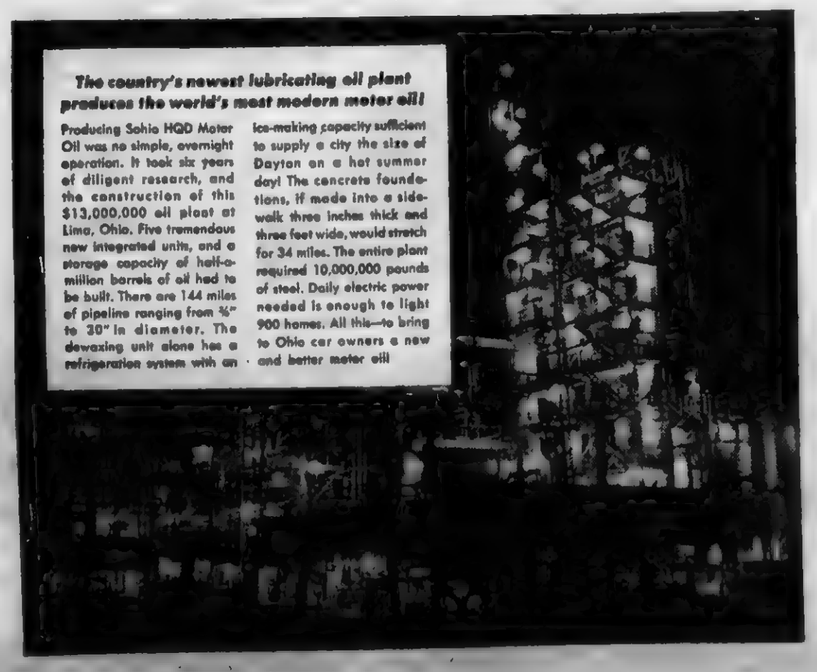
NOW...a new Motor Oil that does more than Lubricate



...more than just a motor oil!

CLEAN AND CONDITION YOUR ENGINE WHILE YOU DRIVE!

√ Eliminate Motor Flushing **√ Lower Your Oil Consumption**

√ Increase Gasoline Mileage **√ Prevent Acid Action—Reduce Wear**

The country's newest lubricating oil plant produces the world's most modern motor oil!

Producing Sohio HQD Motor Oil was no simple, overnight operation. It took six years of diligent research, and the construction of this $13,000,000 oil plant at Lima, Ohio. Five tremendous new integrated units, and a storage capacity of half-a-million barrels of oil had to be built. There are 144 miles of pipeline ranging from ¾" to 30" in diameter. The dewaxing unit alone has a refrigeration system with an ice-making capacity sufficient to supply a city the size of Dayton on a hot summer day! The concrete foundations, if made into a sidewalk three inches thick and three feet wide, would stretch for 34 miles. The entire plant required 10,000,000 pounds of steel. Daily electric power needed is enough to light 900 homes. All this—to bring to Ohio car owners a new and better motor oil!

Now you can clean and condition your engine while you drive! Sohio HQD is a new, *heavy-duty, super-detergent* motor oil that gives you three times the cleansing action . . . three times the dirt-dissolving and dirt-dispersing power of regular detergent motor oils. In addition to these great new functions that prolong engine life and increase engine efficiency, Sohio HQD Motor Oil exceeds . . . by far . . . the severest requirements for the finest *protective* motor oils of the past.

Sohio HQD Motor Oil surpasses manufacturers' recommendations for every make of car on the road today. Sohio HQD Motor Oil surpasses Army Ordnance specifications for a detergent motor oil suitable for use in U. S. military vehicles.

Use it with confidence! This new motor oil will contribute to the better operation of your engine under even the most extreme driving conditions.

SEILLER'S PRESENTS . . .

A Juvenile Shoe Department

Supervised by

HARRY GRAHAM

"The Foot Counselor"

SATURDAY, SEPTEMBER FIRST will mark the formal opening of a complete children's and teen-age shoe department in SEILLER'S. No longer will it be necessary for you to drag youngsters down town and hunt a place to park in order to get good shoes properly fitted. You can always park near SEILLER'S and bring the kids, just as they are. And as for shoe fitting, Harry Graham has been a fitter of children's shoes for twenty-five years and is an expert on fitting everything from baby's first step shoes to big boys' and girls' school shoes.

HARRY GRAHAM SAYS . . .

"I promise to fit every child as though he were my very own."

Weddings Unite Three Couples; Making Misses Carson, Bluhm, and Buckshaw, August Brides

Mr. and Mrs. Richard A. Kensey
(J. Curtis Allen Photo)

Warren Avenue Church of the Nazarene was the setting Aug. 25 for the nuptials uniting Miss Dorothy J. Bluhm, New Rome, and Mr. Richard A. Kensey, Kankakee, Ill. The bride is the daughter of Mr. and Mrs. Earnest C. Bluhm, 23 East-st, New Rome, and Mr. Kensey is the son of Mr. William Kensey, Homer City, Pa. Dr. J. E. Liest and Rev. H. B. Anthony performed the ceremony

The bride was escorted to the altar by her father. Her gown was designed of candlelight satin with a molded bodice, long tight sleeves tapering to points at the wrists and a v-neckline formed of Irish bridal lace. The lace fell from the shoulders to the waist line and extended down the front of the gown and bordered the cathedral train. Her bonnet of Irish lace was trimmed with white satin and seed pearls and held in place her finger-tip veil of illusion. She carried a bouquet of white carnations and stephanotis, centered with a white purple throated orchid.

The maid of honor, Miss Rosie Britton, Connersville, Ind., and the bridesmaids, Miss Lois Bluhm, sister of the bride, and Miss Marilyn Anthony, wore gowns of purple, gold and wisteria taffeta with colonial style bouquets of yellow roses.

Mr. Robert Kensey, brother of the bridegroom, was best man and guests were seated by Mr. Herman Moore, Connersville, Ill., and Mr. Wallis Smith.

Mrs. Bluhm greeted her guests at the reception, which followed the ceremony at the church parsonage, 675 S. Harris-av, in a navy blue suit with gray accessories. Her corsage was of white carnations and yellow roses.

Assisting hostesses at the reception were Miss Della Anthony, Miss Mary Miller, Miss Ella Lou Green and Miss Marilyn Cotner.

For their honeymoon trip to Indian Lake and Pennsylvania the bride changed to a navy blue suit with which she wore white accessories and the orchid from her corsage.

The young couple will reside at Olivet Nazarene College, Kankakee, Ill., where they are both attending school. The bride is a graduate of West High School.

Mr. and Mrs. William H. Mook
(J. Curtis Allen Photo)

Baskets of white gladioli, carnations, asters and fern, banked by palms, and candelabras, decorated the altar of the West Park Methodist Church, Aug. 24, 7:30 p. m., when Miss Mary Lou Carson became the bride of Mr. William H. Mook. Rev. Martell George read the ceremony.

The former Miss Carson is the daughter of Mr. and Mrs. Donald Carson, 645 E. Burgess-av, and Mr. Mook is the son of Mr. and Mrs. William J. Mook, 1968 Harrisburg-pk.

The bride, escorted to the altar by her father, wore a gown of candlelight bridal satin, styled with a fitted bodice, buttoned down the back, and long sleeves forming points over her hands. The sheer off-the-shoulder yoke was appliqued in lace and encrusted with seed pearls and crystal beads and the bouffant skirt terminated into a cathedral train. The French Juliet cap encrusted with seed pearls and crystals, caught her tiered shoulder length veil of imported French illusion. She carried a white prayer book on which was arranged stephanotis centered with a white purple throated orchid.

The maid of honor, Miss Dona Grusser, wore a gown of powder blue nylon net designed with a formal bodice with a nylon net stole and very full skirt. She carried a colonial bouquet of pink rosebuds and larkspur bedded in pink tulle. She wore a matching net bonnet. The bridesmaids, Miss Nancy Hagans and Miss Janet Hill, wore nylon net gowns in a deeper pink shade. Designed with fitted bodices with waist length capes to match. They wore halos of small white roses in their hair and carried bouquets of pink rosebuds and larkspur bedded in blue tulle.

The flower girls, Misses Carol and Martha Gallion, wore similar dresses of pink and blue satin and carried colonial bouquets of miniature rosebuds.

Mr. David Hill, brother-in-law of the bridegroom, acted as his best-man with Master John Gill holding the ring. Mr. John Emil Hill and Mr. David Underhill ushered the guests.

For her daughter's wedding, Mrs. Carson chose a gown of blue crepe, fashioned with a wide yoke, encrusted with silver and blue beads. She wore accessories of silver and blue and a corsage of orchids. Mrs. Mook, mother of the bridegroom, wore a gown designed with a pink lace bodice and pink lace bodice and pink crepe skirt. She chose white accessories and also had an orchid corsage.

Miss Bonnie Hill and Miss Eva Lesline were hostesses for the reception which followed the ceremony in the church parlor.

For their honeymoon to the South the bride changed to a plaid suit of peacock blue, navy and white, with which she wore navy velvet hat and shoes, white gloves and the orchid from her bridal bouquet.

Upon their return the couple will reside temporarily at 645 S. Burgess-av, until their new home at 1936 Hopkins-av, is completed.

Mr. and Mrs. Richard Oren Briggs

Before an altar fashioned from a mantel adorned with gladioli, delphinium, asters, and mums, Miss Patricia Joann Buckshaw became the bride of Mr. Richard Oren Briggs, Saturday, Aug. 4, 2:30 p. m., at the home of the bride. Rev. Joseph Shellhaas officiated the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Richard Smith, 16 S. Burgess-av, and Mr. Briggs is the son of Mrs. Lillian Briggs, 1639 Arlington-av.

Given in marriage by her stepfather, the bride wore a ballerina length dress of white lace over white taffeta. Her finger-tip veil fell from a cap of white lace and she carried a bouquet of white rosebuds.

Serving as maid of honor was Miss Bette Briggs, sister of the bridegroom. She wore an orchid dress of silk shantung with a matching cap. She carried a bouquet of pale yellow rosebuds.

Mr. John Briggs was best man for his brother.

For her daughter's wedding, Mrs. Smith chose a dress of teal crepe with white accessories and complemented by a corsage of pink carnations. The bridegroom's mother wore a black and white print dress with black accessories and a corsage of gladioli pinned to her shoulder.

A reception was held immediately following the ceremony at the home with Miss Edith Wilkins and Miss Nancy Briggs serving as hostesses.

The bride is a graduate of West High School and is associated with the Great American Indemnity Company of New York. The bridegroom attended Linden-McKinley High School and is associated with the Municipal Light Co. for the City of Columbus.

They are residing at 1585 Neil-av, Apt. A.

WHAT IS *Asthma?*

ASTHMA is an allergic disease, caused from sensitivity of the bronchial mucous membranes to pollen, animal effluvia or protein. The tendency is INHERENT and the disease is not contagious. While rarely fatal, Asthma is most distressing and exhausting, and attacks strain the heart and nervous system.

The asthmatic patient's major difficulty is EXHALING. The lining of his bronchial system has become irritated, and nature is trying to clear the air-passages of accumulated mucous. Sometimes an enlarged thymus gland, tumors that press on the windpipe, or a bad heart cause symptoms that are mistaken for Asthma. In children ASTHMATIC attacks are often mistaken for croup or bronchial pneumonia.

Nature usually takes care of the sensitive, irritated condition of the air-passages. Then the patient allows himself to become suddenly chilled, is emotionally upset, breathes too much cold air or gets an overdose of pollen, or protein. The irritation becomes worse and it takes spasmodic effort to clear the passages.

Specialists on Asthma and the allied allergic diseases advise locating the CAUSE of sensitivity, and treatment for immunization, and less time and expense on palliative reliefs.

Pat Wolfendale, Kenneth Mahan Wed In July Evening Ceremony

Mr. and Mrs. Kenneth M. Mahan

Miss Patricia Ann Wolfendale, daughter of Mr. and Mrs. Thomas Wolfendale, 677 Chestershire-rd, and Mr. Kenneth M. Mahan, son of Mrs. Ruth Mahan, 1771 Sullivan-av, and Mr. Norman Mahan, Ashland, Ky., were united in marriage July 21 in an evening ceremony read by Rev. Joseph Shellhaas at Glenwood Methodist Church.

The bride, given in marriage by her father, wore a gown of white organdy and net over satin. Her veil of illusion fell from a Juliet cap of satin and she carried a white Bible topped with a purple orchid with stephanotis caught in the lover's knot of the ribbon streamers.

The matron of honor, Mrs. Fred Warden, Jr., and the bridesmaid, Miss Sally Wolfendale, cousin of the bride, wore gowns styled alike with strapless bodices and matching stoles. The honor attendant wore powder blue and Miss Wolfendale, pink. They wore matching net Juliet caps and carried garden bouquets of pink and blue delphinium, with yellow and white daisies.

Miss Nancy Swoke, cousin of the bridegroom, was flower girl. She wore a pink organdy gown and carried a basket of daisies.

Mr. Fred Warden, Jr., attended the bridegroom as best man and seating the guests were Mr. Richard Wolfendale, brother of the bride, Mr. Jim Slager and Mr. Harold Emerick.

A reception of 130 guests was held at Mrs. Root's Party House. The bride's mother received her guests in a gown of toast crepe and lace with which she wore emerald accessories. Her corsage was of Talisman roses. The bridegroom's mother wore a gown of copper organza with blue accessories and a corsage of yellow roses.

The new Mr. and Mrs. Mahan honeymooned at Bear Mountain Lodge in upper New York. The bride is associated with the US Guaranty and Fidelity Co. Mr. Mahan is with the US Marine Corps stationed at Cherry Pt., N. C.

Mrs. Mary Demorest and daughter, Harriet, 3370 Briggs-rd, have returned from a motor trip through New York and other eastern states.

Marriage Read July 14 United Ruth Scoles and Dennis Ruby

Mr. and Mrs. Dennis Ruby

Mrs. Mary Scoles, 99 N. Wheatland-av, is announcing the marriage of her daughter, Ruth, to Mr. Dennis Ruby, son of Mr. and Mrs. Simon Ruby, Cambridge, O. The ceremony was read July 14 at Hoge Memorial Church by Rev. Alex Vance, pastor of the Assembly's of God Church.

The bride, given in marriage by her brother, Mr. Donald Scoles, wore a gown of ivory marquisette and chantilly lace, designed with a sheer yoke and having a bertha of chantilly lace. The long sleeves which ended in points over the hands and the snug bodice complemented the extremely full skirt which featured a lace peplum and ended in a full circular train. Her fingertip veil of imported silk illusion was lace trimmed and fell softly from a pearl trimmed crown. She carried a white Bible topped with one dozen white roses.

The honor attendant, Miss Doris Byers, wore a gown designed of pink net over taffeta styled with a peter pan collar. Buttons extended from the collar to the extremely full skirt. The bridesmaid, Miss Esther Byers wore a similar gown of aqua designed without a collar. The ring bearers wore taffeta gowns in blue and orchid and the flower girl wore a similar gown in yellow. The honor attendant and bridesmaid carried bouquets of pink carnations with aqua ribbon, and aqua carnations with pink ribbon, respectively.

Mr. Glen Hollopeter was best man with Mr. Bob Grubb, Mr. Al Capparuccini and Mr. Gene Ziegenbusch seating the guests.

At the reception held at the church following the ceremony Mrs. Scoles greeted the guests in a dusty rose lace dress with which she wore lime accessories and a corsage of white carnations. Mrs. Ruby chose a print dress with white accessories and a white carnation corsage. Hostesses for the reception were Miss Patty Twigg, Miss Nancy Kimes and Mrs. June Ziegenbusch.

A touch of elegance is a must in every at-home wardrobe. Here, a flowing robe with wing-like sleeves that fall to the floor. Navy velvet bows at the shoulders and a velvet belt offer dramatic color contrast. Raymodes negligee in woven sheer of Decron, the new fiber that is claimed by the makers to be capable of emerging from a travelling [illegible] for wear unpressed, even after a long trip.

Mary Slane Becomes Harry Lewis Associate

Mary Slane, 616 Woodbury-av, well known real estate saleslady, has been appointed manager of Harry M. Lewis, Realtors, 780 W. Broad-st, specializing in West Side, Hilltop and Westgate homes.

Mrs. Slane has lived on the Hilltop all her life and through her real estate saleswork has made many friends by assisting them with their housing problems. In her new capacity she will be in a position to give personal attention to all buyers and sellers.

Mr. Lewis is a member of the Columbus Real Estate Board, the National Association of Real Estate Boards, and the National Brokers' Institute.

Why Fret Or Worry When Record Ads Do Job In A Hurry?

There's no such thing as doing too good a job, or at least that's the way the old saying goes. However, one Hilliards resident will tell you that an ad the Record ran for him did just that-too good a job.

E. G. Green, 63 Gill-av Hilliards, was looking for a little spare time work, so he ran the following ad on Aug. 16:

"Floor sanding, painting and paperhanging. FR. 8-7680."

A few days after the ad appeared, Green called the classified advertising department and requested that we cancel the ad. His results were too good and his part-time job was becoming a full-time one.

He says he'll certainly use the Record's ads from now on.

Help yourself. Call RA. 1125 and get an ad that will work for you.

Three Hurt In Mound-st Crash

Three persons were injured Saturday night when the car driven by Mrs. Margaret Lenox, 23, 21 S. Oakley-av, went out of control and struck a parked car at Mound-st and Souder-av.

Mrs. Lenox, two and one-half months-old Diana Lenox, and Delilah Meek, 14, all of the Oakley-av address, were treated at Mt. Carmel Hospital for bruises.

In 1801 there were about 200 newspapers in the United States; in 1833 about 1,200.

TO DO YOUR JOB GOOD YOU MUST FEEL WELL!

EUGENE SIPES, Station 1, Box 688, Canyon, Texas, was having trouble keeping his job because he didn't feel well.

HADACOL Relieves Nagging Aches and Pains, Stomach Distress, Poor Appetite, Weak, Run-Down Condition and Nervousness When Caused by Lack of Vitamins B_1, B_2, Niacin and Iron.

When folks don't feel good, everything seems to go wrong. Little problems become big ones. Their work seems more difficult whatever their job . . . housework, office work, farming, etc. Nothing is right. If this is your problem and your condition—nagging aches and pains, stomach distress, poor appetite, weak, run-down condition and nervousness due to lack of Vitamins B_1, B_2, Niacin and Iron—is pulling you down, making your work seem like drudgery, then you owe it to yourself to try today's great HADACOL. For HADACOL was formulated to help overcome these deficiency-caused ailments, and continuous use of HADACOL will help prevent these ailments from returning. Thousands of letters have been received from happy HADACOL users telling how this fine family formula has helped them. Shown below are just a few of these reports.

HADACOL RELIEVES NAGGING ACHES AND PAINS, STOMACH DISTRESS, POOR APPETITE, WEAK, RUN-DOWN CONDITION AND NERVOUSNESS WHEN CAUSED BY LACK OF VITAMINS B_1, B_2, NIACIN AND IRON.

WILLIAM J. DUNLAP, *4404 Freer, Apt. 2, Detroit 10, Mich.*: "Along with the pains I suffered, my body had a tired, worn-out feeling. I had to force myself to keep going. I read about HADACOL and decided to give it a try. Am now on my fifth bottle, and would not be without an ample supply. My first bottle gave me astonishing relief, and at this time of writing, I feel better, without a pain or ache. Am a dairy employee, 54 years old. Veteran of two world wars. I have given your HADACOL every praise to friends and relatives, and know some are using it with just as astonishing results as I myself have found."

MRS. D. C. HINTON, *Route 1, Farmerville, Louisiana*: "I am 46 years of age. For a while, I have not even felt like doing my housework. I would have bad spells of pain. I was so tired, I didn't think I would feel rested again. Some friend of mine told me about HADACOL, so I decided to try it. Now, I have started on my third bottle of it. After I took the second bottle, I could tell it was helping me. I started feeling lots better. My pains are nearly gone. I will truly say I am going to take my HADACOL just as long as they sell it. I tell all of my friends about it."

NORMAN CHRISTOPHER, *2344 Cumberland, Houston, Tex.*: "After I got out of the Army when the war was over I was underweight, nervous, couldn't sleep and had a time getting food to agree with me. I could never eat breakfast—imagine, have to wait until noon before eating your first meal of the day. Even then just a few mouthfuls of food would fill me up. At night I couldn't sleep—I would just roll and toss all night. After the third bottle of HADACOL I could tell a difference in my eating and sleeping habits. Now after a year's time of taking HADACOL I have gained almost twenty pounds. I sleep well—and the most wonderful thing, I can enjoy three full meals a day."

HADACOL is so economical. Trial size only $1.25. Large Family Economy size, $3.50.

MRS. LETHA FITZPATRICK, *401 E. Elm St., Scottsville, Ky.*: "I couldn't sleep. Didn't have any appetite. Then I heard and read about HADACOL and what it had done for others. I decided to give it a trial. I have taken several bottles and I can truthfully say it has really helped me. I feel so much better. I have a lot more strength. I can eat now and I'm gaining weight. I do my work, work in my flowers, also in the garden. Now I'm putting up my fruit and vegetables. I can't thank HADACOL enough for what it's done for me."

MRS. ZINA LEE BOWMAN, *Rt. 6, Cleo Ferry Road, Nashville, Tenn.*: "I was weak. I could hardly do my housework. I am 80 years old. I am the mother of nine children. I was nervous. I have taken almost four bottles of HADACOL and I feel fine. We are a happy family—thanks to HADACOL. As for my work, I have plenty to do but it is housework. You may use this letter any way to spread the good news about HADACOL."

Only HADACOL gives you that *Wonderful* HADACOL *Feeling!*

MRS. ERNEST JOHNSON, *Jacksboro, Tennessee*: "I am writing you to tell what HADACOL has done for me. I have suffered with stomach distress for quite some time, and I was very nervous. Since I started taking HADACOL I eat anything I want. I sleep like a child—something that I hadn't done for some time. I am the mother of five children. I am 48 years of age, and I feel better than I have for years."

HADACOL is America's favorite family formula.

MRS. FRANK P. MARTINO, *3524 Wickfield Dr., Apt. B., New Orleans, La.*: "I am a housewife, age 27, taking care of my baby who is three and a half years old. I wasn't able to take care of my baby and do my work at the same time. I was always feeling run-down, and very nervous until I tried taking HADACOL. Well, believe me I have only been taking it for two and a half months and have experienced a wonderful change for the better. I don't feel nervous, or run-down any more. I feel and eat a lot better. Thanks to HADACOL."

MRS. ANNE FRANKS, *434 West Seven St., Newport, Ky.*: "As a constant user of HADACOL—am on my fourth bottle—would not hesitate to acclaim it the best. I was so run-down, I could hardly do my work. And that is important as I do a man's job in a shoe factory. I felt that I did not have enough energy to lift my hands. I felt so let down everything annoyed me. But, since I've taken my first bottle, I've been helped so much that now I'm up and ready and anxious to get my work done and am not tired but able to do my housework. I cannot praise HADACOL and its makers enough."

Experiences Conquering Mt. Fuji Are Recounted By Local Soldier

(As told by Pvt. Raymond A. Pendell, son of Mr. and Mrs. A. N. Pendell, 2495 Harrison-rd, to Pfc. Robert A. Lentz, sports editor of the Japan Logistical Command Journal. Pvt. Pendell is assigned to the JLC and is presently in the fiscal branch at Camp Fuji.)

It's a proud climber who can boast he conquered Mt. Fuji, 12,387-foot world famous peak.

After 16 hours actual climbing, two cans of cold beans, two chicken sandwiches, orange juice, fruit cocktail and a canteen of water, Pvt. Pendell was justly proud.

The lanky Hilltopper set out late in the evening of Aug. 3, up the Subashiri route—one of four trails available for the ascent of Fuji.

By 10 p. m., he had reached the edge of the timberline. Dog tired, he decided to stay overnight at a rest stop.

It was mid-morning when he awoke. For breakfast he drained a can of orange juice.

On week-ends such as this the trails are dotted with climbers, the vast majority of whom are Japanese. They look like ants lining the way up the big volcano which has been inactive for more than 200 years. An old native proverb says: "He who fails to climb Fuji in his lifetime is a fool; he who climbs it twice is a bigger fool."

Four Japanese on horseback passed Ray as he left the overnight station. They were transporting supplies to higher stations.

Later he joined two Japanese boys and a girl in the upward journey. The going was getting rougher.

Our friend Ray was beginning to feel the grind so he took a short snooze on a bench at station seven. From here on, the work is cut out.

Time out for the fruit cocktail; he felt he would need the nourishment.

Ten men of the 160th Regiment, 40th Infantry Division, Camp McNair, passed him as he picked up stakes again. They had rented horses at 1400 yen apiece and had reached the seventh stop all fresh for the ruggedest part of the climb.

By 5 p. m. Saturday Ray had reached the summit. His first move was to catch a place to sleep.

So he ate the cold can of beans, a chicken sandwich and bedded down for the night. Like the others who had made the climb, he was completely fagged out. The mountain has become highly commercialized, but only naturally so and to the climber's own convenience. On top, for instance, food and water are sold, but at a much higher price than at lower stations. In fact, the price practically triples because all supplies are packed up. Some water is hand carried, some caught from rain, some melted from snow.

The second can of beans and chicken sandwich tasted good. Water is sold at 10 yen per glass, a pot of tea 30 yen.

There's snow up here the year round, and Ray noted the temperature—58 degrees. He was wearing his field jacket.

He awoke the next day at 5 a. m to snap some pictures of the sunrise.

Japanese scale Fuji expressly for the purpose of observing Sol start a new day. It's a 24-hour trip for the Japanese, who climb at night to reach the top at sunrise and then start back down.

They say Sendai, 300 miles away, is visible with the aid of good binoculars on a perfect day. But this wasn't.

The cities of Yokohama and Tokyo and the Pacific Ocean were easily distinguished by the naked eye. Straight down lies Lake Yamanaka.

So Ray walked around the crater, an approximate 800 yards across and 200 feet deep. Snow never completely melts down there because it isn't exposed to the sun's rays.

He was now ready for the descent via Gotemba trail. Coming down is a lead pipe cinch. Gliding steps—called sand skiing — bring one down the slopes at a rate of 100 meters in eight seconds.

It has long been the ambition of tourists as well as Japanese to go up Mt. Fuji, and everyone who has accomplished the task will advise it's no snap undertaking.

Two weeks ago a group of 20 set out from Camp Fuji. Only two continued all the way to the peak. The gradual incline becomes increasingly steep after the seventh station. There each step is more difficult, more deliberate. The course begins to zig-zag more noticeably to facilitate climbing. The climber works up a sweat. He finds he has to take frequent breathers—the air is getting thinner. He may even begin to doubt himself and turn back.

The climbing season is nearing its end. Normally it runs from July 10 through August.

To Have Fair Booth

Community Christian Church will again have their booth at the Ohio State Fair as they plan to serve three meals a day in booths No. 12 and 13 under the grandstand. The project under the direction of Rev. Lorenz has made the church famous for its fried chicken.

In 1765 about five per cent of the families in the American colonies received a newspaper weekly, and these were passed from hand to hand and read by many persons.

The Low Down On High Ridgers

By One of Them

Now that the fair is about over, we can settle down again to our daily chores. Several of our neighbors lost their children up there at the fair grounds, or should we put it that the tots just strayed away?

MARYANN WALTERS was found at the extreme north side of the grounds after her mother missed her a whole hour previous.

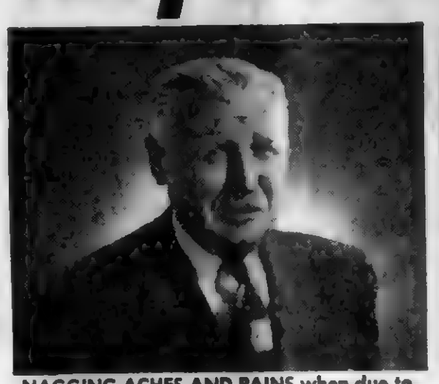
Then, too CHUCK and MARIE COLLEY worried themselves sick when son BILLY walked away with a cat he had found. He was located at the ice cream stand.

We had some visitors from the country, here on Wrexham. SALLY MEEHAN cooked three days for a family of six when her uncle and cousins came in from Springfield for the week-end. She really enjoyed it she says, since she put the children to work "doing the dishes."

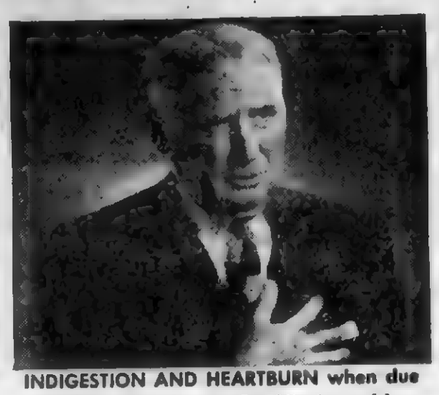
FRANCES MATTHEWS loves her new name as well as her husband. She discarded the name "LIEBERMAN" when she married CARL out in San Diego, Calif. Best of luck and happiness to you both.

If whoever dropped two bottles of coke out on Springmont last Friday night wonders where they are—well a tractor did a thorough job on crunching them. And AL STUDER on the corner had to sweep up the debris. AL, how would you like to be a street cleaner? Might as well put in your bid, mister, since you generally have to clean up a mess now and then anyway.

CORA PEYTON bought a typewriter from her friend so she could write her letters faster to her husband in Japan. Working at the office all day and rushing home to cook and clean house leaves her little time to write her daily letter. She always manages, though. Good work, CORA!



BERTRAM SHIPLEY just bought a puppy for Sonny who wants to call it "Bubbles" after the hippo that died at the zoo last week. "I guess that's what his name will be," says BERT.



So long for now, folks!

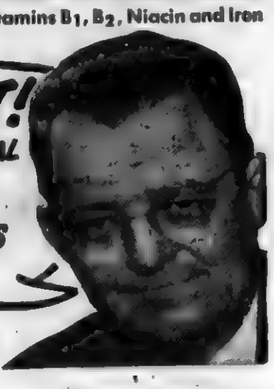
Why Be Distressed After 40?



NAGGING ACHES AND PAINS when due to lack of Vitamins B_1, B_2, Niacin and Iron

INDIGESTION AND HEARTBURN when due to lack of Vitamins B_1, B_2, Niacin and Iron

FATIGUE AND RUNDOWN CONDITION when due to lack of Vitamins B_1, B_2, Niacin and Iron

NO QUESTION ABOUT IT! HADACOL IS ONE VITAMIN AND MINERAL COMPOUND THAT HAS NOW PROVED IT CAN RELIEVE SUCH DISTRESS WHEN DUE TO A LACK OF VITAMINS B_1, B_2, NIACIN AND IRON
SENATOR DUDLEY J. LE BLANC

Hadacol Relieves Nagging Aches and Pains, Poor Appetite, Fatigue, Sleeplessness, Nervousness

When Due to a Lack of Vitamins B_1, B_2, Niacin and Iron

Let's face facts. You don't have to put up with annoying aches and pains, a lagging appetite, missed sleep, or nervousness, when they are due to a lack of Vitamins B_1, B_2, Niacin and Iron. For today's great HADACOL contains more than the minimum daily requirements of these very elements to relieve such deficiencies and such possible resulting distresses. You can start facing a new and happier life today . . . just read how these folks have been helped.

Mrs. Daisy Sheckelsworth, Box 82, Baylis, Illinois: "I first heard of HADACOL on a radio program and immediately secured a bottle. I received benefits from this and have continued its use with satisfactory results. I am a widow, aged 70, and living alone. My daily diet must have lacked something. I suffered from weakness and loss of appetite, also a nervous condition. I can truthfully say the use of HADACOL has benefited me greatly and I am glad to recommend it."

Mr. O. C. Powers, Box 183, Durant, Mississippi: "I am a man of eighty years of age and have been active all my life, up until June, 1950. At that time, I began to have aches and pains. My friends kept insisting that I give HADACOL a chance. I took five bottles of HADACOL and on the fifth bottle I began to feel a difference. My appetite began to improve and I began to rest better. After my eighth bottle, I am so happy that I feel good again that I want you and the world to know that I give HADACOL the credit. If necessary I can get dozens of affidavits from the people and neighbors who know what I say is true."

Mrs. Allie Hahn, 611 S. Linden Avenue, Alliance, Ohio: "I could not sleep at night, was so nervous. I am 74 years old now I am sleeping fine. Before taking HADACOL, I would just sleep a couple of hours in a night. The first night after I took HADACOL, I slept very nicely and am getting better every week."

Mr. L. Dee Tritle, 215 Cleveland, Wichita 7, Kansas: "HADACOL has been very helpful to me. I work in a hospital laundry, eight hours a day, and I am on my feet all the time. Before I began taking HADACOL, I would come home just tired, and ache. Since I am now on my second bottle of HADACOL I feel better, eat better, sleep much more soundly than before. Thanks to HADACOL a million times."

Don't be a burden to yourself and to your family . . . give yourself and them a chance. Try HADACOL today on a strict money-back guarantee.

Trial size, only $1.25; large economy, family size only $3.50.

Bible Comment:

Voice of God Still Speaks To Believers

A PHOTOGRAPHER who was recently swept off a sailboat and spent almost two days bobbing in shark infested waters said that at his most profound moment of despair he seemed to hear a voice call to him and encourage him.

Such claims of personal word from God are centuries old. In fact, Jeremiah and other ancient prophets prefaced their predictions with, "Thus saith the Lord."

In the Bible there are many instances—the book of Job for one—of God speaking as one of the characters. But it is one thing to profess to speak for God to make Him a voice in a dramatic writing and quite another to actually express the words and will of God.

There can be little doubt that the prophets heard God for their lives were so completely devoted to truth and righteousness that they were rendered incapable of falsifying.

It is only as men live near to God that they can presume to speak for Him. But men can, and do, speak for God when their words are in accordance with God's character and His revealed will. It is when men attempt to exalt their own beliefs by professing to bear the divine word of the Lord that the greatest sacrilege has been committed.

We cannot hope to be worthy of speaking for God until all of our beliefs, opinions and convictions are completely in accord with the eternal truths of the Holy Scriptures.

Only then will we have sidestepped the danger of becoming misrepresentatives, rather than representatives of God.

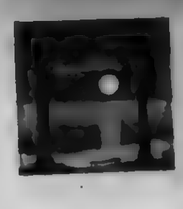
Ohio has more than 1,000 acres in greenhouses and produces more vegetables under glass than any other state.

Novena Series Begins Sept. 3

A Novena series, in honor of Our Lady of the Miraculous Medal, will begin on Monday, Sept. 3, at St. Mary Magdalene Church.

Every Monday morning at 8:30, the Holy Sacrifice of the Mass is offered for the intention of those making the Novena. Other exercises held on every Monday are at 10 a. m., 3, 4, 6:15, 6, 6:45, 7:30, 8:15 and 9 p. m.

For the convenience of those making the Novena, confessions are heard during and after each exercise. Enrollment in the Miraculous Medal is held immediately after each Novena service as well as the blessing of religious articles which can be had at the church.



Attend church next Sunday. You and the church will both benefit.

New Hilltonia Church Pastor Is Selected

Rev. Delbert Krumm of Ostrander has been named as the new pastor for the Hilltonia EUB Church to replace Rev. R. S. Parr who last week was transferred to the pastorate of the Eighth Avenue EUB Church by action of the Evangelical United Brethren Ohio-Southeast Conference at Westerville.

Bishop Fred L. Dennis announced the appointment of Rev. Krumm last Friday in the closing hours of the conference.

What's happened to America's spirit where pride in good workmanship is concerned?

On all sides, the careful attention to detail that once spelled "craftsmanship" is dying out. Some blame it on modern production methods, others on the depression which lasted so long, still others on the recent war. All good reasons . . .

But no matter what the reason, the church recognizes that if pride of good workmanship is lost, an integral, vital part of America is lost with it. When a man cannot say, as Ruskin said, "I know what pleasure is, for I have done good work," he not only loses a part of his heritage—he is in grave danger of losing part of his soul.

God gave us a conscience that tells us when work is good or bad. Churches help to keep that conscience clear for all who heed the word of God. For any church knows that good workmanship is—in the highest sense—a part of the Golden Rule which says, "Love thy neighbor as thyself."

We are what our neighbors do for us. They are what we do for them. And the man who knows, in his conscience and heart, that his work, no matter what it may be, is the best that he can do is doing much more than satisfying his own inner craving for craftsmanship.

His gift of good work is, in all truth, a blessing to himself, a contribution to his community, and one of his highest tributes to his God.

That ye might walk worthy of the Lord, unto all pleasing, being fruitful in every good work. . .
—Col. 1:10

for young, reliable woman to learn the Savings and Loan Business, with opportunity unlimited for the career minded.

Apply in person.

FIRST FEDERAL
SAVINGS AND LOAN
2269 W. Broad St.

WANTED — Aggressive, energetic men to sell high quality nationally advertised appliances. Leads furnished. We are an established firm having a reputation of over 35 years of faithful service to our customers. The men answering this ad must be neat, honest and be able to uphold our tradition. In other words, we do not want any sharks or high pressure drawing account artists. New relaxed government credit restrictions make this job much easier than before, and our new profit-sharing policy makes this job much more attractive than any appliance selling job in the city. If you can furnish good character references, then answer this ad. Your earnings will depend entirely on your own initiative. If you like to meet people and sell quality merchandise which is in high demand in every home give yourself a chance and answer this ad. See Art Block, Danziger's Dept. Store, 971-979 W. Broad.

Dressed-Up

This fall, bright, gay color is important for toddlers. This miss wears a not fussy, not plain solid broadcloth pinafore-effect frock with eyelet trim. By Nannette. Dilly Dally Zany Hand puppet.

On The Go

Here's a picture of what the well-dressed sportsman will be wearing for the hunt this year.

Hair Styles Take Wing This Fall

Newest hair fashions invite smart jewel accessorizing. Here, she uses a bouquet of pearl earrings with an upward look designed to give emphasis above the chin line. Wingback fastener used.

Coiffeurs take on wings this fall with soft wing-like fullness at the sides of the head, and the top appearing perfectly smooth.

Another new hair styling innovation will be the complete absence of a part. The hair will just be brushed smoothly back and manipulated into side puffs.

A completely different coiffeur for Fall '51, this winged style should do much to flatter most every type of facial contour.

Here Are Sandwich Ideas to Go With the Call of the School Bell

September! With school doors opening again it means to many mothers the beginning of months of planning and preparing lunch box meals—meals which must be well rounded to satisfy children's hearty appetites and provide them with the nutrients needed for busy days.

The Earl of Sandwich probably never dreamed of the popularity and wide use of his invention; however, today sandwiches are the basic food of most lunch boxes. With five days a week of planning, the homemaker must tax her repertoire in order to introduce a variety of sandwich fillings.

Reba Staggs, home economist, points out that dinner might well be planned with school lunches in mind. Leftover roast is perfect for slicing, grinding or chopping for various fillings. For instance, chopped roast pork may be combined with chopped apple and seasoned with a suggestion of ginger. This combination, as most others, is moistened with mayonnaise. Another nutrition-packed filling is made of ground cooked liver with a bit of crisp chopped bacon and minced onion. Baked beans, also from dinner, may be mashed and added to bacon for a happy surprise in the lunch box.

Further Planning Needed For Community

It is gratifying to learn that further planning for this community will be proposed by the newly organized Camp Chase Civic Association.

Officers of the organization met this week to discuss the matter and are planning a big open meeting for Sept. 18 at which time they will explain their program.

Future growth of the Hilltop will depend upon careful planning for the community.

Lost and Found Department: Mrs. Frances Rozell, 54 N. Burgess-av, reports losing $110 in cold cash Tuesday morning down Broad-st way, and naturally would be very much interested in having some honest soul return it to her . . . Speaking of lost items: What has happened to the former rip roaring spirit that was once present behind the West High teams in the form of West High Boosters? Have they been lost or will they find some of this spirit in time to back up the teams this fall? . . . Lost: Clouds bearing rain marked for this community.

New Evidence Sought As Alter Body Exhumed

The body of 32-year-old Mrs. Ruth Alter, brutally slain at the Alters' N. Sylvan-av home, Apr. 25, was exhumed recently in the hope of finding new evidence. The Muskingum County prosecutor confirmed reports that Franklin County officials re-examined the body on Aug. 18 or 19.

It is theorized that the investigation was made to determine whether there may have been some other murder weapon than the loafer type shoe with which Mrs. Alter was believed to have been beaten.

Paul Herbert, attorney for the accused George Phillips, said he had information that investigators from the sheriff's office had possession of an instrument, found in the Alter home which could possibly have been the "blunt-edged" murder weapon. Deputies, however, denied such knowledge.

Appearance Of Bikes Herald Opening Of School

Bikes, bikes and more bikes line the parking area in the rear of West High School to mark the opening day of school. The above sight is not one that is unfamiliar to residents close to the Powell-av school for hundreds of the bikes line the lot daily during the school term. The appearance of bikes in such numbers also serves as a warning to motorists that many youngsters use this mode of travel to and from school and emphasizes the caution to be used in order that these youngsters be given an opprtunity to complete their educations.

Camp Chase Post Installation Set For 8 P. M. Friday

William D. Ferguson

The newly elected officers, of Camp Chase Post No. 98, American Legion of Ohio, will be installed at the new post home, 3211 W. Broad-st, Friday, Sept. 7, at 8 p. m. Wilson H. Posey, immediate past commander of the 12th District, will be the installing officer. Past Commander Mike Austin is installation chairman.

Those to be installed are William D. Ferguson, commander; Fred Holaday, first vice commander; George Levisay, second vice commander; Walter Zimmer, third vice commander; Clarence Fuhr, chaplain; Robert Jones, finance officer; Roger Myers, adjutant; William Adams, sergeant at arms; Vernon Fiscus, personnel adjutant; William E. Boothe, historian; Lynn Baker and Elmer Young, executive committee; Frank Morgan, member permanent home committee.

This is the first installation to be held in the new home. Refreshments will be served after the meeting.

Mum Festival Is Cancelled

There will be no Hilltop Mum Festival this fall!

This decision was made Tuesday evening at the meeting of the Hilltop Kiwanis board of directors at Schmelzer's Restaurant.

Charles Kent, appointed recently as chairman of the event, reported that due to the severe drouth that has hit the community his committee did not feel it was advisable to proceed with plans for the festival since it appeared that there would not be a satisfactory display of mums.

Hilltop Eagles Planning Ladies Auxiliary Unit

Announcement was made this week that the Hilltop Eagles Club is now in the process of forming a Ladies' Auxiliary to the local aerie.

On Sept. 9 at 4.30 p. m. the women are serving a free pot-luck dinner at the Aerie Home, 2356 W. Broad-st, for the purpose of forming a charter for the unit. All interested were invited to attend the affair in which entertainment and door prizes will be furnished.

Franklin Twp. Trustees Ask Light Refund

Franklin Township trustees voted Tuesday night to request Prosecuting Attorney Ralph J. Bartlett to seek a refund of a surcharge imposed by the Columbus & Southern Ohio Electric Co.

The trustees agreed to act on petitions signed by 730 residents of the township, asking that Bartlett file a brief with the Ohio Public Utilities Commission or Common Pleas Court asking that the refund be made on all public-owned and operated properties in the township.

The trustees met at the township hall on Sullivant-av. The petitions were circulated by the Franklin Township Electric Rate Refund Association, headed by Norman Brokamp, 939 Clarendon-av.

Two Hilltoppers Hurt When Car And Cow Collide

Two Hilltop men were injured early Tuesday morning when the automobile in which they were riding collided with a cow on Sullivant-av near Sullivant Avenue Airport and careened for several hundred feet along the street before snapping off a utility pole.

Don Woodland, 21, 327 Letchworth-av, was treated for back injuries at Mt. Carmel Hospital following the accident and his passenger Jack Knox, 21, of 220 S. Brinker-av, suffered arm, leg and abdomen abrasions.

The two men told sheriff's deputies who were summoned to the scene that the cow walked in front of their car on Sullivant-av and that unable to stop the car struck the cow and then weaved along the road for several hundred feet before hitting the utility pole and crashing into the field. The cow with two legs broken was later destroyed by sheriff's deputies.

Bids Are Requested For Construction Of New W. Mound School

Columbus Board of Education this week advertised for bids on construction of the new W. Mound-st school with a request that all bids be in the hands of the board by Oct. 15.

The new structure which will supplant the buildings now on the site will be a 12-room building allowing for 11 classrooms and a kindergarten room.

Robert M. Draper of the Columbus Board of Education said today that work on the new school will start immediately after the granting of the contract and that the expectations are that the school will be opened next September.

Burglars Cart Off Safe, $2,000

In the early hours of Saturday morning burglars gained entrance to Kirwin's Cafe, 2449 W. Broad-st, and made off through the rear entrance of the establishment with a safe containing approximately $2,000. Jack Kirwin, manager of the business, said today that the figure was but an estimate due to the fact that a complete inventory had not been made, since the register was also rifled by the yeggs. Cruisermen Charles Peenish and Floyd Morgan are shown above as they inspected the rear door which was jimmied by the burglars.

Floyd Green Opens Campaign In Offering 10 Point Program

Former Mayor Floyd F. Green announced Tuesday the opening of his mayoralty campaign headquarters in Rooms 324-325 at The Southern Hotel.

In making the announcement, Mr. Green also released a 10-point program upon which he said he will wage his campaign for the seat at the Nov. 6 election.

"My campaign will be based on the important issues before Columbus citizens, not on any extraneous matters dragged in to becloud the real problems," he said.

"These issues are well known to the voters. They will be discussed by me, in detail, from time to time, in various media."

Pointing out that the mayoralty election is a non-partisan election under the city charter, Mr. Green said: "I pledge the voters of Columbus a true non-partisan administration according to the provisions of the city charter."

Mr. Green said he would campaign on these points:

1. Economical operation of the city government. (He pointed out that the cost of operation has more than doubled under the present administration.)

2. An end to the "kicking around" of the bus situation as a political football. "I'll get a fair bus fare; I'll get a franchise and

Wife Of Missing Pilot Hopeful Of His Return

Although she has received official word from the Defense Department that her husband is missing after a B-29 raid on Rashin in North Korea on Aug. 24, Mrs. Jack L. Murray, 782 S. Wayne-av, still hopes for the safe return of Lt. Jack Murray.

Mrs. Murray received a letter from her husband postmarked Aug. 23. "He probably wrote it not more than a day before the raid," she said. "Jack was in Japan on a rest leave until Aug. 22. He returned to his Okinawa base that day or the next."

She has since learned from friends in the Air Force that 11 parachutes had been seen blossoming in the sky after one of the planes had been hit in the raid on the North Korean railroad and stockpiling center which is located only 17 miles from the Soviet border.

Murray, 23 years of age, was a pilot of one of the huge B-29's which participated in the Aug. 24 raid.

Cowboys To Pry Off Lid Of Grid Season Friday

Faithful followers of the pigskin fortunes of West High School's "Cowboy" eleven will be given a pretty good insight as to the strength and possible calibre of this year's team Friday night at Upper Arlington.

West is slated to test the mettle of Grandview in the opening period of Friday night's annual preview game which will see the locals in action as well as the Grandview Bobcats, Upper Arlington and North.

With action slated to begin promptly at 8 p. m. between West and Grandview the local boys will be prying the lid off the coming [illegible].

In the second setto of the evening Arlington and North will lock horns to give local grid fans a look at what the Polar Bears may have to offer in city league competition this year. North and West meet in the final canto. North has been picked by downtown sports scribes as the probable winner of this year's title chase, but faithful followers of the Cowboys aver that North is due for a rugged surprise from Coach Mac Pemberton's charges.

Tickets for this annual classic are now on sale locally and all proceeds from tickets sold on the Hilltop will go to the West High School athletic treasury. Local school officials urge that football fans secure their tickets early at one of the following locations:: Goodwin's Pharmacy; Spang's, Economy Drugs, Whitethorne and Sullivant-av; Westgate Drugs, Murphy's Pharmacy; Superior Drug, Whitethorne and Broad, and Sensenbrenner's.

Pemberton To Address Lions Club Thursday

A. M. Pemberton

Mack Pemberton, popular West High School football mentor, is scheduled as the principal speaker before the Sept. 6 meeting of the Hilltop Lions Club at Schmelzer's Restaurant, Thursday night at 6:30.

Pemberton in his address to the local Lions will outline the prospects for this season's "Cowboy" eleven. He will be accompanied by his line coach, Dave Randall, and backfield mentor Fred Heischman.

Pemberton has been in the coaching field for a 13-year period and has headed the coaching activities at West for the past eight years. He is a graduate of Defiance College and prior to coming to West was principal and coach at Sunbury High School. He is married, the father of three children and lives at 176 S. Brinker-av.

Slater Names Skidmore School Teaching Staff

Announcement was made this week by Charles E. Slater, principal of Skidmore School on N. Hague-av, of the teacher staff which will have charge of the local school for the ensuing school term.

Marie Schilling, Mrs. Nellie C Jones, Mrs. Edith Bailey, Mrs. Gertrude C. Buel and Mrs. Finson will comprise the primary grades staff, and Mrs. Matheny, Mrs. Robinson, Mrs. McGhee and Edith Harper the intermediate grades. Edna Winton is the seventh grade teacher, Mrs. Mary Cohen, music teacher and Charles E. Slater, eighth grade teacher and principal.

According to Slater he is planning for a very successful year at the local school.

Hot Weather Is Responsible For Arrest Of Pair

The hot weather of last week brought about the downfall of two burglary suspects and caused their apprehension by police, in the basement of a confectionery at 1885 Sullivant-av.

Mrs. Vivian Jones, 424 Clarendon-av, wasn't able to sleep because of the heat and paced the floor of her bedroom. Glancing out her bedroom window, she saw a man holding a claw hammer in his hands. As she watched, the man moved to a basement door leading into the Hilltop Grill, 1889 Sullivant-av, and broke into the establishment.

A call to police brought five police cruisers to the scene in a matter of minutes, with Mrs. Jones standing by on the telephone line until police arrived.

Entering the basement of the confectionery, police found two men, both dripping with perspiration, hiding in the basement. Neither resisted arrest. Joseph Gaddy, 33, of Bolivar, Mo., was found behind a stairway and Clifford Molt, 22, of Grove City was hidden under some bedsprings.

Both men were held at city prison on investigation of burglary. Neither of the two has any previous police record, according to police.

Bases Ready For New Westgate Water Tank

Shown above is a portion of the huge foundations which have just been completed for an additional one million gallon water tank which is soon to rise in Westgate Park. The new tank is being installed to boost water pressure in this community to meet the additional demands imposed by new industries and construction of new homes in the vicinity. Cost of the foundations for the million gallon tank is $17,879 while the tank itself will cost $131,795. Completion date for the structure is set for early winter.

Chubby Distelhorst Observes 10th Anniversary As Hilltop Grocer

Chubby Distelhorst

It was on the day after Labor Day, 1941, that Chubby Distelhorst opened his grocery store at the present location, 2445 W. Broad-st. Previous to that date he had a store at 709 W. Mound-st. Since that date Chubby has been assisted by Carl Schulze, the butcher, and Herb Ross, delivery boy, both 10-year employees. Chubby himself has been away very little, "mostly business trips," he admits.

During the past 10 years, in which they have always had a weekly advertisement in the Record, they have added new iced vegetable cases and new frozen food cases, as they try to keep the store modern.

The most excitement Chubby can remember was when the building was on fire (Kirwin's was completely gutted by the flames) and things got mighty hot for the jovial grocery man.

A plume in the cap of Distelhorst is that many of his customers have been with them for the entire 10-year period, and believe it or not some of them have never stepped inside the store!

Newsboy Loyalty Wins Bike For A Buddy

Gary Link, 12, 2182 W. Mound-st, was a very surprised young man Tuesday afternoon when he learned from Henry LeFebure, owner of the Dairy Queen Store at 2185 Sullivant-av, that he was the winner of a new Schwinn bicycle awarded for saving sundae and soda spoons through the period of Aug. 1-31. Gary, a Columbus Citizen carrier, was the owner of an old bike which he used on his route, but his carrier buddies thought he really needed the new one and pooled their collections of spoons and unknowingly to Gary, entered the lot under his name to make him the winner in the contest.

In the dark of night, two safecrackers entered a bank. One approached the safe, sat down on the floor, took off his shoes and socks, and started to turn the dial of the safe with his toes.

"What's the matter?" asked his pal. "Let's open this thing and get out of here."

"Naw, it'll only take a minute longer and we'll drive those fingerprint experts nuts."

Mr. and Mrs. Donald Charles of New Brighton, Pa., were holiday week-end guests of Mr. Charles' grandfather, Luther M. Charles and aunt, Treva Charles, 852 S. Harris-av.

The young couple was married Tuesday, Aug. 28, in New Brighton.

The younger Mr. Charles will leave Friday for Seattle, Wash., for assignment to Korea. He is in the U. S. Army, Signal Corps division.

OPEN HOUSE GIVEN FOR PVT. WETTERMAN

Mr. and Mrs. David Wetterman, 181 N. Roys-av, will hold an open house Sunday, Sept. 9, 2 to 6 p. m. in honor of Pvt. David Wetterman of the 5th Infantry Division, who has been stationed at Indiantown Gap, Pa.

Pvt. Wetterman will leave soon for Camp Kilmore, N. J., from where he will be assigned overseas duty. He is a graduate of West High School and attended Valparaiso University, Valparaiso, Ind.

Mr. and Mrs. Joseph Lanihan (Nancy Frederick), 795 Thomas-av, are the proud parents of their first son, Jerry Michael, born Aug. 30 at White Cross Hospital. This is also the first grandchild for Mr. and Mrs. Vernon Frederick, 204 Binns-blvd.

Rome Study Club Begins Thirteenth Year

Pictured above left to right are the officers of the Rome Study Club, Mrs. Margaret Scheiderer, 190 Norten-rd, secretary-treasurer; Mrs. Russell Brooks, 486 Maple-dr, past president; Mrs. Luella Butin, 115 Gladys-rd, president, and Mary Patterson, 274 Maple-dr, vice-president.

The Rome Study Club will officially open its 13th year on Monday, Sept. 10, at 6:30 p. m. with a pot luck dinner at the Columbia Heights Methodist Church.

Dr. and Mrs. Earl Nichols and other interested ladies in the community started this organization early in 1938 and called it the "Rome Study Group." However, it was during the presidency of Mrs. Henry Warner, fifth president, that a constitution committee was chosen on May 8, 1944, to set it up as an official organization with regular by-laws. This committee consisted of Mrs. Malcolm Pennell, Mrs. Russell Brooks, Mrs. I. A. Thompson, and Mrs. E. C. Sheets, Jr.

On Sept. 11, 1944, Mrs. Warner presented the conclusions of the committee to the assembled members of the group and they were voted on and accepted. The membership of the organization has always been restricted to 25 active members. However, there are four honorary members. Of the 35 active members there are 19 original charter members, the eldest of whom is Mrs. George Boucher.

Inasmuch as the object of the organization is cultural and social, the program year always consists of at least one book review and a theater party at the Hartman Theater. The club holds meetings in the homes of the members on the second Monday of the month.

Guiding the activities of the Rome Study Club for the coming year will be the new president, Mrs. William Butin, and her new officers. The program committee chosen by Mrs. Butin consists of Mrs. W. J. Stormont, Florence Weber, Mrs. Ernest Shaner, Mrs. Joseph Coulter, Mrs. Marshall Hall, and Mrs. Harvey Rose, chairman.

Hostesses for the first fall meeting on Sept. 10 will be the program committee with Mrs. O. C. Riebel in charge of the program. Mrs. Riebel will also favor the ladies with another of her fine book reviews.

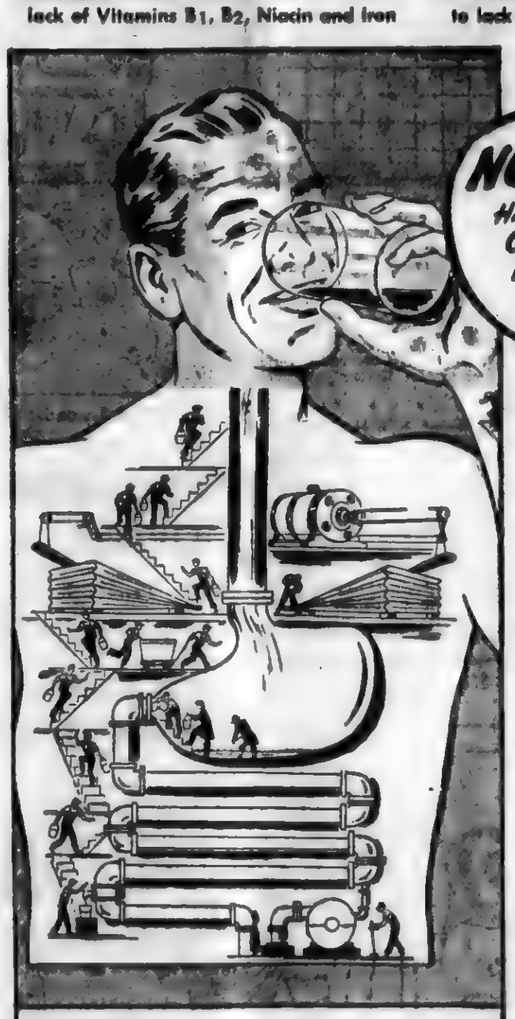
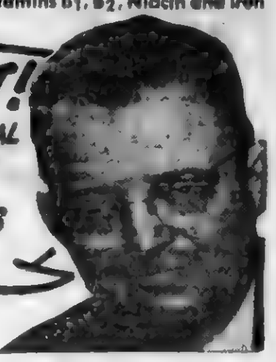
Why Be Distressed After 40?



NAGGING ACHES AND PAINS when due to lack of Vitamins B1, B2, Niacin and Iron



INDIGESTION AND HEARTBURN when due to lack of Vitamins B1, B2, Niacin and Iron

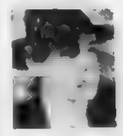
FATIGUE AND RUNDOWN CONDITION when due to lack of Vitamins B1, B2, Niacin and Iron

NO QUESTION ABOUT IT!
HADACOL IS ONE VITAMIN AND MINERAL COMPOUND THAT HAS NOW PROVED IT CAN RELIEVE SUCH DISTRESS WHEN DUE TO A LACK OF VITAMINS B1, B2, NIACIN AND IRON
SENATOR DUDLEY J. LE BLANC

HADACOL IS A LIQUID SO IT WILL ACT FAST TO SPEED THE PRECIOUS VITAMINS AND MINERALS THROUGHOUT YOUR BODY!

Hadacol Relieves Nagging Aches and Pains, Poor Appetite, Fatigue, Sleeplessness, Nervousness
When Due to a Lack of Vitamins B1, B2, Niacin and Iron

Let's face facts. You don't have to put up with annoying aches and pains, a lagging appetite, missed sleep, or nervousness, when they are due to a lack of Vitamins B1, B2, Niacin and Iron. For today's great HADACOL contains more than the minimum daily requirements of these very elements to relieve such deficiencies and such possible resulting distresses. You can start facing a new and happier life today . . . just read how these folks have been helped.



Mr. O. C. Powers, Box 183, Durant, Mississippi: "I am a man of eighty years of age and have been active all my life, up until June, 1950. At that time, I began to have aches and pains. My friends kept insisting that I give HADACOL a chance. I took five bottles of HADACOL and on the fifth bottle I began to feel a difference. My appetite began to improve and I began to rest better. After my eighth bottle. I am so happy that I feel good again that I want you and the world to know that I give HADACOL the credit. If necessary I can get dozens of affidavits from the people and neighbors who know what I say is true."

Mrs. Daisy Sheckelsworth, Box 82, Baylis, Illinois: "I first heard of HADACOL on a radio program and immediately secured a bottle. I received benefits from this and have continued its use with satisfactory results. I am a widow, aged 70, and living alone. My daily diet must have lacked something. I suffered from weakness and loss of appetite, also a nervous condition. I can truthfully say the use of HADACOL has benefited me greatly and I am glad to recommend it."

Mrs. Allie Hahn, 611 S. Linden Avenue, Alliance, Ohio: "I could not sleep at night, was so nervous. I am 74 years old now I am sleeping fine Before taking HADACOL, I would just sleep a couple of hours in a night. The first night after I took HADACOL, I slept very nicely and am getting better every week."

Mr. L. Dee Tritle, 215 Cleveland, Wichita 7, Kansas: "HADACOL has been very helpful to me. I work in a hospital laundry, eight hours a day, and I am on my feet all the time Before I began taking HADACOL, I would come home just tired, and ache. Since I am now on my second bottle of HADACOL I feel better, eat better, sleep much more soundly than before. Thanks to HADACOL a million times."

Don't be a burden to yourself and to your family . . . give yourself and them a chance. Try HADACOL today on a strict money-back guarantee

History Repeats Itself

A national picture magazine recently ran a feature article on the founder of a chain-store system which has grown from a single little outlet in a small western town to a national institution. As part of an anniversary celebration, the founder returned to the town and once more sold goods behind the counter of the original shop.

This casts an interesting siddlight on the growth of retailing in America over the decades. Most of the chains started in an extremely modest way. So did the great department stores, supermarkets, and other retail businesses. The majority of the men who have risen to high executive positions in retailing began as clerks, warehouse attendants, delivery boys and so on. It's an old American story, found in all enterprise, of small beginnings and great achievements.

In a free economy, history repeats itself. Many a store which only a handful of customers know of today will be a colossus on some future date. When that happens, it's no accident. A man has ideas, energy, ambition. He knows how to attract and hold customers. His goal is to do a better job than his competition down the street. He isn't afraid of work. The going may be rough, but he keeps on plugging. More people come in, more goods are sold. The man who does the best job wins.

There was once a fear that the chains would run the independents out of business. Time proved how needless and wrong that fear was. The independents met the new competition, held their own, and prospered and grew right along with the chains. That's how matters always turn out in an economy which encourages initiative, and gives every man a chance to go as far as his abilities can take him.

Allergies

Traditionally, for some people, this season is associated with watery eyes and nose, nose-tickling sneezes, and congested breathing. The common name for their illness is hay fever, an allergy due to the ragweed pollen. However, these same symptoms resemble other allergies that trouble people year around. Allergies not only produce disturbances in the respiratory organs, but also in the digestive system or the skin.

The substances that produce allergies are called allergens. When they enter the body either by swallowing, inhaling, external contact, or by injection, they produce an irritation in susceptible tissues, causing the blood vessels to expand and the tissues, which they supply, to swell. An allergy in itself is not a serious illness. But things like hay fever and asthma, when neglected can interfere with sound health as well as cause great discomfort.

If the allergens can be identified and removed from the patient's diet or surroundings, an immediate cure may follow. Some allergens, however, cannot be avoided. In such instances, it may be possible to build up the patient's resistance by repeated injections. New drugs are often very helpful. More rest is sometimes needed and the emotions, too, are often a contributory influence.

People with allergic tendencies should observe a few impoprtant "don'ts." Drafts, cold air, dust, strong fumes, and frequent contacts with drugs, cosmetics, plants and similar items should be avoided. On the positive side, they should consult a physician. Frequently, a doctor can cure an allergy and, in most cases, he can give welcome relief.

"SMALL BUSINESS"

By E. WILSON HARDER

There is considerable speculation in Washington as to just who the Defense Department is trying to defend.

• • •

So far the only crushing blow dealt by the Defense Department has been to the American free enterprise system.

• • •

G. W. Harder

This fact, brought out in a sharply worded report by the Senate Small Business Committee headed by Sen. John Sparkman, (D. Ala.). It is titled "Concentration of Defense Contracts in Industry".

• • •

It shows monopoly has scored its greatest victory since Korea.

• • •

The Committee reports that during World War II ten big corporations held 30 per cent of the defense contracts, and 100 corporations had two-thirds.

• • •

But now, since Korea, the Big Ten hold 40% of the total new defense contracts, and two-thirds of all contracts are now held by only 56 corporations.

• • •

The committee calls for immediate action.

• • •

In the language of the report "this trend of concentration of defense contracts must be immediately reversed and defense contracts spread widely in industry to guarantee a broad and growing industrial base, if this top-heavy imbalance is not to undermine our economy, retard our mobilization effort, and entrench monopoly beyond hope of disledgement in our time."

• • •

Probably no bitterer criticism of a government agency has ever been launched.

• • •

While even those officials in charge of defense publicly wonder why American rearmament, has not moved faster, the Senate Small Business Committee found the answer.

• • •

American homes are without adequate defense because of the unbridled greed of a few big monopoly-minded corporations.

• • •

These Goliaths, holding the major share of the prime defense contracts are supposed to sub-contract parts of the work to independent business firms.

• • •

The committee reports this is not being done.

• • •

Big corporations, are expanding their plant facilities, encouraged by rapid tax amortizations which will permit them to skim the cream without paying a normal tax. They are sitting on the defense contracts they hold, planning on doing the work that was expected they would subcontract to small firms.

• • •

As a matter of fact, these big corporations who hold most of the defense contracts, are still turning out consumer goods at such a rapid rate that there is a surplus of the cars, TV sets, refrigerators and other items they make which they are having trouble selling.

• • •

But their smaller competitors, not holding defense contracts, cannot get the raw materials, either, to maintain a high rate of consumer goods production. It's probably the first time in history that a democratic government has made it profitable to play dog in the manger.

• • •

That is why in Washington it is privately held that no big war is on the horizon.

• • •

In fact, without more aggressive work such as now being done by the Sparkman Committee the American system will be lost without a shot being fired.

Casting Club Will Sponsor Tournament

The Columbus Casting Club will sponsor a casting tournament at Westgate Park on Harder Lake Sunday, Sept. 9, beginning at 1:30 p. m., according to an announcement made this week by club officers Charles Harder, Ralph Nigh and W. T. Behner.

Many prizes will be awarded during the competition, the officers said.

Cowboys Edge Cambridge Eleven by 13-0 in Practice Game

Shown above are two bits of action seen at the practice game on Magly Field last Friday afternoon when West's Cowboy eleven took on a tough and scrappy grid outfit from Cambridge High School in a practice game. The Cowboys, although the victors by a 13-0 count, were given some bad moments by the invaders. In the top photo a Cambridge back snags a long aerial heave over the goal line of West just seconds after the closing gun had sounded. A bit of lively line action is seen in the lower photo as end Jerry Trabue of West bucks the line after receiving a "button hook" pass from Eddie Gliebs.

Central Ohio Kennel Club To Sponsor Annual Matches

The Central Ohio Kennel Club will hold its annual all-breed, all-age American Kennel Club Sanction Match on Sunday, Sept. 9, in the Junior Fair Building at the state fairgrounds. Purebred puppies from two to 12 months of age are eligible to be entered, also dogs 12 months and over if they have been winners at a point show.

This is an opportunity for the amateur fancier and breeder to become acquainted with how to show dogs and it educates the young puppies how to act at a large show. Advance entries are appreciated, but post entries will be taken at the hall on the day of the match until 12 noon.

Show hours are from 1 p. m. until 6 p. m. Prizes are being offered and competent judges will officiate.

For entry blanks contact Mrs. J. E. Edholm, FR. 4-6941 or R. J. Miller JE. 1948.

A rather queenly young woman boarded a crowded city bus. A tired little man got up and gave her his seat. There was a moment of silence.

"I beg your pardon?" said the tired little man.

"I didn't say anything," rejoined the young woman.

"I'm sorry," said the little man. "I thought you said 'Thank you'."

McElheny Faces Dilemma At Hilliards High School

Although he is blessed with 14 returning lettermen this fall, Coach Norm McElheney of Hilliards High School is sad these days as Sept. 21 draws nearer and his grid hopefuls prepare to try their wares against Dublin in the opener of the Mid-Six League.

McElheny points out that only four of the 14 returning lettermen were regulars last fall and that the other 10 had only limited experience. He points out, too, that Hilliards in nine starts last year was able to chalk up only two wins all season long. The two wins were in the initial games of the season, with seven consecutive defeats following.

Pointing to the new stadium which is now being erected at the Hilliards School, McElheny said, "We're going to have a real stadium, which is being built by the Boosters Club. But the question is as to whether or not we are going to have the team that is equal to the stadium."

McElheny is sad that the junior class has come up with but few men this year, to cripple his ideas of rebuilding a strong team. Only eight have answered the call, leaving the brunt of the season's battle to be carried by senior classmen. This, the new coach points out, leaves him with but little material to form a nucleus for a strong team this year and next.

Hilliards' schedule for this year is:

Sept. 1 at Gahanna
Sept. 21—Dublin
Sept. 28—Grove City
Oct. 5—At London
Oct. 12—Worthington
Oct. 19—Marysville
Oct. 25 at Westerville
Nov. 2 at Big Walnut
Nov. 9—Hamilton Twp.

Glenwood Wins Little League World Series

Glenwood Center's scrappy baseball nine during the past week under the tutelage of Lon Wright walked off with the City Little League World Series by downing the Tuttle Bombers 9-5 and 5-4.

The Glenwood youngsters battled their way to the top of the City Recreation Department series from a field of 45 teams representing 11 different leagues in which more than 700 boys competed.

With their victories of last week the Glenwood nine racked up a total of 17 straight victories.

A lady, meeting a doctor at a social gathering, decided to try for a little free advice.

"Doctor," she said, "my little boy twisted his ankle and now he has to limp at bit. What would you do if it were you?"

"Why," answered the shrewd doctor, "I imagine I'd limp, too."

Annual Roadeo Is Scheduled For Friday

Three Suburban Motor Freight drivers will match skills with some 70 professional drivers representing motor truck lines throughout the state in the annual Ohio Roadeo next Friday and Saturday at the Ohio State Fairgrounds.

Don Stada, 441 W. Second-av, Frank Sylvester, 1790 Kenney-rd, and Jesse Woods, 737 S. Highland-av, qualified for the state contest by out-pointing other Suburban drivers in a company roadeo. All have accident free records. Don Stada will compete in the tandem axle; Sylvester in the single axle and Woods in the straight truck test. They will be given written and oral examinations covering highway safety, fire fighting, first aid, traffic regulations and other subjects dealing with the operation of commercial motor vehicles.

Stada and Woods are veteran roadeo contestants. It will be Sylvester's first trucking competition, but he is accustomed to competition, having for several years successfully competed at district amateur golf tournaments. In 1946 he won the Twin Rivers Golf Club championship.

VFW Post Sponsors Local Bowling Team

Westway Post of the Veterans of Foreign Wars Wednesday night became one of the first organizations on the Hilltop to sponsor a bowling team at the newly opened Old Trail Lanes, now located at the site formerly occupied by the Old Trail Theater.

Members of the local veterans organizations who reported for the initial opening rounds at Old Trail were Gus Sora, Henry Levy, Bob Zulauf, Roland Wolford, Bob Hartman and Dean Frazer.

4-H Club Pair Demonstrate Skills At State Fair

Doris and Patty Brown, 635 Rome-Hilliards-rd, are pictured above as they demonstrated their sewing prowess at the Ohio State Fair last week. The youthful 4-H Club members are shown as they described curves in garment construction in the Frigidaire Corporation booth. Both are students at Hilliards High School.

Public Invited To View Sacred Film At Drive-In

On Saturday evening, Sept. 8, at 8 p. m., the public is invited to the "Free Christian Films Drive-In, one block south of 1800 W. Mound-st, where "The Story of the Life of Jesus Christ" will be shown.

This is the greatest story ever filmed since "The King of Kings" and is also called "The Pilgrimage Play." It is a feature length film in natural color.

The sponsors desire that every one avail themselves of this privilege to view this sacred film by bringing a well filled automobile and sitting in their own car. For those who walk, more than 300 free seats have been provided.

Children under 15 years of age will be served free pop.

Hilltop Girl Wins Dance Scholarship

This week the Jimmy Rawlins Dance Studios announced that Karen Loraine, 73 S. Hague-av, is one of the winners in its 1950 "Search for Talent" competition.

Types of dancing considered were tap, ballet, acrobatic and baton twirling. Judging was done by the Jimmy Rawlins teaching staff. These children, in competition with some 400 other youngsters, were declared to have the most "promise."

Karen will receive one full year of dancing lessons.

YMCA Friday Night Dances To Resume

The YMCA Friday night dance is opening Friday, Sept. 7 and Ned Mapes is back again by popular demand.

Featured vocalists Judy Jordon, Freddy McNulty and The Three Notes are also returning, along with their many other entertainers.

The YMCA ballroom has been undergoing a few changes during the annual summer close-up period. Additional seating facilities, new sound system distributing the music in equal volume to all parts of the ballroom, and the new band shell acoustically engineered, are just a few of the many changes made during this period.

LETTERS TO THE EDITOR

Dear Editor:

Perhaps I am a bit old-fashioned, but I still believe in saying "Thank you." I am sincerely grateful for your generous cooperation during my tenure of duty as district director of the Office of Price Stabilization.

From my position in government, I am deeply impressed by the interest taken by such public spirited people as yourself, who so freely gave their time and effort to make our country a better place in which to live.

If I can ever be of service to you in my position as director of community relations at the Farm Bureau Insurance Companies, I assure you it will be a privilege.

Most sincerely,
Edward F. Wagner,
District Director.

Bargain Box Benefit Sale Is Scheduled

Some of the best homes in Columbus have been ransacked in recent months to provide the startling bargains which will go on sale at the Bargain Box being held Sept. 13 and 14 from 9 a. m. to 9 p. m. at Memorial Hall in Columbus.

To speed up the sales this year scores of the young women members of the Columbus Junior League, who are again sponsoring this unusual bargain sale, have offered to serve extra time so that prompt service can be given the hundreds of Bargain Box customers.

No increase in prices has been made over previous sales and anything and everything will be on sale from a baby grand piano to safety pins—from golf clubs to fur coats. Many items to go for only a penny or two, so break into those penny banks and see how far they will stretch at this third annual Bargain Box Sale.

Buyers will have the double satisfaction of not only getting a bargain but knowing that the proceeds from the sale will go to support the Children's Mental Health Center, Inc., 510 S. Monroe-av.

The success of the previous two sales helped to establish and maintain this outstanding clinic that serves the young people of our communities.

When the Louisville and Nashville Railroad was completed in January, 1860, legislators and officials of Tennessee and Kentucky were entertained for three days by Ohio's governor and legislature.

John Burroughs PTA Schedules First Meeting

The executive board of the John Burroughs PTA will hold its first meeting of the school year, Friday, Sept. 7, at 1:30 p. m. in the PTA room. All members are urged to attend.

The first fall meeting of the John Burroughs PTA Association will be held in the school auditorium, Tuesday, Sept. 11, at 1:30 p. m. The school nurse, Edna Kels, will speak on the topic "Child Health." A teachers' and parents' reception will follow the meeting. Hostesses for the tea are Mrs. Harold Freeland, Mrs. Donald Hessler, Mrs. Barney Clapsaddle, Mrs. Calvin Lutz and Mrs. Russell Adams.

The John Burroughs PTA will sponsor a movie for the children of the school, Wednesday, Sept. 12, at 12:40 p. m.

Evening School Registration Scheduled

Registration for Columbus Evening School has been scheduled for Wednesday evening, Sept. 12, and Thursday evening, Sept. 13, it was announced today by Principal Frank D. Mason. The time will be from 7 to 9 p. m. Classes will meet every Monday, Wednesday and Thursday from 6 until 10 p. m. Classes for the second semester will start Monday, Sept. 17 at 8 p. m.

Offered will be a program of academic and commercial subjects leading to a high school diploma. The regular curriculum of the school includes work in English, journalism, Spanish, public speaking, psychology, social studies, business law, mathematics, science, art and commercial subjects.

The school will again offer non-credit courses in elementary English and arithmetic for those not yet qualified for high school work, and a course in which persons of foreign birth are taught to speak English.

All new students and those who have not been graduated from high school should bring a record of completed high school courses when they register.

Registration fees for residents living in the Columbus school district are $5 for one class period, $7 for two, $9 for three and $10 for four class periods. In addition students must pay a deposit of $1 for each book required. All fees must be paid at time of registration.

New Seiller's Shoe Dept. Opened

Saturday saw a new innovation on the Hilltop when Seiller's Department Store at 2404 W. Broad-st officially opened their new shoe department especially for children. The department, under the direction of Harry Graham, specializes in the fitting and caring for children referred by podiatricians and orthopedic doctors. As shown in the above photo the opening of the new department came at an opportune time for mothers getting the youngsters fitted for school.

Girl Scout Winners At State Fair

Hilltop Girl Scouts who won top honors at the recent Ohio State Fair are pictured above as they proudly display the ribbons and trophies won during the exposition.
First row, left to right, are Kathleen Hartranft, Nancy Reichelderfer, Ruth Ward, Marcia Holzapfel and Dorothy Fleming. Second row: Margaret Jenny, Julie Higgins, Joan Walker, Rose Marie Pinkerton, Janice Butterbaugh and Sandra Dent. Third row: Barbara Brady, Beverly Booth, Karen Rober, Barbara Booth, Doris Bailey and Norma Ward. Ruth Ward won the Borden Co. trophy for individual arts and crafts.

Briggsdale And Brown Road

By Mrs. Harry Downing

T. M. Fridley, 1146 Harrisburg-pk, is home from Mt. Carmel Hospital where he had been confined several weeks following a heart attack.

Mr. and Mrs. Horace Jasper, 2483 Brown-rd, are announcing the arrival of a baby daughter, Aug. 27, at Mt. Carmel Hospital.

Mr. and Mrs. Clarence Bellomy and Tommy, 1620 Harrisburg-pk, have returned home from their vacation in Canada.

Mr. and Mrs. James Dearduff, 1070 Geneva-av, and Mr. and Mrs. Herman Scurlock, Neil-av, are building new homes on Chateau-av.

Mr. and Mrs. Paul Freshcorn, 1051 Brown-rd, are the parents of a baby girl born in Grant Hospital Aug. 27.

Mr. and Mrs. Harry Shilling of Briggsdale spent the Aug. 25 week-end in Elkhart, Ill., where they attended the funeral of Mr. Shilling's uncle.

Carrie McKinley, 2014 Harrisburg-pk, is at home, improving nicely, and able to walk without aid. Miss McKinley, a well-known resident of this community, was a patient in Mt. Carmel Hospital seven months due to an auto accident.

Maxine McVey, Barbara Burdette, Nanette Gibson and Alice Rummell spent Friday night with Mary Downing, Eakin-rd.

Rev. W. J. McMillian, Circleville, is the new pastor at the Brown Road Community Church. The parsonage is scheduled to be completed and ready for occupancy Sept. 1.

Westhill Church Begins Evening Services Sunday

Westhill Church of Christ will begin its evening services this coming Sunday evening. The sermon topic is "The Importance of Church Attendance."

Pictures will also be shown which were taken by young people in young people's camps this summer.

At the close of the evening service there will be a short fellowship hour with the men serving light refreshments.

A wild oil boom occurred near Macksburg, Washington County, in 1864.

School Days Bring Out Bikes

But--Do You Know When the Bike Was First Built?

Editor's Note: With the opening of school this week there has been a decided influx of bicycles rambling throughout the community as many of the youngsters wend their way toward the various schools. A casual comment of "When I was a boy I used to walk miles to the schoolhouse" led to the garnering of these facts about one of today's popular modes of travel.

The bicycle is probably the oldest fabricated article still being manufactured in which the basic principles have been least changed.

The first one back in 1818 had a saddle, two wheels and a handle bar, and these features are still retained but it had no pedals, and was called a "walk-along" because when seated astride, one could push himself along with his feet faster than he could walk.

Pedals were introduced in 1839 over a century ago. In the 60's, the first of the so-called "bone shakers" was produced. These had a larger wheel in front and iron tires. They got their name from the rough treatment they gave riders on the rutted and cobbled streets.

The first all-metal bicycle was produced in the 70's. Those also had large front wheels and small rear ones, and while still called bicycles in general, they were particularized as the "ordinary" type. The height in inches of the front wheel denoted its size and the tall man with his larger wheel had a decided advantage in speed over the smaller man.

In that period also, the "star" or small front wheel bicycle came into use, but it never attained the popularity of the "ordinary."

In the 80's, the first "safety" models were made. They were the prototype of the present day, streamlined, balloon-tired bike. They had both wheels of the same diameter and a chain drive to transmit power from the pedals to the rear wheel. By this method it was possible to so gear the bicycle that a small powerful rider had relatively the same advantage as the taller man.

In the late 80's came the pneumatic tire, which became the most popular craze of the early 90's as soon as its comfort and advantages were realized and appreciated.

Prior to the advent of the motor car, the bicycle reached its height in the Gay Nineties and in that period its annual production hit 1,200,000. With the coming of the auto, the bike's popularity faded and as late as 1934, annual output totaled little over 250,000. A vigorous public relations campaign started in 1934 and continued to the present, plus the great impetus received by the wartime gas shortage of a few years ago which returned millions of people to bikes, has revitalized the industry. Today, bike production in the United States is first among all countries with approximately 2,800,000 bicycles turned out both in 1947 and 1948. The U. S. is also the leading cycling country with 18,000,000 riders.

The bicycle is the only article manufactured that has these three great essentials: pleasure—health—economy.

Over 85% of the American Youth Hostelers travel by bike. A trip across the continent is no longed uncommon as many people find that the bicycle offers them an inexpensive, healthful means of seeing the country and taking vacations.

Women have learned that the bicycle provides them with a wonderful way to retain their youthful figure while enjoying themselves. Well-known physical culture advocates state that the wheel has proven to be one of the best forms of all around exercise, combined with the least expensive means of transportation — other then walking.

Carl Snavely, famed coach of the University of North Carolina, says:

"We regard bicycling as a particularly beneficial exercise. We believe that it puts more muscles into play than any other practicable form of recreation. Chest, arms, legs and stomach are all benefited. It enlarges and strengthens the chest. Arms and fingers become firmer in action. Legs, the most important part of the body to most athletes, grow stronger, sturdier, speedier and less susceptible to injury. The stomach takes on new tone and vigor. For these reasons we want our football players to use bicycles the year 'round. Our varsity squad rides them at home in the summer and on the campus and athletic field in the spring and fall. In addition to keeping them physically fit, riding a bicycle helps to keep them mentally alert. I believe that every boy, whether he wants to play football or not, would benefit by riding a bicycle. Undoubtedly, it is one of the most healthful and enjoyable of all sports."

There has been and is a strong movement among educators and safety directors to advocate state licensing of bicycles, just as is done with motor cars. This would bring such benefits as:

1. Responsibility placed on the rider to exercise care and to observe all traffic rules.

2. Gain recognition by public and officials generally that the bicycle is actually a vehicle and as such is entitled to rights such as cycle lanes along the highways.

3. Licensing is a great theft deterrent.

Another effective method of reducing the already-low accident rate is to encourage Junior Bicycle Courts where youngsters serve as judge and jury, mete out punishments ranging from essay writing to padlocking of the bike for a month in cases where riders break the cycling laws.

'Legion-Arrow' Races To Draw Ohio's Best

On Sept. 16 the Ohio State Fairgrounds will once again be the scene of the third annual "Legion-Arrow" motorcycle races with the "Ohio State Championship" an added feature.

The "Legion-Arrow" is one of the largest and most colorful motorcycle races in the Midwest and draws the best of the American Motorcycle Association's big name racers from all over the United States and Canada for the nine race program. The "Ohio State Championship" is an added race open to Ohio motorcycle racers only.

Bobby Hill, 29-year-old Columbus Marine veteran, amazed 10,000 excited fans last year when he took both of the feature races in record time for the second straight year on his speedy Indian motorcycle.

This year will see such outstanding racers as Dick Klemfoth, Groveport, O., on his English-made Norton, Wild Bill Waltermire, Zanesville, Don Fry, Dayton, and Paul Myers, Cleveland, all three Harley-Davidson mounted, and Earl Givens, Akron, on an Indian, compete with Hill for the coveted "Ohio State Champion" title.

Time trials for the Sept. 16 races start at 10 a. m. and the first race starts at 2 p. m.

The first street railroad in Ohio appeared at Cincinnati in 1859.

TO DO YOUR JOB GOOD YOU MUST FEEL WELL!

EUGENE SIPES, Station 1, Box 688, Canyon, Texas, was having trouble keeping his job because he didn't feel well.

HADACOL Relieves Nagging Aches and Pains, Stomach Distress, Poor Appetite, Weak, Run-Down Condition and Nervousness When Caused by Lack of Vitamins B_1, B_2, Niacin and Iron.

When folks don't feel good, everything seems to go wrong. Little problems become big ones. Their work seems more difficult whatever their job . . . housework, office work, farming, etc. Nothing is right. If this is your problem and your condition—nagging aches and pains, stomach distress, poor appetite, weak, run-down condition and nervousness due to lack of Vitamins B_1, B_2, Niacin and Iron—is pulling you down, making your work seem like drudgery, then you owe it to yourself to try today's great HADACOL. For HADACOL was formulated to help overcome these deficiency-caused ailments, and continuous use of HADACOL will help prevent these ailments from returning. Thousands of letters have been received from happy HADACOL users telling how this fine family formula has helped them. Shown below are just a few of these reports.

HADACOL RELIEVES NAGGING ACHES AND PAINS, STOMACH DISTRESS, POOR APPETITE, WEAK, RUN-DOWN CONDITION AND NERVOUSNESS WHEN CAUSED BY LACK OF VITAMINS B_1, B_2, NIACIN AND IRON.

HERE IS WHAT HE SAYS:

"I was nervous and irritable, couldn't sleep nights and my employer threatened to fire me if I didn't 'snap out of it.' Then I heard about HADACOL. After taking only two bottles, I began to notice a difference. That was a month ago. Yesterday my boss said that I did my job so good that I was due for a promotion. Thanks to HADACOL."

WILLIAM J. DUNLAP, *4404 Frear, Apt. 2, Detroit 10, Mich.*: "Along with the pains I suffered, my body had a tired, worn-out feeling. I had to force myself to keep going. I read about HADACOL and decided to give it a try. Am now on my fifth bottle, and would not be without an ample supply. My first bottle gave me astonishing relief, and at this time of writing, I feel better, without a pain or ache. Am a dairy employee, 54 years old. Veteran of two world wars. I have given your HADACOL every praise to friends and relatives, and know some are using it with just as astonishing results as I myself have found."

MRS. D. C. HINTON, *Route 1, Farmerville, Louisiana*: "I am 46 years of age. For a while, I have not even felt like doing my housework. I would have bad spells of pain. I was so tired, I didn't think I would feel rested again. Some friend of mine told me about HADACOL, so I decided to try it. Now, I have started on my third bottle of it. After I took the second bottle, I could tell it was helping me. I started feeling lots better. My pains are nearly gone. I will truly say I am going to take my HADACOL just as long as they sell it. I tell all of my friends about it."

NORMAN CHRISTOPHER, *2344 Cumberland, Houston, Tex.*: "After I got out of the Army when the war was over I was underweight, nervous, couldn't sleep and had a time getting food to agree with me. I could never eat breakfast—imagine, have to wait until noon before eating your first meal of the day. Even then just a few mouthfuls of food would fill me up. At night I couldn't sleep—I would just roll and toss all night. After the third bottle of HADACOL I could tell a difference in my eating and sleeping habits. Now after a year's time of taking HADACOL I have gained almost twenty pounds. I sleep well—and the most wonderful thing, I can enjoy three full meals a day."

HADACOL is so economical. Trial size only $1.25. Large Family Economy size, $3.50.

MRS. ERNEST JOHNSON, *Jacksboro, Tennessee*: "I am writing you to tell what HADACOL has done for me. I have suffered with stomach distress for quite some time, and I was very nervous. Since I started taking HADACOL I eat anything I want, I sleep like a child—something that I hadn't done for some time. I am the mother of five children. I am 48 years of age, and I feel better than I have for years."

HADACOL is America's favorite family formula.

MRS. FRANK P. MARTINO, *5524 Wickfield Dr., Apt. B., New Orleans, La.*: "I am a housewife, age 27, taking care of my baby who is three and a half years old. I wasn't able to take care of my baby and do my work at the same time. I was always feeling run-down, and very nervous until I tried taking HADACOL. Well, believe me I have only been taking it for two and a half months and have experienced a wonderful change for the better. I don't feel nervous, or run-down any more. I feel and eat a lot better. Thanks to HADACOL."

MRS. ANNE FRANKE, *434 West Seven St., Newport, Ky.*: "As a constant user of HADACOL—am on my fourth bottle—would not hesitate to acclaim it the best. I was so run-down, I could hardly do my work. And that is important as I do a man's job in a shoe factory. I felt that I did not have enough energy to lift my hands. I felt so let down everything annoyed me. But, since I've taken my first bottle, I've been helped so much that now I'm up and ready and anxious to get my work done and am not tired but able to do my housework. I cannot praise HADACOL and its makers enough."

MRS. LETHA FITZPATRICK, *401 E. Elm St., Scottsville, Ky.*: "I couldn't sleep. I didn't have any appetite. Then I heard and read about HADACOL and what it had done for others. I decided to give it a trial. I have taken several bottles and I can truthfully say it has really helped me. I feel so much better. I have a lot more strength. I can eat now and I'm gaining weight. I do my work, work in my flowers, also in the garden. Now I'm putting up my fruit and vegetables. I can't thank HADACOL enough for what it's done for me."

MRS. ZINA LEE BOWMAN, *Rt. 6, Cloes Ferry Road, Nashville, Tenn.*: "I was weak. I could hardly do my housework. I am 30 years old. I am the mother of nine children. I was nervous. I have taken almost four bottles of HADACOL and I feel fine. We are a happy family—thanks to HADACOL. As for my work, I have plenty to do but it is housework. You may use this letter any way to spread the good news about HADACOL."

Only HADACOL gives you that *Wonderful* HADACOL *Feeling!*

Nuptials Read Aug. 12 Uniting Miss Norris, Mr. Trujillo-Bravo

Mrs. Enrique Trujillo-Bravo C.

On Sunday, Aug. 12, 4:30 p. m., the nuptials uniting Miss Marilyn Norris and Mr. Enrique Trujillo-Bravo C. were read at Glenwood Methodist Church by Dr. Joseph Shellhaas. The bride is the daughter of Mrs. Dorothy Richardson Norris, 106 S. Highland-av, and Mr. M. G. Norris, 3258 E. Main-st. Mr. Trujillo-Bravo is the son of Mr. and Mrs. Enrique Trujillo- Bravo of Lima, Peru.

The bride, given in marriage by her father, wore a gown of imported white chantilly lace over bridal satin, fashioned with a sheer yoke, off shoulder neck-line, fitted bodice and long sleeves ending in points over the hands. Iridescent moons traced the pattern of the lace at the yoke line and bodice and the bouffant skirt terminated in cathedral train. Her fingertip veil of French illusion was caught to a Juliet cap of matching lace with iridescent trim to match the bodice of the gown.

The attendants, Miss Charlene Gilmore, maid of honor, and Mrs. Kenneth Adams and Mrs. Russell Wenger, bride's matrons, wore gowns styled identically in taffeta with fitted bodices, very full skirts and heavily shirred elbow length sleeves. Miss Gilmore wore lilac; Mrs. Adams, apple green; and Mrs. Wenger, sage green. They all carried bouquets of yellow chrysanthemums and wore matching hair ornaments.

Mr. Anthony Monforte of Columbus and Paris, France, was best man and seating the guests were Mr. Russell Wenger and Mr. Kenneth Adams.

For her daughter's wedding, Mrs. Norris wore a redingote of black chantilly lace over a pink sheer dress. Her corsage was of sweetheart roses.

The bridegroom's mother chose a black accordion pleated sheer with which she wore a corsage of white rosebuds.

Hostesses for the reception which was held at the church following the ceremony were Miss Betty-Fran Kentley and Mrs. William Polkhias.

For their honeymoon in Washington, D. C., and New York City, the new Mrs. Trujillo-Bravo C. wore a dress and matching jacket of powder blue linen. She chose black accessories and wore the orchid from her bridal bouquet.

The couple will make their home in Lima, Peru.

Evening Ceremony Read Sept. 3 United Couple to Live in N. Y.

St. John's Episcopal Church (Worthington) was the Monday, Sept. 3, setting for the evening ceremony uniting Miss Beverly Jane Rice, daughter of Mr. and Mrs. Hollis P. Rice, 901 Wiltshire-rd, to Mr. Stuart Sidney Gushee, son of Mrs. Lulu Gushee, Potsdam, N. Y. and the late Raymond Gushee. Rev. Harris J. Mowry officiated before an altar decorated with white gladiolas and white tapers.

For the candlelight ceremony the bride chose a ballet length ivory satin and lace gown fashioned with a tight bodice with scalloped neckline and hemline. The gown featured a full skirt and her headdress was a coronet of heirloom lace with a shoulder length veil of illusion. She carried a white prayer book topped with a white orchid and a cascade of stephanotis.

The bride's sister, Miss Jayn Rice, acted as her maid of honor and was gowned in a ballet length iridescent bronze taffeta with a matching headdress of velvet and flowers.

Mr. Roland Watson of Canton, N. Y., acted as best man.

The bride's mother chose a navy blue crepe dress with matching accessories and wore a corsage of yellow roses. The bridegroom's mother wore a rose colored suit with velvet accessories and a corsage of rose gladiolas.

For their honeymoon the bride changed to a gold velvet suit with blue accessories with which she wore the orchid from her bouquet.

The reception was held immediately following the ceremony at the home of the bride. Out-of-state guests included Capt. and Mrs. Edson J. Drake, St. Paul, Minn.; Mr. and Mrs. Roland Watson, Sr.,

Mrs. Stuart D. Gushee

and Mr. and Mrs. Roland Watson, Jr., of Canton, N. Y.

The bride is a graduate of Potsdam New York High School and the State University of New York. For the past year she had been employed as a dietitian at Grant Hospital.

Mr. Gushee is a graduate of Potsdam High School and a veteran of the past war. He is presently employed in Potsdam, N. Y., where the couple will reside after a two weeks' honeymoon at Niagara Falls and Canada.

Social Events
Bridal Calendar

As the Sept. 8th nuptials to unite Miss Joybanna Pitt, 149 N. Huron-av, and Mr. Edward J. Whitehead rapidly approach, the couple find themselves in a whirl of activity. Mr. Whitehead's sister, Miss Jackie Whitehead of Cabana Colony, Daytona Beach, Fla., has been in Columbus this week to take part in the approaching festivities. Miss Whitehead is the guest of her grandparents, Mr. and Mrs. D. E. Jacques, 561 Salisbury-rd.

Ceremony Read On Aug 30th United Miss Shrum, Bob Smith

Mr. and Mrs. Robert J. Smith
(J. Curtis Allen Photo)

Thursday, Aug. 30, was the wedding day of Miss Dolores Ann Shrum, daughter Mr. of and Mrs. M. R. Shrum, 92 Haldy-av, and Mr. Robert Jordon Smith, son of Mrs. Ruth Smith, 36 S. Wheatland-av. Rev. Joseph Shellhaas read the evening ceremony before the altar at the Glenwood Methodist Church.

The bride, given in marriage by her father, wore a gown of candlelight Skinner satin, with fitted bodice, buttons down the back and an off the shoulder yoke trimmed in imported Chantilly lace. The long sleeves of the gown terminated in lace over her hands and the fingertip veil was held in place by an arrangement of seed pearls. She carried a bouquet of bridal flowers.

Miss Barbara Shrum, maid of honor, wore a gown of Dahlia-blue net over satin. She carried a bouquet of pink asters with matching flowers in her hair.

Mr. Richard Smith served as best man for his brother and seating the guests were Mr. Robert Maxwell and Mr. James Coontz.

For her daughter's wedding, Mrs. Shrum wore a dress of woods-brown lace with gold accessories and a corsage of yellow rosebuds. Mrs. Smith wore a gown of toast-brown lace with peacock blue accessories and a corsage of peacock-blue shattered carnations.

Hostesses for the reception held immediately following the ceremony were Miss Dawn Dennison, Mrs. Robert Maxwell and Miss Charlotte Cranston.

For their short trip to the northern part of the state the new Mrs. Smith chose a beige suit with which she wore brown accessories and the corsage from her bridal bouquet.

Farewell Party Fetes Students

Jerry Witherspoon, son of Rev. and Mrs. Arthur Witherspoon, 2988 Wicklow-rd, was among the students planning to attend Bob Jones College that were honored Aug. 29, with a farewell party. Mrs. Richard Cooley acted as hostess for the party honoring Jerry and Edith Scott, 186 Dakota-av, recent graduates of Central High School; and Bob LaGore, 32 Hayden-av, who will attend the Bob Jones Academy. The party was held in the Youth Center of the Broad Street Apostolic Church.

Jerry, winner of the Colgate Scholarship, will use additional scholarships to attend the university located at Greenville, S. C., where he will do pre-seminary work. The Hi-Ba of West High School gave a party in his honor on Aug. 23, and on Aug. 25 he was the guest of honor at a party given by Jessie Frances Fair at her home, 296 Walhalla-dr.

Mr. and Mrs. E. G. Witherspoon, Grove City, entertained the family for a dinner in honor of Jerry, Thursday evening, Aug. 30, bringing to a close the festivities prior to his departure last Tuesday.

MOTHERS ENTERTAINED BY DAARUD PUPILS

The piano kindergarten and first grade beginners, pupils of Mrs. Bertha M. Daarud, 404 S. Eureka-av, entertained their mothers with a program Friday, Aug. 24, at 9:30 a. m. The group played memory studies from their study books and music games.

The participating children were Marilyn Amrine, Judy Burton, Nancy Hunter, Kathryne Butterbaugh, Terry Lee Lantz, David Boltz and Dennis Gramlich. The mothers included Mrs. Kenneth C. Amrine, Mrs. Roy H. Burton, Mrs. Ralph Hunter, Mrs. John O. Butterbaugh, Mrs. Denziel Lantz, Mrs. Lester Boltz, Mr. and Mrs. Oliver Gramlich.

Additional guests were Paul Boltz, Noni Burton and Beverly Jo Amrine. Student teacher-helpers for the term were Janice Butterbaugh and Lois Ann Hunter.

Raymond - Thrush Open Church Ceremony To Be Read Sept. 22

Mr. and Mrs. Floyd E. Raymond, 438 S. Richardson-av, announce the engagement and approaching marriage of their daughter, Donna Jean, to Mr. Jack O. Thrush, son of Mrs. James Shepler, 1277 E. 19th-av, and Mr. Glenn Thrush, 172 S. Westgate-av.

Miss Raymond attended office training school following her graduation from West High School. She is now associated with the Wilson Floors company in Columbus.

Mr. Thrush, following his graduation from West High School played professional baseball in Wilmington, later attended Capital University. He is now associated with the Ohio State Journal.

The young couple will be united in an open church wedding taking place Sept. 22 in Glenwood Methodist Church.

Martha Woolson To Be Bride Of Norman W. LeVora Sept. 15

Bride-elect Martha Jane Woolson, 211 N. Terrace-av, will be the honored guest at a shower to be given this Saturday by Mrs. Frank Hill of Westerville. Miss Woolson, daughter of Mrs. Harold E. Woolson, 211 N. Terrace-av, will exchange vows with Mr. Norman W. LeVora on Saturday, Sept. 15, at Glenwood Methodist Church.

The bride-to-be is a graduate of West High School and Ohio State University where she majored in Home Economics. She is employed in the Medical Bureau.

Mr. LeVora, son of Mrs. Glenn E. Post, Avon Lake, O., and Mr. Walter J. LeVora, East Peoria, Ill., is a graduate of Cleveland East High School and is a student in the college of arts and sciences at Ohio State University.

The open church ceremony will be read at 7:30 p. m.

In Passing

By ESTHER WEAKLEY

SEPTEMBER

My heart sings, remembering
A gold afternoon.
All summer days are so pristinely blue;
Clouds stood sagging
On hut-roofs, so low
It seemed the rinsing whiteness
Would seep through.
This recollection of a fondled time
Brings days past visioning.
An autumn peace
That lends full placidness and covers in
With winter-woven cloaks
Of a snow fleece.

Fr. E. E. Petho.

Thank goodness, my cold didn't last long enough to try all the remedies my friends suggested. The one I liked best was "Go to bed and stay there."

• • •

In a restaurant in Newark is a sign which says: "It's nice to be nice. Try it."

• • •

Excerpts from mail: From a shutin—"Being ill takes courage, temper and some stupidity" . . . From Connie Conwell: "Last weekend we went to Hershey, Pa. It is a beautiful little city; we had lots of fun with the Pennsylvania Dutch and the chocolate bars" . . . From W. H. Bowser, Greenwich Village—"I've spent summers in Arizona but nothing is as hot as New York in the summer" . . . From a patient at Benjamin Franklin Hospital—"Last night for dinner we had meat loaf, green salad, dump smoke, iced tea, new peas and dump smoke."

• • •

If you haven't already invested in one, you should get a copy of Ben Hayes' "Joe Spook" book. Here is a sample item, from The Corn Crib—"Then there was the musical horse—he refused to play until he got his corn at." My favorite shut in wrote this one in Ben's honor:

"Hayes, he
Slays me."

• • •

Now that The Early Worm makes the afternoons nicer, my dusting is saved till 3:30 so I can dust and listen, simultaneously. "You do more of the latter," said my Severest Critic, as he wrote his name in the dust on the book-case.

• • •

From "Tonics and Sedatives" (AMAJ): "One reason why Solomon's temple took 42 years to build might have been because he had 1001 wives to make suggestions."

• • •

From August "Voice of the Spastic:" People who live in glass houses might just as well answer the door bell."

And frogs emerge in sound . . .

The Low Down On High Ridgers

By One of Them

Congrats! to MR. AND MRS. JOHN OAKLEY who just brought their new baby daughter home from the hospital. She was born last Saturday.

Just yesterday MRS. R. C. VEIT entertained her Hospital Circle Club in her home at noon. My wife was there and she said MRS. VEIT always serves the best and has such a pretty table.

Remember last Friday when it was so hot it hit 90 degrees on the thermometer? Well, GENEVIEVE RUMFIELD would have passed out completely if she had known it, but since she was canning tomatoes she just thought the heat came from the cooking.

"Holy smoke" said JAMES ARTER when his hose broke as he was watering his tomatoes. He just sealed up a split last month. Now he says he'll probably have to buy a new hose after all, this year, and he certainly wasn't counting on it.

Covering his new hair-do (which is a crew cut) MARVIN STYVERS bought a new fall hat. Green, too. It will go good with his green overcoat which he bought last winter. But who wants to talk about winter after what we went through last year?

Missing a step on her back porch NINA WHEELER will watch her footing the next time she trips out of her garage. She was in a hurry to get the car out to meet her husband at work. NINA is recovering from bruises and bumps.

MAC AND EDNA RAZOR really enjoyed their holiday last weekend. They fried their own chicken along Indian Lake Sunday. Then on Labor Day they fished all morning and ate their catch for dinner and supper.

Bible Comment:

Micah Defines Religion as Simple Duty

AMONG the most often quoted of Biblical precepts is the simple and exact definition of religion by the Hebrew prophet, Micah. You will find in the book of prophecy that bears his name the definition written by this man who lived in the eighth century before Christ, and that definition of religion is duty.

And such duty demands a full and subservient humility and obedience to God who is the source of life and love and the true object and end of man's worship.

"He (God) hath shewed thee, O man, what is good; and what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God?" (Micah 6:8.)

There, above, in the words of Micah, is the manward aspect of religion. The gospel defines the Godward view.

Here is a similar explanation by James, the brother of Our Lord: "Pure religion and undefiled before God and the Father is this, to visit the fatherless and widows in their affliction, and to keep himself unspotted from the world." (James 1:27.)

Religion is defined by James in particular and specific acts, but acts that are symbolic of the entire Christian spirit and attitude.

The definition in Micah is in more general and all-inclusive terms.

But both have in common the same simple, forward expression that allows of no mistakes in meaning and too, does not confuse by a cluttering up of excess and meaningless phrases no matter how reverent the intention. Both definitions are clear-cut, concise.

And something else to be noted about these definitions of religion is that they stand in contrast to, and in protest against, formal profession and elaborate practice of ritual that lacks the soul of sincerity, and the reality of goodness in words and deeds.

Amos had spoken even more strongly, in a similar way and in the same spirit, as he had observed the outward observance of religious forms and rites that lacked the true response of the soul to God, giver of life, and the knowledge of righteousness and truth.

Looking Ahead with J. W. Worrel

Confidence is a great quality. Never before has it been so necessary to have confidence in ourselves, in our country, in our friends, in our jobs, in our future. Lose confidence and life becomes complicated and hopeless. Yet when it comes to planning one's future, confidence alone is not enough. We must also have foresight. Foresight to provide against the emergencies of life, against old age and the time when we shall no longer be able to earn our keep. Confidence in the future comes much more easily when we know that future is provided for. And of course the one way to provide for it is by means of life assurance. Life assurance today offers guaranteed future protection and security to more than sixty-five million citizens of North America. Take care of YOUR future too, by becoming a policyholder of the Sun Life of Canada.

Sermon Series Starts Sunday At Westgate Methodist Church

The first of a series of four sermons will be presented by the pastor, Rev. N. L. Schreiber, at Westgate Methodist Church on Sunday. The topic will be "Commitment To a Cause."

The general theme of the series is, "Marks of Meaningful Church Membership."

The other subjects in the series will be, Sept. 16, "Witness To a Way"; Sept. 23, "Fellowship In a Family", and on Sept. 30, "Discipline Under a Master."

Perplexing Details
Always face the family when a loved one is called. It is our part to assume all those perplexities and
WYLIE S. SHROYER

There it is—still shining through the mists of passing years—the old home town as it used to be: the hickory smoke rising blue from the hearth fires, the sawmill's whine, the clean streets, the wide porches. . . .

All gone—and *you can't go back!* The machine age, with all its advantages and disadvantages, is here to stay. It has given us more leisure time—and more heart disease. It has given us modern homes—and broken homes. It has shortened distance from miles into seconds, and it has increased man's loneliness.

Well, if we can't go back to the good old days, what can we do about this new, perplexing age? We can criticize, we can turn our backs—but the discontent remains. We can plunge deeper into it—and blindly hope that somehow happiness will come.

We can go to church. There, the old principles still count. They apply to this age. The church can help us make machines and their products our servants, not our masters. Churches can help us to use happily and rightly our increased leisure time. Churches can help us to learn to *live* again.

Come to Church! That's not a cry from the "good old days." That's sound advice to a new, young world whose best future is still ahead if its people will turn again, in sincerity and faith, to their God.

For the Lord is good; His mercy is everlasting; and His truth endureth to all generations. Ps. 100:5

(Continued from Page 1)

I'll get on a business-like basis," he promised.

3. Finalization of the waterworks supply and pumping situation that has, as he phrased it, "become a scandal."

4. A revamping and modernization of the City Recreation department and the inauguration of a program that will go a long way in combating juvenile delinquency.

5. Make the mayor's job a "full time" proposition, devoting his time to the post. "I'll not be flying all around the country on interests other than those of the city of Columbus," he pledged.

6. Operate all branches of the city government according to provisions of the city charter and state laws. He declared: "You'll find no suit for a million dollars filed to recover monies illegally and improperly paid," as has been the case with the present administration.

7. Eliminate "politics" in the police department.

8. Keeping the "keys to city hall" in his own hands. "There will be no 'proxy' mayors," he declared.

9. More action and less conversation about providing parking facilities and an intelligently planned and executed traffic plan.

10. Coordinate growing industrialization with adequate living facilities.

YMCA Executive Board To Meet Thursday Night

An executive board meeting of the Hilltop YMCA has been scheduled for Thursday evening at 7:15 p. m. in the YMCA offices, according to C. C. Hartley, chairman of the board.

Hawraney Property Sold

Sale of the property at 2808-2826 W. Broad-st by Nabiha and Albert Hawraney to Marvin L. Glassman and Kenneth Kauffman was revealed in Franklin County realty transactions Tuesday of this week.

PEMBERTON IS SPEAKER

A. M. "Mac" Pemberton is slated as one of the principal speakers for Thursday's regular meeting of the Hilltop Kiwanis Club. A preview of the coming pigskin season will be given by the genial West High School coach along with his prognostications for the season.

Whoever told that guy he was a prof? He just doesn't know how to teach the stuff. Everybody hates him. Every time he tries to explain something he digresses so much that no one can understand him. I think he ought to quit teaching and go back to the farm."

"Yeah, I flunked, too!"

The boy's mother found him bawling in the basement.

"Willy, darling, what's the matter?"

"The hammer fell on Daddy's foot," sobbed Willy.

"Why, honey, that's nothing to cry about."

"I didn't cry," whimpered Willy. "I laughed!"

Newcomer at the Pearly Gates knocks for admission.

"Who's there?" said St. Peter.

"It is I," came the reply.

"Move on," he answered. "We have too many English teachers here already."

The Neighborhood Cat

By Nancy Ring and Joann Burroughs

There is a cat in our neighborhood we named Tommy. He is a black and white cat, gentle and about five years old. He has been around for about five years. He stays mostly at the two houses, 675 and 681 S. Wayne-av.

He is the only one left out of a family of seven. The mother, brothers and sisters ran away, but he is the only cat that stayed. We named him Tammy because he looks like a Tom cat.

There is a puppy at 681 that made friends with Tommy, and they play together, sleep together and eat together. When they give Tommy food if the puppy gets a chance he will eat it up, and then poor Tommy has none. His favorite dish is cereal, and for dessert, milk.

At first when somebody wanted to pet Tommy he would run, and when he saw the lady at 675 with a broom he would run, but after he found out we were his friends, he would let us pet him and sweep and feed him.

Whenever another cat would come Tommy would only let him come to play, but when the other cat started to take over Tommy would not let him. Tommy would chase him away.

Whenever people at 675 or 681 come home from somewhere Tommy is always there to meet them. Everytime you look at Tommy he is asleep on the porch of one of two houses.

Well, that's all we can say about good ol' Tom.

Floyd Green Lists Expenditures

Hilltopper Floyd F. Green last Friday listed $3050.28 as his expenditure for his successful write-in campaign for the mayoralty nomination with the Franklin County Board of Elections.

Green's major expenditure, according to the statement, was $1825 for the advertising and mailing of campaign literature. A sum of $644 was spent for political folders while expenses also included the $50 filing fee.

The balance was spent for political advertising in seven community newspapers. The statement listed no contributors.

Hilltop Soldier Returns From Korean War Zone

Pfc. Frank E. Crego, 366 S. Warren-av, son of Mr. and Mrs. Harvey Crego, was the only Columbus soldier listed among 1177 army troops on rotation from Korea who were scheduled to land at Seattle Monday on the navy transport Marine Lynx.

Crego has been in the Korean battle zone since the first days of the conflict.

I Like September Because...

By Betty Barclay

A LOT of people wouldn't need the usual "25 words or less" prescribed by contest rules, to finish a sentence telling why they like September. They could do it very well in four—OYSTERS ARE IN SEASON. If you, too, feel that way about September and oysters, here is a new recipe to start off your oyster-eating season in style. Once you try Batter-Fried Oysters, you'll be glad there are several "R" months ahead in which to serve them often.

Batter-Fried Oysters

1 pint oysters, drained; ¾ cup oyster liquid and milk; 1 cup flour; 1 teaspoon salt; dash of pepper; 1 egg, slightly beaten; 1 teaspoon grated onion; 1 teaspoon lemon juice; 1 tablespoon chopped parsley, if desired.

Drain oysters, reserving liquid; add milk to make ¾ cup. Combine flour, salt, pepper, oyster liquid, and egg. Mix well. Add onion, lemon juice and parsley and mix thoroughly. Dip oysters into batter and saute in small amount of fat, turning to brown both sides. Makes 6 servings.

Hilltop Round-Up To Be Staged By HBA Next Tuesday

A Hilltop Round-up of membership is planned for the first fall meeting of the Hilltop Business Association at Westgate Park next Tuesday evening, beginning at 6 p. m., according to announcement this week by Jack Merriman, program chairman.

The meeting at the park shelterhouse will feature a buffet style luncheon to be served by a catering service and a short business meeting.

Following the business meet, Merriman said, there will be a casting contest on Harder Lake at the park with Charles Harder, president of the Columbus Casting Club acting as judge of the affair.

Martin Hospitalized

Fred M. Martin, 338 N. Warren-av, was rushed to St. Anthony hospital early Tuesday morning for an emergency operation. Martin is the father-in-law of Bill Coon, of the Record advertising staff.

The Spectator
By C.C. Hartley

The Editor, Too

It is reported that one of the fastidious newly-married ladies of this town kneads bread with her gloves on. This incident may be somewhat peculiar, but there are others. The editor of this paper needs bread with his shoes on; he needs bread with his shirt on; he needs bread with his pants on, and unless some of the delinquent subscribers of this "Old Rag of Freedom" pony up before long, he will need bread without a dern thing on, and Wisconsin is no Garden of Eden in the winter time.—Melrose (Wis.) Chronicle.

P. S. This goes for The Hilltop Record too!

Round About Notes: Camp Chase Post of the American Legion is grateful to Ray Coffman for that nice check received this past week to assist the post in their current program . . . Bill Spires claims in all sincerity that his black eye is not from running into a door knob or any other such natural causes, but was the result of a battery exploding in his face this past Thursday . . . West High football schedules are being distributed by Tommy's Quality Cleaners, Warren and Sullivant . . . Ted Lundberg, formerly a Hilltopper, returned recently to visit this community. . . . Electrical gadgets and conveniences will be predominate in the new house of the Don Rices . . . Hilltopper Carl Payne, at the ripe old age of 30, has recently been made a full colonel in Uncle Sam's Air Force . . . And Hilltopper Dick Smith recently received his wings at Ft. Sill, Okla. . . . WLWC will televise the forthcoming world series games . . . Moss Williams was recently declared second high man in the Northwestern Life sales campaign in Ohio . . . Mack Pemberton reports a new arithmetic lesson at West High what with having 90 boys out for football and cutting 22 from the list he ended up with 103 boys to play football and only enough uniforms for 80 . . . This year's West team will have three quarter-backs named Johnson.

Dr. E. F. McNamee was adjudged the winner of the casting contest held at the Hilltop Business Association meeting Tuesday eve at Westgate Park . . . Jack Morris was presented a gift from the association in view of his leaving the employ of the group to take up duties with Uncle Sam . . . The HBA will sponsor a special car to the Cleveland-Giants game at Cleveland on Sunday, Oct. 28, all for $10 . . . A very fine catering service is now offered the community by Lemasters and Green, 2206 Amherst-av.

Gentile Medals Go To Widow

Medals, decorations and insignia worn by the late Don Gentile, outstanding World War II ace, will be presented to his widow, Mrs. Isabell Gentile, 163 Powhatan-av, by Mrs. Mary Miller, chairman of the Americanism committee of Franklin Post No. 1, American Legion.

The presentation will be made during an Americanism program by Franklin Post No. 1. Major Gentile's parents of Piqua, O., will also be present at the presentation.

"The Gravy Train Whistle's Blowing"

As the final fight for the rezoning of the tract of land known as the Snyder property nears the show down stage before the Franklin County Commissioners on Friday morning at 10 o'clock the "Whistle of the FHA Gravy Train" hangers-on has sounded another blast in an effort to intimidate and scare out the people of this community in its battle for justice.

It has been revealed within the past few days that those who would bring into this community a type of housing project and building that would prove an eyesore as well as a detriment have sounded another blast that reveals the true underlying character and tenure of the proposed project.

Meeting recently with members of the Camp Chase Civic Association attorneys representing the interests of current owners of the lands which are to be rezoned have cried upon the shoulders of the association with the plaint, "We can't sell our land to the Westlake Company if your association goes through with this plan to rezone to a classification of IR-8. Westlake & Company will not buy if that classification stands, because IR-8 sets up lots that would be too difficult to sell. If you do not ask the Franklin County Commissioners to let the current zoning stand, we will take action in the courts."

According to reliable sources this same attorney in the conference let it be known that he is not interested in the desires of this community in maintaining its current high standards of homes, but that he was solely interested in selling the land to the Westlake Company so that the FHA Gravy Train could continue its way unhampered.

There is no doubt that the Gravy Train riders will be present at the Friday morning session to present every known argument in order to influence the county commissioners to not give recognition to the IR-8 zoning which has been approved by the zoning commission and the regional planning board.

Every interested citizen, in loyalty to this community should attend Friday's meeting in order that the Franklin County Commissioners be made aware of the fact that the will of this community is that the IR-8 zoning be approved in order that the GRAVY TRAIN BE SILENCED insofar as this community is concerned.

New High Hit In Local School Enrollments

With 1300 more students swelling the kindergarten classes in Columbus it is little wonder that the enrollment of the Hilltop schools has inched up by several hundred since last June.

Following are the enrollments as of Sept. 10 in local schools: West Senior, 1009; West Junior, 1150; West Broad, 960 (including 137 kindergarten students); John Burroughs, 1223 (including 220 in kindergarten); Highland, 864 (67 in kindergarten); Starling, 1078; and West Mound, 122.

This adds up to 6,108 students in the public schools on the Hilltop. Last year the enrollment for the city was 45,850. This year finds an increase of 2,237 students, or a total of 48,087 students in the public schools this year.

Suspects Arrested

Sheriff's deputies arrested two suspects Monday, near Rome, for investigation of auto theft. A 17-year-old soldier, AWOL from Fort Knox, Ky., and his companion were driving a 1949 auto stolen Sunday in Mt. Vernon, O.

Joan Heights Area Asks For School Bus For Children

Residents of the Joan Heights addition this week launched a campaign to protect children of that area in their transportation to and from schools in the vicinity and to petition the board of education to provide school bus service to that area.

In a meeting held Monday evening it was pointed out that many of the children of that vicinity are enrolled in West Broad Elementary, West Junior and Senior High Schools. In order for these children to attend school they are forced to cross the New York Central Railroad tracks at N. Sylvan-av.

Although a crossing does exist at that point it is said that the N. Y. Central Railroad does not recognize it as a legal crossing and that should anyone be injured at that spot they could be held liable on the charge of trespassing on railroad property. By the same token that the crossing is not recognized as a legal crossing there are no safety precautions at that point.

Preparation of the petitions asking school bus service for this area will be drawn at a meeting called for Friday night at the residence of Harold Cunningham, 3015 Valleyview-dr, at 7:30. Cunningham has been named as chairman of the group which has formulated plans to create a civic organization for the betterment of the area.

BATTERY EXPLODES

Bill Spires of Spires Shell Service, 2811 W. Broad-st, reports that there was no permanent damage to his eyes when a battery exploded at the service station last Thursday.

Boosters Club Being Reorganized

Hilltoppers Lee Weigand and Jack Sensenbrenner donned their 10-gallon sombreros this week and prepared to "ride again" in the interests of the West High School Boosters Club which, after a lapse of years, is being revived.

West High School's Cowboy grid eleven received the proverbial shot in the arm earlier this week when a group of local business men announced that the former Hilltop Boosters Club would again be much in evidence to lend support both morally and financially to the school athletic program.

Meeting Monday night at Sensenbrenners', the nucleus of the organization which once wielded a powerful community influence in regard to the West athletic program was reborn, and the framework outlined for an organization to bring about needed support to the Cowboys of West High.

Already the campaign for membership in the organization has been launched and action planned for the forthcoming game tomorrow night at West High School stadium. As one of their first acts of the current season the Boosters are treating both West and Marion Harding football squads to a boxed chicken lunch immediately following the game.

In Monday evening's session, plans were also discussed for the filming of all Cowboy grid encounters this season and if proven successful to also film basketball, track and baseball contests so that a permanent record of West athletic prowess be maintained.

Next Monday night the Boosters have called for a meeting of all members and all interested in becoming members at West High School Room 101. The meeting is scheduled to get under way at 7:30 p. m. with an election of officers for the forthcoming year also listed on the agenda.

In this week's first meeting of the group who are interested in the promotion of sports activities at West High School, Dick Francis, Lee Weigand, Jack Sensenbrenner, Newt Francis, Mack Pemberton, Haydn Jones, Bob Chrisman, Noble Allen, Noble Allen, Jr., and Eddie Sensenbrenner made plans for the membership drive which is being launched this week. It was pointed out that a membership of one dollar will also entitle the holder to free admission to the homecoming game which is scheduled for Oct. 19.

Campbell Takes Over As New HBA Secretary

Charles H. "Doc" Campbell, 91 S. Westmoor-av, Monday assumed his new duties as secretary of the Hilltop Business Association following a brief vacation.

The business association in the meantime has expressed its regrets that the office was closed last week, but circumstances beyond the association's control such as Campbell being on vacation, Jack Morris, former secretary being called into the armed forces and Dorothy Hoit, office secretary being confined to her home with illness, prevented opening of the office.

Hilltop Police Officer Traps 'Wanted' Man

The alertness of a Hilltop police officer, Detective Sergeant Larry W. Heischman, S. Harris-av, last week resulted in the arrest of a man wanted in Cleveland on a charge of grand larceny.

Heischman overheard a man being booked for a minor traffic violation while in the Police Traffic Bureau. The name registered with Heischman and he rushed to the Detective Bureau and found his memory was serving him in good stead. The name he had heard was on the "wanted" list

After the man had posted a small bond for the traffic charge, Heischman took him into custody and Lloyd Mingus, 23, of 584 Reynolds-av, is now being held for Cleveland authorities.

Rabbi To Speak

At the regular Thursday meeting of the Hilltop Kiwanis Club, Sept. 13, Rabbi Nathan Zeltzer will speak on "The Modern Jew." The luncheon meeting will be under the direction of Phil Stout, chairman of the day.

Camp Chase Civic Group Nears Final Zoning Battle

Final hearing on the proposed rezoning of the Snyder tract of land at Sullivant-av and Demorest-rd to a classification of IR-8 is to be held before the Franklin County Commissioners at the court house, Friday, Sept. 14, at 10 a. m.

An approval of action by the zoning commission and the regional planning board by the commissioners will mark the complete winning of a victory by the Camp Chase Civic Association to prevent the construction of a low cost housing project in that vicinity.

Earlier this summer the civic association drew widespread attention for its valiant fight against the low cost project and the rallying of public support to combat the influence of outside interests and the FHA.

Harold Banker, president of the civic association, this week urged that as many as possible be present for the hearing at the county commissioners' office in order that those officers of the county be completely aware of the sentiment of local public opinion.

It was estimated from various sources this week that although the civic association is near victory in its months-old battle to keep local housing on a level commensurate with homes which are at present in the vicinity of the proposed project, that opposition was highly possible at the Friday meeting.

From reliable sources it has been learned that the interests seeking to establish the low cost housing in this community if defeated in their appearance before the county commissioners would in all probability resort to court action in an effort to force establishment of low cost housing units here.

Health Center Construction Begins Nov. 1

Nov. 1 has been set as the starting date for Columbus' new health and safety building, it was announced today by Mayor James A. Rhodes.

The new $1,100,000 structure, which should be completed in about a year, will unite all the health and many of the safety activities of the city under one roof. Among those operations which will be moved into the new quarters will be health department laboratory, public health nursing offices, fire prevention bureau, division of smoke control, sanitation division of the health department, and clinics for tuberculosis, venereal disease; maternal and child health, dental care, and mental hygiene. These departments will be in the Town Street wing.

The one-story section facing Washington-blvd will house the administrative offices of the health department, division of vital statistics, division of public health education and the headquarters of the Columbus Cancer Society. At the south end of this wing will be a public auditorium where food handler's classes and public health education sessions will be conducted.

In a meeting on Monday, Sept. 10, the Columbus City Council authorized Service Director Elmer A. Keller to advertise for bids and contract to build the new building.

Mayor Rhodes said, "This will be one of the nation's finest buildings of its type. Earth should be turned by Nov. 1, and the entire structure completed in about a year."

Early Trial Seen In Alter Case

Prosecutor Bartlett has said he will not delay the Alter case and indicated that the trial may get under way in late October or early November.

George Phillips, accused of second degree murder of Mrs. Ruth Alter, mother of a 17-day-old baby, last Apr. 25, could, upon conviction, be sentenced to life imprisonment.

Recent rumors of new evidence seem to be somewhat unfounded unless both the defendant and the state are keeping things quiet.

One Injury Listed In Local Traffic In Week

A pedestrian was the only person injured in Hilltop traffic accidents this week but 16 other accidents resulted in property damage.

In all Columbus there were no traffic deaths for the week ending 7 p. m. Sept. 9, but 63 persons were injured in the city.

Harley Sapp Is Named Manager Of Trott Mkt.

Harley Sapp

MacArthur, in this past year made famous the phrase, "Old Soldiers Never Die" and were there to be a paraphrasing of that statement in order to make it applicable to the Hilltop it would read "Old Grocers Never Quit."

And were that phrase to be made applicable to one individual, there is none it would fit better than that veteran Hilltopper, Harley Sapp, 311 S. Roys-av, who this week announced that he was returning to the grocery business as manager of Trott's Super Market, 2976 W. Broad-st. Sapp is succeeding Mr. McDonald as manager with McDonald being promoted to charge of all advertising and promotion for Trott Markets.

Earlier this week Sapp announced the lease of Sapp's Drive-In, 3689 W. Broad-st to Mr. and Mrs. Dick De Shelter who have operated a similar business for the past three years near Detroit.

Six years ago Sapp retired from the grocery business after having served the Hilltop area for a number of years as operator of the Broad-moor Market. He was one of the earlier grocery advertisers in the Hilltop Record and has never missed an issue as an advertiser.

Council OK's Fund For Golf Course

Columbus City Council Monday night passed an ordinance authorizing the recreation department to enter into a contract for grading the city's new golf course at Trabue and Wilson-rds and set aside $37,000 for that purpose.

W. Broad Hill Given Non-Skid Treatment

West Broad-st hill, near the State School for Feeble-Minded, has been coated with "sandstone rock asphalt" or "non-skid" material in an effort to reduce the number of accidents occurring there this fall and winter.

Since last Jan. 1 there have been 57 accidents on the hill, including one fatal.

City Engineer Robert F. Werner said, "We tried the material last year and the results were highly satisfactory." W. Broad-st has an asphalt surface which becomes very slippery in wet weather.

The south side of W. Broad-st from Schultz to Lechner-avs has been resurfaced.

Local Fire Chief Warns Motorists

Franklin-twp Fire Chief James Moffitt this week warned motorists that they must at all times stay at least 300 feet back of all fire trucks and vehicles. The matter was called to public attention after an incident Monday night which nearly resulted in serious injury to firemen.

Moffitt pointed out that motorists not heeding the warning will be subject to arrest and fine for the violation.

Hilltop Record To Aid Students In Junior Achievement Program

The Hilltop Record will cooperate with Junior Achievement in letting high school youths in Columbus learn all phases of the newspaper business.

A joint announcement was made yesterday by The Hilltop Record and William A. Brungs, chairman of the executive committee of Junior Achievement of Columbus, Inc. Here is how it will work:

High school juniors and seniors interested in learning the newspaper business will contact Lee Edwards, Junior Achievement of Columbus, Inc., 79 N. Third-st, or call AD. 7241.

They will fill out a form telling what sort of newspaper work they desire, such as reporting, photography, editing, circulation, advertising or business management. When a sufficient number for a complete newspaper staff have been signed, they will form their own company, sell shares of stock to get their starting capital for supplies and start to work.

These young men and women will meet at an assigned time at the Junior Achievement headquarters at 79 N. Third-st, under the direction of three experienced advisers from The Hilltop Record, and grind out their own newspaper—collecting and editing news items, selling their own advertising, drumming up circulation and managing the whole works.

Wages will be paid the members of the company based on the profits of their little business and at the end of the school year accumulated profits over and above operating expense will be distributed as a dividend to stockholders.

Besides the newspaper Junior Achievement will offer many other type companies: chemical, wood, metal, food, radio, television, banking, ceramics and many others.

Former Farm Lands Have New Look as Westinghouse Plant Progresses

Almost as far as the eye can see these days from Phillipi-rd looking eastward can be seen the huge earth-moving machinery of Ebasco, Inc., as they rush ant-like to and fro across the huge expanse of land upon which some day in the not too distant future will rest the new $26,000,000 plant being built by Westinghouse. The once rich farm lands are rapidly assuming a completely flat surface. Lee V. Forbeck is project manager for Ebasco, Inc., the builders of the huge plant.

Four production executives who will direct output of jet engine components and, later, electric home appliances at the new $20,000,000 plant being built on the Hilltop, were named this week by J. H. Ashbaugh, vice-president in charge of the Westinghouse Electric Appliance Division. In addition, Mr. Ashbaugh announced three production appointments for the Mansfield plant to fill the vacancies created by the Columbus appointments.

The men who will head the production at this new plant, expected to be completed by early 1953, are C. L. Van Doren, who becomes general works manager in charge of both the Mansfield and Columbus Westinghouse plants; E. L. Smith, former purchasing agent, becomes work manager at Columbus; C. D. Heaton, former superintendent of refrigeration assembly at Mansfield, is named manager of manufacturing at Columbus; and John B. Remen, former works engineer at Mansfield, will assume the same duties at Columbus.

Ohio has 1,261 hotels and 25,000 restaurants.

FBI Agent To Address K of C Tuesday

Special agent John Ryan of the FBI, will address members of Santa Maria Council, Knights of Columbus on Tuesday evening, Sept. 18, at 9 p. m.

Mr. Ryan will speak on operations of the FBI and also cite case histories in which he has operated.

The lecture will be open to ladies and guests of the members.

Camp Chase Post Is Host To Disabled Vets

Final arrangements were completed today for about 100 veterans from the Chillicothe and Dayton Veterans Hospital to attend the "Legion-Arrow" Motorcycle Races Sept. 16 at the Ohio State Fairgrounds in Columbus. The announcement was made from the office of Mario F. Smith, Commander of Camp Chase Post No. 98, American Legion.

Plans call for the veterans to arrive at the fairgrounds by bus at 11 a. m. At noon and again after the races, the Ladies' Auxiliary of Camp Chase Post will serve lunch to the men.

The men are from both World War I and World War II. Some of the World War I have been confined for over 25 years.

E. C. Smith, executive secretary of the American Motorcycle Association, was elated when told of the plans, and promised all cooperation possible for the men to have a day they will remember.

Officials of the veterans' hospitals say several of the men showed a definite improvement after attending last year's "Legion-Arrow" races.

"Events such as these are the little something extra needed to snap some of these men back and make them forget," they reported.

Ohio ranks fifth in the production of grapes and more than a half million gallons of wine are made annually in Ohio's 173 wineries.

Ohio territory was originally claimed by four different states, Massachusetts, New York, Connecticut and Virginia.

In 1950 over 14,000 visitors to Ohio spent an estimated $960,000,000 during their stay in Ohio, which averaged 8½ days.

Night Blooming Cereus Unfolds Its Beauty To Local Citizenry

Mrs. John Farrow points out the Night Blooming Cereus which blossomed this week at her residence, 25 N. Eureka-av.

Of interest to many Hilltop folks this past week was the Night Blooming Cereus plant growing in the front lawn of Mrs. John Farrow at 25 N. Eureka-av. Unique feature of the plant is its wont to reveal its rare beauty only in the darkness of night. Last week the exotic flower bloomed and revealed four blooms. One evening the plant yielded but one bloom which did not last long enough due to a slight rainfall. A night later more blooms unfolded their elegance, much to the N. Eureka-av.

The cereus is a member of the cactus family and some 25 species are related to the cereus branch. The plant is a native of tropical desert areas and is prevalent in South America, the West Indies and parts of the western states.

The variety pictured above, which bloomed at the Farrow residence is widely known for its luscious blossom, full bodied aroma and Biblical background. In the center of the open flower, one can plainly see the "Star of Bethlehem" and "The Manger."

The flower is predominantly white, with a tinge of yellow and opens its "one night stand" about 10 o'clock in the evening revealing its gorgeous beauty until daylight, when its bossom wilts and dies.

Mrs. Farrow has owned the cereus plant for approximately 10 years and said that earlier this summer before the dry weather there were 12 buds on the plant. Four have bloomed and although more buds remain, Mrs. Farrow expressed doubt that the others may reveal the exotic flower.

Girl Scout Leaders To Meet Tuesday

The Girl Scout Leaders Association of Columbus and Franklin County will meet Tuesday evening, Sept. 18, in the Coral Reef Room at the YWCA, 65 S. Fourth-st. The meeting will begin at 7:30 p. m.

For fall crafts, everyone will enjoy making a corn husk doll under the supervision of Mrs. Oburn Pierce and watching Mrs. H. C. Booth demonstrate how to make ming trees.

Since Christmas is only a few months away, Alene Boyenton will begin the first of a series of instructions on how to make Christmas tree ornaments. Olive Wharton will help make yarn dolls that can be made into Christmas tree angels.

Many of the prize winning exhibits from the Ohio State Fair of 1951 will be on display.

Everyone is to bring a large-eyed needle or bodken, yarn for hair and tying, scissors and white cardboard or felt for wings of the angel.

A special meeting will be called at 7 p. m. for the program committee.

Ohio leads the nation in production of sweet corn seed.

The Low Down On High Ridgers

By One of Them

I'm sure all of us parents whose children are now, or will soon be attending the W. Mound Street School were glad to learn the new school may be completed by next fall. Once the granting of the contract, the construction will get under way.

Whoops! hurray! A real smart woman in our midst! MRS. ELECTRIC WATTS is $250 richer than she was last week. Yes, KATIE won this money in the "throw away beer cans" contest. She tied for second prize! Again congratulations, KATIE. Hope we hear who the other winners are. Are you—uh—buying these throw-away cans of beer, now?

The little RIEGLE girl fell off her tricycle. She is all right now but when the emergency squad brought her back home from the hospital, she still retained a huge bump on her head.

Janice Brownlee guesses 50 per cent of the time who the murderers are on these radio and TV programs. She should made some money and become an authoress.

Judging from the rock bottom prices here on the Hilltop, GLADYS PAIGE was sorry she didn't have another son she could buy for in the fall sale when she outfitted TOMMY for school.

Never knowing which way she's going or what she's going to find next, LILY CONWAY says if her brother, RALPH, doesn't quit hiding his football and golf equipment under the furniture she's going batty. And who isn't, these days?

Just back from a visit to his aunt who lives at Niagara Falls, prompt JIM McCANN and his wife returned at 8:30 a. m. Monday in time to report to work which they immediately did.

By the way, we might say here that RUTH and JIM both worked together before they were married, and it's still working out wonderfully.

If they were married as long as my other half and myself—well—I'll just say that if I had to see my wife at the office, and at home too, I'd be only half as sane as I am now.

MISSING IN ACTION

Your letters drift back
A few each day
Like frightened birds
From a beast of prey.

Silent they lie
On the table today;
I must be quick
To put them away.

Here at my desk
Alone I pray
O God, is there
No other way?

Please tell him, God,
Whisper and say
I will still write—
I will write each day!

Here is a part of a poem written by my f. s. when she was in a cast:

I lie in silent darkness—,
Knowing the hardness of cold,
Unyielding steel and plaster
Bent to my body,
Tempered to it.
I know the splendid power of it,
The ghost-like caress
With fanfare of promise.

Speaking of WLW-C, they have a newcomer over there, one "Spooks" Beckman. He is an announcer and co-M. C. of the Big Bear Dollar Derby show. He recently came to Columbus from Sarasota, Fla., and already has a special niche in the hearts of his fans. But he is looking for a more substantial place to live, so he can bring his wife, Ricky, and their two-and-one-half year old son, Casey, to Columbus. If you are that rarity who has an apartment for rent, please get in touch with Mr. Beckman. This is his first television job though he has been in show business for some time. He and Mrs. Beckman had a husband-and-wife show on WSPB at Sarasota. He was also M.C. and did comedy songs at the John Ringling Hotel and Lido Beach Casino. Asked how he likes Columbus, he was gratifyingly enthusiastic about the friendliness of Columbus people, and wants to meet more of them. Born in Bloomington, Ill., he and his sister, Janice, who lives in Columbus, were educated at Ohio State. Mr. Beckman is grateful to everyone at WLW-C for their help and deeply appreciates the manner in which Columbus t-v viewers have received him. With his sincere and friendly personality, he'll get by. He likes Columbus and Columbus likes him. Didn't learn his first name but he is called "Spooks" because of his platinum blonde hair.

Free Press Spreads Light On Darkness of Ignorance

"Your newspaper lights the way of freedom." That is the theme which has been chosen for the 1951 observance of National Newspaper Week.

The choice is a fine one, for the slogan has far-reaching implications.

First of all, it suggests that where there is no light there is darkness. In this case the darkness is ignorance, "a night," someone has said, "without moon or stars."

The National Newspaper Week theme presumes the right to pierce that darkness with the light of information and it presumes at the same time the right to keep that light burning in the face of all odds.

For free man has a right to know. If there is a right to know, there must be a right to tell.

The men who made this nation considered the right to tell so important that they wrote it into the No. 1 Amendment to our Federal Constitution: "Congress shall make no law . . . abridging freedom of speech and freedom of the press."

But the right to tell is more than a privilege, it is a duty.

Elijah Lovejoy, abolitionist editor at Alton, Ill., believed in his right to carry the lamp of the free press and he knew his duty to light it and keep it burning. Three times mobs destroyed his printing presses. While he was protecting his fourth press, Lovejoy was shot to death.

Don Mellett, the Canton, Ohio, publisher, kept the spotlight of publicity focused on the racketeers in his community until they ambushed him and shot him at his own doorstep.

Racketeers, international or small-time, know the power of the press. That is why they must control that power, why they must black out the light of public information if they are to attain and maintain a grip on the people.

That is why half the population of the world is under some form of censorship today.

That is why Gen. George C. Marshall, Secretary of Defense, said "Americans should keep constantly in mind that no people have lost their liberties so long as their press remained free."

That is why in the interest of world understanding —and hence in the interest of peace—our nation seeks actively to spread throughout the world the freedom of the people to learn the truth.

A free press—a free people.

"Your newspaper lights the way of freedom."

The vital truth of that message is the one thing National Newspaper Week has to sell.

SMALL BUSINESS

By C. WILSON HARDER

More and more actions in official Washington circles become more asinine.

• • •

It seems any idea is adopted into a program if it will accomplish two things. 1) Spend more billions of American dollars. 2) Make increased taxes imperative.

• • •

C. W. Harder

ECA, better known as the Marshall Plan has reached a new low in high policy.

• • •

The scheme is now to put American billions into every business in Europe; into every European labor union.

• • •

As already stated by William Foster, Marshall Plan head, billions spent on Marshall Plan failed to materially help the average European because European business is controlled by cartels, or monopolies.

• • •

European industrial production has been boosted 40 per cent above the 1939 level due to the billions of American taxes given these European monopolies.

• • •

This new plan has many new refinements. America will loan money to any European business now agreeing to American "expert" supervision.

• • •

In return for the loan, he must submit to an American efficiency team, as well as American labor "experts" who will dictate his labor policy.

• • •

Of course, any European may run his business without American interference, but no loan. But Marshall Plan and State Department officials do not expect much resistance.

• • •

They say that any European businessman who doesn't cooperate may find himself boycotted by other business interests, hampered by strikes, and unable to buy raw materials. This is global meddling.

• • •

This does not replace the new billions wanted for the Marshall Plan, not even the extra billions wanted to help Europe arm. This is a fresh approach to bankrupting America.

• • •

Actually, it's just another plan to prime the pump. Despite the vast lion's share of the American defense expenditures they are getting, plus a big share of Marshall Plan expenditures, the [illegible] big monopoly minded [illegible] in America want even more business. Loans to European businessmen will produce it.

• • •

That is also why plans for increased taxes are all aimed at getting it out of the middle income group.

• • •

Independent American business and professional men, as well as middle income workers, are expected to pay through the nose so that American monopoly, and European monopoly can roll up huge profits, huge resources, get complete world control.

• • •

There is only one way this nonsense can be stopped.

• • •

That is for plain American citizens who believe in the American system to protest.

• • •

These protests have their effect. Just the other day Senator Tom Connolly, member of the Senate Foreign Relations Committee became very wrathful about the wasting of American resources on so-called foreign aid. It is said to be the first time he has gone on record opposing tax squandering.

• • •

But, it is reported, his constituents in Texas, have become fed up. This indicates that America can be saved, despite the bureaucrats, if the majority of American people take action.

North Outscores Cowboys In Preview

Pictured above is one of the highlight moments in the West-North quarter long session at the preview game held at Upper Arlington last Friday night. North emerged the victor in the contest over West's Cowboy grid squad.

(Photo by J. Curtis Allen)

Followers of the grid fortunes of this year's edition of the Cowboy squad of West High School, although a bit shaken by North's tipping of the apple-cart at Arlington High School stadium last Friday night were still hopeful that Mac Pemberton's charges will come through before the season's end. North shook two flashy backs, Bob Weinrich and Jay Blackford loose in the third quarter fray of the annual pigskin preview Friday night to chalk up a 13-0 victory over West.

In the pre-season football carnival, West and Grandview were booked as the openers and in the quarter long contest battled the length of the gridiron before West's Bill Haire shook loose to rack up a six-pointer on the scoreboard and gain the victory for West.

In the second round Upper Arlington's Golden Bear and the Polar Bear of North clawed each other over the lot with neither getting any advantage and the setto ended in a scoreless tie.

In the third quarter session between West and North, Weinrich of the Polar Bears broke away for a 54-yard jaunt and Blackford a few minutes later romped 16 yards for another six pointer.

In the final canto, Upper Arlington edged out Grandview, its traditional grid rival by a 6-0 [illegible].

On this Friday night West will officially open its regular fall schedule when it plays host to a rough and ready Marion Harding crew. In this full game contest West will be able to show its ability and the true calibre of material which grid mentor "Mack" Pemberton has on hand.

A new innovation is being introduced at the Powell Avenue school this year when the Friday night season opener is labelled as "Mothers' Night." Traditionally the season has always had one game for the Dads and this year they go one better and hold a game to honor "Mom."

Bobby Hill To Defend Motorcycle "Champ" Title

Rod Phillips presents Bobby Hill trophy and lei of flowers after he had won the Ohio State championship for the second straight year at last year's "Legion-Arrow" motorcycle races at the Ohio State Fairgrounds. He has entered the Sept. 16 race again this year.

Sept. 16 will see the country's outstanding competition riders gathered at the Ohio State Fairgrounds for the third annual "Legion-Arrow" motorcycle races, sponsored by Camp Chase Post 98 of the American Legion.

A six-star, 10-race card that is open to all A.M.A. licensed novice, amateur and expert motorcyclists in North America, the day's program is topped off with the hotly contested 20-lap, 10-mile Ohio State championship as an added 10th race.

The state championship is open only to expert riders who have residence in Ohio during the current racing season.

The colorful and famous "Legion-Arrow" races are run on the same track as the equally colorful and famous Charity Newsies races.

The irony is that, while an Ohio rider has never won the Charity Newsies expert final, Bobby Hill, on his sleek Indian, who hails from West Virginia but has resided in Ohio for the past six years, has cleaned up at the "Legion-Arrow" for the past two years.

Even more amazing is the fact that, in addition to beating all comers in the "Legion-Arrow" expert final, Hill has also captured the added Ohio State championship two years in a row.

The Bobby Hill monopoly promises to make this year's races all the more hotly contested.

Novice time trials will be held Saturday, Sept. 15, the day before the races, and start promptly at 2 p. m., while time trials for amateur and expert riders start at 10 a. m. Sunday, Sept. 16, the day of the races.

Time trials were given to 133 competition riders last year.

Friends Church Acquires Land Site For New Hilltop Church

Pictured above is the meeting held Monday afternoon in the offices of the First Federal Savings and Loan when officers of the Friends Church acquired new lands for erection of a new church edifice on the Hilltop. Seated, left to right, are Attorney Slade, George Skipper, Madge Skipper, David Skipper, Harold Fox, Herbert Haldy, Arthur Pippin, Russell Barnett and Burris Jones. Standing are Attorney Martin, Herb G. Deems and Mr. Green of the First Federal Savings and Loan and Paul Langdon, chairman of the church planning board.

Trustees Monday signed papers setting a new milestone in history of the Highland Avenue Friends Church. The transaction was completed in the Hilltop office of the First Federal Savings and Loan with the purchase of lots at the corner of Grace-st and N. Terrace-av for possible new location of the Highland Avenue Friends Church. The church has been located at its present site since 1893.

The church started in about 1889 with a Sunday School in a small one-room building on the corner of Whitethorne and Broad-sts by William P. Ong. Later a brick school building was built on Clarendon-av, which was used for services. This building is now a dwelling.

The history of Friends on the Hilltop dates from Mar. 3, 1872, when the families of J. C. McGrew and Robert S. Hague were the first to reach Camp Chase, O., from nearby Mt. Pleasant, O. They were later joined by the families of William Binns, Miller Gibson, John Hussey, Lewis Ong, Joseph P. Ong, John Watson, John Cowgill, L. Nathan Petit, William H. Harris, Joseph Miller and many others. Here in 1873 a meeting for worship was established.

The meeting house at Camp Chase is now a dwelling at the corner of W. Broad-st and Wilson-rd.

Herbert Haldy, one of the signers of the transaction just completed, was a member of the original meeting in Camp Chase in 1906. His father, Lewis C. Haldy, was an active member both at Camp Chase and at Highland-av, since the membership at Camp Chase was transferred to Highland Friends Church in 1915.

The church has recently purchased a new parsonage at 106 Eldon-av. Chester G. Stanley is the present pastor of the church.

Roller Skating Championship Scheduled

Starting the week of Sept. 12, the 14 city playgrounds remaining open for the fall season will hold the City Playground Roller Skating Championships under the co-sponsorship of the City Recreation Department and the Roller Derby.

Individual races for all three classes—through 13 years, 14 and 15 years; and 16 and 17, for both boys and girls will be held.

Ribbons and season passes to the Roller Derby will be awarded all class champions of each playground. These champs will meet Wednesday, Sept. 19, 5 p. m. in the area in front of Central High School for the city championship in each class.

Casting Tourney Draws Many To Harder Lake

Harder Lake at Westgate Park was the scene last Sunday of the Columbus Casting Club's tournament. The Clintonville Casting Club were visitors to the local park with contests held for adult ladies and juvenile casters.

Fritzie Reed, 3257 Parkside-dr, cast the highest ladies' score of 88 to win that division. Roxana Rudolph, another Hilltopper, also took part.

The juvenile event for boys under 15 was exciting when a tie was cast by David Kesler and Dick Dennis of the Clintonville Club. The tie was cast off on five targets and was neck and neck until the fifth target when Kesler took over the top position.

Highest adult scores were cast by W. T. Behnin (96) and Ralph Nigh (96).

Westway Postscripts

By Henry A. Levy

Commander Hartman in accordance with post action, has set Friday, Sept. 21, 8 p. m. (Post Hdq.) as an extra business meeting for the month. Urgency of post business has made it mandatory to call this meeting.

Jr. Vice Commander Wolford announced today that the membership will be visited by members of his committee and asks that those so visited extend their full cooperation to the project the post is sponsoring.

Did you hear! Boy! our auxiliary is "bustin' out all over." Auxiliary President Emma Russell has been appointed regional hospital chairman; and she is really doing a remarkable job. Martha Lee is now president of the 11th District VFW Auxiliary. Madam President Lee will hold her first meeting at Raymond, O., Oct. 21, and to you post members that is a date for you to remember.

Westway Auxiliary took treats to two wards at Chillicothe last Tuesday. Some of the treats furnished were ice cream, cookies, cigarettes, magazines with a value of $25, and puzzles valued at $15. Those in attendance at Chillicothe were Cleo Boord, Emma Russell, Sylvia Ell, and Ruth Linder.

Sick call: George Ell, at home, 168 S. Harris-av.

Bye now! will see you at the post meeting Sept. 21.

Rev. Delbert R. Krumm, his wife and their daughter, Carolyn Dee, are making themselves acquainted with the Hilltop since Rev. Krumm has been assigned as pastor of the Hilltonia EUB Church.

Sleeping Driver Uproots Tree

Ralph "Mac" Beeson, 21, 383 S. Roys-av, wrote one for Ripley's "Believe It or Not" Monday while driving on Johnstown-rd at 17th-av. Beeson, who evidently fell asleep, drove off the north side of the road and demolished a 500-pound stone flower box, according to sheriff's deputies.

But instead of "giving up" the car then struck and uprooted a six-inch catalpa tree and continued approximately 50 more feet before stopping against a second tree.

H. M. Reinhart, 2661 Johnstown-rd, whose flower box was destroyed and whose tree was uprooted, said he was happy that Beeson was not injured and added, "I was glad to see that tree go anyway."

Beeson drives an ambulance for a local funeral home.

Anonymous MO To Replace Trees

Frank Sexton, 3251 Parkside-dr, the heavyweight wrestling champion in eastern United States, may plant some new evergreens on his lot at 3302 Sullivant-av, now that an anonymous mother has sent him a money order for $40 to replace trees stolen Aug. 26.

The mother who said her son had taken the evergreens on a dare, just didn't feel right until it was payday and she could square things for her boy. The money was mailed in to Mayor Rhodes, who located Sexton through a police report.

The mother, a resident of a western Ohio town, protected her son from prosecution by postmarking the letter in Indianapolis, Ind.

Frog Hunters Prove Prowess To Discount Doubting Thomases

Clarence Story and Curt Roberts turned "Frog Hunters" last week after regaling many and sundry of the community with tall stories of their nocturnal hunting expeditions. It seems as though there are several "Doubting Thomas" characters in the vicinity so the two brought in their catch of last week to have a pictorial proof of their ability. On being asked where they managed to get the 28 beauties shown above they gave the evasive answer of "Up the creek a ways."

HILLIARDS School Notes

OPENING DAY ASSEMBLY

The first assembly of the 1951-52 school year at Hilliards High School started at 9 o'clock Tuesday, Sept. 4. The sophomores, juniors and seniors took their new auditorium seats to which they had looked forward since last year.

The purpose of the assembly was to introduce all the new teachers and all the new pupils to each other.

Mr. Richard Emmelhainz is in charge of American and World History and Sociology classes. Mr. George Koncar has algebra, Mr. Perry Reall has athletics and civics and Mr. Robert White, the music classes.

The first day talk was then given by Principal Charles Pickens on where to park on the school grounds when driving and also when to leave at night.

Students then finished six short periods and were excused. Regular classes started Wednesday.

FOOTBALL PRACTICE BEGINS
By Herb Weisenberger

The 1951 football season got under way Aug. 30 for the Hilliards Wildcats.

Coach McElheny says Hilliards has a large team this year with a fast backfield. Fourteen lettermen are back this year.

Our first practice game was won over Arlington. Hilliards then lost one to Linden. In the third game Hilliards was in fine shape and beat Mechanicsburg.

ENROLLMENT OF H.H.S.
By Marcia Stemper

On Sept. 4 Hilliards High opened its school doors to 355 students. They consist of 63 girls and 67 boys in the ninth grade, 47 girls and 51 boys in the 10th grade, 17 girls and 32 boys in the 11th grade and 43 girls and 35 boys in the 12th grade. The total number of girls are 170, and 185 boys.

NEW ATHLETIC FIELD
By Harry Bell and Marvin Evans

The new athletic field at Hilliards High School is well under way. It is to be finished by the first home football game with Dublin on Sept. 28.

The field has been seeded but, due to dry weather, it isn't completely covered.

The estimated cost of the field is $85,000, not including the lights, which will cost an estimated $4,000.

The entire field covers 13 acres on the east side of the high school. The stadium is 46 feet by 87 feet and will seat more than a thousand persons.

The lay-out includes a football field, a track which completely surrounds the football field, baseball diamond, softball diamond, football practice field and a band practice field.

There is also to be a refreshment and lunch stand under the stadium and head-in parking completely around the field.

H.H.S. MIXER HELD
By Harry Bell and Marvin Evans

The all-school party held at Hilliards High School Sept. 7 was enjoyed by every one who attended.

The purpose of the party was to get the new students acquainted with the old students and start the school social program for the year.

H.H.S. GROWS UP
By Lynn Holder

In recent years Hilliards High School has been accommodating the seventh and eighth grades because of the shortage of room at the grade school. However, there has been an addition to the grade school, which has enlarged the capacity and they are now able to take care of the seventh and eighth grades.

This will leave the freshman, sophomore, junior and senior classes only in the high school building this year, and also makes a senior high school at Hilliards.

DANGERS OF Delayed Decisions ON DISEASED TONSILS

The delay in making the decision to have infected tonsils removed, has cost many children their health.

Tonsils seem to be favorite lurking places for germs and infections that spread through the blood to other parts of the body, with dire and painful results. Rheumatism, rheumatic heart trouble, ear trouble, susceptibility to scarlet fever and diphtheria are some of the serious things that may result from diseased tonsils. Repeated attacks of tonsilitis are dangerous, and usually precede some of the above mentioned complications, and other more remote diseases.

Removal of tonsils in children, from three years of age and up, is a quick, practically painless operation, through modern surgery, and young patients are usually comfortable in a few hours. In a grown person the mental and physical suffering is greater, and the tonsils may have caused much harm before their removal.

Therefore, you should consult your Physician and follow his advice about the removal of infected tonsils, as soon as it is physically possible.

White Glads, Mums, Candelabra Background For Sept. 8th Vows

Mr. and Mrs. Edward Jacques Whitehead

A background of white gladioli, mums and seven-branch candelabra amid fern and palms were used for the double ring ceremony uniting Miss Jobyana Pitt and Mr. Edward Jacques Whitehead. Rev. A. J. Wold officiated the ceremony at Hoge Memorial Church Saturday, Sept. 8, 2:30 p. m.

Miss Pitt is the daughter of Mr. and Mrs. Sheldon J. Pitt, 149 N. Huron-av, and Mr. Whitehead is the son of Mrs. George K. Bremer of Daytona Beach, Fla., and Lt. Col. James R. Whitehead, Ft. Eustis, Va.

Given in marriage by her father the bride wore a gown of white satin, fashioned with a net yoke, an off-the-shoulder bertha of chantilly lace over a fold of satin, a fitted bodice and long sleeves coming to points over the wrists. The full skirt ended in a short train and the satin Juliet camp featuring pearl fagoting held the fingertip illusion veil. The bride carried a white Bible upon which was arranged a lace hanky and a white orchid from which fell streamers of white satin knotted to tiny white mums.

Miss Nancy Pitt, her sister's only attendant, wore a gown of shrimp satin cloche. Her mitts and slippers were gold and she carried a colonial bouquet of yellow pompoms surrounding shrimp gladioli.

Mr. Harry Bradly was bestman and the ushers were Mr. Dick Fagan, Mr. Ray Harper and Mr. Ted Hilderson.

A reception was held at the home of the bride's parents following the ceremony. The bride's mother received her guests in a champaign faille dress with black velvet accessories. Her corsage was orchid pompoms and red roses. Mrs. D. E. Jacques, grandmother of the bridegroom, wore a purple suit and accessories. Her corsage was of orchid and yellow pompoms. Mrs. Bremer was unable to attend the ceremony.

Junior hostesses included Miss Jackie Whitehead, the bridegroom's sister, Miss Marilyn Downs, Miss Barbara Harrison and Miss Shirley Preston. Senior hostesses were Mrs. Chester J. Downs, Mrs. Lawrence Fullen, Mrs. Arthur Beatty, and Mrs. Kenneth Burgoon, all aunts of the bride.

For their honeymoon trip to the South the bride changed to a strapless black taffeta dress with white pearl studded trim and a matching jacket. She chose accessories of black mesh and wore the orchid from her bridal bouquet.

The young couple will reside at Daytona Beach, Fla.

DORAN'S PLANNING SILVER ANNIVERSARY

Mr. and Mrs. Edwin F. Doran, 57 N. Terrace-av, will celebrate their silver wedding anniversary Sunday, Sept. 16, with an open house from 4 to 6 p. m. and 8 to 10 p. m.

Hostesses will be Mrs. Donald Doran and Mrs. Richard Doran. They will be assisted by Mrs. Marie Payton and Mrs. Frank Doran.

Nuptials Read At Glenwood

Glenwood Methodist Church was the setting for the Aug. 23 wedding uniting Miss Helen Frances Dennis, daughter of Mr. and Mrs. Earl Dennis, 318 Columbian-av, and Mr. Donald Frances Rock, son of Mrs. Florence M. Rock and the late Mr. Rock of Hyannis, Mass. Rev. Joseph Shellhaas read the evening cere-

The bride, given in marriage by her father, wore a gown of white marquisette, styled with long sleeves, a double ruffle lace collar and tiers of alternating lace and marquisette down the side of the full skirt which flowed into a cathedral train. Her veil of imported illusion and lace was trimmed with seed pearls. Her bouquet was of white roses and pompoms.

Mrs. George Whitcraft, matron of honor, wore a ballerina length gown of green lace and marquisette. She carried a bouquet of talisman roses, pompoms and ivy.

Little Georgene Whitcraft, flower girl, wore a dress of green taffeta and carried a colonial bouquet of Talisman roses, pompoms and ivy.

Acting as best man was Mr. George W. Whitcraft, and guests were seated by Mr. Albert G. Norman, Mr. W. H. Jerman and Mr. Donald Dennison.

For her daughter's wedding Mrs. Dennis chose a dress of navy blue with which she wore white accessories and a corsage of pink roses and white pompoms. The bridegroom's mother wore a navy blue print dress with white accessories and her corsage was of yellow rosebuds and white pompoms.

Mrs. H. W. Jerman and Mrs. D. L. Dennison were hostesses for the reception held at the home of the bride immediately following the ceremony.

For their honeymoon through Kentucky and Tennessee the bride changed to a brown gaberdine suit with which she wore the corsage from her bridal bouquet.

The new Mrs. Rock is a graduate of Florida Southern College, Fla., and will teach music in Fairborn, Ga. Mr. Rock is also a graduate of the Florida college and he is enrolled in the Candle School of Theology, Emory University, Ga. They will make their home at 127 W. Princeton-av, College Park, Ga.

Hilltop Church of God Scene Of White-Doran Nuptials Sept. 8

Mr. and Mrs. Richard F. Doran
(J. Curtis Allen Photo)

Hilltop Church of God was the Sept. 8 setting for the ceremony uniting Miss Donna Carol White, daughter of Mr. and Mrs. Gilbert White, 404 Garden Heights, and Mr. Richard F. Doran, son of Mr. and Mrs. Edwin F. Doran, 57 N. Terrace-av.

Rev. O. G. McClure read the evening ceremony following prenuptial music by Mr. Gene Wolford and Miss Joy Plank.

The bride, escorted to the altar by her father, wore a gown of candlelite satin styled with a short train. The bodice was overlaid with Chantilly lace and the open scalloped neckline was covered with iridescent sequins. The long sleeves terminated in points over her hands. The bride wore a pearl necklace the gift of the bridegroom and a fingertip veil of illusion caught to a Juliet cap of Chantilly lace and satin with iridescent sequins, made by the bridegroom's mother. The bridal bouquet was of white pompoms and ivy centered with a purple-throated orchid.

Mrs. Norman Spellman attended the bride as matron of honor. She wore a gown of cinnamon brown taffeta and carried a wedding ring bouquet of gold mums and ivy. Miss Gloria Schneiderer, bridesmaid, wore a gown of gold taffeta and carried a colonial bouquet of bronze mums and ivy. Miss Rita White, sister of the bride, was junior bridesmaid and she wore a gown of lime taffeta and carried a colonial bouquet of wine mums and ivy.

The flower girls, Misses Dorothy Reed and Margaret Ann Seeley, wore gowns designed of white nylon net ruffles over sky blue taffeta and carried white baskets of white mums, ivy and red rosebuds.

Mr. Donald Jaynes acted as best man for Mr. Doran and Mr. Norman Spellman and Mr. Donald Doran were ushers.

For her daughter's wedding, Mrs. White wore a grey crepe dress with pink accessories and a pink rosebud corsage. Mrs. Doran chose a purple crepe dress with grey accessories and a corsage of yellow rosebuds.

The reception was held following the ceremony at the home of the bride's parents. Hostesses included Mrs. D. S. Seeley, Mrs. T. D. Morris, Mrs. Gerald Smith, Mrs. Philip Wright and Mrs. Gerald Plank.

For their honeymoon trip along the Skyline Drive and to Washington, D. C. the bride changed to a light grey wool jersey dress. She wore a blue velvet coat and accessories and the white orchid from her bouquet.

After Sept. 16 they will be at home at 201 Eldon-av.

Donna Thomas, Donn Rice Wed Aug. 4 at Hoge Memorial Church

Mr. and Mrs. Donn P. Rice

Hoge Memorial Presbyterian Church was the Aug. 4 setting of the 7:30 p. m. marriage uniting Miss Donna Thomas, daughter of Mr. and Mrs. Herbert W. Thomas, 307 N. Warren-av, and Mr. Donn Paul Rice, son of Mr. and Mrs. Russell J. Rice, 57 S. Richardson-av. Rev. Alfred J. Wold officiated at the wedding before an altar decorated with white gladioli, candelabra and palms.

The bride, given in marriage by her father, wore a gown of imported ice-blue Chantilly lace over nylon tulle, designed with a deep sheer yoke appliqued with lace florettes. The long lace sleeves ended with a tulle ruffle over the hands. A lace peplum fell over the very full double skirt of tulle, cascading into a chaple sweep. A matching lace cloche held the full length veil of imported silk illusion. She carried a white prayer book topped with Amazon lilies and stephanotis and a white handkerchief given by her grandmother.

Miss Pat Linville, maid-of-honor, Mrs. John Slattery, bridesmatron, and Misses Nellie Evans, Ruth Ansley, and Doris Thomas, sister of the bride, served as the bridal attendants. They wore gowns styled alike designed with formal marquisette bodices, satin midriffs, extremely full skirts of marquisette, marquisette capes, and matching headpieces. The honor attendant wore French lilac and the bridesmaids were in camellia pink. They carried colonial bouquets of roses and carnations with matching satin streamers.

Mr. Richard Ardle served as best man and seating the guests were Mr. Robert Hakola, Mr. William Thompson, Mr. Jerry Snyder, and Mr. Arthur Masse.

Mrs. Thomas chose for her daughter's wedding a dress of larkspur blue lace over a pale blue slip with pale blue accessories. Mrs. Rice chose a dress of grey lace over a pink slip with which she wore grey accessories. Both mothers wore corsages of white roses.

Immediately following the wedding a reception for 125 guests was held at Mrs. Root's Party Home. Hostesses were Mrs. Lewis Trout, Mrs. James Dennis, Miss Lois Stansell and Miss Harriette Wallace.

For their wedding trip to Lake Erie, the new Mrs. Rice changed to a silk shantung suit of deep pink with which she wore navy accessories.

They are now residing at 310 Allcedale Ct., Apt. 1, Akron, O., where Mr. Rice is chemical engineer for the B. F. Goodrich Co.
